ITI Palakkad Plant Wins Suraksha Puraskar for Outstanding Safety Performance

ITI Palakkad Plant won Suraksha Puraskar for Outstanding Safety Performance presented by National Safety Council, Kerala Chapter for achieving the lowest frequency rate of accidents in the category 'large size engineering industries' in industrial safety for the year 2020.

Shri Jimmy Nalapat J, DGM-HR received the award from Prof. Dr. K. N. Madhusoodhanan, Vice Chancellor of Cochin University of Science and Technology in the presence of Shri Pramod, Director, Factories and Boilers during the National Safety Week Celebrations 2021 organized by National Safety Council, Cochin on March 4, 2021.

ITI Limited Participates in 28th Convergence India Expo 2021

ITI Limited participated in 28th Convergence India Expo from March 24 to 26, 2021 at Pragati Maidan, New Delhi. The theme of Convergence India Expo 'Digital India - Connecting the Unconnected' created a platform for players to promote 'Brand India', and extend the impact of 'Make in India' and 'Digital India' campaigns globally. The three-day event provided an opportunity for professionals, digital innovators, international businesses, telecom and broadcasting players

as well as leaders from IT, Internet, IoT and Embedded Technology industries to interact and do business with each other.

ITI stall was inaugurated by Dr. P.D. Vaghela, Chairman, Telecom Regulatory Authority of India (TRAI) where products and services like Smaash PC, BharatNet, Smart Cities, 3D Printer etc. were displayed.

ITI and Thalamus Irwine Demonstrate Technology to Revolutionize Healthcare under 'One Nation, One Health Card'

With the rising second wave of COVID-19 in India and the growing need for a COVID and Health Passport System, ITI Limited, a state run PSU under Ministry of Communications and Thalamus Irwine, Delhi based AI Firm, under its healthcare platform Garuda, have demonstrated a working Proof of Concept (PoC) for the technology that can accelerate the roll out of 'One Nation, One Health Card' vision of Hon'ble Prime Minister, Shri Narendra Modi. Supplementing the vision of 'One Nation One Health Card' of Hon'ble Prime Minister with this initiative, ITI Limited, Chairman and Managing Director, Shri Rakesh Mohan Agarwal said, "ITI's partnership with Garuda allows us to bring blockchain technology to the forefront of the healthcare ecosystem. The very first PoC of this AI based testing was conducted in Bangalore and another was done in Delhi airport under the brand Garuda. With this initiative, we have taken one step ahead of this by using Block Chain Technology for safe storage of the data. To provide data security, ITI has already established a tier 3 Data Centre where information of all the health cards of citizens can be safely stored. This is first of its kind technology that helps build a robust health care eco system. With this unique collaboration, ITI is set to be one of the first PSU to store medical data on a Blockchain network". Highlighting the importance of Blockchain Technology for National Digital Health Mission, Shri Rishabh Sharma, Founder, Thalamus Irwine, Garuda Blockchain Platform, said, "This demonstration is an end-to-end digital health ecosystem where we have performed a sero-survey using an AI enabled medical device and also compiled the analytics in real-time followed by storing that data on the blockchain network. This indigenously developed blockchain technology will include India in the list of very few countries which have successfully demonstrated its ability to use blockchain in a healthcare ecosystem. The demonstrated technology can unify India's massive healthcare ecosystem under a single umbrella using a blockchain backend".

ITI Limited Celebrates International Women's Day 2021

ITI Limited celebrated International Women's Day with the theme 'Choose to Challenge' on March 8, 2021 across its manufacturing units and marketing, sales & project offices. As part of week-long celebration, various activities/competitions were organized by units/offices with display of IWD theme banners in factory/office premises. The celebration at ITI Bangalore based units started by organizing various competitions like passing the ball, slogan writing, singing, rangoli, ramp walk and memory test for women employees of Corporate Office, Bangalore Plant and NS Unit from March 2 to 5, 2021 at ITI Bangalore Plant. A webinar on "Women Health & Wellness" was also organized for women employees where Dr. Muthaiah from Manipal Hospital addressed the issues related to women's wellness & health.

ITI Mankapur Plant organized a talk on 'Women's Health and Hygiene' on March 5, 2021 where Dr. Karuna Gupta spoke on health issues of women and gave various tips to lead a healthy and happy life. Smt Shalini, the Instructor imparted training to the students of Electronics Mechanic Trade. On the concluding day, Smt Shalini, Shri Atul Kumar, Manager-TS and Shri Vipin Bihari Kaushal, Forman awarded certificates to the students.

वैश्वीकरण में भाषा का महत्व

जब आदि मानव ने अपने मनोभावों की अभिव्यक्ति हेतु ध्वनि वर्गीकृत करते हुए शब्दों का सृजन किया तथा धीरे-धीरे इन शब्दों का व्यवस्थित प्रयोग करते हुए भाषा का आविष्कार किया तो यह निश्चित ही मानव सभ्यता की विकास यात्रा में सबसे अद्भुत एवं महत्वपूर्ण उपलब्धि साबित हुई। भाषा ने मानव को उसके सहज भावों, प्रेम, करुणा, प्रसन्नता, निराशा आदि को अभिव्यक्त करने का माध्यम दिया जिससे साहित्य, संस्कृति, धर्म आदि उपलब्धियाँ हासिल करते हुए मानव सभ्यता निरंतर विकास के मार्ग पर अग्रसर रही। मनुष्य ने अपनी बौद्धिक क्षमता की अभिव्यक्ति तथा अपने अनुभवों से अर्जित ज्ञान एवं उपलब्धियों को भाषा के माध्यम से पीढ़ी दर पीढ़ी संप्रेषित करते हुए आदि मानव से अंतरिक्ष मानव तक की यात्रा पूरी की है। यह भाषा ही है जिसके सहारे मानव ने सूचना एवं संचार क्रांति के माध्यम से सम्पूर्ण विश्व को वैश्विक ग्राम के रूप में परिवर्तित कर दिया है।

वैश्वीकरण की बुनियादी विशेषता है प्रवाह, फिर चाहे यह विचारों का प्रवाह हो या पूंजी, वस्तुओं या सेवाओं का प्रवाह हो, चाहे तकनीक का प्रवाह हो या फिर व्यापार एवं आजीविका के बेहतर अवसरों की तलाश में दुनिया के विभिन्न हिस्सों में लोगों की आवाजाही, इसमें सबसे महत्वपूर्ण बात है "विश्वव्यापी पारस्परिक जुड़ाव" और यह जुड़ाव निस्संदेह भाषा के माध्यम से ही संभव हो सका है। भाषाई विविधता न केवल बौद्धिक समृद्धि इंगित करती है बल्कि आज के वैश्विक परिप्रेक्ष्य में यह व्यक्ति या राष्ट्र की आर्थिक प्रगति में भी महत्वपूर्ण भूमिका अदा करती है।

एक बहुभाषी व्यक्ति अपने इस कौशल के कारण वर्तमान में मल्टीनैशनल संस्थाओं एवं सांस्कृतिक वातावरण में अन्य लोगों के साथ सम्प्रेषण, टीम वर्क, अन्य सहकर्मियों के प्रयत्नों में समन्वयन, नेतृत्व भूमिका निभाने तथा सम्पूर्ण रूप में किसी संस्था के लक्ष्यों को प्राप्त करने के प्रति ज्यादा सजग होता है। अतः उसके पास रोजगार के तथा आर्थिक संपन्नता के अधिक अवसर उपलब्ध होते हैं। आज प्रतिस्पर्धात्मक युग में किसी भी व्यावसायिक संस्थान को उपभोक्ता संतुष्टि एवं अपने ग्राहकों से सीधा भावनात्मक संबंध स्थापित करने का प्रयत्न करना चाहिए। अतः व्यापार की भाषा जन भाषा होनी चाहिए। यही कारण है कि वर्तमान में हम राष्ट्रीय एवं अंतर्राष्ट्रीय उत्पादों के विज्ञापन हिंदी भाषा के टैगलाइन जैसे "जिंदगी के साथ भी, जिंदगी के बाद भी" अच्छे लोगों का अच्छा बैंक" आदि के साथ देखते हैं।

भाषाई कौशल उन संस्थानों के लिए और भी अधिक महत्वपूर्ण हो जाता है जो सीधे लोगों के संपर्क में होते हैं जैसे बैंक, बीमा आदि। ग्राहकों से उनकी भाषा में सम्प्रेषण जहाँ मतभेदों को काम करने में सहायक होता है, वहीं शिकायत निवारण तथा मोल भाव करने में ज्यादा प्रभावी बनाता है। लैपटॉप मोबाइल आदि में हिंदी या अन्य भाषाओं के फॉन्ट उपलब्ध होना, गूगल द्वारा भारतीय भाषाओं में टाइपिंग की सुविधा प्रदान किया जाना, अमेज़ॉन के अलेक्सा का हिंदी और ज्यादातर भारतीय भाषाओं को समझना भाषाई महत्व को समझाने के उदाहरण के रूप में लिए जा सकते हैं।

भाषाएं राजनीतिक एवं कूटनीतिक वार्ताओं की सफलता में भी महत्वपूर्ण भूमिका निभाती हैं। साहित्य, सिनेमा, खेल जगत भी भाषाओं के परस्पर संपर्क से अछूते नहीं हैं। हॉलिवुड फिल्मों में हिंदी शब्दों का प्रयोग तथा बॉलीवुड फिल्मों का विश्वव्यापी दर्शक समूह यह दर्शाता है कि वैश्वीकरण के फलस्वरूप भाषाओं ने क्षेत्र या देश विशेष की सीमाओं को तोड़ दिया है।

वैश्वीकरण युग में जहाँ एक तरफ भाषाओं का महत्व बढ़ा है वहीं कतिपय भाषाओं का वर्चस्व काफी बढ़ गया है और क्षेत्रीय भाषाएं विलुप्तता के कगार पर आ गई हैं। यही कारण है कि अंतर्राष्ट्रीय भाषा बनाम भारतीय भाषा या क्षेत्रीय भाषा का द्वंद्व उभर कर सामने आ रहा है किन्तु द्वंद्व के बीच ही सृजन का बीज निहित होता है। अतः यह आवश्यक है कि प्रत्येक राष्ट्र अपनी क्षेत्रीय भाषाओं में भी आर्थिक अवसर उपलब्ध कराए।

हर भाषा की अपनी पहचान होती है और संस्कृति होती है। मातृभाषा में व्यक्ति अपने आप को बेहतर रूप से अभिव्यक्त कर सकता है, साथ ही अपनी मातृभाषा के माध्यम से ही वह अन्य विषय आसानी से समझ सकता है। इसीलिए कहा जाता है कि –

निज भाषा उन्नति अहे, सब उन्नति को मूला
बिन निज भाषा ज्ञान के मिटे न हिय को शूला।

यदि हम भारत की बात करें तो भारत में कई भाषाएं बोली जाती हैं, जो भारत की भाषाई विविधता की विरासत को सूचित करती हैं। इसीलिए यहां कहा जाता है कि 'कोस-कोस पर पानी बदले, डेढ़ कोस पर बाणी।' भारत एक उभरता हुआ एवं संभावनाओं से युक्त देश है। अतः विश्व के विभिन्न देशों की दृष्टि भारतीय बाजार की ओर है। यही कारण है कि विश्व के अधिकांश देश, विशेषतः चीन, अमेरिका, कैंडा और मॉरिशस आदि में भारतीय भाषाओं को बढ़ावा मिल रहा है। अतः वैश्वीकरण के लाभों को अपने पक्ष में रखने के लिए यह आवश्यक है कि हिंदी तथा अन्य क्षेत्रीय भाषाओं को रोजगार एवं अन्य आर्थिक क्रियाकलापों में वरीयता दी जाए। साथ ही अपनी युवा आबादी को भाषायी कौशल (देशी एवं विदेशी दोनों भाषाओं) में निपुण बनाकर विश्व में अपनी उपस्थिति दर्ज कराने में सक्षम बनाया जाए।

भाषाओं के मध्य प्रतिस्पर्धा एवं वैमनस्य के दृष्टिकोण को छोड़कर, किसी भी आयु में, अपनी रूचि एवं आवश्यकता के अनुसार, भाषा विशेष को सीखने हेतु प्रोत्साहित किया जाए। हिंदी भाषा में अंग्रेजी शब्दों के आ जाने से चिंतित होने की बजाए यह समझना चाहिए कि भाषा एवं संस्कृति समय के साथ अपने आप में परिवर्तन को ग्रहण करते हुए और समृद्ध तथा व्यापक बनती है। हिंदी भाषा ने समय-समय पर उर्दू, फारसी एवं लैटिन शब्दों को अपनाया है।

निष्कर्षतः यह कहा जा सकता है कि भाषाओं का ज्ञान एक जीवनपर्यंत चलने वाली प्रक्रिया है। अतः यह आवश्यक है कि लोगों को समय-समय पर भाषायी प्रशिक्षण देने हेतु भाषा प्रशिक्षण केंद्र तथा अनुवाद केंद्रों को स्वतंत्र संस्थागत रूप दिया जाए। भाषायी विविधता एवं भाषायी कौशल पर अधिक ध्यान दिया जाए। वर्तमान वैश्वीकृत व्यवस्था में भाषायी विविधता एवं कौशल से युक्त जनसंख्या या कर्मचारी किसी राष्ट्र या संस्था के लिए एक पूंजी है जिससे उन्नति, नवोन्मेष, सृजनक्षमता तथा आर्थिक प्रगति का लक्ष्य पाना आसान हो जाता है।

भाषाएं हमें पास है लाती, भाषाएं विद्वान बनाती ।
भाषाओं का करो सम्मान, मातृभाषा पर हो अभिमान ॥

राजभाषा विभाग
निगमित कार्यालय
