Converted from Partnership firm "B K Ramadhyani & Co.," (FRN No. 002878S) with effect from April 1, 2015
LLP Identification No. AAD-7041

4. Scope of Review

We conducted our review of Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India ('ICAI') and deemed to be prescribed under section 143(10) of the Act. A review of Interim Financial Information consists of making inquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than audit conducted in accordance with Standards of Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit and accordingly, we do not express audit opinion.

5. Basis of Disclaimer of Conclusion

- a. Reference is drawn to the Consolidated independent audit report dated July 31, 2024 issued by us, matters described therein in the paragraph 'Basis for Disclaimer of Opinion' section and its effect on the results for the quarter and nine months ended December 31, 2024 are not quantified and effect on the said financial information as furnished by the management are not ascertained.
- b. The Company has entered into certain comprehensive contracts with certain customers for planning, engineering, supply, installation, testing, commissioning and annual maintenance, where in supply of materials to the customers are recognised as revenue in respect of dispatches of goods as the performance obligation is completed and it believes that control on such goods are transferred to the customers even though certain service obligation like erection, commissioning and installation of such goods at the designated sites were still in progress / partly completed, pending customer approvals. The Company has not provided us with the requisite documentation indicating/substantiating the compliance of performance obligations as required in terms of Ind AS 115 based on the contracts entered by the Company and hence, we are unable to obtain sufficient appropriate audit evidence to validate such revenue recognition. Accordingly, effect on the said Statement is not ascertainable.
- c. Company is in process of obtaining confirmation of balances for certain banks for a cumulative amount of Rs. 108 crores (fixed deposits/escrow accounts and accrued interest thereon) and certain cash credit accounts cumulating to Rs. 0.04 crores. We have relied on the books of accounts furnished to us in respect of those bank accounts.

d. Company has not carried out any actuarial valuation of gratuity and leave encashment as at the period end and accordingly adjustments as required in the said statement are not ascertained.

e. We are informed by the Company that it entered into a Memorandum of Understanding ('MOU') with the Minister of State, Department of Minority Affairs and Madrasah Education (MA&ME), Govt of West Bengal dated February 25, 2021 for execution of Infrastructure and IT Development Project wherein Company was to host, operate, administer and execute the said project for a consultancy charge of 5% of the total vetted estimated cost of Detailed Project Reports (DPR) without GST. Pursuant to this MOU, the Company reportedly issued Work Orders (WOs) to several vendors before obtaining approvals from the corporate office. The WO issued by MA&ME was reportedly cancelled by the Minister of Minority Affairs, Government of India in March 2022 and Company in turn reportedly cancelled the WO issued on various vendors in September 2023.

Certain vendors to whom contracts had been awarded have reportedly filed writs in the High Court of Kolkata regarding non payment of dues by the Company for work completed by them to an extent of Rs. 2.92 crores (to the extent furnished to us).

There were reportedly irregularities observed in the receipt of the said MOU and as well as in the WO issued and cancelled by the Company on certain vendors in terms of an inter-office memo from the Chief Vigilance Officer (CVO) to Chief Managing Director (CMD) dated July 25, 2023.

In the absence of full details and copies of all relevant documents, we have not received sufficient appropriate evidence of the nature of the transaction, transactions done so far and manner of their treatment in the books of account and its impact on the financial results of the Company for the quarter and nine months ended December 31, 2024. Accordingly, we cannot express any opinion on the same and its treatment in arriving at the financial results of the Company for the said periods.

f. Reference is drawn to the branch auditors review report issued for the Palakkad unit, Naini unit and Raebareli Plant unit dated February 10, 2025, February 8, 2025 and February 07, 2024 respectively issued by M/s. Balaram and Nandakumar, Chartered Accountants, Vinay Kumar & Co, Chartered Accountants and M/s Chandnani Singh & Associates, Chartered Accountants, whose matters described as below and its effect on the results for the quarter and nine months ended December 31, 2024 are not quantified for some of the matters described and effect on the said financial information as furnished by the management not ascertained.

As per the review report issued by M/s Balaram & Nandakumar, Chartered Accountants dated February 10, 2025

- i. Accounts receivable comprising of amounts receivable from various customers, including the Government of India/Public Sector Undertakings amounting to Rs. 25,736.14 lakhs which is overdue for more than 3 years as of the reporting date. As against these overdue debts, the management has provided for only Rs. 573.07 lakhs as provision for expected credit losses. The Management of the Unit has explained that they are in the process of putting up a collection plan for speedy collection of these overdue debts. We are however not in a position to comment as of December 31, 2024, if any further adjustments may be required to the carrying value of these amounts totalling to Rs 25,163.07 lakhs which predominantly representing overdue debts from Government of India/Public Sector Undertakings.
- ii. The Company's inventories include old inventory, and it is in the process of an assessment of the ageing, usefulness, and serviceability of the inventories held at various units to ascertain the quantum of obsolete inventory. Consequently, we are unable to comment on whether the valuation of the inventories is at the lower of cost and net realisable value, which constitutes a departure from the requirements of Ind AS 2.
- iii. The Company's process for identifying suppliers covered by the Micro, Small and Medium Enterprises Development Act of 2006 and the payment of interest in cases of delays in payment appears to be inadequate and unverifiable. As a result, we are unable to verify whether the provision for interest on delayed payments is complete and comment on MSMED Act 2006 compliance or correctness of disclosure made by the Company under Schedule III of the Act.
- iv. Other current assets include an amount of Rs 427.17 lakhs representing unbilled revenue with regards to certain revenues recognized by the Company in earlier years. These have not been subsequently billed by the Company to the customers until the date of this report and thus we are not in a position to comment about the possibilities of realizing these amounts from the customers. If such amounts are not received from the customers, the losses of the Company as of December 31, 2024 will increase by Rs 427.17 lakhs.
- v. We are not in a position to verify the accuracy of the account balances pertaining to "Bank Guarantee, Letter of Credit, Provision for Gratuity, Provision for leave salary, Finance Charges (Corporate Allocation), Other expenses (Corporate Allocation), Retained earnings and inter unit balances as the necessary information / documentation are not with the unit. We understand from the Unit accounts team that the requisite details are available only at the head Office level and may thus be verified by the Central Audit Team at the Head office
- vi. The unit has entered into certain contracts with customers for planning, engineering, supply, installation, testing, commissioning and annual maintenance of optic fiber net. With respect to

these contracts the company has recognized revenue at a point of time when the goods are dispatched to the customer. Since these contracts are long term in nature with specific milestone documented in the customer contract, revenue recognition as per Ind As 115 mandates identifying performance obligation and recognizing revenue over the period of the contract. As the unit is not in possession of data regarding accounting for the revenue over a period of time as mandated by Ind As 115, we are not in position to quantify impact of this, on the revenue recognized on the financial results of the unit for the quarter ended December 31, 2024.

As per the review report issued by M/s Vinay Kumar & Co, Chartered Accountants dated February 8, 2025 on Naini Unit.

- i. The Inventory includes Raw Materials; Production and Non-Production Work in Process; Manufactured Components; Finished Goods and Stock Reconciliation Balance relating to old and discontinued business activities valued at cost, but net of provision, at Rs, 1541.37 Lakhs. The said valuation is not in conformity with the accounting policy of the company according to which the valuation to be done at lower of the cost or net realizable value. Provision for the loss in value has been done on estimated basis in earlier years and is continuing to be the same. The adequacy of the existing provision, in absence of proper assessment of realizable value and possible loss, is not determinable at unit level. The effect of the said loss on the results of the unit under review cannot be determined.

As per the review report issued by M/s Chandnani Singh & Associates, Chartered Accountants, dated February 07, 2025 on RaeBareli Unit.

- i. Other Expenses includes Corporate Allocated Expenses amounting to Rs. 187 lakhs for nine month period ending on December 31, 2024 on basis of Corporate Office Advice.
- ii. Finance cost includes corporate allocated interest amounting to Rs.1,646.41 lakhs for nine months period ending on December 31, 2024 on basis of Corporate Office Advice.
- iii. Unbilled Revenue balance is Rs. 157.11 crores as on December 31, 2024 pertains to last years, still unbilled in current year.
- iv. Lease agreement with NIFT has expired in the month of November 2018, and renewal lease agreement has not been entered. Due to non realization of rent from NIFT huge burden of GST bear by ITI -RaeBareli Unit on accrual Rent. The company has intimated that the matter has been referred to the administrative mechanism for resolving the same on priority.
- v. Balances in the accounts of Trade Payables from suppliers, claims recoverable, loans & advances, deposits, other payables/receivables being under confirmation.

- vi. As on the date of Balance Sheet, TDS on Salary for the month of August & September 2024 have not been paid.
- vii. According to ITI Limited UPPCL has shown excess reading of electricity bill, which has been decided by Consumer Forum in favour of ITI Limited (order copy required), but still Rs.5,00,99,228.08/- is being shown as arrear of UPPCL in their bill, there is immediate need for proper action regarding this issue.
- viii. Inventory is not maintaining on Tally ERP and it is maintaining on Oracle software. Hence process of valuation may not be verified. We cannot comment whether inventories have been valued as per principles laid down in Ind AS 2 on Valuation of inventories and whether provisions thereon are made in accordance with principles laid in Ind AS 37 on Provisions, contingent liabilities and contingent assets
- ix. Goods under Inspection amount of Rs.60.73 lakhs as on December 31, 2024 is still pending for inspection related to last year.
- f. The Company did not have the requisite number of independent directors and hence could not comply with applicable regulations of Act and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and the Guidelines on Corporate Governance for Central Public Sector Enterprises 2010 in as much as the strength of Independent Directors less than 50% of the total strength of the Board of Directors of the Company.

6. Disclaimer of Conclusion:

LLP Identification No. AAD-7041

4. Scope of Review

We conducted our review of Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India ('ICAI') and deemed to be prescribed under section 143(10) of the Act. A review of Interim Financial Information consists of making inquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than audit conducted in accordance With Standards of Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit and accordingly, we do not express audit opinion.

5. Basis of Disclaimer of Conclusion

- a. Reference is drawn to the Standalone independent audit report dated July 31, 2024 issued by us, matters described therein in the paragraph 'Basis for Disclaimer of Opinion' section and its effect on the results for the quarter and nine months ended December 31, 2024 are not quantified and effect on the said financial information as furnished by the management not ascertained.
- b. Company has entered into certain contracts with certain customers for planning, engineering, supply, installation, testing, commissioning and annual maintenance, where in supply of materials to the customers are recognised as revenue in respect of dispatches of goods transferred to the customers since it believes that control on such goods are transferred to the customers even though certain services like erection, commissioning and installation of such goods at the designated sites were still in progress / partly completed pending customer approvals. The Company has not provided us with the requisite documentation indicating/substantiating the compliance of performance obligations as required in terms of IndAS 115 based on the contracts entered by the Company and hence unable to obtain sufficient appropriate audit evidence to validate such revenue recognition. Accordingly effect on the said Statement is not ascertained at this stage.
- c. Company is in process of obtaining confirmation of balances for certain banks for a cumulative amount of Rs. 108 crores (fixed deposits/escrow accounts and accrued interest thereon) and certain cash credit accounts cumulating to Rs. 0.04 crores. We have relied on the books of accounts furnished to us in respect of those bank accounts.
- d. Company has not carried out any actuarial valuation of gratuity and leave encashment as at the period end and accordingly adjustments as required in the said statement are not ascertained.
- e. We are informed by the Company that it entered into a Memorandum of Understanding ('MOU') with the Minister of State, Department of Minority Affairs and Madrasah Education (MA&ME), Govt of West Bengal dated February 25, 2021 for execution of Infrastructure and IT Development Project wherein Company was to host, operate, administer and execute the said project for a consultancy charge of 5% of the total vetted estimated cost of Detailed Project Reports (DPR) without GST. Pursuant to this MOU, the Company reportedly issued Work Orders

(WOs) to several vendors before obtaining approvals from the corporate office. The WO issued by MA&ME was reportedly cancelled by the Minister of Minority Affairs, Government of India in March 2022 and Company in turn reportedly cancelled the WOs issued on various vendors in September 2023.

Certain vendors to whom contracts had been awarded have reportedly filed writs in the High Court of Kolkata regarding non payment of dues by the Company for work completed by them to an extent of Rs. 2.92 crores (to the extent furnished to us).

There were reportedly irregularities observed in the receipt of the said MOU and as well as in the WOs issued and cancelled by the Company on certain vendors in terms of an inter-office memo from the Chief Vigilance Officer (CVO) to Chief Managing Director (CMD) dated July 25, 2023.

In the absence of full details and copies of all relevant documents, we have not received sufficient appropriate evidence of the nature of the transaction, transactions done so far and manner of their treatment in the books of account and its impact on the financial results of the Company for the quarter and nine months ended December 31, 2024. Accordingly, we cannot express any opinion on the same and its treatment in arriving at the financial results of the Company for the said periods.

Reference is drawn to the branch auditors review report issued for the Palakkad unit, Naini unit and Raebareli Plant unit dated February 10, 2025, February 8, 2025 and February 07, 2024 respectively issued by M/s. Balaram and Nandakumar, Chartered Accountants, Vinay Kumar & Co, Chartered Accountants and M/s Chandnani Singh & Associates, Chartered Accountants, whose matters described as below and its effect on the results for the quarter and nine months ended December 31, 2024 are not quantified for some of the matters described and effect on the said financial information as furnished by the management not ascertained.

- f. Reference is drawn to the branch auditors review report issued for the Palakkad unit, Naini unit and Raebareli Plant unit dated February 10, 2025, February 08, 2025 and February 07, 2024 respectively issued by M/s. Balaram and Nandakumar, Chartered Accountants, Vinay Kumar & Co, Chartered Accountants and M/s Chandnani Singh & Associates, Chartered Accountants, whose matters described as below and its effect on the results for the quarter and nine months ended September 30, 2024 are not quantified for some of the matters described and effect on the said financial information as furnished by the management not ascertained.

As per the review report issued by M/s Balaram & Nandakumar, Chartered Accountants dated February 10, 2025

- i. Accounts receivable comprising of amounts receivable from various customers, including the Government of India/Public Sector Undertakings amounting to Rs. 25,736.14 lakhs which is overdue for more than 3 years as of the reporting date. As against these overdue debts, the management has provided for only Rs. 573.07 lakhs as provision for expected credit losses. The Management of the Unit has explained that they are in the process of putting up a collection plan for speedy collection of these overdue debts. We are however not in a position to comment as of December 31, 2024, if any further adjustments may be required to the carrying value of these amounts totalling to Rs 25,163.07 lakhs which predominantly representing overdue debts from Government of India/Public Sector Undertakings.
- ii. The Company's inventories include old inventory, and it is in the process of an assessment of the ageing, usefulness, and serviceability of the inventories held at various units to ascertain the quantum of obsolete inventory. Consequently, we are unable to comment on whether the valuation of the inventories is at the lower of cost and net realisable value, which constitutes a departure from the requirements of Ind AS 2.
- iii. The Company's process for identifying suppliers covered by the Micro, Small and Medium Enterprises Development Act of 2006 and the payment of interest in cases of delays in payment appears to be inadequate and unverifiable. As a result, we are unable to verify whether the provision for interest on delayed payments is complete and comment on MSMED Act 2006 compliance or correctness of disclosure made by the Company under Schedule III of the Act.
- iv. Other current assets include an amount of Rs 427.17 lakhs representing unbilled revenue with regards to certain revenues recognized by the Company in earlier years. These have not been subsequently billed by the Company to the customers until the date of this report and thus we are not in a position to comment about the possibilities of realizing these amounts from the customers. If such amounts are not received from the customers, the losses of the Company as of December 31, 2024 will increase by Rs 427.17 lakhs.
- v. We are not in a position to verify the accuracy of the account balances pertaining to "Bank Guarantee, Letter of Credit, Provision for Gratuity, Provision for leave salary, Finance Charges (Corporate Allocation), Other expenses (Corporate Allocation), Retained earnings and inter unit balances as the necessary information / documentation are not with the unit. We understand from the Unit accounts team that the requisite details are available only at the head Office level and may thus be verified by the Central Audit Team at the Head office

- vi The unit has entered into certain contracts with customers for planning, engineering, supply, installation, testing, commissioning and annual maintenance of optic fibre net. With respect to these contracts the company has recognized revenue at a point of time when the goods are dispatched to the customer. Since these contracts are long term in nature with specific milestone documented in the customer contract, revenue recognition as per Ind As 115 mandates identifying performance obligation and recognizing revenue over the period of the contract. As the unit is not in possession of data regarding accounting for the revenue over a period of time as mandated by Ind As 115, we are not in position to quantify impact of this, on the revenue recognized on the financial results of the unit for the quarter ended December 31, 2024.

As per the review report issued by M/s Vinay Kumar & Co, Chartered Accountants dated February 8, 2025 on Naini Unit.

- i. The Inventory includes Raw Materials; Production and Non-Production Work in Process; Manufactured Components; Finished Goods and Stock Reconciliation Balance relating to old and discontinued business activities valued at cost, but net of provision, at Rs, 1541.37 Lakhs. The said valuation is not in conformity with the accounting policy of the company according to which the valuation to be done at lower of the cost or net realizable value. Provision for the loss in value has been done on estimated basis in earlier years and is continuing to be the same. The adequacy of the existing provision, in absence of proper assessment of realizable value and possible loss, is not determinable at unit level. The effect of the said loss on the results of the unit under review cannot be determined.

As per the review report issued by M/s Chandnani Singh & Associates, Chartered Accountants, dated February 07, 2025 on RaeBareli Unit.

- i Other Expenses includes Corporate Allocated Expenses amounting to Rs. 187 lakhs for nine month period ending on December 31, 2024 on basis of Corporate Office Advice.
