Swacchhtha feedback website launched by Shri S. Gopu, CMD, ITI Limited

Total Solutions for Global Communications

ITI launches swachhta feedback website

ITI Limited, India's first public sector unit and a pioneer in telecom equipment manufacturing has launched a website www.itild-swacchhthafeedback.co.in to provide a real time feedback data from public toilets to the concerned authorities of local, state and national level to improve sanitation and hygiene. The launch ceremony was held at ITI corporate office on November 15, 2017.

Launching the Swacchhthafeedback website, S. Gopu, CMD, ITI Limited said, "Under the Swachh Bharath Mission, ITI in association with the Ministry of Urban Development (MoUD) will install feedback devices at public toilets to regularly monitor and maintain cleanliness of toilets in all districts of twelve states with support from district municipal corporation bodies. The flagship programme of MoUD is supplemented by government's vision of Digital India and Startup India where ITI is helping startups in manufacturing prototypes and lending a helping hand to enter the market. The Swacchhthafeedback website is one of the key initiatives of ITI Limited that enables concerned authorities to receive real-time feedback from public toilets across regions." Highlighting the importance of feedback device at public toilets, Shri K Alagesan, Director (Production and Marketing) said "After getting the nod from the union urban development ministry, we have already started installing the devices in each and every public and community toilets. The total installation will be done within few months. This will help us give better civic service to the citizens."

The website is a dashboard of Information and communications technology (ICT) enabled 'swacchhtha feedbacksystem' which provides live data from all of the feedback devices installed in twelve state governments namely Karnataka, Andhra Pradesh, Telangana, Kerala, Pondicherry, Maharashtra, Orissa, Tamil Nadu, Delhi, Rajasthan, Gujarat and Haryana India. The website is owned and maintained by ITI Limited. The feedback data from device(s) installed at the rest rooms will be received via GPRS, stored in cloud servers and all state wise information will be updated periodically. So far, ITI has installed about 300 devices in municipal corporations of five states namely Delhi, Karnataka, Tamil Nadu, Gujarat and Telangana. In Karnataka, ITI has already installed 100 feedback devices out of 600 locations of Bruhat Bengaluru Mahanagara Palike (BBMP) under the Swachh Bharat Mission of Government of India. The equipped public toilets will enable citizens to directly give feedback from the toilet locations to the state and union government authorities. In order to realize the dream of a 'Clean India' under the Swachh Bharat Mission (SBM), the Ministry of Urban Development (MoUD) had planned to install feedback devices at the public toilets to regularly monitor and maintain cleanliness of toilets. In view of this, MoUD had issued directives to twelve state governments to consider procurement of feedback devices from ITI Limited in April 2017. Authorized officials from MoUD, SBM, Municipal Corporations, and ITI Limited can access the real time data on the website received from installed devices.

Shri S. Gopu, CMD, ITI receives Pride of Karnataka Awards 2017

Shri S. Gopu, CMD, ITI was honoured with Pride of Karnataka Awards 2017 for Corporate Excellence presented by CMO Asia held at M. S Ramaiah University of Applied Sciences, Bengaluru on 11th November 2017. Shri Gopu was presented the award in recognition of his success from innovative, effective practices and contribution towards development of telecommunication sector. The award has been received by Shri K Alagesan, Director (Production and Marketing) on behalf of Shri S. Gopu, CMD. The Pride of Karnataka Award seeks to identify and celebrate outstanding brand building and marketing initiatives by organizations, individuals and teams.

Indywood Excellence Awards 2017 for ITI Limited

ITI Limited was awarded Indywood Built in India Excellence Awards 2017 in the category of Public Sector - Telecommunications at Ramoji Film City, Hyderabad on December 4, 2017. Smt Sandhya Puttyah Jugnauth, Senior Cultural Officer, Ministry of Arts and Culture, Mauritius presented the trophy and certificate to Shri S. Gopu, CMD ITI Limited. The award was presented to ITI Limited in recognition of efforts made by the organization to boost the concept of 'Make in India' towards the development of telecommunication sector. Speaking on the occasion, Shri S. Gopu emphasized to promote 'Made in India' products and services. He said telecommunication industry has significantly contributed to the socioeconomic development of India. ITI has contributed to manufacturing indigenous products as per the GOI initiative of 'Make in India'. Indywood Built In India Excellence Awards 2017 was organized as a part of Project Indywood, a US\$10 Billion Project to be initiated by a consortium of 2000 Indian Corporate and Multi-Millionaires.

ITI observes Vigilance Awareness Week and pledges for corruption free India

ITI Limited observed Vigilance Awareness Week (VAW) 2017 at ITI corporate office and across its plants/units, regional offices as per the directives of Central Vigilance Commission (CVC) with the theme "My Vision - Corruption Free India" from October 30, 2017 to November 4, 2017. To mark the Vigilance Awareness Week 2017 Corporate Vigilance department organized an awareness programme on the vigilance awareness week theme. The aim was to create awareness among employees about corruption related practices and educate them how to report about it and also to promote

transparency and integrity to ensure a corruption free India. As per the CVC directives around 2300 employees of the organization and 372 citizens took online Integrity Pledge as citizens by visiting the CVC E-pledge web site [<https://pledge.cvc.nic.in/>]. ITI Limited also took pledge as an organization.

Corporate Vigilance department displayed Integrity pledge on the company website. Banners and posters were displayed in the office premises to create awareness among the employees. An essay writing competition was also organized on the VAW theme for employees. Integrity Pledge was administered by Shri K Alagesan, Director (Production & Marketing) and Dr. Janaki Ananthkrishnan, Director (Finance) to all the employees in English and Hindi.

At Bangalore plant, Vigilance department organized an essay writing competition for ITI Central and Vidyamandir School students, where more than 450 students participated. The Valedictory function was organized at R&D Conference Hall, ITI Bangalore plant on November 4, 2017. Shri S. Gopu, CMD, ITI presided over the function in the presence of Shri A Gnanasekaran, CVO, Dr. Janaki Ananthkrishnan, Director (Finance), Shri K Alagesan, Director (Production & Marketing), Shri Y Muralidhar, AGM-BG & R&D, Unit Head. On the occasion, Shri A Gnanasekaran, CVO in his inaugural speech, highlighted the officers role to identify the key areas prone to corruption in the organization. He said "the fight against corruption should be a continuous process without limiting it to a specific timeframe." He also urged every employee to bring change from within and become a part of the process to prevent corruption in the organization. Speaking on the occasion, Shri Alagesan emphasized to take highest care while decision making with transparency and create a corruption-free environment in the organization. Dr. Janaki Ananthkrishnan urged all the officers to stand up against corruption in the company and society.

Shri Gopu in his presidential address said "All should focus on transparency and accountability of the system with corruption-free functioning at all levels. He urged to complete the tasks assigned to them without any delays to eradicate corruption to achieve the targets of the company. Winners of competitions were felicitated with certificates and cash prizes by Shri Gopu, Dr. Janaki Ananthkrishnan, Shri Alagesan and Shri Gnanasekaran. The event was telecasted by Doordarshan Chandana team on November 5, 2017.

At ITI Raebareli plant, Shri S P Gupta, AGM-RB, Unit Head administered Integrity pledge to all the employees on October 30, 2017. As a part of outreach activity, the vigilance department organized a seminar and integrity pledge on November 1 and November 2, 2017 at Lucknow Public School and Kendriya Vidyalaya. The program was organized to create awareness on corruption and the role of preventive vigilance to combat corruption. Shri J P Vaish, DGM-Vigilance and Shri Sant Lal, Ex-Lecturer FG College, Raebareli delivered lecture on the vigilance awareness and preventive vigilance. More than 200 students from schools participated at the function.

At Naini plant Shri R Krishnaprasad, GM-N, Unit Head administered integrity pledge to all the employees on October 30, 2017. Banners and posters on the vigilance awareness week theme were displayed at the premises. Vigilance department administered pledge to teachers and students of Kendriya Vidyalaya, Sadwa Naini, Allahabad. Addressing at the valedictory function Shri Krishnaprasad emphasized on the Central Vigilance Commission theme and measures to curb corruption. He urged each and every responsible official in their jurisdiction to fulfill the commitment of customers within deadlines for sustainable growth. He distributed certificates and cash prizes to winners of essay writing, quiz and drawing competitions.

ITI celebrates Constitution Day to honor Dr Ambedkar's legacy

ITI Limited celebrated Constitution Day (National Law Day) to commemorate the adoption of Constitution of India at ITI corporate office, across its plants/units and regional offices on November 25, 2017. The day was marked by paying tribute to Dr B R Ambedkar for his pivotal role in drafting and framing the constitution of India as the Chairman of the Drafting Committee of Constituent Assembly. On this day in 1949, the Constituent Assembly of India adopted the Constitution of India and it came into effect on January 26, 1950 marking the beginning of a new era in the history of India. Shri S. Gopu, CMD, ITI, Dr. Janaki Ananthkrishnan, Director (Finance) and Shri T Krishnadas Rai, DGM-HR & PR read out the 'Preamble to the Constitution of India' along with senior officers and employees at corporate office in English, Hindi and Kannada respectively. On the occasion, Shri Gopu shared the importance of constitution and the facts about the world's lengthiest written constitution of an independent country.

At Naini plant 3rd Constitution Day of India was observed on November 25, 2017. Shri R Krishnaprasad, GM-N, Unit Head read out the 'Preamble to the Constitution of India' along with senior officers and employees and shared his views about Indian constitution. Posters and banners were displayed to spread the importance of the constitution in the factory.

At Raebareli plant, during the celebration of constitution day, Shri S P Gupta, AGM-RB, Unit Head read out the 'Preamble to the Constitution of India' along with senior officers and employees on November 25, 2017. He shared his views about the constitution.

At Mankapur plant 3rd Constitution Day of India was observed on November 25, 2017 by displaying banners in the factory premises. Shri Rajiv Seth, GM-MKP read out the 'Preamble to the Constitution of India' along with all the employees and highlighted the salient features of the constitution.

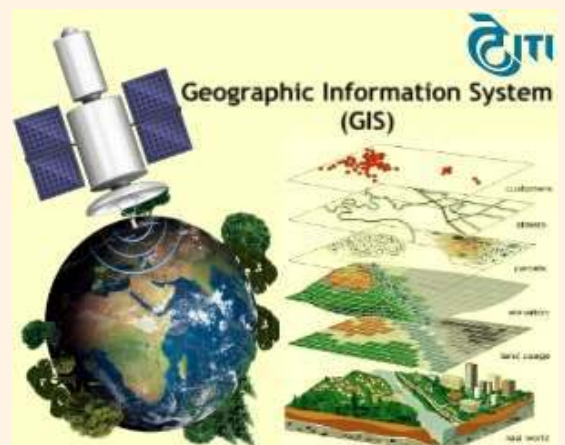

ITI participates in Vendor Development & Investors Summit, Karnataka

Keeping in view of Government of India's plan to promote manufacturing sector in India, Karnataka Government in association with Confederation of Indian Industries (CII) organized a Vendor Development & Investors Summit, Karnataka, at Bangalore International Exhibition Centre (BIEC) from November 23 to 24, 2017. The focus of the summit was to provide a platform for CPSUs, SPSUs, Mega and Large units for identification of vendors in terms of production capacity and quality standards based on six key sectors namely aerospace and defence equipment, automobile, biotech, agriculture, textile and innovation and start-ups. The summit provided opportunities to Micro, Small and Medium Enterprises (MSMEs) to showcase their capabilities to various original equipment manufacturers (OEMs). The event facilitated the companies to explore the investment opportunities in the state besides holding buyer-seller meets, B2B meetings, B2G meetings. As a gusto, ITI Limited showcased various products, posters and banners viz. ETS-04 Telephone, Nutan Telephone, Radio Modem, GPON ONT, Smash PC, SMT assembled cards, 3D printed components, ITI TAG Wallet & Swachh Feedback Device at the exhibition. Shri R.V. Deshpande, Minister for Medium and Large Industries, Dr Mohana Kumari, Minister for Small scale industries and other delegates visited ITI stall and appreciated the products of ITI.

ITI forays to provide Geographic Information System (GIS) Services

ITI Regional Office, Lucknow has been selected as a Design and building agency to provide Geographic Information System (GIS) services for Uttar Pradesh Building and Other Construction Workers Welfare Board in the areas of Noida and Greater Noida. ITI RO Lucknow has bagged an order worth Rs. 16 Crore and the project is under execution. The scope of the order covers GIS survey and development of allied software. The project entails GIS mapping and updating data of properties for creation of GIS database. The project is under execution with acquisition of high resolution satellite imageries and selection of ground control points for geo-referencing required for GPS survey etc. A Geographic Information System is designed to capture, store, manipulate, analyze, manage and present geographic data.

ITI participates in Financial Inclusion Global Initiative (FIGI) Symposium

A Symposium on Financial Inclusion Global Initiative (FIGI) was jointly organized by the Telecommunication Standardization Bureau (TSB) of the International Telecommunication Union (ITU) and Bill & Melinda Gates Foundation and World Bank and the Committee on Payments and Market Infrastructure (CPMI) in partnership with Government of India in Bengaluru from November 29 to December 1, 2017. Department of Telecommunications (DoT), Ministry of Communications hosted the first edition of FIGI with the theme “Innovative approaches to digital financial inclusion challenges.” The symposium highlighted the need to leverage information and communication technologies (ICTs) and new approaches to financial inclusion. The objectives of the symposium was to provide a unique platform for regulators, policymakers and digital financial services (DFS) experts to share digital financial inclusion initiatives and innovations taking place at the international level, ways to mitigate risks in fast-changing ICT & digital payment environments and the impact of emerging technologies on the ecosystem etc. Shri Manoj Sinha, Hon’ble Minister of State for Communications inaugurated the symposium. During the symposium ITI Limited showcased its products and manufacturing capabilities. Shri Manoj Sinha, Minister of State for Communications, Ms Aruna Sundararajan, IAS, Telecom Secretary, TRAI Chairman, MeitY, ITU and World Bank officials and delegates visited ITI stall and appreciated the products.

ITI holds Vendors’ Meet for Fibre Infrastructure Projects

ITI Limited organized Vendors’ Meet for Fibre Infrastructure Projects at Bangalore plant on December 27, 2017 as per the guidance of Department of Telecommunications. The meet was organized for vendors to partner with ITI to supply and laying HDPE duct and optical fiber cable and meet the requirements of the BharatNet project as well as ASCON project of Army as per the Digital India initiative of GoI. Shri K Alagesan, Director (Production and Marketing) highlighted the need and specific requirements from the vendors. Speaking on the occasion, Shri S. Gopu, CMD, ITI emphasized to create more partnership among stakeholders to accomplish the projects in time. Shri Shreepathi Bhat, AGM-Mktg gave a presentation on the current needs & requirements of fiber infrastructure and right specifications required from the industry. An open interactive session was also held with the vendors to provide feedback on various aspects. More than 50 representatives from 40 companies participated in the discussions.

Training on Enterprise Resource Planning at Bangalore Plant

As a part of centralized Enterprise resource planning (ERP) implementation across ITI plants/units, ITI Bangalore plant organized a LN ERP Hands-on training for officers and employees of Bangalore plant and Regional Offices of Mumbai, Bangalore, Chennai and Hyderabad at Bangalore plant from December 5 to 22, 2017. ITI’s consulting partner for implementation of ERP, M/s ETAG Software Solutions imparted the training about different modules concerned to the department. The training programme gave a thorough exposure about the processes of

implementation. LN ERP is an enterprise resource planning software which provides manufacturing companies with a complete planning system that covers full business processes from planning and purchasing to sales and customer service. Speaking on the concluding day Shri K Alagesan, Director (Production and Marketing) said “ERP implementation is vital to improve productivity, increase efficiencies, decrease costs and streamline processes.”

ITI Palakkad celebrates Quality month

ITI Palakkad in association with Quality Council of India celebrated Quality Month on the theme “Digital way to Quality life” in November 2017. Banners and posters depicting ‘Quality’ were displayed in the plant premises. Additionally the plant also celebrated ‘World Quality Day’ on November 9, 2017. Quality Month Celebration is a public awareness campaign that encourages business, industry and government to focus on the strategic importance of quality and continuous improvement. The objective is mainly to emphasize on learning and sharing of knowledge in quality, innovation and best practices, as well as for facilitating development of a quality and innovation culture.

Maintaining quality approaches for organizations is prerequisite for creating sustainable business and will benefit in many ways viz. reduce costs and improve profitability, support improvement and innovation, improve customer satisfaction, help to identify and manage risk, ensure corporate care and responsibility. To mark the quality month celebrations various competitions were organized like quiz competitions to create awareness on quality as well as ISO 9001 and ISO 14001 standards, poster drawing and slogan writing. Speaking on the valedictory function, Smt E K Jayashree, AGM-PKD, Acting Unit Head expressed the importance of quality and the role of quality in industry for its sustainable growth as well as daily life in the presence of senior officers, employees, representatives of employees’ union and officers association. Smt Rajalakshmi V, DGM-QA addressed the gathering about the purpose of quality month celebration. Prizes were distributed to the winners of competitions by Smt Jayashree.

ITI Palakkad Component Facility gets Accreditation by VSSC team

A Quality Assurance team led by Dr. Ommen Tharakan, Group Director and Chairman, Accreditation Committee from Vikram Sarabhai Space Centre (VSSC), Thiruvananthapuram visited ITI Palakkad plant for Component Screening accreditation on December 12, 2017. The Quality Assurance team audited the entire processes of components/facility of Leaded capacitor, IC 8221, IC MAX 3443, IC REF 19X series, Package testing set up evaluated for Power Module (PM10 & PM 14), Technical and Evaluation set up evaluated for Power Module (PM10). Dr. Tharakan recommended and certified accreditation for Palakkad plant. With this accreditation, ITI Palakkad plant is certified to enter into new business

opportunities for technical and evaluation of screening assembly and sub assembly with VSSC/ISRO (Indian Space Research Organisation).

Broad Cast Engineering Consultants India Ltd, BYDESIGNS and Creative Insights team visits ITI Palakkad

A team of officials including Shri Weekes Bhushan Prasad, General Manager, Shri Mazhar Umer, DGM (IT&ST) from M/s Broad Cast Engineering Consultants India Ltd, Noida, UP West, Shri Mayank Kumar Singh, Senior Technical Manager Hardware, Shri Narayanan P S, Senior Program Manager, Shri Mahesh K Dhoot, Senior Software Lead from Smart Grid Solutions, M/s BYDESIGNS and Shri Aravind Pai, Founder and Managing Director, M/s Creative Insights visited ITI Palakkad plant on November 3, 2017 to see the facilities of Set Top Box and Smart Energy Meter manufacturing. Shri J Premchand, GM-PKD, Unit Head and senior officers welcomed the officials and demonstrated the working of Set Top Box and Smart Energy Meter.

ITI celebrates National Entrepreneurship Day

To augment the business ecosystem as per the plans of Government of India, ITI Palakkad celebrated 'National Entrepreneurship Day' in association with Palakkad Management Association (PMA) and the Young Entrepreneur Forum under PMA on November 9, 2017. The aim was to impart further momentum to the thrust laid on entrepreneurship by the government and to utilize the opportunity to encourage more youth to become entrepreneurs and job creators. To mark the celebrations, Palakkad plant organized a half day session on Entrepreneurship at Government Polytechnic, Palakkad on the theme "Catalyzing a cultural shift in youth entrepreneurship." Dr. T Krishna Kumar, Secretary, Palakkad Management Association and Shri Sunil Joseph, Managing Director, SAARK Cables and Ex-Committee Member of Palakkad Management Association delivered lectures to the students of Government Polytechnic on the theme.

ITI Mankapur celebrated 'National Entrepreneurship Day' at Unit Head's Conference Room on November 9, 2017 as per the directives of GoI. Banners on the theme 'Catalyzing a cultural shift in youth entrepreneurship' were displayed at the factory premises. Inaugurating the program Shri Rajiv Seth, GM-MKP, Unit Head said "Youth have immense potential to innovate and rise as entrepreneurs and create jobs for the benefit of the nation and take up Indian Entrepreneurship to the next level."

At ITI Raebareli 'National Entrepreneurship Day' was inaugurated by Shri V B Singh, AGM-EPD&CS in the presence of senior officers, employees, newly recruited Engineers, HR and Finance trainees at EDC Hall on November 9, 2017. Shri Kaushal Kumar, CM-HR&PLG delivered the key note address. Resource person Shri A N Singh, Manager, TS&QA, Telecom sector skill council (TSSC) highlighted the theme and salient features of entrepreneurship day.

2nd Surveillance Audit of ISO 9001 : 2005 and transition audit from ISO 14001:2004 to ISO 14001 : 2015 at ITI Mankapur

2nd Surveillance Audit of ISO 9001: 2005 was organized by Shri Vijay Mathur, Lead Auditor, M/s NVT Quality Certification Pvt Ltd, Bangalore at Mankapur plant from October 31, 2017 to November 3, 2017. During the audit, Shri Mathur reviewed the organization's quality management system with regard process for documentation, consistency, implementation, improvement and performance to ensure products and services meet customer's requirements. He suggested that quality needs a consistent improvement. No nonconformities were issued during the audit.

A three-day audit program for migration of ISO 14001:2004 to ISO 14001:2015 was organized by Shri Sanjay Bhardwaj, Lead Auditor and Shri Shailendra Kumar Sharma, Auditor from M/s NVT, Quality Certification Pvt Ltd, Bangalore at Mankapur plant from November 1 to 3, 2017. The audit team guided the internal auditees about the processes, reviewed and suggested for further improvements in the system. As per the ISO 14001 Environmental Management System Standard transition is required to ISO 14001:2015 by the management to control the impact of products and services on the environment and to ensure sustainable growth to meet the current market. ISO 14001:2015 specifies the requirements for planning and implementing environment protection measures. The standard requires key changes with respect to greater focus on leadership in the management system to motivate the alignment with business goals and objectives; identification of risks to the EMS; life cycle perspective and its impacts; Improvement of environmental performance and addition of a communication strategy.

ISO 9001:2015 Certification for ITI Naini

A five-day Audit of Quality Management System of ISO 9001:2015 was organized at ITI Naini plant by M/s NVT Quality Certification, Bangalore from 8th November to 13th November 2017. Shri R Krishnaprasad, GM-N, Unit Head inaugurated the audit. Shri Vijay Mathur, Lead Auditor, NVT, QC Bangalore conducted the audit for the internal auditees. The audit team evaluated the organization process for documentation, consistency, implementation, improvement and performance to ensure products and services meet customer's requirements and suggested that quality is consistently improved. No nonconformities were issued during the audit. Lead auditor, Shri Vijay Mathur recommended and certified up-gradation to QMS ISO 9001:2015 for ITI Naini plant. Quality Management System of ISO 9001:2015 is a standard based on a number of quality management principles which includes a strong customer focus, the motivation and implication of top management, the process approach and continual improvement. ISO 9001 is the international standard that specifies requirements for a quality management system (QMS). QMS ISO 9001:2015 provides guidance and tools for organizations to ensure that customers get consistent, good quality products and services and enhance customer satisfaction, which in turn brings many business benefits to the organization. Shri Krishnaprasad greeted the auditors for their valuable suggestions and assured to implement them.

ITI observes National Energy Conservation Campaign 2017

ITI Mankapur observed 'National Energy Conservation Day 2017' on the theme "Energy conservation and its impact on the national economy" organized by Plant Electrical department at Employee Development Center (EDC) Auditorium on December 14, 2017. National energy conservation campaign is a national awareness drive launched

by the Ministry of Power to facilitate the process of energy conservation in India. The day is celebrated to create awareness among people about the importance of energy as well as save or conserve more energy by using energy efficiently by them. To mark the celebration various competitions like essay writing, questionnaire were organized for employees and school children. Shri Rajiv Seth, GM-MKP, Unit Head inaugurated the programme in the presence of senior officers, employees, representatives of karmchari sangh,

officers association, students and teachers of ITI School. Speaking on the occasion Shri Rajiv Seth said “use of energy efficiently is very essential to save it for future and energy conservation should be planned by every individual.” He appreciated all the employees and senior officers of Mankapur plant for winning National Energy Awards in the years 2004, 2007, 2009 and State Energy Awards (Uttar Pradesh) in 2017 for their role in conserving energy in the plant and township. He distributed prizes to the winners of competitions. Unit Head’s message on energy conservation was circulated to all employees.

ITI Limited celebrates 62nd Kannada Rajyotsava

ITI employees celebrated 62nd Kannada Rajyotsava with pomp and enthusiasm marking the ‘Foundation Day of the State of Karnataka’ at Bangalore plant on November 29, 2017. Tributes were paid to the state founders for their contributions to the formation of the state and conserving the distinct art and culture, diverse linguistic and religious ethnicity. Shri Y Muralidhar, AGM-BG & R&D, Unit Head extended his warm wishes on the occasion. Chief Guest Shri S. Gopu, CMD, ITI Limited lauded the contributions of ITI and its employees to the diverse art and culture of Karnataka. Shri Gopu urged all the employees to work unitedly to meet the challenges and achieve the set targets

of the company to bring back the past glory of ITI. Guests of honors spoke on the role of ITI and its contributions to the art and culture for the development of Karnataka State. All the dignitaries were felicitated with ‘Mysore Peta’ by representatives of employees’ union and officers association. The event witnessed a series of cultural programmes including singing and dancing by ITI employees and ITI Vidyamandir and Central school students.
