**73RD ANNUAL REPORT
2022-23**

Partner In Nation Building Since 1948

CHAIRMAN'S MESSAGE

Dear Members,

It is an honour and a great privilege to present the 73rd Annual Report of ITI Limited for the Financial Year 2022-23. I am pleased to inform you that the Company has complied with the guidelines on Corporate Governance for CPSEs. On behalf of ITI Limited and the Board of Directors, it is indeed an honour and a privilege to share my thoughts with you through the Annual Report 2022-23.

Dear Shareholders, before I talk about the performance of the last financial year, I would like to share with you all that ITI Limited has bagged completely indigenous 4G technology Order from BSNL which is worth Rs 2421.49 Crores including Supply, Installation & Commissioning of 4G Radio in 23,633 sites in West Zone. This was the most awaited order and is very important for ITI Limited as it opens new avenues in 5G technology arena also. Let me now talk about the Financial Year 2022-23. This year of the Company has been a year of several challenges and unexpected issues. The most expected projects did not mature during this year due to some concerns of the customers. PoC of the ASCON Phase IV project has not been concluded

delaying the project rollout and the cash flow. Similarly, there has been an undue delay in the completion of PoC of BSNL 4G Project, thus delaying the RQ order from BSNL. These two unwarranted events have caused a big blow to our performance, and the Company's turnover as well as profits have dwindled in this year. Company has achieved a turnover of Rs 1588.60 Crores, with a loss of Rs 359.85 Crores. Despite big disappointment from the two mega projects, the above turnover was made possible by the contribution mainly from Turnkey Projects like ASCON Phase IV, Mahanet, TanfiNet, NFS Project, Gujnet, and IAF project for Upgradation of 3G network to 4G/LTE. This year's contribution from Manufacturing was mainly from supply of various products viz HDPE, OFC, Encryption Products, Solar Panels, FDMS, Mini PC, and Solar Street Lights. Services like AMC for ASCON, OCB, GSM-SZ & MLLN, Data Centre, VSSC Business, Third Party Audit Services (TPA) and also business generated by MSPs have contributed for this achievement.

Dear Shareholders, as mentioned above, the Company is going in a big way addressing the latest technology opportunities for 4G which is expected to pave way for the next generation that is 5G. We have collaborated with TCS for rolling out the project as well as for manufacturing the 4G Radios. Other than Radios, ITI Limited also plans to manufacture outdoor cabinets and cables required for the roll out.

ITI Limited has also signed MOU with C-DOT for Transfer of Technology for manufacturing of 4G Radios. Despite supply chain long lead time for components, we have been able to roll out first Prototypes within 6 to 7 months and they are already deployed by ITI Limited at Ambala for PoC. We have already received a PO for POC (20 sites of 4G & 5 sites for 5G) from BSNL. Manufacturing of 4G Radios will enable ITI Limited for manufacturing 5G Radios which is expected to be a path-breaking change for the Company. Another opportunity in 4G Radios manufacturing is also expected out of USOF approved pilot projects. The Company is coordinating with 4 start-up firms to deploy these pilot projects. This is expected to give the Company more openings on the technology front for addressing emerging technology business coming from BSNL and other customers.

Dear Shareholders, I am happy to inform that our R&D developed Electronic Voting Machine (EVM) has been approved by Technical Evaluation Committee. ITI Limited has initiated for mass manufacturing of EVMs. The Company is also pursuing with State Election Commissions (SECs) for marketing the EVMs. Another product developed by R&D is the Digital Mobile Radio (DMR) and prototypes have been demonstrated to Indian Railways. Good market demand is expected from agencies like MHA, State Police, Defence Forces in addition to Railways.

We are also making all out efforts to market the services offered from our Data Centre. Data Centre has been equipped to offer wide range of services including Cloud services, Managed Security Services, On-demand Services, Professional Services, Security (SoC), and Managed IT Services. Out of the Data Centre, we have an initiative to set up SoC platform to offer services to customers and MSMEs to monitor, prevent, detect, investigate, and respond to cyber threats round the clock. Telecom Test Labs offer wide range of test services across customers ranging from commercial, communication, medical, automotive, railways, industrial, IT, and domestic sectors. EMI/ EMC Lab is upgraded for Military standards and the lab is accredited by NABL and TEC Conformity Assessment Body (CAB), TEC Delhi. The Start-up Hub is making good progress in attracting start-up firms and there is a need to identify start-ups in telecom domain to be part of this Hub so that we could encourage the innovative products in the Telecom, IoT and other areas by way of manufacturing & marketing of successful products. Our R&D has been a pioneer for last 5 decades in the design & supply of encryption devices to Defense sector.

With regard to the contribution of Units, Palakkad Unit in collaboration with Intel has been manufacturing and marketing Laptops. The Laptops developed by Palakkad Unit have acquired certifications from BIS, FCC, RoHS, CE, BEE etc. The Desktop Micro PCs have been supplied to various Educational Organisations and annually around 2000 to 3000 Micro PCs are being shipped from Palakkad Unit. I feel proud to inform that we have received an Appreciation Letter for commendable contribution made by Palakkad Team by way of fabricating avionics packages flown on the launch of LVM3 M2/One Web India-1 Mission, and Chandrayaan-3 (LVM3-M4) Mission, meeting all the quality norms of ISRO and supplying in a time bound manner.

At our Mankapur Unit, HDPE Duct Plant has been converted to manufacture Water Pipes and around 5000 KMs of water pipe has been manufactured till date to address varied opportunities. The Unit has successfully manufactured and supplied around 1140 Nos of Fibre Distribution Management Systems (FDMS) for ASCON PH-IV & TanfiNet projects. Mankapur Plant has also manufactured 8000 Nos of ONTs for RailTel.

Our Raebareli Unit has manufactured around 23,400 KMs of HDPE Duct for ASCON PH-IV, MahaNet, TanfiNet, A&N Projects and also Indian Air Force (IAF) Projects. Further, the Unit has manufactured around 23,407 KMs of OFC and supplied mainly for ASCON, and TanfiNet projects. Marketing Team has been exploring opportunities with private operators like Vodafone, Airtel etc so that the facility runs at the maximum capacity.

The Solar Panels manufactured at Naini Unit have been used to set up roof-top solar power plants in all the Units and Regional Office of ITI Limited. Cumulative capacity of Captive Power Plants is around 5.6 MW of power which reduces the energy expenditure of the Units by 20%. Our Naini Unit has also supplied SPV systems for BharatNet projects. We have a plan to set up Mono Crystalline Solar Panel manufacturing line of 500 Mega Watt capacity. Srinagar Unit focuses on Skill Development Programme and has also established OFC Training Center.

The Company's Order Book needs to be improved year-on-year so as to achieve sustainable growth. Corporate Marketing Team has been aggressively exploring private market for various products. In this regard, ITI Limited is empanelled with Vodafone for HDPE Duct. Many other initiatives of supplying Mini OLT and ONT, Supply of Mini PC to private institutions, contract manufacturing of Tablet PCs, Laptops, OFC, HDPE water pipes, mobile handsets, 15,000 Nos Solar Modules of 125 Watt for Patanjali are under progress/active consideration and we hope to get good revenue from these opportunities.

Network System Unit (NSU) has contributed maximum for the revenue of the last year. The performance achieved in the main projects executed by NSU is ASCON PH-IV & AMC - Rs 390 Cr, Mahanet - Rs 313 Cr, TANFINET- Rs 140 Cr, IAF 4G, Gujnet, NFS, GSM etc -Rs 382 Cr. Rollout of OFC has been under progress across the Western, Northern & North-Eastern regions of India and 5865 Kms of T&D, 1681 Kms of AT has been completed. Civil construction work has also been making good progress. In the TANFINET project, 25% of GP litting work has been completed and 45% of OFC laying work has been completed. We are planning to complete the project by September 2023.

Dear Shareholders, to be competitive in the business, your Company has been trying to adapt to, and catch up & align with the rapid changes in technology. We believe products like 4G/5G Radios, EVM, DMR may be the game-changers for the Company. We have tough path ahead but our resolute focus is to surpass the obstacles and challenge to march towards complete revival. We have to channelize all our talents & ingenuity towards accomplishment of larger goal. Our utmost commitment is required to excel. Meticulous efforts and steadfast march towards our goal is the need of the hour and would enable the Company to scale up to newer heights. By aligning the Company with the various new initiatives of Government, new technology, new business segments, new projects & products, I am confident that, we can become a prominent player in making Indian Telecom sector self-reliant – Aatma Nirbhar in the near future. As the Company would be completing 75 years of inception this year, the fitting way to celebrate 'Amrit Mahotsav' is through showing improved performance in this Financial year. With the support of DoT and Government of India, we shall achieve best performance that would lead the Company towards market leadership & financial sustenance.

I am grateful to the Government of India, Ministry of Home Affairs, Ministry for Rural Development, Ministry of Defense, Department of Telecommunications, Telecom Commission, BSNL, MTNL, BBNL, Defense, TCIL, Indian Railways, all departments of Central and State Governments and other valued customers, depositors, banks, financial institutions, overseas collaborators, Auditors, Committee on Public Undertakings [COPU], Standing Committee on Information Technology and Standing Conference of Public Enterprises [SCOPE] for their continued co-operation and support. I also take this opportunity to extend my thanks to all the employees and shareholders for their support and understanding.

Thank You

INSTRUCTIONS TO MEMBERS FOR REMOTE E-VOTING, E-VOTING DURING AGM AND ATTENDING THE AGM THROUGH VC/OAVM

INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING ARE AS UNDER

1. The voting period begins on Monday, 25th September 2023 at 09.00 a.m. and ends on Wednesday, 27th September 2023 at 05.00 p.m. During this period members of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of 21st September 2023 may cast their vote electronically. The e-voting module shall be disabled by NSDL for voting thereafter.
2. Members who have already voted through remote e-voting would not be entitled to vote at the meeting venue.
3. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09th December 2020 read with SEBI Circular dated 13th May 2022 and under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its Members, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional members / retail members is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

4. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 9th December 2020 on e-Voting facility provided by Listed Companies, Individual Members holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. OPERATIONAL PERFORMANCE OF PRODUCTION PLANTS AND SERVICE UNITS

BANGALORE UNIT:

I. PERFORMANCE

During FY 2022-23, Bangalore Unit has achieved the Turnover of Rs 414.48 Crore. The turnover mainly consists of Manufacturing, Various Services and Projects.

II. MAJOR HIGHLIGHTS

(i) Encryption Products

The Secrecy products for Defence Communication Networks and other Ministries are being designed by our R&D and manufactured, supplied & maintained by ITI for a long time. ITI has been the pioneer in this field. The products have evolved over the years in tune with the evolution in the digital communication technology. There are major requirements of encryption products for Defence for their Network for Spectrum, (NFS) Army Static Switched Communication Network (ASCON) etc.

Bangalore Unit has Designed, Manufactured and Supplied 51 Nos. of High Throughput Terminal End Secrecy Devices (SESD) and 26 Nos. of Next Generation Network (NGN)-Bulk Encryption Unit (BEU) sub racks as part of Defence Communication Network.

(ii) Telephones

Plant has Supplied 302 Nos of Field Telephone (5C) and Executive Telephone System (1+1) to Ashok Leyland, GRSE and BSNL.

(iii) 4G RAN Manufacturing

Bangalore Unit has manufactured and supplied C-DOT 4G RAN equipment (Band 28 & Band 8) to PoC Site, Ambala.

(iv) 3D Printing

3D Printing has been providing services to internal as well as external customers Bagged order for manufacturing of force & moment low-speed wind tunnel 5th generation Fighter jet models, like Twin Engine Deck Based Fighter (TEDBF) & Advanced Medium Combat Aircraft (AMCA) from our esteemed customers Aeronautical Development Agency & IIT-Kanpur.

(v) Reliability Engineering Lab

Reliability engineering Lab is equipped with various Environmental Test chambers and has been providing services to internal as well as external customers Lab facilitates to conduct all environmental tests as per QM333, JSS 55555, MIL Standard and Customer Test Requirement.

(vi) Telecom Testing Lab (TTL)

NABL accredited EMI/EMC lab is a part of the Telecom Testing Centre which has been built at Bangalore Plant to meet the EMC requirements of the Telecom Equipment launched in the market. This lab can test Industrial, Scientific, Medical and IT equipment for Emission and Immunity requirements of TEC as per International Standards. MIL-STD-461 is followed for Defence and Commercial equipment can be tested as per CISPR 11/22/15/32.

TTL caters to external customers ranging from commercial, communication, medical, industrial, IT, automobiles and domestic sectors.

(vii) Defence AMC & Non AMC card Repairs

Bangalore Unit is also executing the AMC for Ananda BEU MK II, EDUs, STM 1 and STM 4 secrecy Equipment's supplied to Defence Customers all over India.

(viii) Global System for Mobile Communication (GSM) South Zone AMC

ITI had successfully completed the BSNL GSM project of 9ML GSM equipment in BSNL South Zone for around Rs 2940 Crores in various BSNL –South Zone Circles namely - AP, Telangana, Chennai, Karnataka, Kerala and Tamil Nadu Circle and have executed the mandatory AMC. On completion of mandatory Annual Maintenance Contract, BSNL has extended the AMC up to Dec- 2021 for Rs 70 Cr and further extended the order worth Rs 65 Crore for one more year i.e upto December 2022 which ITI Bangalore Plant has executed successfully. ITI Bangalore plant has also received confirmed extension order for 2023 AMC for BSNL South Zone Circles.

(ix) Data Centre and IT Business

Looking into high demand for data Centre business and the expected growth in India, the new Data Centre has been established, under the revival plan with 1000 Racks capacity at Bangalore Unit having Tier III certification i.e. ANSI/TIA-942-B. The TIA-942 Certification Program enables data centres to be reviewed and certified for conformity to the requirements of the globally-recognized ANSI/TIA-942 standard, providing greater assurance to customers and stakeholders.

The Data Centre is having ISO 20000-1:2011, ISO 27001:2013, ISO 27017: 2015 & ISO 27018:2019 certification. ITI Data Centre is also Empanelled Cloud Service Provider with MeitY (Ministry of Electronics and Information Technology). ITI has obtained Capability Maturity Model (CMMi) Level 3.

ITI Data Center has the capability to offer a wide spectrum of service portfolios include High density hosting services, Cloud services, Managed security services, on demand services, Professional services, Security Operations Centre (SoC) and Managed IT services.

The Company is providing IT services like Aadhar authentication services, e-KYC services, core banking applications, ERP services, mobile wallet application, e-Seva services etc. through ITI Data Center.

(x) Security Operations Centre (SoC)

The function of the SOC is to monitor, prevent, detect, investigate, and respond to cyber threats around the clock. SOC teams are responsible for monitoring and protecting the organization's assets including intellectual property, personnel data, business systems, and brand integrity. The SOC team implements the organization's overall cybersecurity strategy and acts as the central point of collaboration in coordinated efforts to monitor, assess and defend against cyber attacks.

Various services provided by the SoCaaS (SOC as a Service) are:

- i) Data Loss Prevention
- ii) Security Information and Event Management (SIEM) & User and Entity Behaviour Analytics (UEBA).
- iii) Vulnerability and Penetration Testing (VAPT)
- iv) E-Mail Security
- v) Firewall With DDOS (Distributed Denial-of-Service)
- vi) Network Access Control (NAC)
- vii) Identity & Access Management (IAM)
- viii) Endpoint Detection And Response (EDR)

(xi) ITI e-Seva

An Integrated e-Services Platform to deliver more than 40 e-services to citizens under CSC Scheme.

Impact on Social Livelihood:

- i. Providing self-sustainable employment directly or indirectly to more than 500 entrepreneurs.
- ii. ITI e-Seva through its presence in various geographical region of Urban and Rural areas of Karnataka & UP state, providing all e-Service to citizen at door step.

(xii) Major Research & Development (R&D) initiatives taken by the Company

Company's R&D Philosophy is to enhance its pre-eminence in products / services of Defence Electronics and other chosen fields through Research & Development. Company's R&D strives for development of new products built with cutting-edge technology modules.

R&D located in Bangalore Unit is designing & developing Communication Equipment to support In-House manufacturing and also keep abreast with State of the Art Technologies in the field of Electronics & Communications. R&D has core strength in design & development of Encryption systems to secure Communication Networks for defence forces, MHA, NTRC, etc. ranging from 8 Kbps to 10 Gbps data rate over different media and also in development of Network solutions.

The necessary infrastructure to aid design & development is available in the form of latest Test Instruments, Software design tools, Computer-Aided Design (CAD) design tools, reliability lab, EMI/EMC test lab and Telecom testing lab.

Major R&D products/services in the following areas:

- a) Encryption Systems for Defence, MHA etc.
- b) Electronic Voting Machine (EVM)
- c) Digital Mobile Radio (DMR) system
- d) Power Supply Modules
- e) Network Solutions for Communication Network

- f) Getting the CPC approval for Crypto products with proprietary Algorithms.

The successful products/solutions developed/Productionised in Financial Year 2022-23:

Products/Services:

- a) Multi Post Electronic Voting Machine (EVM)
- b) 1GE IPE for IB-MHA (Evaluated by DRDO)
- c) Development of spare Algorithm for TESD/SESD, 10/100 IPE, NGN and Flexi BEU of DCN project Evaluation completed by DRDO.
- d) E1 Encryptor for Eastern command (Army).

The Encryption products have successfully undergone Field trails, testing & Evaluation by customers.

PALAKKAD UNIT

I. Performances

In the FY 2022-23, Palakkad Unit has achieved the Turnover of Rs 57.69 Crore.

II. Major highlights

(i) Laptop

After successfully establishing the ITI Smaash brand in the Micro PC segment, ITI Palakkad has now ventured into manufacturing of ITI Smaash brand laptops. In the fiscal year 2022-23, the Palakkad Unit has supplied 9223 no's of laptops, which includes the prestigious supply of 6600 laptops to KITE (Kerala Infrastructure and Technology for Education). The ITI Smaash laptops have received great appreciation from major customers like KITE and KSEDC (Kerala State Electronic Development Corporation). These laptops carry national and international certifications such as Conformance Europeenne (CE), Federal Communications Commission (FCC), Restriction of Hazardous Substances (RoHS), Bureau of Indian Standards (BIS), and Bureau of Energy Efficiency (BEE) making them significant addition to ITI's portfolio.

The Memorandum of Understanding (MoU) with Intel Corporation for market analysis and product development, as well as with Microsoft Corporation for OEM products, remains strong in both the PC and Laptop segments.

(ii) Smaash PC

ITI's Smaash branded Mini PCs have strengthened its presence in the market through technological upgrades, incorporating newer generation processors. These compact computers, known for their energy efficiency and small form factor, are complemented by the Smart Power Station, a green energy solution that functions as a UPS and accepts power from both solar and grid sources. This innovative combination allows for minimal grid reliance and significant energy savings. Furthermore, these devices hold international certifications such as CE, FCC, RoHS, BIS, and Energy Star.

The Micro PC business has expanded its reach to Karnataka state, supplying PCs to 17 districts of Department of State Educational Research and Training (DSERT)/ Director of Public Instructions (DPI). The product has garnered attention from esteemed customers including Kerala State Electronics Development Corporation (KSEDC), Kerala e-Health, AIR India, NIC, Kerala Forest Department, National Urban Health Mission, Calicut University, Kannur University, and various educational institutions.

In addition to Mini PCs, the Palakkad Unit offers a range of turnkey solutions associated with this product, such as Smart Classrooms for schools and universities, HCI (Human-Computer Interaction) solutions, and Student Lifecycle Management Systems for universities.

(iii) Vikram Sarabhai Space Centre (VSSC) Business

ITI Palakkad Unit is associated with VSSC, Thiruvananthapuram in realization of electronic packages for various launch vehicles as well as screening of electronic components/ Packages. The association started with the establishment of Space Electronics Fabrication Centre (SEFC) at ITI Palakkad for electronic assembly for Space Application in the year 2010 and expanded over a decade in to wide range of activities. The centre is approved for the realization of various Electronic Packages used in launch vehicles which include operations such as SMD Assembly & Manual Assembly, Conformal Coating, Card level testing, Integration, Integration testing, In line QC, Screening of Components, Test & Evaluation (T&E) of assemblies and multi stacks. Customized test jigs, Burn-in boards, Vibration fixtures and software programs are developed in-house for each assembly/ components individually, meeting all the critical parameters identified by VSSC, for completion of item wise qualification procedures. ITI Palakkad is the only work centre accredited by VSSC for RF Package Assembly and Testing.

ITI Palakkad is having business association with 3 units of ISRO namely VSSC, Liquid Propulsion System Centre (LPSC) and Mechanisms and Vehicle Integration Testing (MVIT) all of which are located at Thiruvananthapuram and are engaged in the Manufacturing, Testing and Integration of all Launch Vehicles - PSLV, GSLV, GSLV Mark III etc. used in various space missions of ISRO. Orders are being received and executed continuously from the year 2010-11 onwards.

Recently our facility has been qualified for screening and package realization of Gaganyaan mission project of ISRO, against which pilot quantities are screened/ assembled and delivered successfully. Expansion of scope of programme is being done continuously by developing test facilities for more devices.

Officials engaged in all these activities are qualified through highly stringent training and tests imparted by VSSC. The work is carried out in the contract manufacturing mode with all required components being provided by VSSC, as free issue materials (FIMs).

More than 1 Lakh electronic components are screened from this centre and more than 2500 flight packages manufactured by ITI are successfully used in various launch vehicles - GSLV, PSLV and GSLV Mark-III- of ISRO including the prestigious

Chandrayaan mission LVM3-M4 launched on 14th July 2023. Out of the total packages in the mission, 55 nos of packages are realized by ITI Palakkad team.

The GSLV Mark III launched on 23rd October 2022 with 36 satellites on board and which successfully placed all these satellites in the right orbits with extreme precision in LVM 3 M2/ One Web Indian-1 Mission had on board a total of 47 packages executed by ITI Palakkad Plant and our valuable contribution in the mission has been acknowledged and appreciated by ISRO and DoT.

(iv) Smart Banking Card

ITI Palakkad Unit is having state of the art infrastructure in line with technical specifications for Payment Card Industry (PCI). ITI is the only PSU having the accreditation for Rupay chip card personalization from National Payments Corporation of India (NPCI). The infrastructure includes modern manufacturing equipment for Smart Card Assembly and customization for milling & embedding, personalization etc.

ITI Palakkad has executed the pilot order from SBI for the supply of 2 Lakhs Rupay cards and 4.1 Lakh Election ID Cards for Election Commission of Kerala. ITI is also pursuing business with other Public Sector banks and other customers for getting more orders.

(vi) High-Density Polyethylene (HDPE) Duct Manufacturing

Anticipating increased demand of HDPE conduits for OFC in the country considering the government focus on providing internet connectivity for all villages, ITI Palakkad has established 2 lines of HDPE machinery with an annual capacity of 8000 KM. While the HDPE Pipe Plant has got TSEC for manufacture of 40/33 mm PLB HDPE Duct and contributed to the requirement of more than 7000 KM of duct against Mahanet, Gujnet, Tanfinet, Bharatnet A&N and ASCON Phase IV Projects in addition to supplies for Railways and Department of Atomic Energy, the manufacture and supply of 2000 KM of Duct for ASCON Project in a timely manner with highest level of quality won accolades from the Indian Army. In order to enlarge the product portfolio, ITI Palakkad has started manufacturing of HDPE Pipe for Water Transport as well which will be expanded in the years to come.

(vii) Managed leased Line Network (MLLN)

ITI has been the leader in supplying MLLN products and services, including turnkey solutions for supply, installation, integration, commissioning, operation and maintenance of Network Equipment to BSNL/MTNL since 2002-03. The existing MLLN networks has been installed and maintained by ITI till date. ITI Palakkad has executed AMC orders worth Rs 18.72 crore from BSNL for the AMC (card repair and technical support) extended to MLLN projects for BSNL.

(viii) BharatNet Phase-I in Andaman & Nicobar

The scope of this project involves network design and planning, supply, deployment and commissioning of fibre optic network for data connectivity for gram panchayats across Andaman & Nicobar Islands under BharatNet Phase-I project of BBNL.

MANKAPUR UNIT

I. Performances

In the FY 2022-23, Mankapur Unit has achieved the Turnover of Rs 49.36 crore.

II. Major Highlights

i. Fibre Distribution Management System (FDMS)

FDMS product has been designed by Mankapur Unit for ASCON and Tanfinet Projects and also got BSNL Certificate (TSEC). FDMS product has been developed/tested/manufactured and passed by PDI army team without any obstacle/delay. Total 656 Nos FDMS have been manufactured and dispatched to different sites under ASCON IV and Tanfinet projects.

ii. HDPE Duct Manufacturing

Mankapur Unit has signed an agreement from M/s Katariya Pastics Pvt Ltd. Mankapur plant has got the BIS certification & started contract manufacturing of water pipes/Telecom duct since Dec 2022. Developed END CAP used as HDPE duct accessories.

iii. 4G Manufacturing

Mankapur Unit is fully ready for manufacturing of 4G RRU/ any types of electronic products/ Contract manufacturing all the required machines have been procured, installed and commissioned.

iv. Optical Network Terminal (ONT)-23

Mankapur Unit has got an order from C-DOT for the supply of ONT23 to Railtel for the quantity of 40,000 nos.

v. Optical Line Terminal (OLT)-4 port

Mankapur Unit has received an order from BSNL for the supply of OLT-4P for the quantity of 1500 no's including 5 years AMC services.

vi. Third Party Audit (TPA)

Mankapur Unit has taken up TPA activities for implementation of BharatNet in Jharkhand for Jharkhand Communication Network Limited, Odisha for Odisha Power Transmission Corporation Limited and TPA –VSAT in Manipur and Tripura.

vii. Diversified products

Mankapur Unit is doing business in Diversified Products also. The products, which are developed and manufactured In-house like NCM (Note Counting Machine), SNVM- FLORA (Sanitary Napkin Vending Machine), SNDM- FAUNA (Sanitary Napkin Disposal Machine), FMVM-KAVACH (Face Mask Vending Machine), and FMDM-CONA (Face Mask Disposal Machine).

viii. Skill development

Employee Development Centre (EDC) started OJT (On Job Training) programs for ITI (Industrial Training Institute) Students. Employee development Centre is also involved in conducting Course on Computer Concepts (CCC) examination at various centres in UP through National Institute of Electronics & Information Technology, Gorakhpur.

ix. Safety Award

Every year National Safety Awards are given by the Ministry of Labour and Employment, Government of India, based on the performance of Companies in the area of safety and environment. During FY 2022-23, Mankapur plant has received Runner up award.

RAE BARELI UNIT

I. Performance

In the FY 2022-23, Rae Bareli Unit has achieved the Turnover of Rs 52.87 Crores.

II. Major highlights

i. Optical Fibre Cable

The Indian optical fiber cable market is gaining traction. The growth is driven by continued investments being made by the Indian government in developing OFC network infrastructure, in various projects. There has been increased adoption of Fiber-to-the-Home (FTTH) connectivity owing to government initiatives such as Digital India, Smart Cities, and Bharatnet Project etc. Moreover, the growing number of data centres in India will fuel this growth further.

The Company have been making great efforts to meet domestic demand for optic fiber cable with the installed capacity of 30,000 KMs per annum. During FY 2022-23, Rae Bareli unit manufactured OFC for ASCON, TANFINET project and Railways.

ii. Gigabit Passive Optical Network (GPON)

GPON technology offers an excellent mix of triple play services (voice, data & video) to end users Rae Bareli Unit has State-of-art manufacturing facility for GPON-OLT & ONT systems.

iii. High-Density Polyethylene (HDPE) Duct Manufacturing

Rae Bareli Unit is equipped with excellent manufacturing infrastructure for production of HDPE Ducts with annual capacity of 28,000 KMs.

During the FY 2022-23, Rae Bareli unit manufactured HDPE duct for Vodafone.

iv. Switched-Mode Power Supply (SMPS)

Rae Bareli Unit received orders from various BSNL circles across India for supply of multi configuration SMPS Power Plants of 393 no's during FY 2022-23.

NAINI UNIT

I. Performance

In the FY 2022-23, Naini Unit has achieved the Turnover of Rs 18.20 crore.

II. Major highlights

i. Solar Panel

The Government has set an ambitious target of generating 450 GW of renewable energy by 2030. Naini Plant has state-of art manufacturing facility for Solar Panel Manufacturing with annual capacity of 18 MW.

ITI has been awarded work order from BESCOM for implementation of 2000 KW On grid Solar Rooftop Solar project in North & South Bangalore.

Received work order from NTPC, Vindhyachal for installation of 150KW on grid Rooftop Solar project & NTPC, Bombaigaon, Assam for installation of 265 KW On grid Rooftop Solar project.

Enlisted in Approved List of Model and Manufacturer, Ministry of New & Renewable Energy.

Successfully revalidated the BIS certification for Poly crystalline Solar Modules up from 40Wp to 325Wp validity up to July-2024.

Successfully installed 10 KW Off-grid Rooftop Solar projects in Army Public School Jhansi and RTO, Jaipur, Bhubneshwar.

Supplied 4500 nos of 60Wp SPV panel to BBNL through GeM contract

ii. LED Street Light

ITI Naini Unit has been selected as project executing agency by Bihar Renewable Energy Development Authority (BREDA) for implementation of Pradhan Mantri Grameen Solar Street Light Scheme in Bihar. Under the scheme, ITI has been awarded total 11 Districts and received LOI for supply of 40830 Nos solar street light system.

Signed MoU with M/s Patanjali Renewables for implementation of BREDA Solar Project.

ITI has successfully completed Supply & installation of 7252 Nos Solar Street lights System in BREDA Project.

SRINAGAR UNIT:

I. Performance :

In the FY 2022-23, in Srinagar Unit, Skill Development Training is being provided to students in different fields like Optical Fibre Cable Technician/Splicer, Fashion Designing, Data Entry Operations & Medical Lab Technician etc.

NETWORK SYSTEMS UNIT (NSU)

I. Performance

NSU is headquartered at Bangalore with regional offices spread across all over India. NSU has achieved proficiency in Project management, Turnkey Project implementation and maintenance services and is committed towards credible and timely execution of the projects/ services.

The turnover achieved by NSU for the FY 2022-23 is Rs 656.66 Crores and the details are as enumerated below: -

(a) Projects

- (i) ASCON-IV projects order received from Ministry of Defence, Gol
- (ii) GujNet project order received from GFGNL for Broad Band connectivity across the Gram Panchayats in the state of Gujarat.
- (iii) TANFINET project for internet connectivity on IPMPLS at Tamil Nadu

(b) Services

- (i) ASCON phase III-AMC orders for Defence

- (ii) Tanfinet orders
- (iii) Installation and Commissioning of GPON equipment supplied to BSNL
- (iv) Universal Service Obligation Fund (USOF) BharatNet Project
- (v) Airtel FTTH ROLLOUT project
- (vi) OCB –AMC

II. PROJECTS EXECUTED DURING THE FY 2022-23

i. Army Static Switched Communication Network (ASCON) Phase-IV

ITI was awarded the prestigious project of National Importance (ASCON-IV) on 1st October 2020 for the Indian Army. This project involves developing a fully secured strategic state of art communication network with a special focus towards the borders (spread across Northern, North-Eastern and Western regions of India). The project scope involves laying OFC, establishing IP MPLS Network, Microwave, Satellite, Mobile Nodes, and construction of buildings and towers. The scope of the Project also involves integration of this communication network with future and legacy Army network i.e., Network for spectrum (NFS), Army WAN, ASCON Phase III.

AMC for ASCON III: ITI had successfully executed the first 3 phases of ASCON project and presently is involved in maintenance of these ASCON assets. The scope of service under this project involves repair and maintenance of secrecy cards, maintenance of OFC routes, etc.

ii. Gigabit Passive Optical Network (GPON):

NSU has installed and commissioned GPON equipment against the BSNL and BBNL orders, all over India.

iii. BharatNet Phase-II in Gujarat (GujNet)

ITI had received order from Gujarat Fiber Grid Network Limited (GFGNL) towards implementation of Turnkey project for Broad Band Data Connectivity to Gram Panchayats in the state of Gujarat under Bharat Net Phase II Project. The project includes laying of optical fiber cables (OFC), supply of DWDM equipment, optical transmission and access equipment and other related products as well as maintenance services. It also includes survey, design & plan, supply, installation, testing, commissioning, Optical Fibre Cable laying, end-to-end integration to provide 100 Mbps Bandwidth to 3925 GPs of 12 District of Gujarat State against Package-A of GFGNL's BharatNet Project Phase-II (BBNL) along with Additional 336 GPs and Operations & Maintenance for 3 Years.

iv. BharatNet Phase-II in Tamil Nadu (TanfiNet)

ITI received Work Order for Planning, Survey, Supply, Installation, Commissioning, Testing End to End Integration Operation & Maintenance of Optical fiber network and Electronics for Bharat Net Phase – II in Tamil Nadu for Package-D.

Tamil Nadu Fibre Net Corporation Ltd. (TANFINET), is a Special Purpose Vehicle (SPV) formed by the state of Tamil Nadu, as the nodal agency towards implementation of the BharatNet

Phase II project. In TANFINET, under phase II, all the 12,524 Gram Panchayats (GPs) in the State will be connected through Optical Fiber Cable (OFC) both in Aerial/Underground mode. The GPs are divided into Four Packages i.e., A, B, C, D for effective network rollout by ensuring parallel execution across Packages.

ITI Limited bagged Network Rollout of Package D consisting of 109 Blocks and 3103 GPs spread across 10 Districts, which also includes Operation & Maintenance (O&M) for three years from the date of "GO LIVE". The scope also includes Planning, Survey, Design, Supply, Installation, Commissioning & Testing of active & passive network infrastructure at all locations across the districts for the respective Blocks.

v. BharatNet Phase-I in Andaman & Nicobar

The scope of this project involves network design and planning, supply, deployment, and commissioning of fibre optic network for data connectivity for gram panchayats across Andaman & Nicobar Islands under BharatNet Phase-I project of BBNL, covering 3 Districts, 7 Blocks and 66 GPs of Andaman & Nicobar Islands as a part of Digital India program of Government of India (GoI).

vi. BharatNet Phase-II in Maharashtra (MahaNet)

The scope of the project includes connectivity to GPs using MPLS using Aerial and UG Cables in Maharashtra state (Package A & C).

(a) Package A: T&D of 7640 kms is completed out of 8540 Kms; And 12121 Kms of cable blowing and stringing (UG & OH) completed out of 17429 Kms; 2099 No's Routers installation done out of 4003 No's of Routers Also, 2003 No's of GPs Lit up out of 4003 No's of GPs.

(b) Package C: T&D of 10865 Kms completed out of 11132 Kms; 18673 Kms of cable blowing and stringing (Underground-UG & Overhead-OH) completed out of 20741 Kms; 3622 No's of Routers installation done out of 4550 No's of Routers; Also, 3588 No's of GPs Lit up done out of 4550 No's of GPs.

vii. Airtel Project

ITI Limited is working with Private telcos to leverage local firms and expertise in all business verticals. Towards this end, India's second-largest service provider, Bharti Airtel, awarded OFC works to ITI Limited, on 28th August 2020. This project, National Long Distance (NLD) services involves construction of around 500 Km of underground optical fibre network for intercity back bone transport layer fibre connecting sixty-two nodes across six routes in state of Odisha. It also involves Fibre to the Home (FTTH), wherein around 380 Km of aerial and underground optical fibre network connectivity is to be provided to cover more than 37000 home Connections across 7 major cities in India.

viii. Network for Spectrum (NFS)

NFS is a strategic communications network project to develop and install an OFC network to be owned and operated by the Defence services under the Project Implementation Core Group (PICG) of the Ministry of Defence. NFS involves establishing an exclusive OFC-based nationwide optical backbone for 414

defence sites & access networks at 219 army sites. NFS project comprises all Optical Fibre Cable (OFC) routes, aggregating to 57,015 km, which is divided into seven packages. ITI has an order for laying optical fiber cable under the NFS project for the Indian defence forces in the Eastern and North-Eastern regions (Package G & F).

ix. Universal Service Obligation Fund (USOF)

Department of Telecommunications has signed an agreement with ITI Limited and BSNL to fund the pilot projects of E-band, Long Term Evolution (LTE) indigenous technologies including integration of 4G/5G prototypes with C-DoT core to enable development and hardening of these technologies. ITI had received a work order from BSNL for execution of Pilot Projects for last mile Broad band connectivity in uncovered villages under USOF.

MARKETING SERVICES AND PROJECTS (MSP)

The total turnover from the Corporate Marketing unit for the year 2022-23 was Rs 339.34 Crores details of which are as follows :

- All MSPs turnover – **Rs 220.55 Crore**
- Turnover from Projects: (IAF I & II) – **Rs 118.79 Crore**

Important projects of MSPs are highlighted below:

- Hoisting services of Integrated Universities Management System (IUMS) for HP University, Guwahati University, Chaudhary Ranvir Singh University Jind, Gurugram University, Maa Shakumbhari University, B.N.Mandal University.
- Entrance Exam solution and Barcoding Decoding and answer view solution to Chaudhary Charan Singh University Meerut.
- Annual Maintenance Contract for Distributed Denial of Service project of BSNL
- E-tendering.
- Implementation of projects for IAF for Data Centre and 4G/5G network.
- UP Vidhan Sabha Project for Digital Library & Communication System.
- Regional Centre for Urban and Environmental Studies for Geo Information System project.
- Uttarakhand Building and Other Construction Workers Welfare Board project.
- UP Minority Commission (Smart Class works) Project.
- High Court Allahabad for network solution.
- Uttar Pradesh Rajkiya Nirman Nigam for IT-Product
- Uttarakhand Forest Development Corporation for Uttarakhand Van Vikas Management System -AMC
- Network Management System for BSNL
- Central Control Monitoring System for EESL
- CCTV for Yarigudda Temple Development Authority
- Finance Management System
- Geo Fencing
- Solid Waste Management

- Webcasting of Urban Local Body election at Bihar
- Southern Railway Project of OFC Cable laying and Provision of VSS work
- Aadhaar services to banks
- Switch Mode Power Supply Repairs to BSNL SSAs
- Indian Business School (Vodafone, Airtel)
- IT and IOT supply and solutions
- Orissa Mining Corporation Project.
- Bengaluru Electricity Supply Company limited Project.
- Odisha Computer Application Centre Project.
- Broad Band Network Gateway Project.
- Driving License and Registration Certificate Project.

Efforts undertaken by Corporate Marketing during year 2022-23:

- ITI Limited participated in BSNL tender of 4G mobile network in the month of November and December 2022. After multiple negotiation with BSNL, the Company has received an order from BSNL for the Planning, Engineering, Supply, Installation, and Testing & Commissioning of a 4G mobile network in the West zone of BSNL for value of Rs 2421.49 Crore in the month of May 2023.
- ITI received an order for the supply of GPON 4 Port Optical Line Termination Equipment - 1500 Nos. from BSNL.
- Empanelment with Vodafone as a supplier for the supply of HDPE Duct & OFC. Vodafone order received for PLB HDPE pipes.
- OFC laying for Airtel Odisha in tribal area.
- GeM bids/tenders pertaining to OFC and won for 7059 km.
- MSP MIS portal is developed for better coordination among MSPs.
- GeM Bids/Tenders pertaining to SMAASH PC 2167 no & Laptops-9220 no.

Participation in Exhibitions:

During the year 2022-23, the Company has participated in following exhibitions for showcasing its products and to increase the visibility of the products manufactured by the Company.

- Aero India Show 2023, Bangalore
- Indian Mobile Congress New Delhi

RATING IN MEMORANDUM OF UNDERSTANDING (MoU)

The Company's rating for the FY 2021-22 is "Fair" with a composite score of 44.76. The Company has signed MoU with the Administrative Ministry for

sales turnover of Rs 2569 Crores (at Excellent Level) for the FY 2022-23. The MoU Evaluation for the FY 2022-23 is yet to be finalized by DoT/DPE.

FUTURE OUTLOOK

The Company has undertaken many initiatives/ projects so as to boost the turnover and implement the Revival plan.

I. 500 MWP Solar Panel manufacturing with Mono Crystalline Solar Cells

The Indian government's ambitious targets and support for the solar sector have made indigenous PV manufacturing's prospects even more vibrant.

In 2020, India has adopted 'National programme on high efficiency solar PV modules' for achieving manufacturing capacity of Giga watt (GW) scale in high efficiency solar PV modules. The aim of the mission is to promote manufacturing of high efficiency solar PV modules in India and thus reduce import dependence in the area of renewable energy.

Over the past five years, India has made substantial progress in solar manufacturing. Solar module manufacturing capacity has trebled from 5.8GW in 2016 to about 39 GW in December 2022 and it is further expected to reach 110 GW by 2026.

Due to change in Solar Photovoltaic Technology and orientation of High Efficiency Solar module, the demand of high efficiency Solar cell increasing rapidly to meet the High power and High efficiency requirement to reduce the Levelized cost of Energy (LCOE).

Due to advantage of High efficiency and less power degradation, the Mono crystalline solar modules made with Mono PERC Solar Cell technology are being widely used in Utility scale solar projects, Residential purposes, PERC solar panels can be used as regular rooftop photo-voltaics, EV solar roof chargers, and solar sheds. Building Integrated Photo-voltaics (BIPV), water surface power stations, and much more.

Hence, ITI is planning to implement 500 MW Solar Module in-house manufacturing facility with High Efficiency Mono Crystalline Solar Cell with an investment of Rs 110 Crore in year 2023-24.

II. Digital Mobile Radio – DMR

R&D has developed Digital Mobile Radio (DMR). DMR aims to provide an affordable, low-complexity digital standard to replace analog radio. DMR based VHF/UHF radios are used in many applications such as military communications, police, railways, public safety, traffic control, disaster management, industrial security and communications etc. The VHF/UHF radio can be used in direct-to-direct communication in Tier I, Tier II or in multi-site environment in Tier II, Tier III modes.

The developed Radio has complete user interface and the mechanical design to meet the needs of consumer applications.

R&D DMR System comprises DMR Smart Phone, DMR LCR (Low Cost Radio), Repeater and Base Station. Prototype has been already developed and is under testing in real environment at Indian Railway, Bangalore.

III. 4G RAN Manufacturing

As part of its focus on delivering turnkey projects to contribute in the proliferation of indigenously manufactured 4G Mobile equipment through BSNL's 4G Tender under Atma Nirbhar Bharat Mission. ITI has received Purchase Order from BSNL worth Rs 2421.49 Crore for Planning, Engineering, Supply, Installation & Commissioning and AMC of 4G Mobile Network for 23,633 Sites in West Zone of BSNL Network.

Also ITI has entered into Transfer of Technology with CDOT for manufacturing of 4G LTE RAN to be deployed for BSNL network. The first proto types of Radio Access Network (RAN) manufactured by ITI have already been installed at PoC at BSNL. 20 Sites for PoC have been allocated by BSNL for five different bands.

IV. Multi Service Platform (MSP)/ Security Operation Centre (SOC) :

ITI has entered into MOU with Tata Communications for setting up of Multiservice Platform/Security Operation Centre (SOC) in ITI Data centre in Bangalore. Various IT and security services like Identity Access Management, Email Security, Data Loss Prevention, Distributed Denial of Service (DDOS) Mitigation, Network Access Control, Endpoint Protection, Detection & Remediation, SIEM (Security Incident and Event Management) and Threat Intelligence & Advisory would be provided to various clients to fulfil their network security requirements. Implementation of Multiservice Platform/Security Operation Centre (SOC) is completed and ready to provide services to customers ITI has received letter of empanelment of National Level System Integrator as SECaas Solution Provider on 11.01.2023 from BSNL.

V. Electronic Voting Machines (EVM)

ITI looks forward to manufacture complete of EVM system. The developed EVM has complete user interface and the mechanical design as per the needs of State Election Commission (SECs). EVM comprises of Ballot unit, Control unit & VVPAT (Voter Verifiable Paper Audit Trail).

ITI R&D has finalized the Technical specifications of EVM matching to SECs requirement of latest EVM and has manufactured the prototype. Demonstration of prototype by standing committee of SEC is completed. Awaiting for Clearance from SEC.

VI. Smart Energy Meter

As part of diversification strategy, ITI has entered into Smart Energy Meter manufacturing wherein the legacy energy meters are being replaced by smart energy meters. These meters records energy consumption and has a facility to store the data and reproduce whenever required. These meters enable a two-way communication between the meter and the central system. ITI Ltd has supplied 91000 nos of Smart Energy Meters complying with IS 16444 technical specifications to the DISCOMs in UP and Haryana against the order from Energy Efficiency Services Limited (EESL) The Single Phase Smart Energy meters received type approval and BIS certification complying with IS 16444 technical specifications. ITI Palakkad plant is having the bulk manufacturing infrastructure and facilities for the calibration and testing of smart energy meters. The calibration laboratory of Smart Energy Meter has received the NABL accreditation as per ISO 17025: 2017 standards.

ITI is in the process of engaging in more technology partners for addressing the huge market demand.

VII. OFC manufacturing line at Rae Bareli plant (Capacity of 30,000 per annum)

There is a huge demand for OFC cable from Railways, BharatNet and Defense project. Optical Fibre Cable (OFC) manufacturing lines are established with an annual capacity of 30,000 KMs (24F Loose Tube Type OFC) and 10000 Km Ribbon Type OFC at Raebareli plant.

ITI has manufactured 11000 Km of 24F NZDS OFC for ASCON Project, 8997 Km of 24F/48F ADSS, 96F Ribbon OFC for TANFINET Project, 1800 KM 24F Armoured OFC for Railways, 900 Km 24F/48F/96F OFC for MTNL, 200 Km 24F MF LT type OFC for Indian Air Force.

ITI has achieved Bulk supplier category for RDSO/Railway recently for supply of 24F Armoured OFC. We have registered for supply of 48F Armoured OFC for RDSO/Railways. ITI is expected to secure orders of 2000-5000Km for 24F/48F Armoured OFC for RDSO/ Railways.

ITI has plans to enhance the 24 F normal Loose Tube Capacity from 3000 Km to 45000 Km and also create new infra for manufacturing Patch Cords, FTTH/ Drop cables.

CONTRIBUTION TO EXCHEQUER

During the year, your Company has contributed Rs 153.67 Crore to the Exchequer towards duties and taxes.

PUBLIC DEPOSIT

The Company did not accept any deposits during the year 2022-23. Deposits aggregating to Rs 0.23 crores had matured for payment, but were not claimed on due dates.

JOINT VENTURES

INDIA SATCOM LIMITED (ISL)

ISL is a Joint Venture of Chris Tech Systems Pvt Ltd and ITI. Chris Tech Systems Pvt Ltd has 51% equity participation in ISL and balance equity is held by ITI.

As part of revival, ISL executed a Joint Development Agreement to develop its immovable property as a Software Technology Park. The Master plan of this project called "Silicon Forest" is designed by Pei Cobb Freed & Partners, an internationally renowned architects of USA and is designed with the required specifications to get the rating of "IGBC Core and Shell Gold Certification", a green building rating that brings together a host of sustainable practices and solutions to reduce the environmental impacts. The Government of Karnataka, the Environment Impact Assessment Authority, Pollution Control Board, Fire and Emergency Services Department, Airports Authority of India, BESCO, BWSSB, HAL and BSNL have accorded approval for the project. This project will create employment opportunities for 1000 people and shall build an IT infrastructure for 25,000 Software professionals.

Further, ISL is also set to embark upon commercialization of its software namely "SatPAY", which will facilitate the online payments for large enterprises. After obtaining the require license from the competent authorities, it will be offered to various Government departments for integration of their online payment process.

During the financial year 2022-23, ISL had achieved total income of Rs 3.21 crore and profit for the year is Rs 49.53 lakhs.

DEVELOPING EMPLOYEES CAPABILITIES & COMPETENCIES

ITI Limited weighs up that employee's development, enhancing their skills and competencies for preparing them for future is the key step in taking up the challenges effectively.

HUMAN RESOURCES EMPLOYEE DEVELOPMENT:

i) Training & Development:

As technology is evolving rapidly in today's era of globalization, it is crucial for the organization to acquire the necessary skills and knowledge. In order to meet and overcome the obstacles faced, a lot of focus is being dedicated to creating new talents, enhancing current ones, and raising capacity. The business's ability to succeed rests on its trained workforce. Skill and knowledge are the main factors influencing the Company's growth and sustainability.

The main difficulty for the organization right now is a shortage of skilled people caused by the attrition of trained and experienced workers. The Human Resource Employee Development (HRED) Department meticulously designs training and development programmes, it is possible to improve/overcome the difficult circumstances and the lack of the required set of skills. ITI Limited has implemented a strategy that prioritizes staff training, development, and capacity building through a methodical and need based planning approach that includes identifying training needs, creating and customizing training courses etc.

Learning is a fundamental value of ITI Limited. Recognizing the need for capability building for current and future roles, ITI Limited has set up a comprehensive training facilities comprising Employee Development Centers (EDCs) at all plants (i.e., Bangalore, Palakkad, Mankapur, Rae Bareli and Naini). Learning and Development is actively engaged in preparing our employees for the future when it comes to technology, business acumen and leadership. So learning is a core value. Training Delivery modes includes classroom, online (web based and Video-Conferencing), Virtual Reality and e-Learning with increasing emphasis on technology driven platforms.

With a major focus on the Company's business objectives, employee-centered technological and managerial Skill Development, customer relations and quality. The Company has made a commitment to adopt the way to enhance the skills in emerging trends in telecom technologies like Department of Public Enterprises (DPE), Centre for Development of Advanced Computing (C-DAC), National Telecommunications Institute for Policy Research, Innovation & Training (NTIPRIT), the Department of Telecommunications (DoT), National Academy of Human Resource Development (NAHRD), Government e-Marketplace (GeM) etc. And also accelerated HR learning interventions and employee development activities.

Employees get regular access to enhance the skills/knowledge on areas like new technology/general training courses such advanced courses on 4G/5G, IoT, Enterprise Risk Management (ERM), advanced courses on PCMM Level 3, Reservation Rules and Recruitment Policy, Employee Wellness/Awareness programmes, GeM Procurement, Right to Information Act 2005 etc.

In order to develop and improve their abilities, knowledge, attitudes, and exposure to new technology, 728 ITI Officials have been nominated for external training programmes and workshops organized by various governmental organizations and private institutions in the most important fields. These coaching programmes help people cultivate their capacity for managing change, their innovative and methods, their ability to think critically, and their positive outlook on creating a high-performance workplace culture.

The details of number of training programmes organized; No. of people trained; Training man-days achieved during the FY 2022-23 is as follows:

Details	Training		Total
	In-house (IH)	External (EN)	
No. of programmes	70	79	149

Male employees trained	1140	527	1667
Female employees trained	383	201	584
SC/ST employees trained	256	171	427

Note: IH-In House, EN: External Nomination

In addition to the above, the Ministry of Communications developed an online learning platform to guide individual officials in their capacity-building journey. It combines five functional hubs for Online Learning, Competency Management, Career Management, Discussions, and Networking.

ITI employees have taken online trainings to improve their knowledge and skills on various topics under iGoT Portal (Karmayogi Bharat) by DoPT. As of 79 employees have completed two or more online trainings at the iGoT portal.

Talent Development:

In order to give our talent and staff members an advantage in their personal and professional development, we at ITI Limited believe in the holistic development of not just our product but also of these individuals. We have always believed that it is crucial to support our staff through extensive training and development programmes given the trend towards more technology and innovation on a global scale.

An individual can become an authority in a particular profession by having well-honed skills and knowledge. A skill is the capacity to perform an activity satisfactorily on the job. When employees possess the necessary skills to accomplish their tasks, their performance goes up. A training programme can help employees enhance their development of these skills. Trainings are used to re-educate and re-train staff workers when new technology, methods or systems are introduced in order to make sure they are meeting the unique requirements of their particular employment. Additionally, staff development initiatives can assist employees to develop in their profession.

ii) Skill Development and Capacity Building:

Skill Development training is an initiative taken by Central Government to enhance the employability of unemployed people or school drop outs by giving training in the emerging or the prospective areas of employment. Skill Development is significant in the overall development of a student/candidate. Personal development & learning skills will not only increase the opportunities but will also empower an individual. Skills like communication go a long way in aiding the overall development of students/trainees. Skill Development trainings provide significant benefits like; increase in employment opportunities, increased career development opportunities, personal growth, increases knowledge and understanding of local industry.

Six Training Centers (TCs) have been created at ITI plants and registered on smart.nsdcindia.org portal – NSDC viz. Bangalore, Palakkad, Rae Bareli, Naini and Mankapur and a Smart Skill Development Centre has been established at ITI Srinagar Plant. The Company not only develops the skill sets of its own employees by imparting training through its HR-Employee Development Centers located at units but also train and educate the young minds in vocational trades through summer training/internship projects etc.

The Company is actively involved in imparting the Skill Development training in various modules of Telecom Skill Sector Council (TSSC)/ Electronics Sector Skill Council of India (ESSCI) and National Institute of Electronics & Information

Technology (NIELIT) job roles and ITI Modules for various categories of students.

As part of 'Skill India' Flagship programme, ITI started imparting Skill Development and Capacity Building training at various plants of ITI to youths/trainees/students thereby enhancing their employability and increasing their employment opportunities and entrepreneurship.

Company has also ventured to provide theoretical and practical training to engineering, management students as an endeavor to bridge the institution-industry skill gaps. The Finishing School trainings at Company's plants are doing yeoman services to the students' community in the Country.

All the plants have re-registered / migrated their TCs on skillindia.nsdcindia.org NSDC. 310 students have completed Skill Development training on different modules under Employment through Skill Training & Placement (EST&P) under Deendayal Antyodaya Yojana-National Urban Livelihoods Mission (DAY-NULM) in the FY 2022-23.

In addition to the above, ITI is also engaging and imparting training to Graduate Engineers, Diploma (Technicians) and Trade Apprentices in various trades under the Apprentices' Act / National Apprentices Promotion Scheme (NAPS). Also, as a part of capacity building, the Company is imparting training to the students of Engineering / Management to carry out their Internship, Project and Adoption of ITI /Industrial Trainings.

Course-wise number of participants imparted Skill Development training during the FY 2022-23:

Sl.No.	Name of Skill Development Scheme	No. of Participants
1	Computer/Networking based training (VHSE)	90
2	Field Technician Computing & Peripherals - EST&P-DAY NULM	120
3	Fire Fighter - EST&P-DAY NULM	112
4	Broadband Technician - EST&P-DAY NULM	78
5	ITI Trade Apprentices (NAC)	82
6	Diploma/Technician Apprentices	7
7	Graduate Engineer Apprentices	9
8	In-Plant/Internship Training (ITIL module)	547
9	Project Training (ITIL module)	88
10	Industrial visit	1730
11	Special Industrial Training (Adopted ITIs students)	81

ADDENDUM TO THE DIRECTORS' REPORT

COMPANY'S REPLIES TO STATUTORY AUDITOR'S OBSERVATIONS IN THEIR REPORT

Point No.	Statutory Auditor's Observations	Company's Remarks
Qualifications Quantifiable		
1.	The Company is carrying an amount of Rs 5,847.90 lakhs as receivable from C-DOT towards rent from premises leased out to them up to the period ended 31-3-2011. The Company has not made a provision for credit losses in respect of this amount which is doubtful of recovery. The company has also not recognised any rent for further period due to uncertainty of collection.	The Company has been rigorously following on with the C-DoT for resolving the pending issue of the rent due from C-DoT. Company is hopeful of receiving the entire amount. Company is of the view that provision for Rs 5847.90 Lakhs at this juncture is not required till the issue is finally settled.
2	Recoverable from HCL Info systems Limited of Rs 1690.20 lakhs as compensation on account of excess amount spent by the Mankapur Unit of the Company based on the agreement between ITI, HCL and Alcatel.	The implementation of GSM Project 2M, 3M & 9M BSNL Project AND 1M MTNL Project and there was Master agreement (MoU) in 2006 and subsequent addendums. Due to LD, payment & short closure the some works the dispute arose between the parties as such the arbitration clause is invoked by the HCL in December 2017 during the pendency of their civil suit. In this case ITI has also filed its amended counter claim. Cross Examination of RW1 is continuing. Matter was last listed for further cross examination of RW1 on 10.04.2021 to 13.04.2021. However, due to pandemic it could not happen. Matter is posted for final arguments from 21 st to 25 th July, 2023. We are hopeful to get the decision in company's favour, provision at this juncture is not possible.
3.	Recoverable from Himachal Futuristic Communications Ltd of ₹ 1049.41 lakhs towards Liquidated Damages	The Contract entered into between M/s ITI Ltd and M/s Himachal Futuristic Communication Ltd (HFCL) for supply of Integrated Fixed Wireless Telephone (IFWT) sets and there were disputes between the parties as such the M/s HFCL has invoked the arbitration clause. The award was passed in favour of HFCL. However, HFCL has filed the present case for enhancement of award. Matter was last posted to 28 th April 2023. Next date is awaited. We are hopeful to get the decision in companies favour, provision at this juncture is not possible.
4.	Receivable from Mind array towards encashment of letter of Credit of Rs 1023 lakhs	For criminal complaint: As per the Police report- B Report, there is no need for further investigation. ITI Limited filed a complaint in the Magistrate Civil Court dated 18.05.2022 in furtherance of acting upon the Police B-Report. For Civil suit: The Court directed both the parties to go for mediation upon which ITI Limited was present in all the mediation sessions. The opposite party, however, was not present due to which the mediation process was deemed to be failed. We have to file a civil suit for the next step. The last date of the Court hearing for the case of M/s Mind Array was heard on 04.04.2023 wherein the Court gave time to the opposing Counsel to further his arguments and the case was last posted on 16.05.2023 for further cross examination.
5.	Non Reversal of Wrong Input Tax Credit of Rs 889 lakhs taken during 2019-20 at the Palakkad Unit of the Company.	During the year 2019-20, BSNL reversed/rejected some of the supplies for various reasons and in Smart Energy Meter project due to consignee address issue, for which Palakkad Unit we have issued the credit notes against already issued sale invoices While accounting these in GST portal for the credit notes values were reduced from output liability (GSTR3B) and added back to ITC claim (GSTR3B). This resulted in difference between ITC claimed and ITC available (GSTR2A). Matter is under review and appropriate action will be taken during 2023-24.
6.	The Naini Unit carries a debit balance of Rs 94.42 lakhs towards unavailed input tax credits that are time-barred	The matter is being reviewed at the Unit level, appropriate action will be taken during the first quarter of Financial Year 2023-24.

- (c) adequate notice was given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance for meetings other than those held at shorter notice, the Company adopts a system to enable Directors to seek and obtain required information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. Majority decision is carried through while the dissenting members' views, if any, are captured and recorded as part of the minutes.
- (d) there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

8.2 during the year –

- (a) the Company allotted 1,60,54,483 equity shares of Rs 10 each (details shown below) to the President of India on preferential basis against capex receipt in pursuance to order dated 8th January 2013 issued by the Board of Industrial and Financial Reconstruction.

Sl. No.	Date of Allotment	Number of equity shares allotted	Issue price (including face value of Rs 10 per equity share) Amount in Rs	Total Consideration for allotment Amount in Rs
1.	25 May 2022	83,21,279	86.00	71,56,30,000
2.	28 Sep 2022	77,33,204	103.45	80,00,000,000
	Total	1,60,54,483		151,56,30,000

As per the order dated 8th January 2013 issued by the Board for Industrial and Financial Reconstruction (BIFR), read with the then requirement of SEBI, the Company was required to maintain minimum public shareholding to 10 percent of paid up capital. In order to comply with this requirement and as per directives of the Cabinet Committee on Economic Affairs dated 20th July 2016 Company's Promoter, the President of India is required to transfer 15,77,800 equity shares of Rs 10 each to the Special National Investment Fund (SNIF). Presently the equity shareholding of Company's Promoter, the President of India is under lock-in period as stipulated by the Securities and Exchange Board of India. Therefore, the aforesaid 15,77,800 equity shares would be transferred to SNIF after release of the lock-in period. While so, Rule 19A of the Securities Contracts (Regulation) Rules 1957 (made effective from 9th August 2010), the Company is required to bring up its public shareholding to minimum 25% from 9.83% as at 31st March 2023. However, the Ministry of Finance, Government of India has granted in its letter F.No. 1/14/2018-PM(part) dated 6th July, 2022 time up to 01st August 2024 for listed public sector companies to increase their public shareholdings to at least 25%.

Except the allotment mentioned sub-paragraphs 8.2 (a) above, there were no instances of:

- (i) Public, Preferential Issue of Shares or Debentures or Sweat Equity.
- (ii) redemption or buy-back of securities;
- (iii) major decisions taken by the Members in pursuance to Section 180 of the Companies Act, 2013;
- (iv) merger, amalgamation, reconstruction etc.;
- (v) foreign technical collaborations.

9. Qualification:

As at 31st March 2023 the Company did not comply the Regulation 17(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and the Guidelines on Corporate Governance for Central Public Sector Enterprises 2010 in as much as the strength of Independent Directors was less than 50% of the total strength of the Board of Directors of the Company.

One of the Five Values of the Company is "we will integrate the environmental and social principles in our businesses, ensuring that what we generate goes back to the stakeholders." Our company has also coordinated our sustainability efforts along the value chain, plant operations and product development.																																							
ITI Limited being a Telecommunication company, we aim to create a sustainable future through environment conservation activities for the community. All emissions and waste generated is monitored as prescribed by the Pollution Control Boards. The Company is also actively promoting socioeconomic rejuvenation through targeted CSR activities such as healthcare, Skill Development for Employment Enhancement & Self Employment, Education, Sanitation, Drinking Water, River Rejuvenation, Environment Sustainability and Sports Development etc.																																							
The Company addresses issues such as climate change and global warming through effective energy management measures and by adopting renewable energy sources. Energy-saving initiatives such as energy efficient chillers, lighting management systems, building management systems, and daylight harvesting are followed. There is an impetus to use renewable energy sources such as solar power for energy generation and captive consumption. The company is aiming for attaining stage of net zero grid energy. In addition to that Scrap Disposal Committee has been formed in the Units to dispose of various types of wastages generated under the general ambit of rules framed under the Environment (Protection) Act, 1986. The Industrial Wastages are disposed of through normal tendering procedure.																																							
Further, the Company is also subjected to various audit such as Energy Audit, Safety Audit, Quality Audit, Environmental Management System Audit relating to ESG principles, which helps the Company in determining the best course of action for energy conservation, reducing the amount of energy input, energy cost and carbon footprint.																																							
A major obstacle to the adoption of sustainable business practices is to encompass the ESG principles across all Units and MSPs offices. However, the Company regularly takes steps to create awareness on ESG principles by conducting various programmes and initiatives.																																							
ITI being a CPSE, the appointment of Directors are made by Govt. of India and the Company has no control over filling up of the vacancy within the stipulated time frame specified under the Act / Rules / Regulations, to comply the same.

3. Describe the processes in place to safely reclaim your products for reusing, recycling and disposing at the end of life, for (a) Plastics (including packaging) (b) E-waste (c) Hazardous waste and (d) other waste. The Company does not recycle products because most products are used for strategic/national security applications. The Company has a structured mechanism to deliver waste from the manufacturing process of its products/ equipment through authorized recyclers approved by the Pollution Control Board. Metal waste, waste oil, solvents and copper containing rejects are sent (100%) to authorize recyclers for recycling and recovery. Paper and plastic are handed over to recyclers. In addition, manufacturing plants have water treatment for effective recycling of wastewater from factory and township. The concept of clean technology is practiced in the manufacturing process to prevent pollution. ITI is focused on the prevention of pollution at the source itself. Towards this end, several improvements and modifications have been incorporated in the existing processes. Many of the Restriction of Certain Hazardous Substance (RoHS) compliant processes have been introduced into the PCB manufacturing and metal finishing processes. Additional environment friendly materials have been implemented, such as low smoke halogen cables, low VOC metal finish (polyurethane), cyanide free silver, zinc and copper plating, and trivalent chromium-based chromate conversion coating.

- Periodic Stack emission testing is done in Palakkad Unit by KSPCB Approved lab -M/s Standards Environmental & Analytical Laboratory, Ernakulam.
- Naini Unit is also subjected to testing by UP Pollution Board
- Bangalore Unit is also subjected to testing by M/s. Vsix Analytical Labs Pvt. Ltd.

6. Provide details of greenhouse gas emissions (Scope 1 and Scope 2 emissions) & its intensity, in the following format:

Parameter	Unit	FY 2022-23 (Current Financial Year)	FY 2021-22 (Previous Financial Year)
Total Scope 1 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available)	Metric tonnes of CO ₂ equivalent	3305	3214
Total Scope 2 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available)	Metric tonnes of CO ₂ equivalent	5132.6385	5087.45
Total Scope 1 and Scope 2 emissions per rupee of turnover	Metric ton/ Rupee	0.0000005311	0.0000003996

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

7. Does the entity have any project related to reducing Green House Gas emission? If Yes, then provide details.

ITI has established manufacturing facility for Solar Panel Manufacturing with annual capacity of 18 MWp. ITI has got BIS certification for Poly Crystalline Solar Modules from 40Wp to 325Wp validity up to July-2024.

ITI had supplied 47000 SPV System for BBNL/BSNL for Power-in GPON ONT/WiFi Access Equipment's and 20000 SPV System for Maha IT Project and Solarization of 71 BTS site of BSNL Telecom Towers.

ITI had installed 15350 Solar LED Smart Street Solar Lights in Uttarakhand and 40000 Nos of Smart LED Street Lights installation in BIHAR is under progress.

Under On Grid Utility Scale Solar System ITI had manufactured and supplied 18,955 Solar Panels (5.66 MW) of 325Wp for establishing the solar power plant at various units of ITI for captive use, 5625 Nos of 60Wp SPV panel to BBNL through GeM contract, 150 KW Grid Connected Solar Project for Tibetan University, Varanasi, 225 KW Grid Connected Solar Project for NAAC, Bangalore and 100 KW Grid connected Rooftop Solar Project for Safdarjung Hospital, New Delhi.

ITI had also executed 10 KW Off Grid Solar Project (Residential Rooftop Solar System) with Battery Backup for RTO, Jaipur and APS, Jhansi.

ITI is doing business in the area of renewable energy sources in line with the objective of Atmanirbhar Bharat is to create an ecosystem for Solar PV manufacturing in India, which reduce carbon emission progressively.

8. Provide details related to waste management by the entity, in the following format:

Parameter	FY 2022-23 (Current Financial Year)	FY 2021-22 (Previous Financial Year)
Total Waste generated (in metric tonnes)		
Plastic waste (A)	120.57	49.675
E-waste (B)	49.471	2.448
Bio-medical waste (C)	0.071	0.0795
Construction and demolition waste (D)	60	208
Battery waste (E)	NIL	NIL
Radioactive waste (F)	NIL	NIL
Other Hazardous waste. Please specify, if any. (G)	14.69	8.58
Other Non-hazardous waste generated (H). Please specify, if any. (Break-up by composition i.e. by materials relevant to the sector)	44.35	54.225
Total (A+B + C + D + E + F + G + H)	289.152	323.0075
For each category of waste generated, total waste recovered through recycling, re-using or other recovery operations (in metric tonnes)		
Category of waste		
(i) Recycled	2.5	NIL
(ii) Re-used	NIL	NIL
(iii) Other recovery operations	NIL	NIL
Total	2.5	NIL
For each category of waste generated, total waste disposed by nature of disposal method (in metric tonnes)		
Category of waste		
(i) Incineration	0.859	0.0675
(ii) Landfilling	10.936	8
(iii) Other disposal operations	NIL	NIL
Total	11.795	8.0675

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

9. Briefly describe the waste management practices adopted in your establishments. Describe the strategy adopted by your company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such wastes.

Palakkad Unit: Scrap Disposal Committee has been formed in the Unit to dispose of various types wastages generated under the general ambit of rules framed under the Environment (Protection) Act, 1986. The Industrial Wastages are disposed of through normal tendering procedure. Hazardous Waste/ Chemicals are handed over to KEIL (KERALA ENVIRO INFRASTRUCTURE LIMITED), a public limited Company established on the directive of the Supreme Court Monitoring Committee on hazardous waste for treatment and disposal of hazardous waste generated from industries in the State of Kerala. E-Wastages are disposed of through competitive tender to Kerala State Pollution Control Board approved agencies.

Mankapur Unit: The waste materials are disposed through MSTC. Hazardous & toxic chemical has not generated by the company.

Naini Unit: There is no usage/generation of hazardous and toxic chemicals in our products and processes.

10. If the entity has operations/offices in/around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones etc.) where environmental approvals / clearances are required, please specify details in the following format:

S. No.	Location of operations/offices	Type of operations	Whether the conditions of environmental approval / clearance are being complied No.with? (Y/N). If no, the reasons thereof and corrective action taken, if any.
	NIL	NIL	NIL
	NIL	NIL	NIL

11. Details of environmental impact assessments of projects undertaken by the entity based on applicable laws, in the current financial year:

Name and brief details of project	EIA Notification No.	Date	Whether conducted by independent external agency (Yes / No)	Results communicated in public domain (Yes / No)	Relevant Web link
	NIL	NIL	NIL	NIL	NIL
	NIL	NIL	NIL	NIL	NIL

12. Is the entity compliant with the applicable environmental law/ regulations/ guidelines in India; such as the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act, Environment protection act and rules thereunder (Y/N).

Yes, the Company is 100% compliant with the applicable environmental law/ rules/ regulations/ guidelines in India.

PRINCIPLE 7 : Businesses, when engaging in influencing public and regulatory policy, should do so in a manner that is responsible and transparent

Essential Indicators

1. a. Number of affiliations with trade and industry chambers/ associations.
- b. List the top 10 trade and industry chambers/ associations (determined based on the total members of such body) the entity is a member of/ affiliated to.

S.No.	Name of the trade and industry chambers/associations	Reach of trade and industry chambers/ associations (State/National)
1	Broadband India Forum (BIF)	National
2	India Electronics & Semiconductor Association (IESA)	National
3	Telecom Equipment & Services Exports Promotion Council (TEPC)	National
4	Standing Conference of Public Enterprise (SCOPE)	National
5	National Safety Council	National
6	Electronic Industries Association of India	National
7	Federation of Karnataka Chambers of Commerce & Industry	State

2. Provide details of corrective action taken or underway on any issues related to anti- competitive conduct by the entity, based on adverse orders from regulatory authorities. : **NIL**

PRINCIPLE 8 - Businesses should promote inclusive growth and equitable development

Essential Indicators

1. Details of Social Impact Assessments (SIA) of projects undertaken by the entity based on applicable laws, in the current financial year.

Name and brief details of project	SIA Notification No.	Date of notification	Whether conducted by independent external agency (Yes /No)	Results communicated in public domain (Yes / No)	Relevant Web link
As per applicable laws, SIA is not applicable for any of the projects undertaken by the Company					

2. Provide information on project(s) for which ongoing Rehabilitation and Resettlement (R&R) is being undertaken by your entity, in the following format:

S. No.	Name of Project for which R&R is ongoing	State	District	No. of Project Affected Families (PAFs)	% of PAFs covered by R&R	Amounts paid to PAFs in the FY (In INR)
Not Applicable as no projects on Rehabilitation and Resettlement is undertaken by the Company						

3. Describe the mechanisms to receive and redress grievances of the community

Complain can be received through Public Grievance Portal <https://pgportal.gov.in/Home/LodgeGrievance>

4. Percentage of input material (inputs to total inputs by value) sourced from suppliers:

	FY 2022-23 Current Financial Year	FY 2021-22 Previous Financial Year
Directly sourced from MSMEs/ small producers	26.26 %	58.90 %
Sourced directly from within the district and neighbouring districts	NA	NA

PRINCIPLE 9 - Businesses should engage with and provide value to their consumers in a responsible manner

Essential Indicators

1. Describe the mechanisms in place to receive and respond to consumer complaints and feedback.

Customer Service Centre is operational in ITI Palakkad unit as well as in Network Service Units in Bangalore. 24*7 customer complaints services are provided from these centers.

2. Turnover of products and/ services as a percentage of turnover from all products/service that carry information about:

	As a percentage to total turnover
Environmental and social parameters relevant to the product	Approx. 3.00% (Turnover from sales of Solar Panel, Smaash PC, Sanitary Napkin vending Machine)
Safe and responsible usage	
Recycling and/or safe disposal	

3. Number of consumer complaints in respect of the following: **NIL**

Category	FY 2022-23 (Current Financial Year)		Remarks	FY 2021-22 (Previous Financial Year)		Remarks
	Remarks Received during the year	Pending resolution at end of year		Received during the year	Pending resolution at end of year

4. Details of instances of product recalls on account of safety issues:

	Number	Reasons for recall
Voluntary recalls	Nil	NA
Forced recalls	Nil	NA

5. Does the entity have a framework/ policy on cyber security and risks related to data privacy? (Yes/No) If available, provide a web-link of the policy.

Yes, ITI is having IT Security Policy which prescribes the application of safeguards to reduce the business risk arising due to lapses in Information Security. It is designed to protect corporate information and preserve the confidentiality, integrity, availability and value of Assets and assure the continued delivery of Services. ITI has framed and enacted the IT security policies to be followed by all employees across the organization in totality.

6. Provide details of any corrective actions taken or underway on issues relating to advertising, and delivery of essential services; cyber security and data privacy of customers; re-occurrence of instances of product recalls; penalty / action taken by regulatory authorities on safety of products / services. :

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

I. Telecom and Electronic Industry Structure

India is the world's second-largest telecommunications market with a subscriber base of 1.18 billion and has registered strong growth in the last decade. India is also one of the biggest consumer of data worldwide. As per TRAI, average wireless data usage per wireless data subscriber was 11 GB per month in FY20. It is expected to reach to 18 GB by 2025. India ranks as the world's second largest market in terms of total internet users. The total number of internet subscribers increased to 846.57 million in March 2023. The total wireless or mobile telephone subscriber base in the country is 1143.93 Million as on March 2023. According to a report by GSM Association (GSMA), in collaboration with Boston Consulting Group (BCG), Indian mobile economy is growing rapidly and will contribute substantially to India's Gross Domestic Product (GDP). The Government has enabled easy market access to telecom equipment and a fair and proactive regulatory framework that has ensured availability of telecom services to consumer at affordable prices.

Indian Economy has done well as far as fiscal deficit front of the government, which was 6.7 per cent of GDP during FY22 and is further budgeted to reach 6.4 per cent of GDP in FY23. Under the budget 2023, the government has allocated Rs 97579 Cr for the Department of Telecommunications. Indian Telecom service industries are expected to grow at a rate of 12-14% between Fiscal 2019-2024.

ITI is actively working for manufacturing of 4G LTE RAN to be deployed for BSNL network. ITI Limited has decided to contribute in the proliferation of indigenously manufactured 4G Mobile equipment and services in the Indian Telecom Space through participation in implementation of BSNL's 4G Network under Atma Nirbhar Bharat Mission.

The Government has set a target of 280 GW of installed solar capacity power generation by 2030. In a bid to push India's energy transition toward renewable sources, the union cabinet has allocated ₹19,500 crore for domestic manufacture of solar photovoltaic (PV) modules. ITI is planning for expansion of Solar Module manufacturing capacity from 18 MWP to 500 MWP. ITI Naini unit is working with focussed approach to target the requirements of the Solar Business and to expand market

reach and building up the local supply-chain eco-system in India thus generating more jobs and revenue.

The government has allocated Rs 21.58 billion for optical fibre cable-based network for defence services and Rs 7.16 billion for telecom projects in the northeastern states. Seeing the huge demand for OFC cable from Railways, BharatNet and Defense project, and for 5G projects ITI is planning for expansion of Optical Fiber Cable Manufacturing capacity to stay competitive in OFC market.

In spite of best efforts, ITI faced difficulties in delivering some of the products and systems, as per timelines, due to non-receipt of components, modules, assemblies etc, involving Semiconductor ICs both from Indian and foreign sources, as per the committed delivery timelines. Manufacturing of ONT, OLT 4G RAN were affected by the global semiconductor shortage. Meetings at Govt level were held and letters were sent to these chip manufacturers to shorten these logistic delays.

However, ITI is taking necessary actions like alternate sourcing/redesign co-ordination with Technology partner like C-DOT and proactive sourcing to shorten the procurement cycle time to manage the semiconductor shortage/delays.

II. Opportunities and Threats

Opportunities:

With the existing sectors like Telecommunications, Defence Electronics Industrial, IT&BA and Automobile, the advent of disruptive technologies like Electric Vehicles, 5G, Drones, Medical Technology, Agriculture Technology, IoT, Satellite Broadband, Defence, Space and power electronics among others are the market segments for faster innovation. India is evolving as an innovation-driven R&D destination for global companies.

The AatmaNirbharBharat Abhiyan of Govt. promotes local production and aims to implement a Phased Manufacturing Program for designated product segments in Digital Communication Technologies. The growth in EMS market, presents an opportunity for Design-led manufacturing, which is given thrust by way of incentivization under schemes like PLI.

Department for Promotion of Industry and Internal Trade (DPIIT) in its 2018 notification, had issued guidelines to adhere to Public Procurement by providing Preference to Make in India products and preference to the local suppliers in the procurement of Electronic and Communications related products and services. This policy and guideline will unfold many opportunity areas and boost local manufacturing in the telecom product and service sectors.

In the fields of 4G LTE communications, defence electronics, solar power plants, and medical electronics, there are several business opportunities. To produce diverse electronics and communications devices, ITI has collaborated with a number of start-ups and reputed technical partners.

5G Global Market is Growing and will be of the Order of 2.6 Trillion USD by 2026. With maturing of the Solar Films and Batteries Technologies, Solar Plants will take over Thermal power plants in the future. Small capacity Power Plants usage in Telecom Specifically for RAN will keep on Increasing. Home grown Power Supplies and Invertor market are promising business for ITI. E and V Band Radio will be used in High Capacity Backhuals and also be a substitute Optical Fiber cable where it cannot be laid. The approach of executing proof of concept (POC) first and further to go ahead with TOT will result in successful product acquisition for ITI.

The enormous disparity between local demand and local supply in India, which is a result of the country's excessive reliance on imports, is considered as a potential to boost the manufacturing index in the electronics hardware and software divisions.

Current opportunities for ITI are the following :

1. Government's emphasis on Make-In-India and Atmanirbhar Bharat for manufacture of Telecom and Electronic equipment.
2. Government plan to set up 100 labs to develop applications using the newly-launched 5G services to cover, applications such as smart classrooms, precision farming, intelligent transport systems, and healthcare.
3. Growing Telecom, Defence and security needs in the country.
4. BSNL 4G Network
5. ASCON Phase-IV project
6. Shifting of manufacturing focus of leading design houses across world towards India and select Asian countries as their manufacturing base.
7. Govt policy towards promotion of alternate energy sources like Solar, Electric Vehicles.
8. Opening up of Space electronics market for Indian industries.
9. Modernisation of BSNL Railways, Defence networks .
10. Growing market for areas such as, Smart City, Energy Storage Products, Data Centre , Network & Cyber Security, Solar based power plants, Defense market etc.
11. Govt. PLI scheme and promotion of indigenization.

Threats:

Currently, the Indian electronics industry is characterised by highly competitive industry wherein rapid technological change renders the huge investment done by OEMs and TSP out of date within short time span.

The Company has identified the following threats in the changing business environment:

1. Telecommunications industry is highly competitive.
2. High financing cost for working capital.
3. Difficulty in sourcing of few critical and denied technologies.
4. Flexibility of Private Sectors to manoeuvre with Govt. policies
5. Manifold increase in competition from Indian private industry and foreign OEMs including their JVs in the Telecom Sector.

III. Strengths and Weakness :

Strengths:

1. State of the art infrastructure for manufacturing for complete range of telecom/ electronic products.
2. Decade of experience in Electronic equipment manufacturing and providing telecom turnkey solutions for creation of national network.
3. Excellent domain knowledge and core competencies in Telecom electronics.
4. Experience of deploying and maintenance of strategic telecom network infrastructure for Defence establishment on turnkey basis.
5. Capacity to execute end to end execution of Mega projects like BharatNet.
6. Cybersecurity infrastructure to provide various IT security services from ITI Tier-3 Data Centre.
7. In house R&D capability for development of Encryption products for defence.
8. Telecom testing labs for telecom equipment testing under the Department of Telecommunication's Mandatory Testing and Certification of Telecom Equipment (MTCTE) rules.
9. Pan-India presence (6 Manufacturing Plants at Bengaluru, Palakkad, Rae Bareli, Mankapur, Naini and Srinagar) as well strong marketing presence through countrywide 8 MSP offices at Bengaluru, Chennai, Hyderabad, Delhi, Mumbai, Kolkata, Lucknow and Bhubaneswar and many associated Area offices.
10. Capacity augmentation for indigenous manufacturing of 4G RAN.
11. Leveraging partnerships ecosystem for growth

Weakness:

1. Dependence on low Telecom order volume
2. Non-availability of skilled resource.
3. Long cycle time of component procurement
4. Time to Market Products- High
5. Fewer absorption of niche telecom technology/products.
6. Dependence on C-DOT for technology in certain segments.
7. Dependence on Technology Partners for key Technologies.
8. Lack of technology and development of Intellectual Property (IP), acts as a barrier to the growth.

IV. Future Outlook

The order book of ITI is about Rs 11,460.14 Crore on 30.06.2023. The Company has planned for a turnover of Rs 2648 Crore for FY 2023-24. ITI is focusing on manufacturing in a big way and plans to take up turnkey projects as System Integrator (SI) to increase the value addition. ITI is executing a defence order for Phase IV of the Army Static Switched Communication network (ASCON) project. The project includes civil works for the infrastructure and optical fibre network, installation, commissioning and maintenance of equipment such as IP MPLS routers, Microwave Radio, Satellite terminals, NMS and testing tools. To be part of nation building ITI has received Purchase Order from BSNL for Planning, Engineering, Supply, Installation & Commissioning and AMC of 4G Mobile Network for 23,633 Sites in West Zone of BSNL Network. Other than being the SI to implement this project, ITI is planning to manufacture the 4G RAN equipment as well as requirements of other operators, for both 4G & 5G. This shows The Government's emphasis on 'Make in India' and 'Atmanirbharta' towards self-reliance in manufacturing and this provides great opportunity for import substitution and promoting innovative indigenous solutions for Telecom market. We will closely work with C-DOT, research and premier academic institutions and progressive technology partners for developing new products and systems in emerging technologies.

The continued support from the Government is helping ITI to manufacture products in different market domains in a big way. We will focus ourselves in building on our existing capabilities. Company is now manufacturing many new telecom products like High speed Wi-Fi Access Points, G-PON, OFC and Solar panel products. Company is working for development of new products like Electronic Voting machine (EVM) & Voter Verifiable Paper Audit Trail (VVPAT), Digital Mobile Radio (DMR), Compact TESD (Terminal End Secrecy Device) And Software Defined Radios. ITI has won contracts of BharatNet projects like TANFINET, Andaman and Nicobar OFC and IAF 4G LTE. In addition major focus has been given by the company for manufacturing of encrypted telecommunication equipment required for Defence sector.

ITI is continuously pursuing opportunities to expand business by capturing new customers in the existing and new geographies. We will pursue and focus business models like OPEX, Service model, and Government-owned Company Operated (GOCO) to increase our revenue margins. Currently our presence in international geographies are less but we will focus our strategy to create marketing offices to increase business opportunities in South East Asia, Middle East, and Africa by collaborating with other Indian companies and local partners.

While opportunities are many, we also anticipate challenges due to competition, geopolitical situations, changing policies and regulatory landscapes, emerging new technologies and evolving customer expectations. We will remain focused for increasing our business and with accepting new challenging assignments in future.

V. Risk Management:

The Enterprise Risk Management (ERM) framework implemented as part of Governance, Risk Management and Compliance (GRC) in the Company is based on global best practices in Risk Management as covered by ISO 31000:2018 and IEC 31010:2019 and has enabled the Company to fully integrate the Risk Management into its normal business operations.

The Company's ERM policy framework is a structured process that involves:

- Identifying all external and internal risk-factors.
- Assessing the impact of these risks on the organization's business and financial targets.

- Prioritizing the identified risk-factors.
- Exploring various alternatives for treating these risks.
- Implementing controls and monitoring mechanisms for managing the risks.

ERM is an ongoing and dynamic process that requires iteration and adaptation to changing circumstances. The Company's ERM Manual is a well-structured framework having four layers of governance team's i.e.

- Level-1: URM (Unit Level Risk Management Committee)
- Level-2: ERMSC (ERM Steering Committee)
- Level-3: ERMGC (Enterprise Risk Management Governing Committee) or RMC (Risk Management Committee)
- Level-4: Risk Management Committee at Board Level.

These Committees are responsible to monitor the policy implementation across all the Units by flowing approved ERM Process, ERM Governance Structure, Roles and Responsibilities of the relevant stakeholders, formation of Risk Registers, provide their continuous contribution to operation of ERM in all the units of Company.

The establishment and maintenance of the ERM framework is facilitating effective decision making process at different levels of the Company. The Risk Register maintained by the Company includes standalone risks identified for the Corporate as well as any significant risks from the Units that merit attention of the Corporate, which will be regularly be presented and reviewed by the Task Force Committee.

All the Units submit and update ERM Risk Register to the ERM Steering Committee (ERMSC). As part of the policy operation ERMSC have conducted monthly risk management review meetings on 23rd September 2022, 21st October 2022, 24th November 2022 and 31st January 2023 with all the Units (URMSC). In the Risk Management Committee Meeting and the Board Meeting held on 10th February 2023 and 13th February 2023, the high priority risks and mitigation plans proposed were reviewed.

As framed in the ERM Manual, Risk Management activities will be carried out on an ongoing basis as part of the routine business operations.

VI. Human Resources

As on 31st March 2023, your Company had a total employee strength of 2118 as compared to 2442 at the end of the previous year. The detailed information on material developments in Human Resources/ Industrial front is given in Directors' Report.

VII. Internal Control Measures

The Company's internal control systems are commensurate with the nature of its business, the size, and complexity of its operations.

Internal control systems operate at different levels of effectiveness. The Directors and department heads have responsibility for internal controls within their units. Managers and supervisory personnel are responsible for executing control policies and procedures at the detail level within their specific unit. Each individual within a unit is to be cognizant of proper internal control procedures associated with their specific job responsibilities.

Internal Audit Department of the Company at Corporate Office and Units, reviews compliance with the Company's procedures & policies. The department coordinates with the Unit/Divisions of the Company for ensuring coverage of all major areas of operations and such internal financial controls with reference to Financial Statements are adequate.

VIII. Financial Performance

Your Company has achieved a sales turnover of Rs 1589 crore for the year ended 31st March 2023, as compared to Rs 2077 crore in the

previous year. The detailed information on financial performance with respect to operational performance is given in Directors' Report.

IX. Details of Significant changes in Key Financial Ratios

S. No.	Particulars	FY 2022-23	FY 2021-22	Reasons for variations
1.	Debtors Turnover	0.50	0.63	Decrease primarily on account of decrease in turnover.
2.	Inventory Turnover	6.89	9.07	Due to increase in average inventory and also due to decrease in Cost of Goods sold
3.	Interest Coverage Ratio	-0.98	1.72	Decrease was primarily due to negative EBIT during the current year, even though there was increase in finance cost
4.	Current Ratio	0.97	1.01	Though increase in Inventory but escalation in the current liability mainly in borrowings has resulted in slightly reduction in Current Ratio.
5.	Debt Equity Ratio	0.81	0.64	Due to increase in the borrowings and slight reduction in the equity has resulted increase.
6.	Operating Profit Margin (%)	-9.10%	6.40%	Reduction in the total income and due to operating loss also.
7.	Net Profit Margin (%)	-25.81%	6.45%	Reduction in the total income and due to loss also.

Details of any change in Return on Net Worth as compared to the immediately previous financial year along with a detailed explanation thereof.

There is significant change in the return on Net Worth compared to the immediately preceding financial year, the ratio has become negative due to loss during the FY 2022-23.

X. Environmental Protection and Conservation:

The Company's Units are spread across the Country at different locations viz. Bengaluru, Mankapur, Rae Bareli, Naini, Palakkad and Srinagar. Environment Protection & Management of the Units is governed by various Acts & Rules like The Environment (Protection) Act, 1986, The Air (Prevention and Control of Pollution) Act, 1981, The Water (Prevention and Control of Pollution) Act, 1974, Hazardous Waste (Management, Handling and Transboundary Movement) Rules, 2016, The Solid Wastes Management Rules, 2016, etc. All the Units ensured to comply with the applicable Acts and Rules.

XI. Technological conservation, Renewable energy developments, Foreign Exchange conservation:

Relevant information in this regard is disclosed in the Directors' Report.

XII. Cautionary Statement

Statements made in the Management Discussion and Analysis about your Company's objectives, estimates and expectations may be "forward looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's performance include economic conditions affecting demand/supply and price conditions in the domestic market in which your Company operates, changes in Government regulations, tax laws, statutes and other incidental/related matters.

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO

Section 134 of the Companies Act, 2013 read with the Company's (Accounts) Rules, 2014

A. CONSERVATION OF ENERGY:

(a) Steps taken or impact on conservation of energy;

The Company's operation involves low energy consumption. Nevertheless, energy conservation measures have already been taken wherever possible. Efforts to conserve and optimize the use of energy through improved operational methods and other means will continue.

- o Installation of Solar power plant in factory area
- o Replacement of outdated equipment with energy efficiency equipment

(b) Steps taken by company for utilizing alternate sources of energy and capital investment on energy conservation equipments.

In its constant endeavour to conserve energy, ITI has established 5600 KW Solar Power Plant at all Production units, Corporate Office and MSP-Lucknow for meeting the captive requirements.

B. TECHNOLOGY ABSORPTION

(i) Efforts made towards Technology Absorption

- a) Joint development with CAIR DRDO for 1GE IP Encryptor for NATGRID.
- b) Joint development with SAC-ISRO/RCI-DRDO for IRNSS-RS receiver for Defence.
- c) Joint development of VHP (Versatile Hardware Platform) with CAIR DRDO

(ii) The benefits derived like product improvement, cost reduction, product development or import substitution:

The following R&D Products were productionised, which contributed for more than Rs 9.1 Cr turnovers to the Company.

- a) Encryption products - TESD, SESD, Ananda BEU MKII
- b) Field Telephones

- c) Technical support for ASCON Phase IV :Proof of Concept (PoC)

(iii) Imported Technology

Imported during last three years reckoned from the beginning of the financial year - NIL

(iv) R&D Expenditure

a) Capital	Rs 3.67 Crore
b) Revenue	Rs 13.79 Crore
TOTAL	Rs 17.46 Crore

Total R&D Expenditure as a percentage of total turnover is 1.25% (turnover excluding GST) and 1.10% (turnover including GST).

C. FOREIGN EXCHANGE EARNINGS AND OUTGO

- (i) Activities relating to exports, initiative taken to increase exports, development of new Export markets for products and services and export plans: NIL
- (ii) Total Foreign Exchange earning and outgo:
Foreign Exchange Earning : Nil
Foreign Exchange Outgo : Rs 21.13 crore

REPORT ON CORPORATE GOVERNANCE

The details of compliance by the Company with the norms of Corporate Governance, in accordance with the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations) as amended read with Department of Public Enterprises Guidelines on Corporate Governance (DPE Guidelines), are as under:

1. OUR CORPORATE GOVERNANCE PHILOSOPHY

The Corporate Governance framework and philosophy is a reflection of the Company's corporate culture, policies, values and relationship with stakeholders which is driven relentlessly across the organisation. STANDALONE FINANCIAL STATEMENTS

SIGNIFICANT ACCOUNTING POLICIES

Corporate Information

India's first Public Sector Unit (PSU) - ITI Ltd was established in 1948. Ever since, as a pioneering venture in the field of telecommunications, it has contributed to 50% of the present national telecom network. With state-of-the-art manufacturing facilities spread across six locations and a countrywide network of marketing/service outlets, the company offers a complete range of telecom products and total solutions covering the whole spectrum of Switching, Transmission, Access and Subscriber Premises equipment.

ITI joined the league of world class vendors of Global System for Mobile (GSM) technology with the inauguration of mobile equipment manufacturing facilities at its Mankapur and Rae Bareilly Plants in 2005-06. This ushered in a new era of indigenous mobile equipment production in the country. These two facilities supply more than nine million lines per annum to both domestic as well as export markets.

1) Basis of Preparation

The financial statements are prepared and presented in accordance with Generally Accepted Accounting Principles in India (GAAP), on accrual basis of accounting, except as stated herein. GAAP comprises the mandatory Accounting Standards (IND -AS) [as notified under section 133 of the Companies Act, 2013 read Rule 4 of the Companies (Indian Accounting Standards) Rules, 2015] to the extent applicable, provisions of the Companies Act, 2013, which have been consistently applied except where a new Accounting Standard is initially adopted or revision to an existing Accounting Standard requires a change in the Accounting Policy hitherto in use.

Basis of Measurement:

The financial statements have been prepared on a historical cost basis, except for the following assets and liabilities which are measured at fair value:

- a. Derivative financial instruments, if any
- b. Financial assets and liabilities that are qualified to be measured at fair value
- c. Defined benefit asset/(liability) recognised at the present value of defined benefit obligation less fair value of plan assets.

2) Use of Estimates

The preparation of the financial statements in conformity with the IndAS requires that the management make estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, revenue, expenses and disclosure of contingent liabilities as at the date of financial statements and the reported amounts of revenue and expenses during the reporting period. Although such estimates are made on a reasonable and prudent basis taking into account all the available information, actual results could differ from the estimates and such differences are recognised in the period in which the results are ascertained.

3) Functional and presentation currency

Financial statements are presented in Indian Rupee (INR) which is the functional and presentation currency of the Company and the currency of the primary economic environment in which the entity operates. All financial information presented in Indian rupees has been rounded to the nearest lakhs except share and per share data.

4) Revenue Recognition

The Company recognises revenue from contracts with customers when it satisfies a performance obligation by transferring promised good or service to a customer. The revenue is recognised to the extent of transaction price allocated to the performance obligation satisfied. Performance obligation is satisfied over time when the transfer of control of asset (good or service) to a customer is done over time and in other cases, performance obligation is satisfied at a point in time. For performance obligation satisfied over time, the revenue recognition is done by measuring the progress towards complete satisfaction of performance obligation. The progress is measured in terms of a proportion of actual cost incurred to-date, to the total estimated cost attributable to the performance obligation.

a. Sale of goods

Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns, trade discounts and volume rebates. Revenue is recognized when significant risks and reward of ownership have been transferred to the customer as per the terms of sale agreement, neither continuing management involvement nor effective control over the goods is retained, recovery of the consideration is probable, and the amount of cost incurred and the revenue can be measured reliably. Timing of transfer of risks and rewards is evaluated based on Inco-terms of the sales agreement.

b. Ex- Works Contract

When specified goods are unconditionally appropriated to the contract after prior Inspection and acceptance, if required.

c. FOR Contracts

In the case of FOR contracts, sale is recognised when goods are handed over to the carrier for transmission to the buyer after prior inspection and acceptance, if stipulated, and in the case of FOR destination contracts, if there is a reasonable expectation of the goods reaching destination within the accounting period. Revenue is recognised even if goods are retained with the Company at the request of the customer.

d. Bill and Hold Sales

For bill-and-hold transactions, revenue is recognised when the customer takes title, provided that:

- i. it is probable that delivery will be made;
- ii. the item is on hand, identified and ready for delivery to the buyer at the time when the sale is recognised;

- iii. the buyer specifically acknowledges the deferred delivery instructions; the usual payment terms apply

e. Services and Construction contracts

Revenue on time-and-material and unit of work-based contracts, are recognized as the related services are performed. Fixed-price maintenance revenue is recognized rateably either on a straight-line basis when services are performed through an indefinite number of repetitive acts over a specified period or rateably using a percentage-of completion method when the pattern of benefits from the services rendered to the customer and Company's costs to fulfil the contract is not even through the period of contract because the services are generally discrete in nature and not repetitive. Revenue from other fixed-price, fixed-timeframe contracts, where the performance obligations are satisfied over time is recognized using the percentage-of-completion method. Efforts or costs expended are used to determine progress towards completion as there is a direct relationship between input and productivity. Progress towards completion is measured as the ratio of costs or efforts incurred to date (representing work performed) to the estimated total costs or efforts. Estimates of transaction price and total costs or efforts are continuously monitored over the term of the contracts and are recognized in net profit in the period when these estimates change or when the estimates are revised. Revenues and the estimated total costs or efforts are subject to revision as the contract progresses. When it is probable that contract costs at completion will exceed total contract revenue, the expected loss at completion is recognised immediately as an expense.

Some contracts include multiple performance obligations, such as the supply of systems, equipment etc., and maintenance services. Consideration towards maintenance services is therefore identified and accounted for as a separate performance obligation. Where the contracts include multiple performance obligations, the transaction price will be allocated to each performance obligation based on the stand-alone selling prices. Where these are not directly observable, they are estimated based on expected cost-plus margin.

For other fixed-price contracts, revenue is recognised in proportion to the stage of completion of the transaction at the reporting date. The stage of completion is assessed by reference to the work performed. No revenue is recognised if there is significant uncertainty regarding recovery of the consideration due or if the costs incurred or to be incurred cannot be measured reliably.

f. Interest income

Interest income is recognized using the effective interest rate method.

g. Dividend

Dividend income is recognised when the Company's right to receive dividend is established

h. Rental income

Rental income arising from operating leases is accounted for on a straight-line basis over the lease term unless increases

in rentals are in line with the expected inflation or otherwise justified (Fair Value).

i. Duty Drawbacks

Duty drawback claims on exports are accounted on preferring the claims.

j. Other Income

Other Income not specifically stated above is recognised on accrual basis.

5) Property, plant and equipment, Capital Work-in progress

Property, plant and equipment is stated at historical cost less accumulated depreciation and impairment losses if any. Cost comprises of the purchase price and any attributable cost of bringing the PPE to its working condition for its intended use. Borrowing and other attributable costs relating to acquisition of the PPE which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such PPE are ready to be put to use. PPE are eliminated from the financial statements, either on disposal or when retired from such use. When significant parts of Plant and Equipment are required to be replaced at intervals, the same is recognised as a separate component.

Assets acquired free of cost or received as gift are stated at fair value which is credited to Other Equity at the time of acquisition or receipt less accumulated depreciation and impairment losses.

Capital work-in-progress

Assets under installation or under construction as at the Balance Sheet date are shown as Capital Work-In-Progress.

Income pertaining to construction period such as interest on advance to contractors, sale of tender documents etc., is set off against expenditure during construction.

Expenditure on development of leasehold land is capitalised as Land Development Expenditure and amortised over the lease period or useful, life whichever is lower.

6) Intangible Assets, Intangible Asset under Development

a. Cost of software (which is not an integral part of the related hardware) acquired for internal use and resulting in significant future economic benefits, is recognised as an intangible asset when the same is ready for use. Intangible Assets not yet ready for their intended use as at the Balance Sheet date are classified as "Intangible Assets under Development"

b. Cost of developmental work which is completed, wherever eligible, is recognized as an Intangible Asset.

c. Cost of developmental work under progress, wherever eligible, is classified as "Intangible Assets under Development".

d. Carrying amount includes amount funded by the Company to external agencies towards developmental project(s) and expenditure incurred by the Company towards material cost, employee cost and other direct expenditure.

7) Research and development expenses:

Research expenditure is charged to the Statement of Profit and Loss. Development costs of products are also charged to the Statement of Profit and Loss unless a product's technical feasibility has been established, in which case such expenditure is capitalized. Tangible assets used in research and development are capitalized.

Expenditure incurred towards other development activity where the research results or other knowledge is applied for developing new or improved products or processes, are recognised as an Intangible Asset if the recognition criteria specified in Ind AS 38 are met and when the product or process developed is expected to be technically and commercially usable, the company has sufficient resources to complete development and subsequently use or sell the intangible asset, and the product or process is likely to generate future economic benefits.

8) Impairment of Non-financial assets

At the end of each Balance Sheet date, carrying amount of assets are reviewed, if there is any indication of impairment based on internal/ external factors. If the estimated recoverable amount is found to be lower than the carrying amount, then the impairment loss is recognised and assets are written down to the recoverable amount.

9) Depreciation / Amortisation

Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets.

Depreciation on additions and deletions to fixed assets during the year is provided on pro-rata basis as under:

- Depreciation is reckoned in full for the month of addition for the assets commissioned on or before 15th day of a month while no depreciation is reckoned for the month of addition for the assets commissioned after 15th of the month.
- In respect of assets sold, discarded, damaged or destroyed on or before 15th day of a month no depreciation is reckoned for the month of deletion while for the assets sold, discarded, damaged or destroyed after 15th of the month depreciation is reckoned in full for the month of deletion.
- Where cost of a part of the asset is significant to the total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part is determined separately and depreciated on straight line method over its estimated useful life.
- The Residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Amortization

Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use. Amortization methods and useful lives are reviewed periodically at each financial year end.

In the case of depreciable assets which have been revalued, depreciation is calculated on straight line method on the revalued amount. Incremental depreciation on account of Revaluation is recouped as a credit to the general Reserve, as per the Schedule II of the Companies Act 2013.

Disposal of property, plant and equipment

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of Profit and Loss when the asset is derecognised.

	However, in respect of assets having original cost of ₹ 50,000/- and above, a residual balance of ₹ 5/- has been retained in the books.	

10) Leases

A lease is classified at the inception date as a finance lease or an operating lease.

Company as a Lessee

Finance leases are capitalised at lower of fair value and the present value of the minimum lease payments on commencement of the lease. Finance charges are recognised as Finance Costs in the Statement of Profit and Loss. A leased asset is depreciated over the useful life of the asset or lease term, whichever is lower.

At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases) and low value leases. For these short term and low-value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing

rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related ROU asset if the Company changes its assessment of whether it will exercise an extension or a termination option.

The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. ROU assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable.

Company as a lessor

Operating lease income is recognised over the lease term on straight line basis, except when the escalations are due to general inflation or otherwise justified. Contingent rents, if any, are recognised as revenue in the period in which they are earned.

11) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale is capitalised as part of the cost of the asset.

General borrowing costs are capitalised to qualifying assets by applying a capitalisation rate, which is the weighted average of the borrowing costs applicable to the general borrowings outstanding, other than specific borrowings, to the expenditure on that asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds, as also exchange differences to the extent regarded as an adjustment to the borrowing costs.

12) Government Grants

Grants from Government are measured at fair value and initially recognized as Deferred Income.

Amount lying under Deferred Income on account of acquisition of Fixed Assets is transferred to the credit of the Statement of Profit and Loss in proportion to the depreciation charged on the respective assets to the extent attributable to Government Grants utilised for the acquisition.

Amount lying under Deferred Income on account of revenue expenses is transferred to the credit of the Statement of Profit and Loss to the extent of expenditure incurred in the ratio of the funding to the total sanctioned cost, limited to the grant received.

13) Investments in joint venture and associates

Company accounts for its interests in associates and joint ventures at cost or in accordance with Ind AS 109 in the standalone financial statements but in the consolidated Financial statements under equity method.

14) Inventories

Raw materials, components and stores purchased for manufacturing/ production activities are valued at lower of cost and net realizable

value, after providing for obsolescence, if any. Cost is calculated on weighted average rate as at the end of the year. Where same items are purchased as also manufactured, manufacturing costs are generally adopted.

Raw materials and production stores with ancillaries and fabricators are valued at lower of cost at the time of such issue and net realizable value, after providing for obsolescence, if any.

Manufactured items in stock and stock-in-trade are valued at lower of cost excluding interest charges, administration overheads & sales overheads and at the net realisable value, after providing for obsolescence, if any.

Precious metals scrap is brought to books at the year end at net realizable value.

15) Work-in-process

- a. Work-in-process (production) is valued on the basis of physically verified quantities at lower of cost excluding interest charges, administration & sales overheads and at the net realisable value, after providing for obsolescence, if any.
- b. Work-in-process (Installation) is valued at lower of cost as recorded in the work orders and net realizable value, after providing for obsolescence, if any.

16) Tools and Gauges

Expenditure on special purpose tools and fixtures is initially capitalized at cost and then amortized over production on a systematic basis, based on technical assessment.

Loose tools are charged to revenue at the time of issue.

17) Financial assets (Trade Receivables & Other receivables)

Receivables are initially recognized at fair value, which in most cases approximates the nominal value. If there is any subsequent indication that the assets may be impaired, same is reviewed for impairment.

18) Errors and Estimates

The Company revises its accounting policies, if the change is required due to a change in the Ind AS or if the change provides more relevant and reliable information to the users of the financial statements.

A change in an accounting estimate that results in changes in the carrying amounts of recognised assets or liabilities or to statement of Profit or Loss is applied prospectively in the period(s) of change.

Discovery of errors and results in revisions retrospectively by restating the comparative amounts of assets, liabilities and equity of the earliest prior period in which the error is discovered. Opening balances of the earliest period presented are also restated.

19) Income taxes

Income tax comprises of current and deferred income tax

Current income tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. Tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date. Current tax relating to

items recognised directly in equity is recognised in equity and not in the Statement of Profit and Loss.

Deferred tax

Deferred tax is provided using the Balance sheet method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences can be utilised.

Carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised.

20) Warranty Liability

Warranty liability for contractual obligation in respect of equipment sold to customers is accounted for the basis of an annual technical assessment.

21) Foreign currencies

Transactions in foreign currencies are initially recorded by the Company at their respective currency exchange rates at the date the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency exchange rate at the reporting date.

Differences arising on settlement or translation of monetary items are recognised in the Statement of Profit and Loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the functional currency exchange rate at the dates of the initial transactions.

22) Employee benefits

- a. Short-term employee benefits are recognised as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the related service is rendered.
- b. Post-employment benefit viz. gratuity and other long-term employee benefits viz. Privilege Leave, Sick Leave and LLTC are recognised as an expense in the Statement of Profit and Loss of the year in which the employee has rendered services. Expense is recognised at the present value of the amounts payable determined using actuarial valuation techniques.
- c. Actuarial gains and losses and the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised immediately in Other Comprehensive Income (OCI). Net interest expense (income) on the net defined liability (assets) is computed by applying the discount rate, used to measure the net defined liability (asset), to the net defined liability (asset) at the start of the financial year after taking into account any changes as a result of contribution and benefit payments during the year. Net interest expense and other expenses related to defined benefit plans are recognised in the Statement of Profit and Loss.

- d. Expenditure related to voluntary retirement scheme (VRS) is written off in the year of incidence.
- e. Eligible employees of the Company receive benefits from a provident fund, which is a defined contribution plan. Both the eligible employee and the Company make monthly contributions to the provident fund plan equal to a specified percentage of the covered employee's salary. The Company remits the contribution to the ITI Employees' Provident Fund Trust. The trust after making a portion of contribution to the government administered pension fund as per the regulations, invests the remaining funds in specific designated instruments as permitted by appropriate regulations. The rate at which the annual interest is payable to the beneficiaries by the trust is being administered by the government.

23) Provision & Contingent Liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. Expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities and contingent assets are not recognised in the financial statements. However, contingent liabilities unless the possibility of an outflow of resources embodying economic benefits is remote and contingent assets where an inflow of economic benefits is probable are disclosed in the notes.

Onerous Contracts

A provision for onerous contracts is recognized when the expected benefits to be derived by the Company from a contract are lower than the unavoidable cost of meeting its obligations under the contract.

Provision is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract.

Before a provision is established, the Company recognizes any impairment loss on the assets associated with that contract.

24) Fair value measurement

The Company measures certain financial instruments, such as derivatives and other items in its financial statements at fair value at each balance sheet date.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

For purposes of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy.

25) Investment property

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

26) Financial Instruments

a. Initial recognition and measurement

All financial assets are recognised initially at fair value. In the case of financial assets not recorded at fair value through the Statement of Profit and Loss, transaction costs that are attributable to the acquisition of the financial asset are included in the cost of the asset.

b. Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- i. Debt instruments at amortised cost,
- ii. Debt instruments at fair value through other comprehensive income (FVTOCI),
- iii. Debt instruments, derivatives and equity instruments at fair value through Profit or Loss (FVTPL),
- iv. Equity instruments (other than investments in associates - which is carried at cost) measured at fair value through other comprehensive income (FVTOCI).

Derecognition

A financial asset or part of a financial asset is derecognised when the rights to receive cash flows from the asset has expired.

Embedded derivative

Embedded derivative, if required, is separated from host contract and measured at fair value.

27) Forward Contracts

The Company uses derivative financial instruments such as forward currency contracts to hedge its foreign currency risks. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently remeasured at fair value. Derivatives are carried as financial assets

when the fair value is positive and as financial liabilities when the fair value is negative.

28) Cash and cash equivalents

Cash comprises of cash on hand and demand deposits. Cash equivalents are short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash, which are subject to an insignificant risk of change in value.

Bank overdrafts, if any, are shown within borrowings in current liabilities on the balance sheet.

29) Impairment of financial assets

In accordance with Ind AS 109, the Company applies the expected credit loss (ECL) model for measurement and recognition of impairment loss on financial assets with credit risk exposure.

- a. Time barred dues from the Government / Government Departments / Government Companies are generally not considered as increase in credit risk of such financial asset.
- b. Where dues are disputed in legal proceedings, provision is made if any decision is given against the Company even if the same is taken up on appeal to higher authorities / courts.
- c. In case of dues outstanding for a significant period of time, on a case to case basis

ECL impairment loss allowance (or reversal) recognized during the period is recognized as expense/ (income) in the Statement of Profit and Loss. This amount is reflected in a separate line in Profit and Loss Statement as an impairment gain or loss.

30) Financial Liabilities

a. Initial recognition and measurement

Financial liabilities are classified, at initial recognition, at fair value through Profit and Loss as loans, borrowings, payables, or derivatives, as appropriate.

Loans, borrowings and payables, are stated net of transaction costs that are directly attributable.

b. Subsequent measurement

Measurement of financial liabilities depends on their classification, as described below:

- i. Financial liabilities at fair value through profit or loss.
- ii. Financial liabilities at fair value through Profit or Loss include financial liabilities designated upon initial recognition as at fair value through profit or loss. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by IndAS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

c. Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

d. Trade and other payables

Liabilities are recognised for amounts to be paid in future for goods or services received, whether billed by the supplier or not.

31) Reclassification of Financial Instruments

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. If the Company reclassifies financial assets, it applies the reclassification prospectively.

32) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable

legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

33) Cash dividend and non-cash distribution to equity shareholders

The Company recognises a liability to make cash or non-cash distributions to equity holders when the distribution is authorised and the distribution is no longer at the discretion of the Company.

34) Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

35) Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue.

Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the reporting date are not accounted but disclosed.

*** Note:**

- The company rectified an error of delay in the capitalisation of a few items of property, plant & equipment. Based on the date of installation of these assets, they ought to have been capitalised prior to the comparable period covered in these financial statements, which has resulted in the non-provision of depreciation in the prior years. There were also cases of short provision of depreciation in the year 2021-22. These errors have been rectified by (i) increasing the depreciation of the comparable year FY 2021-22 by Rs 98.48 lakhs (ii) decreasing the retained earnings by Rs 117.42 lakhs on account of depreciation pertaining to earlier periods. (iii) corresponding retrospective restatement as at 1-4-2021 by decreasing the carrying value of capital work in progress by Rs 2390.98 lakhs, corresponding increase by the same amount in the carrying value of the property, plant and equipment.
- Expenditure of Rs 1593 lakhs related to unbilled revenue recognised during the financial year 2020-21 was erroneously missed out to be accounted for and the error has been rectified in the current financial year by a retrospective restatement of trade payables.

- (iii) Grant-in-aid of Rs 558.87 lakhs received during the financial year 2017-18 under the Swachh Bharath Scheme was erroneously carried as a liability and the corresponding expenditure were incurred during the financial years 2017-18, 2018-19 and 2019-20. However, erroneously the grant was not recognised as income proportionately to match the costs. This error is rectified by a retrospective restatement of other current liabilities.
- (iv) The company received a capital grant of Rs 18700 lakhs during the FY 2022-23. Of this, towards ₹ 8,000.00 lakhs grant amount 77,33,204 shares @ Rs 103.45 per share have been allotted on 28.09.2022(each Rs 10 fully paid up at premium of Rs 93.45 per share) and the balance of ₹ 10700.00 lakhs has been accounted in the books as share application money pending allotment

As per Ind AS 109, the receivables in the Company should be put to impairment test using the expected credit loss model. Ind AS 109 allows the use of practical expedients when measuring expected credit loss on trade receivables, and states that a provision matrix is a example of such an expedient. Majority of trade receivables originate from Government owned entities, which are not exposed to high risk, the Company is making specific provisions based on case to case reviews and approved by Board. Whereas, for other customers, provision is determined using expected credit loss model on case to case basis.

- The Special Land Acquisition Officer (KIDBA) during the year 1998 had acquired ITI land for extension of Road by NHAI for which the award was fixed for Rs 10 per sq ft. However, the Company had filed a case for enhancement of Market Value, for additional interest and also solatium. The judgment was passed by City Civil Court in favour of the Company during October 2021 and the Company was awarded an enhanced compensation of Rs 334.48 lakhs compensation for acquisition of land.

*During the year 2020-21, the company received a letter for awarding compensation of Rs 2908.02 lakhs towards compulsory acquisition of land at Bangalore by the South-Western Railways. The surplus amount of Rs 2796.34 lakhs is calculated by deducting the cost of land, which is taken as a proportion of the value of the total carrying value of land in Bangalore based on the area of land acquired that bears to the total area of land owned by the Company in Bangalore and this surplus is treated as an exceptional income.

STANDALONE INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF ITI LIMITED, BENGALURU

Report on the Audit of the Standalone Financial Statements

Qualified Opinion

We have audited the accompanying standalone financial statements of ITI Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone financial statements") in which are incorporated the returns for the year ended on that date audited by the branch auditors of the company's branches located at Naini, Mankapur, Raebareli, Srinagar and Palakkad.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the profit/ (loss) and total comprehensive income/ (loss), changes in equity and its cash flow for the year ended on that date.

Basis for Qualified Opinion

1) The Company has not made provision for bad debts (credit losses) in respect of the following items included under Current Assets - Financial Assets, which are doubtful of recovery:

- a) Rs 5,847.90 lakhs, receivable from C-DOT towards rent from premises leased out to them up to the period ending 31-3-2011.
- b) Recoverable from HCL Infosystems Limited of Rs 1,690.20 lakhs as compensation on account of the excess amount spent by the Mankapur Unit of the Company based on the agreement between ITI, HCL and Alcatel.
- c) Recoverable from Himachal Futuristic Communications Ltd of Rs 1,049.41 lakhs towards Liquidated Damages.
- d) Receivable from Mindarray towards encashment of letter of credit of Rs 1,023.00 lakhs

Accordingly, if provision for credit losses were made by the Company, the loss for the year would have been higher and the net current assets lesser by Rs 9610.51 lakhs.

2) The Company has not reversed the wrong GST input tax credit of Rs 889 lakhs taken during 2019-20 at the Palakkad Unit of the Company. The Naini Unit carries a debit balance of Rs 94.42 lakhs towards unavailed input tax credits that are time-barred. Consequently, the net profit for the year is overstated by Rs 983.42 lakhs, plus applicable interest.

3) In respect of the below-mentioned issues, the impact on the items of financial statements is not quantifiable/ unascertained:

- a) The Company carries long outstanding balances under trade receivable, unbilled debtor balances, claims receivable, and rent receivable. These balances are subject to confirmation by the parties and reconciliations. The effect of the adjustment arising from reconciliation and the delay in settlement of the dues may result in a possible loss due to short/non-recovery. In the absence of sufficient and appropriate evidence, we are unable to comment on the impact of such unascertained losses on the carrying value of these receivables as well as on the Other Comprehensive Income.
- b) The Company's inventories include old inventory, and it is in the process of an assessment of the ageing, usefulness, and serviceability of the inventories held at various units to ascertain the quantum of obsolete inventory. Consequently, we are unable to comment on whether the valuation of the inventories is at the lower of cost and net realisable value, which constitutes a departure from the requirements of Ind AS 2.
- c) Regarding Goods & Services Tax, in certain cases, entries/ balances as per the books of accounts do not match with the returns filed and input tax credits reflected in the portal. Adjustment entries and reversal of ineligible input tax credits are pending.
- d) The Company carries certain items of property, plant & equipment under Capital Work-in-Progress pending acceptance/ installation. This includes a let-out building costing Rs 6582.06 that is not yet capitalised as an investment property. A detailed list of such items, along with the date available for use, was not made available to ascertain the shortfall in providing depreciation, if any, as under Ind AS 16/ 40, depreciation shall commence from the date the items are available for use. In the absence of sufficient and appropriate evidence, we are unable to comment on the impact of such delayed capitalisation and the resultant shortfall in charging depreciation on the Other Comprehensive Income.
- 4) Finance costs for the year include the interest of Rs 3,006.98 lakhs towards delayed remittance of Provident Fund. This amount includes interest for current and previous years, and such a break-up is unavailable.
- 5) The Company's process for identifying suppliers covered by the Micro, Small and Medium Enterprises Development Act of 2006 and the payment of interest in cases of delays in payment appears to be inadequate and unverifiable. As a result, we are unable to verify whether the provision for interest on delayed payments is complete and comment on MSME Act 2006 compliance or correctness of disclosure made by the Company under Schedule III of the Companies Act 2013.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant

to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Emphasis of Matter

We draw attention to the following matters under various notes (referred against each item) of the financial statements. Our opinion is not modified in respect of these matters.

- i. The Company had received funds towards capital expenditure as part of the financial assistance approved by CCEA when the Company was declared a Sick Company as per provisions of the Sick Industrial Companies Act, 1985. [Note No.31.14]
- ii. The Company has postponed revenue recognition in respect of rent from a few parties due to uncertainty of ultimate collection owing to several reasons, including but not limited to the finalisation of the terms of the lease and not entering into formal agreements. [Note Nos. 31.10(b), 31.15, 31.17 and 31.19]
- iii. The Company carries under 'other financial assets- current' accumulated unbilled revenue of Rs 2,57,855 lakhs that were recognised during the current as well as the previous few years. [Note No. 9(b)]
- iv. The Company has not provided for the demand of property tax based on the demand notice from BBMP, as it has disputed the demand

by filing a writ in the High Court of Karnataka. [Note No.31.10 (a)(ii)]

- v. The Company is not in compliance with the requirements of having a specified proportion/ number of independent directors and appointment of a Company Secretary. [Note No.31.36]
- vi. The Company continues to carry a land admeasuring 77 acres having a carrying value of Rs 19,470 lakhs under Property, Plant & Equipment after receiving intimation of re-possession by the Government of Kerala as the Company has disputed the same, and the matter is under adjudication of the Apex Court. [as reported by the branch auditor]. [Note No.31.21.(i)]
- vii. Non-disclosure of fair value on the balance sheet date in respect of Investment Properties [Note No.3(iv)]
- viii. The Palakkad Unit of the Company has made provision for bad debts only to the extent of Rs 242 lakhs after netting off the corresponding liability to the back-end partners in respect of overdue receivables from M/s.Karvy Data Management Services Limited and M/s.Telva Systems.[Note No.31.22]

Key Audit Matters

Key audit matters are those matters that in our professional judgement were of most significance in our audit of the financial statements of the current period, These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters, We have determined the matters described below to be the key audit matters to be communicated in our report

Key Audit Matters	Auditors' Response
<p>Revenue from contracts with customers:</p> <p>Accounting for revenue is an exercise of recognising revenue based on accounting policies for supply of goods or services. Revenue on Projects (Service/ Construction Contracts) such as fixed-price, fixed-time frame contracts, where the performance obligations are satisfied over time is recognized using the input (percentage-of-completion) method. Efforts or costs expended are used to determine progress towards completion as there is a direct relationship between input and productivity. Progress towards completion is measured as the ratio of costs or efforts incurred to date (representing work performed) to the estimated total costs or efforts.</p> <p>Use of the percentage-of-completion method requires the Company to determine the actual efforts or costs expended to date as a proportion of the estimated total efforts or costs to be incurred. The estimation of total efforts or costs involves significant judgment and is assessed throughout the period of the contract to reflect any changes based on the latest available information.</p> <p>We identified the recognition of revenue as a key audit matter as the estimation of efforts or costs involves significant judgment throughout the period of the contract and is subject to revision as the contract progresses based on the latest available information. Information Other than the Standalone Financial Statements and Auditors' Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance

and Shareholder's information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance or conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether

the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India, This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

In preparing the standalone financial statements, Management of Company is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management of Company either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion, Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion, The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosure made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern, If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion, Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication,

Other Matters

We did not audit the financial statements of Mankapur, Raebareli, Srinagar, Naini & Palakkad Branches included in the standalone financial statements of the Company whose financial statements reflect total assets of Rs

2,96,230.66 lakhs as at March 31, 2023 and total income of Rs 17,057.64 lakhs for the year ended on that date, as considered in the standalone financial statements (excluding inter-unit balances and transactions). The financial statements of these branches have been audited by the branch auditors whose report has been furnished to us, and our opinion in so far as it relates to the amounts and disclosures included in respect of these branches is solely on the report of such Branch Auditors. Our opinion is not modified in respect of these matters.

Report on Other Legal and Regulatory Requirements

- 1) As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2) As required by Section 143 (3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the company so far as it appears from our examination of those books. and proper returns adequate for the purpose of our audit have been received from the branches not visited by us.

 - d) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of accounts.
 - e) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules 2015.
 - f) In terms of Notification no. G.S.R. 463 (E) dt. 05-06-2015 issued by Ministry of Corporate Affairs, the Provision of Section 164(2) of the Companies Act, 2013 in respect of disqualification of directors are not applicable to the Company, being a Government Company.
 - g) The provisions of Section 197 are not applicable to a government Company (in terms of MCA Notification NO.GSR 463 (E) dated 05th June 2015) as the managerial remuneration is paid as per the appointment letter from the Government of India.
 - h) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The company has disclosed the impact of pending litigations on its financial position in its standalone financial statements. (Refer Note 31.10 to the financial statements)
 - ii) The company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii) There has been no delay in transferring the amount, required to be transferred in accordance with the relevant provisions of the Companies Act, 2013 and the rules made thereunder to the Investor Education and Protection Fund by the Company.
 - iv) The management has represented that,
 - (1) to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities, "intermediaries", with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities Identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (2) to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - (3) Based on such audit procedures we have considered reasonable and appropriate in the circumstances; nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
 - v) The Company has neither declared nor paid any dividend during the year and hence commenting on

the compliance with section 123 of the Companies Act, 2013 does not arise.

- vi) Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.

- 3) On the basis of such checks of the books and records of the Company, as we considered appropriate and according to the information and

explanations given to us, we are enclosing our report in terms of Section 143(5) of the Act, on the directions and sub directions issued by the Comptroller and Auditor General of India in "Annexure C".

(d) The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year.

(e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

ii. (a) According to the information and explanations given to us, inventories (excluding those with third parties) have been physically verified by the management at reasonable intervals other than at (i) Bangalore Plant; (ii) NSU Unit & (iii) Regional Offices. According to the information and explanations given to us and based on the Report of the Other Auditors, no material discrepancies were noticed on physical verification of the inventories at the locations where Management had carried out physical verification.

(b) In our opinion and according to the books of account and records examined by us in the normal course of audit, the quarterly returns or statements filed by the company with banks who have sanctioned working capital limits to the Company, are in agreement with the books of account of the Company.

iii. According to the information given to us, during the year the Company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Therefore, clauses (iii) (a) to (f) Paragraph 3 of the Order

are not applicable to the Company.

iv. The Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans granted, investments made and guarantees and securities provided, as applicable.

v. The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.

vi. We have broadly reviewed the books of account and records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules 2014 prescribed by the Central Government under section 148(1) of the Companies Act, 2013 and are of the opinion that prima facie the prescribed accounts and records have been made and maintained. However, we are not required to and have not carried out any detailed examination of such accounts and records.

vii. According to the information and explanations given to us in respect of Statutory dues:

(a) The company is generally not regular in depositing undisputed statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues to the appropriate authorities. - viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix. (a) The Company received a soft loan of Rs 30,000 lakhs from the Ministry of Communications & IT, Department of Telecommunications, Government of India during the year 2014-15. As per the latest

communications, the repayment of 1/5th principal would start from FY 2022-23. However, the terms with respect to servicing of interest is unclear. Apart from this, the Company has not defaulted in repayment of loans or borrowings to financial institutions, banks or the Government according to the records of the Company examined by us and the information and explanations given to us. The Company has not issued any debentures.

Nature of borrowing, including debt securities	Name of lender*	Amount not paid on the due date	Whether principal or interest	No. of days delay or unpaid	Remarks, if any
Loan	GOI, Ministry of Communications & IT Dept. of Telecommunications	Rs 6000.00 lakhs	Principal	Payable during FY 22-23	The letter of sanction does not specify the date of repayment but only states that 1/5th is payable annually.

- (b) The Company has not been declared a wilful defaulter by any bank or financial institution or government or any government authority.
- (c) The Company has taken a term loan during the year, and the loan was applied for the purpose for which the loan was obtained.
- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company
- (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- (f) The Company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies and hence reporting on clause 3(ix)(f) of the Order is not applicable.
- x. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- xi. (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) We have taken into consideration the whistle blower complaints received by the Company during the year (and upto the date of this report), while determining the nature, timing and extent of our audit procedures.
- xii. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- xiii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- xiv. (a) The Company has an internal audit system. However, in our opinion it is not commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its

directors. and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.

- xvi. (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- (d) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xvii. The Company has incurred cash losses during the financial year covered by our audit but not in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. (a) In respect of other than ongoing projects, the company has transferred unspent amount to a Fund specified in Schedule VII to the Companies Act, 2013 within a period of six months of the expiry of the financial year in compliance with the second proviso to sub-section (5) of section 135 of the said Act.
- (b) The Company does not have any ongoing projects in respect of any amount remaining unspent under section (5) of section 135 of Companies Act and hence the question of transfer to special account under the provisions of sub section (6) of section 135 of the said Act does not arise.

"ANNEXURE B" TO THE INDEPENDENT AUDITORS' REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF ITI LIMITED

Report on the Internal Financial Controls under Clause (l) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of ITI Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the Standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us, and based on our audit, the following material weaknesses have been identified as at March 31, 2023:

- i. The company did not have an appropriate internal control system for obtaining confirmation of balances on a periodic basis, and reconciliation of unmatched Receivables, Advances, and Payables.
- ii. The company, in respect of Goods & Services Tax, did not have an effective system for timely accounting of entries, reversal of ineligible input tax credit, and reconciling the account balances with the returns filed thereof.
- iii. At Raebareli Unit, the ERP software BaaN is not updated appropriately, and the audit was completed with information obtained from various departments.
- iv. The internal control system to ensure no delay in the information furnished by the user departments to the accounts department regarding installation and acceptance of items of property, plant and equipment is weak, resulting in accounting for backlog depreciation in a few cases.

In our opinion, except for the effects/possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Company has maintained in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matter

We did not audit the internal financial controls over financial reporting of Mankapur, Raebareli, Srinagar, Naini & Palakkad Branches included in the standalone financial statements of the Company whose financial statements reflect total assets of Rs 2,96,230.66 lakhs as at March 31, 2023 and total income of Rs 17,057.64 lakhs for the year ended on that date, as considered in the standalone financial statements (excluding inter-unit balances and transactions). The internal financial controls over financial reporting of these branches have been audited by the branch auditors whose report has been furnished to us, and our opinion in so far as it relates to the adequacy of the internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023 included in respect of these branches is solely on the report of such Branch Auditors.

Our opinion is not modified in respect of these matters.

CONSOLIDATED FINANCIAL STATEMENTS

SIGNIFICANT ACCOUNTING POLICIES

Corporate Information

India's first Public Sector Unit (PSU) - ITI Ltd was established in 1948. Ever since, as a pioneering venture in the field of telecommunications, it has contributed to 50% of the present national telecom network. With state-of-the-art manufacturing facilities spread across six locations and a countrywide network of marketing/service outlets, the company offers a complete range of telecom products and total solutions covering the whole spectrum of Switching, Transmission, Access and Subscriber Premises equipment.

ITI joined the league of world class vendors of Global System for Mobile (GSM) technology with the inauguration of mobile equipment manufacturing facilities at its Mankapur and Rae Bareilly Plants in 2005-06. This ushered in a new era of indigenous mobile equipment production in the country. These two facilities supply more than nine million lines per annum to both domestic as well as export markets.

1) Basis of Preparation

The financial statements are prepared and presented in accordance with Generally Accepted Accounting Principles in India (GAAP), on accrual basis of accounting, except as stated herein. GAAP comprises the mandatory Accounting Standards (IND -AS) [as notified under section 133 of the Companies Act, 2013 read Rule 4 of the Companies (Indian Accounting Standards) Rules, 2015] to the extent applicable, provisions of the Companies Act, 2013, which have been consistently applied except where a new Accounting Standard is initially adopted or revision to an existing Accounting Standard requires a change in the Accounting Policy hitherto in use.

Basis of Measurement:

The financial statements have been prepared on a historical cost basis, except for the following assets and liabilities which are measured at fair value:

- a. Derivative financial instruments, if any
- b. Financial assets and liabilities that are qualified to be measured at fair value
- c. Defined benefit asset/(liability) recognised at the present value of defined benefit obligation less fair value of plan assets.

2) Use of Estimates

The preparation of the financial statements in conformity with the IndAS requires that the management make estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, revenue, expenses and disclosure of contingent liabilities as at the date of financial statements and the reported amounts of revenue and expenses during the reporting period. Although such estimates are made on a reasonable and prudent basis taking into account all the available information, actual results could differ from the estimates and such differences are recognised in the period in which the results are ascertained.

3) Functional and presentation currency

Financial statements are presented in Indian Rupee (INR) which is the functional and presentation currency of the Company and the

currency of the primary economic environment in which the entity operates. All financial information presented in Indian rupees has been rounded to the nearest lakhs except share and per share data.

4) Revenue Recognition

The Company recognises revenue from contracts with customers when it satisfies a performance obligation by transferring promised good or service to a customer. The revenue is recognised to the extent of transaction price allocated to the performance obligation satisfied. Performance obligation is satisfied over time when the transfer of control of asset (good or service) to a customer is done over time and in other cases, performance obligation is satisfied at a point in time. For performance obligation satisfied over time, the revenue recognition is done by measuring the progress towards complete satisfaction of performance obligation. The progress is measured in terms of a proportion of actual cost incurred to-date, to the total estimated cost attributable to the performance obligation.

a. Sale of goods

Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns, trade discounts and volume rebates. Revenue is recognized when significant risks and reward of ownership have been transferred to the customer as per the terms of sale agreement, neither continuing management involvement nor effective control over the goods is retained, recovery of the consideration is probable, and the amount of cost incurred and the revenue can be measured reliably. Timing of transfer of risks and rewards is evaluated based on Inco-terms of the sales agreement.

b. Ex- Works Contract

When specified goods are unconditionally appropriated to the contract after prior Inspection and acceptance, if required.

c. FOR Contracts

In the case of FOR contracts, sale is recognised when goods are handed over to the carrier for transmission to the buyer after prior inspection and acceptance, if stipulated, and in the case of FOR destination contracts, if there is a reasonable expectation of the goods reaching destination within the accounting period. Revenue is recognised even if goods are retained with the Company at the request of the customer.

d. Bill and Hold Sales

For bill-and-hold transactions, revenue is recognised when the customer takes title, provided that:

- i. it is probable that delivery will be made;
- ii. the item is on hand, identified and ready for delivery to the buyer at the time when the sale is recognised;
- iii. the buyer specifically acknowledges the deferred delivery instructions; the usual payment terms apply.

e. Services and Construction contracts

Revenue on time-and-material and unit of work-based contracts, are recognized as the related services are performed. Fixed-price maintenance revenue is recognized ratably either on a straight-line basis when services are performed through an indefinite number of repetitive acts over a specified period or ratably using a percentage-of completion method when the pattern of benefits from the services rendered to the customer and Company's costs to fulfil the contract is not even through the period of contract because the services are generally discrete in nature and not repetitive. Revenue from other fixed-price, fixed-timeframe contracts, where the performance obligations are satisfied over time is recognized using the percentage-of-completion method. Efforts or costs expended are used to determine progress towards completion as there is a direct relationship between input and productivity. Progress towards completion is measured as the ratio of costs or efforts incurred to date (representing work performed) to the estimated total costs or efforts. Estimates of transaction price and total costs or efforts are continuously monitored over the term of the contracts and are recognized in net profit in the period when these estimates change or when the estimates are revised. Revenues and the estimated total costs or efforts are subject to revision as the contract progresses. When it is probable that contract costs at completion will exceed total contract revenue, the expected loss at completion is recognised immediately as an expense.

Some contracts include multiple performance obligations, such as the supply of systems, equipment etc., and maintenance services. Consideration towards maintenance services is therefore identified and accounted for as a separate performance obligation. Where the contracts include multiple performance obligations, the transaction price will be allocated to each performance obligation based on the stand-alone selling prices. Where these are not directly observable, they are estimated based on expected cost-plus margin.

For other fixed-price contracts, revenue is recognised in proportion to the stage of completion of the transaction at the reporting date. The stage of completion is assessed by reference to the work performed. No revenue is recognised if there is significant uncertainty regarding recovery of the consideration due or if the costs incurred or to be incurred cannot be measured reliably.

f. Interest income

Interest income is recognized using the effective interest rate method.

g. Dividend

Dividend income is recognised when the Company's right to receive dividend is established

h. Rental income

Rental income arising from operating leases is accounted for on a straight-line basis over the lease term unless increases in rentals are in line with the expected inflation or otherwise justified (Fair Value).

i. Duty Drawbacks

Duty drawback claims on exports are accounted on preferring the claims.

j. Other Income

Other Income not specifically stated above is recognised on accrual basis.

5) Property, plant and equipment, Capital Work-in progress

Property, plant and equipment is stated at historical cost less accumulated depreciation and impairment losses if any. Cost comprises of the purchase price and any attributable cost of bringing the PPE to its working condition for its intended use. Borrowing and other attributable costs relating to acquisition of the PPE which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such PPE are ready to be put to use. PPE are eliminated from the financial statements, either on disposal or when retired from such use. When significant parts of Plant and Equipment are required to be replaced at intervals, the same is recognised as a separate component.

Assets acquired free of cost or received as gift are stated at fair value which is credited to Other Equity at the time of acquisition or receipt less accumulated depreciation and impairment losses.

Capital work-in-progress

Assets under installation or under construction as at the Balance Sheet date are shown as Capital Work-In-Progress.

Income pertaining to construction period such as interest on advance to contractors, sale of tender documents etc., is set off against expenditure during construction.

Expenditure on development of leasehold land is capitalised as Land Development Expenditure and amortised over the lease period or useful, life whichever is lower.

6) Intangible Assets, Intangible Asset under Development

- a. Cost of software (which is not an integral part of the related hardware) acquired for internal use and resulting in significant future economic benefits, is recognised as an intangible asset when the same is ready for use. Intangible Assets not yet ready for their intended use as at the Balance Sheet date are classified as "Intangible Assets under Development"
- b. Cost of developmental work which is completed, wherever eligible, is recognized as an Intangible Asset.
- c. Cost of developmental work under progress, wherever eligible, is classified as "Intangible Assets under Development".
- d. Carrying amount includes amount funded by the Company to external agencies towards developmental project(s) and expenditure incurred by the Company towards material cost, employee cost and other direct expenditure.

7) Research and development expenses:

Research expenditure is charged to the Statement of Profit and Loss. Development costs of products are also charged to the Statement of Profit and Loss unless a product's technical feasibility has been

established, in which case such expenditure is capitalized. Tangible assets used in research and development are capitalized.

Expenditure incurred towards other development activity where the research results or other knowledge is applied for developing new or improved products or processes, are recognised as an Intangible Asset if the recognition criteria specified in Ind AS 38 are met and when the product or process developed is expected to be technically and commercially usable, the company has sufficient resources to complete development and subsequently use or sell the intangible asset, and the product or process is likely to generate future economic benefits.

8) Impairment of Non-financial assets

At the end of each Balance Sheet date, carrying amount of assets are reviewed, if there is any indication of impairment based on internal/ external factors. If the estimated recoverable amount is found to be lower than the carrying amount, then the impairment loss is recognised and assets are written down to the recoverable amount.

9) Depreciation /Amortisation

Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets.

Depreciation on additions and deletions to fixed assets during the year is provided on pro-rata basis as under:

- Depreciation is reckoned in full for the month of addition for the assets commissioned on or before 15th day of a month while no depreciation is reckoned for the month of addition for the assets commissioned after 15th of the month.
- In respect of assets sold, discarded, damaged or destroyed on or before 15th day of a month no depreciation is reckoned for the month of deletion while for the assets sold, discarded, damaged or destroyed after 15th of the month depreciation is reckoned in full for the month of deletion.
- Where cost of a part of the asset is significant to the total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part is determined separately and depreciated on straight line method over its estimated useful life.
- The Residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Amortization

Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use. Amortization methods and useful lives are reviewed periodically at each financial year end.

In the case of depreciable assets which have been revalued, depreciation is calculated on straight line method on the revalued amount. Incremental depreciation on account of Revaluation is recouped as a credit to the general Reserve, as per the Schedule II of the Companies Act 2013.

Disposal of property, plant and equipment

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic

benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of Profit and Loss when the asset is derecognised.

	However, in respect of assets having original cost of ₹ 50,000/- and above, a residual balance of ₹ 5/- has been retained in the books.	

10) Leases

A lease is classified at the inception date as a finance lease or an operating lease.

Company as a Lessee

Finance leases are capitalised at lower of fair value and the present value of the minimum lease payments on commencement of the lease. Finance charges are recognised as Finance Costs in the Statement of Profit and Loss. A leased asset is depreciated over the useful life of the asset or lease term, whichever is lower.

At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases) and low value leases. For these short-term and low-value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related ROU asset if the Company changes its assessment of whether it will exercise an extension or a termination option.

The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments

made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. ROU assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable.

Company as a lessor

Operating lease income is recognised over the lease term on straight line basis, except when the escalations are due to general inflation or otherwise justified. Contingent rents, if any, are recognised as revenue in the period in which they are earned.

11) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale is capitalised as part of the cost of the asset.

General borrowing costs are capitalised to qualifying assets by applying a capitalisation rate, which is the weighted average of the borrowing costs applicable to the general borrowings outstanding, other than specific borrowings, to the expenditure on that asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds, as also exchange differences to the extent regarded as an adjustment to the borrowing costs.

12) Government Grants

Grants from Government are measured at fair value and initially recognized as Deferred Income.

Amount lying under Deferred Income on account of acquisition of Fixed Assets is transferred to the credit of the Statement of Profit and Loss in proportion to the depreciation charged on the respective assets to the extent attributable to Government Grants utilised for the acquisition.

Amount lying under Deferred Income on account of revenue expenses is transferred to the credit of the Statement of Profit and Loss to the extent of expenditure incurred in the ratio of the funding to the total sanctioned cost, limited to the grant received.

13) Investments in joint venture and associates

Company accounts for its interests in associates and joint ventures at cost or in accordance with Ind AS 109 in the standalone financial statements but in the consolidated Financial statements under equity method.

14) Inventories

Raw materials, components and stores purchased for manufacturing/ production activities are valued at lower of cost and net realizable value, after providing for obsolescence, if any. Cost is calculated on weighted average rate as at the end of the year. Where same items are purchased as also manufactured, manufacturing costs are generally adopted.

Raw materials and production stores with ancillaries and fabricators are valued at lower of cost at the time of such issue and net realizable value, after providing for obsolescence, if any.

Manufactured items in stock and stock-in-trade are valued at lower of cost excluding interest charges, administration overheads & sales overheads and at the net realisable value, after providing for obsolescence, if any.

Precious metals scrap is brought to books at the year end at net realizable value.

15) Work-in-process

a. Work-in-process (production) is valued on the basis of physically verified quantities at lower of cost excluding interest charges, administration & sales overheads and at the net realisable value, after providing for obsolescence, if any.

b. Work-in-process (Installation) is valued at lower of cost as recorded in the work orders and net realizable value, after providing for obsolescence, if any.

16) Tools and Gauges

Expenditure on special purpose tools and fixtures is initially capitalized at cost and then amortized over production on a systematic basis, based on technical assessment.

Loose tools are charged to revenue at the time of issue.

17) Financial assets (Trade Receivables & Other receivables)

Receivables are initially recognized at fair value, which in most cases approximates the nominal value. If there is any subsequent indication that the assets may be impaired, same is reviewed for impairment.

18) Errors and Estimates

The Company revises its accounting policies, if the change is required due to a change in the Ind AS or if the change provides more relevant and reliable information to the users of the financial statements.

A change in an accounting estimate that results in changes in the carrying amounts of recognised assets or liabilities or to statement of Profit or Loss is applied prospectively in the period(s) of change.

Discovery of errors and results in revisions retrospectively by restating the comparative amounts of assets, liabilities and equity of the earliest prior period in which the error is discovered. Opening balances of the earliest period presented are also restated.

19) Income taxes

Income tax comprises of current and deferred income tax

Current income tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. Tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date. Current tax relating to items recognised directly in equity is recognised in equity and not in the Statement of Profit and Loss.

Deferred tax

Deferred tax is provided using the Balance sheet method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences can be utilised.

Carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised.

20) Warranty Liability

Warranty liability for contractual obligation in respect of equipment sold to customers is accounted for the basis of an annual technical assessment.

21) Foreign currencies

Transactions in foreign currencies are initially recorded by the Company at their respective currency exchange rates at the date the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency exchange rate at the reporting date.

Differences arising on settlement or translation of monetary items are recognised in the Statement of Profit and Loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the functional currency exchange rate at the dates of the initial transactions.

22) Employee benefits

- a. Short-term employee benefits are recognised as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the related service is rendered.
- b. Post-employment benefit viz. gratuity and other long-term employee benefits viz. Privilege Leave, Sick Leave and LLTC are recognised as an expense in the Statement of Profit and Loss of the year in which the employee has rendered services. Expense is recognised at the present value of the amounts payable determined using actuarial valuation techniques.
- c. Actuarial gains and losses and the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised immediately in Other Comprehensive Income (OCI). Net interest expense (income) on the net defined liability (assets) is computed by applying the discount rate, used to measure the net defined liability (asset), to the net defined liability (asset) at the start of the financial year after taking into account any changes as a result of contribution and benefit payments during the year. Net interest expense and other expenses related to defined benefit plans are recognised in the Statement of Profit and Loss.
- d. Expenditure related to voluntary retirement scheme (VRS) is written off in the year of incidence.
- e. Eligible employees of the Company receive benefits from a provident fund, which is a defined contribution plan. Both the eligible employee and the Company make monthly contributions to the provident fund plan equal to a specified percentage of the covered employee's salary. The Company

remits the contribution to the ITI Employees' Provident Fund Trust. The trust after making a portion of contribution to the government-administered pension fund as per the regulations, invests the remaining funds in specific designated instruments as permitted by appropriate regulations. The rate at which the annual interest is payable to the beneficiaries by the trust is being administered by the government.

23) Provision & Contingent Liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. Expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities and contingent assets are not recognised in the financial statements. However, contingent liabilities unless the possibility of an outflow of resources embodying economic benefits is remote and contingent assets where an inflow of economic benefits is probable are disclosed in the notes.

Onerous Contracts

A provision for onerous contracts is recognized when the expected benefits to be derived by the Company from a contract are lower than the unavoidable cost of meeting its obligations under the contract.

Provision is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract.

Before a provision is established, the Company recognizes any impairment loss on the assets associated with that contract.

24) Fair value measurement

The Company measures certain financial instruments, such as derivatives and other items in its financial statements at fair value at each balance sheet date.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 – Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

For purposes of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy.

25) Investment property

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

26) Financial Instruments

a. Initial recognition and measurement

All financial assets are recognised initially at fair value. In the case of financial assets not recorded at fair value through the Statement of Profit and Loss, transaction costs that are attributable to the acquisition of the financial asset are included in the cost of the asset.

b. Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- i. Debt instruments at amortised cost,
- ii. Debt instruments at fair value through other comprehensive income (FVTOCI),
- iii. Debt instruments, derivatives and equity instruments at fair value through Profit or Loss (FVTPL),
- iv. Equity instruments (other than investments in associates – which is carried at cost) measured at fair value through other comprehensive income (FVTOCI).

Derecognition

A financial asset or part of a financial asset is derecognised when the rights to receive cash flows from the asset has expired.

Embedded derivative

Embedded derivative, if required, is separated from host contract and measured at fair value.

27) Forward Contracts

The Company uses derivative financial instruments such as forward currency contracts to hedge its foreign currency risks. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently remeasured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

28) Cash and cash equivalents

Cash comprises of cash on hand and demand deposits. Cash equivalents are short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash, which are subject to an insignificant risk of change in value.

Bank overdrafts, if any, are shown within borrowings in current liabilities on the balance sheet.

29) Impairment of financial assets

In accordance with Ind AS 109, the Company applies the expected credit loss (ECL) model for measurement and recognition of impairment loss on financial assets with credit risk exposure.

- a. Time barred dues from the Government / Government Departments / Government Companies are generally not considered as increase in credit risk of such financial asset.
- b. Where dues are disputed in legal proceedings, provision is made if any decision is given against the Company even if the same is taken up on appeal to higher authorities / courts.
- c. In case of dues outstanding for a significant period of time, on a case to case basis

ECL impairment loss allowance (or reversal) recognized during the period is recognized as expense/ (income) in the Statement of Profit and Loss. This amount is reflected in a separate line in Profit and Loss Statement as an impairment gain or loss.

30) Financial Liabilities

a. Initial recognition and measurement

Financial liabilities are classified, at initial recognition, at fair value through Profit and Loss as loans, borrowings, payables, or derivatives, as appropriate.

Loans, borrowings and payables, are stated net of transaction costs that are directly attributable.

b. Subsequent measurement

Measurement of financial liabilities depends on their classification, as described below:

- i. Financial liabilities at fair value through profit or loss.
- ii. Financial liabilities at fair value through Profit or Loss include financial liabilities designated upon initial recognition as at fair value through profit or loss. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by IndAS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

c. Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

d. Trade and other payables

Liabilities are recognised for amounts to be paid in future for goods or services received, whether billed by the supplier or not.

31) Reclassification of Financial Instruments

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. If the Company reclassifies financial assets, it applies the reclassification prospectively.

32) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

33) Cash dividend and non-cash distribution to equity shareholders

The Company recognises a liability to make cash or non-cash distributions to equity holders when the distribution is authorised and the distribution is no longer at the discretion of the Company.

34) Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

35) Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue.

Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the reporting date are not accounted but disclosed.

36) Consolidation

ITI has invested in 49% of Equity Share Capital of its Joint Venture "India Satcom Limited" for the cost of ₹ 40.55 lakhs.

According to Ind AS 28, the consolidation of interest in joint ventures can be done by using "Equity Method", wherein the share of investor in the net worth of investee can be directly taken as value of investment in the books of investor and the difference between old value and new value will be credited/debited to Other Comprehensive income as the investment in equity shares has been classified as "Equity Instruments through Other Comprehensive Income".

*** Note:**

- The company rectified an error of delay in the capitalisation of a few items of property, plant & equipment. Based on the date of installation of these assets, they ought to have been capitalised prior to the comparable period covered in these financial statements, which has resulted in the non-provision of depreciation in the prior years. There were also cases of short provision of depreciation in the year 2021-22. These errors have been rectified by (i) increasing the depreciation of the comparable year FY 2021-22 by Rs 98.48 lakhs (ii) decreasing the retained earnings by Rs 117.42 lakhs on account of depreciation pertaining to earlier periods. (iii) corresponding retrospective restatement as at 1-4-2021 by decreasing the carrying value of capital work in progress by Rs 2390.98 lakhs, corresponding increase by the same amount in the carrying value of the property, plant and equipment
- Expenditure of Rs 1593 lakhs related to unbilled revenue recognised during the financial year 2020-21 was erroneously missed out to be accounted for and the error has been rectified in the current financial year by a retrospective restatement of trade payables.

- (iii) Grant-in-aid of Rs 558.87 lakhs received during the financial year 2017-18 under the Swachh Bharath Scheme was erroneously carried as a liability and the corresponding expenditure were incurred during the financial years 2017-18, 2018-19 and 2019-20. However, erroneously the grant was not recognised as income proportionately to match the costs. This error is rectified by a retrospective restatement of other current liabilities.
- (iv) The company received a capital grant of Rs 18700 lakhs during the FY 2022-23. Of this, towards ₹ 8,000.00 lakhs grant amount 77,33,204 shares @ Rs 103.45 per share have been allotted on 28.09.2022(each Rs 10 fully paid up at premium of Rs 93.45 per share) and the balance of ₹ 10700.00 lakhs has been accounted in the books as share application money pending allotment

As per Ind AS 109, the receivables in the Company should be put to impairment test using the expected credit loss model. Ind AS 109 allows the use of practical expedients when measuring expected credit loss on trade receivables, and states that a provision matrix is a example of such an expedient. Majority of trade receivables originate from Government owned entities, which are not exposed to high risk, the Company is making specific provisions based on case to case reviews and approved by Board. Whereas, for other customers, provision is determined using expected credit loss model on case to case basis.

- Revenue Grant in Aid of Rs 558.87 lacs was received during the FY 2017-18 and 2018-19 for Swachh Bharat
- The Special Land Acquisition Officer (KIDBA) during the year 1998 had acquired ITI land for extension of Road by NHAI for which the award was fixed for Rs 10 per sq ft. However, the Company had filed a case for enhancement of Market Value, for additional interest and also solatium. The judgment was passed by City Civil Court in favour of the Company during October 2021 and the Company was awarded an enhanced compensation of Rs 334.48 lakhs compensation for acquisition of land.
- During the year 2020-21, the company received a letter for awarding compensation of Rs 2908.02 lakhs towards compulsory acquisition of land at Bangalore by the South-Western Railways. The surplus amount of Rs 2796.34 lakhs is calculated by deducting the cost of land, which is taken as a proportion of the value of the total carrying value of land in Bangalore based on the area of land acquired that bears to the total area of land owned by the Company in Bangalore and this surplus is treated as an exceptional income.

CONSOLIDATED INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF ITI LIMITED

Report on the Audit of the Consolidated Financial Statements

Qualified Opinion

We have audited the accompanying consolidated financial statements of ITI LIMITED hereinafter referred to as ("the Company") and its joint venture/ associate (the Company and its one associate collectively referred to as "the Group"), comprising of the consolidated balance sheet as at 31 March 2023, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated cash flow statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2023, the consolidated profit and total consolidated comprehensive income, consolidated statement of change in equity and its consolidated cash flow statement for the year ended on that date.

Basis for Qualified Opinion

1. The Company has not made provision for bad debts (credit losses) in respect of the following items included under Current Assets - Financial Assets, which are doubtful of recovery:

- a) Rs 5,847.90 lakhs, receivable from C-DOT towards rent from premises leased out to them up to the period ending 31-3-2011.
- b) Recoverable from HCL Infosystems Limited of Rs 1,690.20 lakhs as compensation on account of the excess amount spent by the Mankapur Unit of the Company based on the agreement between ITI, HCL and Alcatel.
- c) Recoverable from Himachal Futuristic Communications Ltd of Rs 1,049.41 lakhs towards Liquidated Damages.
- d) Receivable from Mindarray towards encashment of letter of credit of Rs 1,023.00 lakhs.

Accordingly, if provision for credit losses were made by the Company, the loss for the year would have been higher and the net current assets lesser by Rs 9610.51 lakhs.

2. The Company has not reversed the wrong GST input tax credit of Rs 889 lakhs taken during 2019-20 at the Palakkad Unit of the Company. The Naini Unit carries a debit balance of Rs 94.42 lakhs towards unavailed input tax credits that are time-barred. Consequently, the net profit for the year is overstated by Rs 983.42 lakhs, plus applicable interest.

3. In respect of the below-mentioned issues, the impact on the items of financial statements is not quantifiable / unascertained:

- a. The Company carries long outstanding balances under trade receivable, unbilled debtor balances, claims receivable, and rent receivable. These balances are subject to confirmation by the parties and reconciliations. The effect of the adjustment arising from reconciliation and the delay in settlement of the dues may result in a possible loss due to short/non-recovery. In the absence of sufficient and appropriate evidence, we are unable to comment on the impact of such unascertained losses on the carrying value of these receivables as well as on the Other Comprehensive Income.
 - b. The Company's inventories include old inventory, and it is in the process of an assessment of the ageing, usefulness, and serviceability of the inventories held at various units to ascertain the quantum of obsolete inventory. Consequently, we are unable to comment on whether the valuation of the inventories is at the lower of cost and net realisable value, which constitutes a departure from the requirements of Ind AS 2.
 - c. Regarding Goods & Services Tax, in certain cases, entries/balances as per the books of accounts do not match with the returns filed and input tax credits reflected in the portal. Adjustment entries and reversal of ineligible input tax credits are pending.
 - d. The Company carries certain items of property, plant & equipment under Capital Work-in-Progress pending acceptance/ installation. This includes a let-out building costing Rs 6582.06 that is not yet capitalised as an investment property. A detailed list of such items, along with the date available for use, was not made available to ascertain the shortfall in providing depreciation, if any, as under Ind AS 16/40, depreciation shall commence from the date the items are available for use. In the absence of sufficient and appropriate evidence, we are unable to comment on the impact of such delayed capitalisation and the resultant shortfall in charging depreciation on the Other Comprehensive Income.
4. Finance costs for the year include the interest of Rs 3,006.98 lakhs towards delayed remittance of Provident Fund. This amount includes interest for current and previous years, and such a break-up is unavailable.
5. The Company's process for identifying suppliers covered by the Micro, Small and Medium Enterprises Development Act of 2006 and the payment of interest in cases of delays in payment appears to be inadequate and unverifiable. As a result, we are unable to verify whether the provision for interest on delayed payments is complete and comment on MSME Act 2006 compliance or correctness of disclosure made by the Company under Schedule III of the Companies Act 2013.

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is

sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Emphasis of Matter

We draw attention to the following matters under various notes (referred against each item) of the financial statements. Our opinion is not modified in respect of these matters.

- i. The Company had received funds towards capital expenditure as part of the financial assistance approved by CCEA when the Company was declared a Sick Company as per provisions of the Sick Industrial Companies Act, 1985. [Note No.31.14]
- ii. The Company has postponed revenue recognition in respect of rent from a few parties due to uncertainty of ultimate collection owing to several reasons, including but not limited to the finalisation of the terms of the lease and not entering into formal agreements. [Note Nos. 31.10(b), 31.15, 31.17 and 31.19]
- iii. The Company carries under 'other financial assets- current' accumulated unbilled revenue of Rs 2,57,855 lakhs that were recognised during the current as well as the previous few years. [Note No.9(b)]
- iv. The Company has not provided for the demand of property tax based on the demand notice from BBMP, as it has disputed the demand by filing a writ in the High Court of Karnataka. [Note No.31.10 (a)(ii)]

- v. The Company is not in compliance with the requirements of having a specified proportion/ number of independent directors and appointment of a Company Secretary. [Note No.31.36]
- vi. The Company continues to carry a land admeasuring 77 acres having a carrying value of Rs 19,470 lakhs under Property, Plant & Equipment after receiving intimation of re-possession by the Government of Kerala as the Company has disputed the same, and the matter is under adjudication of the Apex Court. [as reported by the branch auditor]. [Note No.31.21.(i)]
- vii. Non-disclosure of fair value on the balance sheet date in respect of Investment Properties [Note No.3(iv)]
- viii. The Palakkad Unit of the Company has made provision for bad debts only to the extent of Rs 242 lakhs after netting off the corresponding liability to the back-end partners in respect of overdue receivables from M/s.Karvy Data Management Services Limited and M/s.Telva Systems.[Note No.31.22]

Key Audit Matters

Key audit matters are those matters that in our professional judgement were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	Auditors' Response
<p>Revenue from contracts with customers:</p> <p>Accounting for revenue is an exercise of recognising revenue based on accounting policies for supply of goods or services. Revenue on Projects (Service/ Construction Contracts) such as fixed-price, fixed-time frame contracts, where the performance obligations are satisfied over time is recognized using the input (percentage-of-completion) method. Efforts or costs expended are used to determine progress towards completion as there is a direct relationship between input and productivity. Progress towards completion is measured as the ratio of costs or efforts incurred to date (representing work performed) to the estimated total costs or efforts.</p> <p>Use of the percentage-of-completion method requires the Company to determine the actual efforts or costs expended to date as a proportion of the estimated total efforts or costs to be incurred. The estimation of total efforts or costs involves significant judgment and is assessed throughout the period of the contract to reflect any changes based on the latest available information.</p> <p>We identified the recognition of revenue as a key audit matter as the estimation of efforts or costs involves significant judgment throughout the period of the contract and is subject to revision as the contract progresses based on the latest available information. This estimate has a high inherent uncertainty and requires consideration of progress of the contract, efforts or costs incurred to-date and estimates of efforts or costs required to complete the remaining contract performance obligations over the life of the contracts.</p>	<p>Principal Audit Procedures</p> <p>Our audit procedures related to estimates of total expected costs or efforts to complete fixed-price contracts included among others the following:</p> <p>We tested the effectiveness of controls relating to</p> <ol style="list-style-type: none"> (1) reviewing the efforts or costs incurred and estimation of efforts or costs required to complete the remaining contract performance obligations and (2) reviewing the controls pertaining to recording & allocation systems which prevent unauthorised changes to recording of efforts incurred. <p>We selected a sample of fixed price contract accounted using percentage-of-completion method and performed the following :</p> <ul style="list-style-type: none"> • Compared efforts or costs incurred with Company's estimate of efforts or costs incurred to date to identify significant variations and evaluate whether those variations have been considered appropriately in estimating the remaining costs or efforts to complete the contract. • Review the computations of total revenue recognisable and comparisons with the billing done up to the balance date to identify the unbilled revenue

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance

and Shareholder's information, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other Information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of the consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated statement of change in equity and consolidated cash flow statement of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the Board of Directors of the companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so,

The respective Board of Directors of the companies included in the group are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the companies have adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities of business activities within the group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- a) The consolidated financial results include the group's share of net profit of Rs 24 lakhs in respect of a joint venture/ associate for the year ended March 31, 2023 whose financial statement have been audited by its Independent auditors. The independent auditors' report on the Financial Results of this entity has been furnished to us, and our opinion on the consolidated Financial Results in so far as it relates to the amounts and disclosures included in respect of these entities, is based solely on the report of such auditors and the procedures performed by us are as stated in paragraph above.
- b) We did not audit the financial statements of the Mankapur, Raebareli, Srinagar, Naini & Palakkad Branches included in the financial results of the Company, whose financial statements reflect total assets of Rs 2,96,230.66 lakhs as at March 31, 2023 and total income of Rs 17,057.64 lakhs for the year ended on that date, as considered in the standalone financial statements (excluding inter-unit balances and transactions). The financial statements of these branches have been audited by the branch auditors whose report has been furnished to us, and our opinion in so far as it relates to the amounts and disclosures included in respect of these branches is solely on the report of such Branch Auditors

Our opinion on the consolidated financial statements, and our report on other legal and regulatory requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditor and the unaudited financial statements certified by the management.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act based on our audit and on the consideration of audit report of an associate, as referred in "Other Matters" paragraph, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - c) The consolidated balance sheet, the consolidated statement of profit and loss (including other comprehensive income), consolidated statement of changes in equity and the consolidated cash flow statement dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.
 - e) In terms Notification no. G.S.R. 463(E) dtd. 05-06-2015 issued by the Ministry of Corporate Affairs, the provision of Section 164(2) of the Companies Act, 2013 in respect of disqualification of directors are not applicable to the Company.

- f) The provisions of Section 197 are not applicable to a government Company (in terms of MCA Notification NO.GSR 463 (E) dated 05th June 2015) as the managerial remuneration is paid as per the appointment letter from the Government of India.
- g) With respect to the adequacy of the internal financial controls over financial reporting of the company and its associate, and the operating effectiveness of such controls, refer to our separate Report in "Annexure A";
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014 to the extent applicable, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of other auditors on separate financial statements as also the other financial information of the subsidiary company and its associate, as noted in "Other Matters" paragraph:
 - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group.
 - ii. Provision has been made in the consolidated financial statements, as required under the applicable law or Indian accounting standards, for material foreseeable losses, if any, on long-term contracts in respect of such items as it relates to the Group and
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the company and its associate company incorporated in India.
 - iv. (a) The respective Managements of the Company and its subsidiaries which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or any of such subsidiaries to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or any of such subsidiaries ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The respective Managements of the Company and its subsidiaries which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company or any of such subsidiaries from any person or entity, including foreign entity ("Funding Parties"), with the understanding,

whether recorded in writing or otherwise, that the Company or any of such subsidiaries shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us on the Company and its subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided

under (a) and (b) above, contain any material misstatement.

v. The Company and its associate have neither declared nor paid any dividend during the year and hence commenting on the compliance with section 123 of the Companies Act, 2013 does not arise.

2. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor’s Report) Order, 2020 (the “Order”/ “CARO”) issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor’s report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Company and its associate included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, we report below the details of the companies and the paragraph numbers of the CARO report containing the qualifications or adverse remark:

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF ITI LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated IND AS financial statements of the Company as of and for the year ended 31 March 2023, we have audited the internal financial controls over financial reporting of ITI Limited (hereinafter referred to as ("the Company")) as of that date. We did not audit the financial statements of an Associate which has been audited by the other Auditor.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the company, its subsidiary company and jointly controlled companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's, internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's, internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to (i) one associate company, which is companies incorporated in India, is audited by its auditor; and (ii) Mankapur, Raebareli, Srinagar, Naini & Palakkad Branches are audited by the branch auditors; whose report has been furnished to us, and our opinion in so far as it relates to the adequacy of the internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2023 included in respect of these associate/branches is solely on the report of such Auditors. Our opinion is not modified in respect of these matters.

Qualified Opinion

According to the information and explanations given to us, and based on our audit, the following material weaknesses have been identified as at 31 March 2023:

- i. The company did not have an appropriate internal control system for obtaining confirmation of balances on a periodic basis, and reconciliation of unmatched Receivables, Advances, and Payables.

- ii. The company, in respect of Goods & Services Tax, did not have an effective system for timely accounting of entries, reversal of ineligible input tax credit, and reconciling the account balances with the returns filed thereof.
- iii. At Raebareli Unit, the ERP software BaaN is not updated appropriately, and the audit was completed with information obtained from various departments.
- iv. The internal control system to ensure no delay in the information furnished by the user departments to the accounts department regarding installation and acceptance of items of property, plant and equipment is weak, resulting in accounting for backlog depreciation in a few cases.

In our opinion, except for the effects/possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Company, its one associate, which is incorporated in India, have, in all

material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6) (b) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL STATEMENTS OF ITI LIMITED (STANDALONE) FOR THE YEAR ENDED 31st MARCH 2023

The preparation of Financial Statements of ITI Limited for the year ended 31st March 2023 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (the Act) is the responsibility of the Management of the Company. The Statutory Auditor appointed by the Comptroller and Auditor General of India under Section 139 (5) of the Act is responsible for expressing opinion on the Financial Statements under Section 143 of the Act based on independent audit in accordance with the Standards on Auditing prescribed under Section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 29.05.2023.

1, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the financial statements of ITI Ltd. for the year ended 31st March 2023 under section 143(6)(a) of the Act. This supplementary audit has been carried out independently without access to the working papers of the Statutory Auditors and is limited primarily to inquiries of the Statutory Auditors and Company Personnel, and a selective examination of some of the accounting records.

Based on my supplementary audit, I would like to highlight the following significant matters under section 143(6)(b) of the Act which have come to my attention, and which in my view are necessary for enabling a better understanding of the financial statements and the related audit report:

Comment on Profitability

Statement of Profit and Loss

Expenses

1. Finance Cost (Note 28) - Rs 20958.40 Lakhs

The above head is understated by an amount of Rs 85.56 lakhs due to non-inclusion of provision on account of penal interest payable to Department of Telecommunications on interest and principal amount overdue on soft loan for the year 2022-23.

This has also resulted in understatement of loss by the same amount.

2. Other Expenses (Note 30) - Rs 13892.97 Lakhs

The above head is understated by an amount of Rs 115.66 lakhs due to non-provision of bills payable to various vendors on account of

services rendered by them during the year 2022-23 in Bangalore Plant, NS Unit and RO Kolkata.

This has also resulted in understatement of loss by the same amount.

3. Additional disclosures (Note no 31)

(i) ITI Limited has shown Rs 2908.01 lakh as amount receivable from South Western Railways on account of compensation for 1320 sqm acquired in K.R. Puram, Bangalore. However, as per the minutes of the meeting held between ITI Ltd. and south Western Railways on 16th March, 2023, this amount is Rs 1172.16 Lakhs. This fact has not been disclosed in the books of accounts.

(ii) ITI Ltd has not disclosed the undertaking given to Karnataka Industrial Area Development Board (KIADB) for acquisition of land mortgaged with consortium Bankers with SBI as leading bank. The company had given an undertaking to KIADB that in case consortium Banks raise any objection with regard to the above acquisition, the amount of compensation would be duly deposited with SBI. The company has recognized Rs 1539.17 Lakhs as its income which is the compensation amount received from KIADB for acquiring this land.

4. Contingent Liability - Note 31(10)

The above head is understated by an amount of Rs 375.79 lakhs due to under disclosure of amount payable to M/s Alphon Corporation by ITI Ltd. In compliance of arbitration award.

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6) (b) READ WITH SECTION 129 (4) OF THE COMPANIES ACT, 2013 ON THE CONSOLIDATED FINANCIAL STATEMENTS OF ITI LIMITED FOR THE YEAR ENDED 31st MARCH 2023

The preparation of Consolidated Financial Statements of ITI Limited for the year ended 31 March 2023 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (the Act) is the responsibility of the Management of the Company. The Statutory Auditor appointed by the Comptroller and Auditor General of India under Section 139 (5) read with Section 129 (4) of the Act is responsible for expressing opinion on the Financial Statements under Section 143 read with Section 129 (4) of the Act based on independent audit in accordance with the Standards on Auditing prescribed under Section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 29th May 2023.

1, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the Consolidated Financial Statements of ITI Ltd. for the year ended 31st March 2023 under Section 143(6)(a) read with Section 129 (4) of the Act. We conducted supplementary audit of the financial statements of ITI Ltd. But did not conduct supplementary audit of the financial statements of India Satcom Limited (jointly controlled entity) for the year ended on that date. **Further, Section 139 (5) and 143 (6) (a) of the Act are not applicable to India Satcom Limited being a private entity, under the respective laws for appointment of their statutory auditor and for conduct of supplementary audit. Accordingly, Comptroller and Auditor General of India has neither appointed the Statutory Auditors nor conducted the supplementary audit of this Company.** This supplementary audit has been carried out independently without access to the working papers of the Statutory Auditors and is limited primarily to inquiries of the Statutory Auditors and Company Personnel, and a selective examination of some of the accounting records.

Based on my supplementary audit, I would like to highlight the following significant matters under section 143(6)(b) read with Section 129 (4) of the Act which have come to my attention, and which in my view are necessary for enabling a better understanding of the consolidated financial statements and the related audit report:
