ITI Limited Celebrates International Women's Day

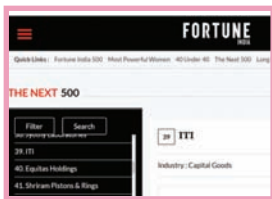

ITI Limited Records a Turnover of Rs. 1894 Crore for the Year 2018-19

ITI Limited, the premier telecom equipment manufacturing company has announced the turnover of Rs. 1894 Crore for the financial year ended on March 31, 2019 (corresponding figure for the financial year 2017-18 was Rs. 1703 Crore).

Highlighting the company's achievement for the year 2018-19, Shri K Alagesan, Chairman & Managing Director, ITI Limited said, "It is yet another year of accomplishment for ITI and this signifies ITI's commitment for sustained growth. We believe that the positive and motivating measures have really yielded good results. For the new financial year, we believe that we have a sound order book and we hope to achieve much better results. Company's performance for current financial year has invigorated us to further strengthen our business verticals like Smart Energy Meters, ICT-IOT, Mini PC manufacturing, Data Center hosting services, manufacturing of RuPay and Master cards with a focus on design and development of indigenous products and technologies. This is in addition to manufacturing of wide range of communication products, secured communication products for defence and manufacturing & component screening services for Indian space programs. With interalia, the revival package support from Government of India, execution of BharatNet phase 2 projects and rejuvenated manpower, the turnover of the company has improved".

ITI Limited Breaks into Top 50 in Fortune India's 'The Next 500' Ranking for the Year 2019

ITI Limited has earned a position in the Top 50 in Fortune India's 'The Next 500' ranking for the year 2019. ITI figures at the 39th rank on the Fortune India list. The parameters on which ITI has been chosen were revenue, net operating income, profits, assets, net worth, equity dividend and employees cost.

ITI Limited Inks MOU with CSIR-Central Electro Chemical Research Institute (CSIR-CECRI) for Manufacturing of Lithium Ion Cells

ITI Limited, a public sector undertaking in telecommunications technology segment has signed a memorandum of understanding (MoU) with CSIR - Central Electro Chemical Research Institute (CSIR-CECRI) for the year 2019-2020. CECRI is a premier institution for research and development in electrochemical science and technology. The MoU was signed by Shri Y Muralidhar, GM-BG & R&D, Unit Head, Bangalore Plant and Dr. N Kalaiselvi, Director, CSIR-CECRI in the presence of Shri K Alagesan, CMD, ITI Limited,

Dr. V K Saraswat, Member, NITI Aayog and Dr. S Mohan, Chief Scientist, CECRI, Chennai Unit on March 22, 2019. Under the MoU, CSIR-CECRI agrees for transfer of technology of 18650 Lithium-Ion cells to ITI and will also provide training to ITI personnel on the technology. The MoU also aims to set up a platform for manufacturing Lithium-Ion cells in ITI under the support and guidance of CECRI-CSIR.

ITI Palakkad Plant Supplies First Batch of Smart Energy Meters

ITI Palakkad Plant has supplied the first batch of 5,000 numbers of Smart Energy Meters to Pashchimanchal Vidyut Vitran Nigam Ltd., Meerut, Uttar Pradesh. ITI Mankapur Plant Launches Sanitary Napkin Vending Machine (FLORA)

ITI Mankapur Plant has forayed into manufacturing of Sanitary Napkin Vending Machines (Flora) as a step towards women's personal health and hygiene. Dr. Sunita Rani, President, Women Welfare Cell and Miss Rumana Habeeb, Shram Devi Awardee launched the new product Sanitary Napkin Vending Machine (FLORA) in the presence of Shri Rajiv Seth, GM-MKP, Unit Head, Shri D K Sharma, AGM-P and Shri C B Verma, AGM-Q, senior officers, women employees, representatives of employees' union and officers' association at Employee Development Center, ITI Mankapur Plant on March 8, 2019.

The Sanitary Napkin Vending Machine Flora is an automatic self-service vending machine used for dispensing sanitary napkins against acceptance of coins (can be customized with denominations of 1, 2 or 5 Rupee coins). Flora, the unique hygiene machine is wall mounted and can be operated hassle-free, convenient and eco-friendly. The machine consumes less power and can be installed at offices, schools, colleges, institutions, universities, hospitals, commercial malls and public places.

ITI Palakkad Plant Wins Tender of Electronics Corporation of Tamil Nadu Limited for Supply of Mini PCs

ITI Palakkad Plant has won the tender of Electronics Corporation of Tamil Nadu Limited (ELCOT) for supply of 20,000 numbers of Mini PCs in Tamil Nadu State competing with 5 bidders including leading MNCs like HP, Lenovo and Acer. ITI Palakkad Plant has become L1 and won the rate contract tender fulfilling the qualification criteria, satisfying mandatory requirements and complied with statutory requirements in line with national and global standards.

ITI Naini Plant Receives OHSAS 18001:2007 and EMS 14001:2015 Certification

A three-day annual surveillance assessment of Occupational Health and Safety Management System (ISO 18001:2007) and audit of Environmental Management System (ISO 14001:2015) was organized at ITI Naini Plant from April 15 to 17, 2019. The audit was inaugurated by Shri Sanjay Satyapriya, AGM-N, Unit Head. Shri K G Chandran, Lead Auditor, NVT

Quality Certification (NVT QC) Pvt. Ltd., ISO Certification service provider company, Bengaluru conducted the second OHSAS 18001:2007 and first EMS 14001:2015 audit. The Lead Auditor, Shri Chandran found no non-conformities and recommended OHSAS 18001:2007 & EMS 14001:2015 certification for ITI Naini Plant. ISO

18001:2007 certification is an International Standard that provides a framework to identify, control and decrease the risks associated with health and safety within the workplace.

ITI Naini Plant complies with legislation and regulatory requirement to protect environment, conserve energy & water and minimize the generation of hazardous waste. With this certification, ITI Naini Plant is committed to fulfill environmental responsibility towards occupational health and safety of its employees. ISO 14001:2015 certification is an International Standard which specifies for an effective environmental management system and provides a framework that an organization can follow, rather than establishing environmental performance requirements.

ITI Palakkad Plant Signs Agreement with VSSC, TERLS Division for Safe Arm Test Assembly and Realization (STAR) Facility

ITI Palakkad Plant has entered into an agreement with VSSC, Thumba Equatorial Rocket Launching Station (TERLS) Division for assembly and testing of Remote Mount Safe Arm (RMSA) under Government Owned Company Operated (GOCO) mode. VSSC will establish all the infrastructure and facilities required to execute the work at their premises by the selected industry partners under GOCO mode. RMSA is an electromechanical device used to safely initiate the major explosive systems in a launch vehicle. ITI Palakkad Plant is the first industry GOCO partner for assembly and testing of RMSA and is proud to be associated with VSSC in supplying the items that are used in launch vehicles by ISRO.

Dr. Somanath, Director, VSSC - ISRO dedicated Safe Arm Test Assembly and Realization (STAR) facility under GOCO mode to ITI Limited in the presence of Shri Sasidharan K, AGM-PCS, Unit Head in charge, Palakkad Plant and senior officers of VSSC on April 4, 2019 at VSSC, Trivandrum. On the occasion, a rate contract for STAR facility was signed and exchanged by VSSC and ITI Limited. The scope of work includes electrical wiring, mechanical integration, testing & performance evaluation, quality assurance for electrical & mechanical activities and supervisory work of RMSA.

Dr. B.R. Ambedkar and paid tributes to the Father of Indian Constitution. Shri Seth addressed the gathering by describing the life and philosophy of Dr. B.R. Ambedkar. On the occasion, he also distributed prizes to the winners of essay writing, poster making and questionnaire competitions.

एक माँ की सच्ची दर्द भरी कहानी

ये घटना एक समीर नाम के लड़के की है। सुनिए उसी की जुबानी – मेरी माँ की सिर्फ एक ही आँख थी और इसीलिए मैं उनसे बेहद नफरत करता था। वो फुटपाथ पर एक छोटी सी दुकान चलाती थी। उनके साथ होने पर मुझे शर्मिन्दगी महसूस होती थी। एक बार वो मेरे स्कूल आई और मैं फिर से बहुत शर्मिंदा हुआ। वो मेरे साथ ऐसा कैसे कर सकती है? अगले दिन स्कूल में सबने मेरा बहुत मजाक उड़ाया।

मैं चाहता था, मेरी माँ इस दुनिया से गायब हो जाए। मैंने उनसे कहा, माँ तुम्हारी दूसरी आँख क्यों नहीं है? तुम्हारी वजह से हर कोई मेरा मजाक उड़ाता है। तुम मर क्यों नहीं जाती? माँ ने कुछ नहीं कहा पर, मैंने उसी पल तय कर लिया कि बड़ा होकर सफल आदमी बनूँगा ताकि मुझे अपनी एक आँख वाली माँ और इस गरीबी से छुटकारा मिल जाए।

उसके बाद मैंने मेहनत से पढ़ाई की। माँ को छोड़कर बड़े शहर आ गया। यूनिवर्सिटी की डिग्री ली, शादी की, अपना घर खरीदा, बच्चे हुए और मैं सफल व्यक्ति बन गया। मुझे अपना नया जीवन इसलिए भी पसंद था क्योंकि यहाँ माँ से जुड़ी कोई भी याद नहीं थी। मेरी खुशियाँ दिनों दिन बढ़ रही थी। तभी अचानक मैंने कुछ ऐसा देखा जिसकी कल्पना भी नहीं की थी। सामने मेरी माँ खड़ी थी, आज भी अपनी एक आँख के साथ, मुझे लगा कि मेरी पूरी दुनिया फिर से बिखर रही है। मैंने उनसे पूछा, आप कौन हो? मैं आपको नहीं जानता यहाँ आने की हिम्मत कैसे हुई? तुरंत मेरे घर से बाहर निकल जाओ। माँ ने जवाब दिया, माफ करना – बेटा, लगता है गलत पते पर आ गई हूँ। वो चली गई और मैं यह सोचकर खुश हो गया कि उन्होंने मुझे पहचाना नहीं।

एक दिन स्कूल की यूनियन की चिट्ठी मेरे घर पहुँची और मैं अपने पुराने शहर पहुँच गया। पता नहीं मन में क्या आया कि मैं अपने पुराने घर चला गया। वहाँ माँ जमीन पर मृत पड़ी थी। मेरे आँख से एक बूँद आँसू तक नहीं गिरा। उनके हाथ में एक कागज का टुकड़ा था.. वो मेरे नाम उनकी पहली और आखिरी चिट्ठी थी।

उन्होंने लिखा था मेरे बेटे... मुझे लगता है मैंने अपनी जिंदगी जी ली है। मैं अब तुम्हारे घर कभी नहीं आऊँगी... पर क्या यह आश करना कि तुम कभी-कभार मुझसे मिलने आ जाओ.. गलत है? मुझे तुम्हारी बहुत याद आती है। मुझे माफ करना कि मेरी एक आँख की वजह से तुम्हें पूरी जिंदगी शर्मिन्दगी झेलनी पड़ी। जब तुम छोटे थे, तो एक दुर्घटना में तुम्हारी एक आँख चली गयी थी। एक माँ के रूप में मैं यह नहीं देख सकती थी कि तुम एक आँख के साथ बड़े हो, इसीलिए मैंने अपनी एक आँख तुम्हें दे दी। मुझे इस बात का गर्व था कि मेरा बेटा मेरी उस आँख की मदद से पूरी दुनिया के नए आयाम देख पा रहा है। मेरी तो पूरी दुनिया ही तुमसे है। चिट्ठी पढ़कर मेरी दुनिया बिखर गयी और मैं उसके लिए पहली बार रोया जिसने अपनी जिंदगी मेरे नाम कर दी... मेरी माँ।
