### **As per the Audit report issued by Balaram and Nandakumar, Chartered Accountants dated May 26, 2026 for Palakkad Unit of the Company.**

The Company has included an amount of ₹2.54 lakhs as unreconciled Bank Reconciliation Statement receipts under current liabilities. In the absence of adequate reconciliation and supporting documentation, we were unable to determine the correctness and consequential impact of the same on the financial statements.

### **Common to all matters dealt with above:**

We are unable to obtain sufficient appropriate audit evidence to form an opinion on the SFS due to the potential interaction of the multiple/undetected misstatements, if any, contained therein and assessment of their possible individual and cumulative effect thereof, which may be material and pervasive, and accordingly forms the basis for the disclaimer of opinion.

### **Material Uncertainty for continuing as a Going Concern.**

The Company reported net profit after tax of Rs. 29,279.55 lakhs during the year ended March 31, 2026 and its current liabilities as at year end being more than its current assets as reflected in the Standalone Financial Results and such gap likely to increase in the wake of our qualifications outlined in the foregoing paragraphs under the heading 'Basis for Disclaimer of Opinion' may cast a doubt on the ability of the Company to continue as a going concern. Reference is drawn to note 12 of the Standalone Financial Results where in the management is of the opinion that going concern basis of accounting is appropriate in view of the factors outlined in the said note. The appropriateness of the going concern is subject to successful attainment of the plans of the Company as detailed in the said note. Our opinion is not modified in respect of this matter.
