

Parliamentary Standing Committee on Information Technology Visits ITI Limited

Parliamentary Standing Committee on Information Technology chaired by Dr. Shashi Tharoor visited ITI Limited, Srinagar Plant on September 3, 2021. Shri R M Agarwal, CMD, ITI Limited along with Shri D. Venkateswarlu, Director (Production), Shri Rajeev Srivastava, Director (Finance), Shri Idris Khan, DGM-S, Unit Head ITI Srinagar Plant and senior officers welcomed the members of Standing Committee on Information Technology.

The members of Standing Committee were taken around the Skill Development Centre of the plant. The members also witnessed ITI's products and services from all the manufacturing plants/units like Smart Cards, Micro PC, Solar Panels, 3D Printing Machine, Face Mask vending machine etc.

A meeting was organized to review the performance of the company. On the occasion, Shri R M Agarwal gave an overview of the company, highlighted the performance and reviewed the progress of ongoing projects. Dr. Shashi Tharoor, Chairperson of the Standing Committee appreciated the facilities available across ITI manufacturing plants/units like Data Centre, Smart Cards and urged ITI Management to explore the potential market. The members also expressed their interest in products and services of ITI like 3D Printing Machine, development of Smart Phones, Miniaturised Solar Panels, EVMs etc., and suggested for exploring opportunities in Artificial Intelligence, Server Hub and Data Centre.
