ITI Limited joins Kerala Government to Launch Kerala Savaari 2.0

ITI Limited, country's first PSU post-independence and premier telecom manufacturing company has joined hands with the Government of Kerala to launch the upgraded version of Kerala Savaari 2.0. The Project was launched by Shri V Sivankutty, Minister for General Education and Labour, Government of Kerala in the presence of Smt Safna Nazarudeen, IAS, Labour Commissioner, Technical Partners for the Project, labour union leaders and the media representatives in Thiruvananthapuram on November 4, 2025. Speaking on the occasion, Shri V Sivankutty, said 'Kerala Savaari is not just an app, it is a symbol of commitment of Government of Kerala for ensuring worker welfare and safe travel at affordable rates for the public in the State'.

Speaking on the occasion, Shri Rajesh Rai, Chairman and Managing Director, ITI Limited said, "ITI Limited is delighted to partner with Government of Kerala to launch 'Kerala Savaari', a commuter friendly online platform in the State of Kerala. ITI Palakkad plays a significant role in supporting the Kerala government, notably by manufacturing and supplying PVC cards for driving licenses and registration certificates (RCs) for the Transport Department, contributing to e-Governance and digital initiatives like Kerala Savaari, carrying out digitisation of records for the Kerala Motor Workers Welfare Fund Board, supplying laptops to Kerala schools, etc. I am glad that commuters across Kerala will be benefitted with this revamped app".

Further Shri Rajesh Rai, added that, 'The shortcomings in the pilot project launched in 2022 have been addressed and the trial run has been conducted in Thiruvananthapuram and Kochi cities. ITI Palakkad Unit will provide continuous technical support to ensure smooth functioning of the app'. Kerala Savaari has been made fully operational in Thiruvananthapuram and Kochi cities. Kerala Savaari will become a multi-modal transport system app by December 2025. Kerala Savaari, Kerala's own online auto and taxi booking App. This system will integrate metro, water metro, metro feeder buses, autos and cabs, will be a model for the entire Country. The scheme will be extended to other districts and cities soon after its full-fledged operation in Thiruvananthapuram and Kochi cities.

The Kerala Motor Workers Welfare Fund Board (KMWWFB), under the Labour Department, in association with the Government of Kerala, Police Department, Transport, IT, Planning Board and other departments is implementing the project. Unlike other online platforms, Kerala Savaari works on a subscription mode. This system of fixed subscription rates by the government ensures higher income for the drivers. The trial runs were satisfactorily conducted in Thiruvananthapuram and Kochi cities from April 2025. Kerala Savaari is a fully government-owned initiative implemented under the Kerala Motor Workers Welfare Board, in collaboration with the Departments of Labour, Police, Transport, IT and the Planning Board.

ITI Limited Wins Ice-Hockey Rink Project in Kaza, Lahaul and Spiti in the State of Himachal Pradesh Worth Rs. 72.76 Crores

ITI Limited, country's first PSU post-independence and premier telecom manufacturing company has received a work order for Ice-Hockey Rink Project in Kaza, Lahaul and Spiti in the State of Himachal Pradesh. The value of the work order is worth Rs. 72.76 Crores which has been released by the Office of the Deputy Commissioner, Lahaul and Spiti for construction of an Ice-Hockey Rink facility at Kaza Soma, Lahaul and Spiti District, Himachal Pradesh.

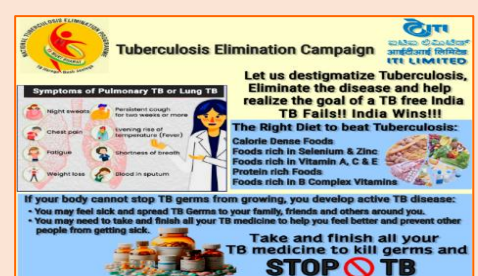

As per the scope of the contract, ITI Limited will build a full-fledged Ice-Hockey Rink along with a 500 KW solar power backup system, as well as install CCTV cameras, lighting and other associated accessories, ensuring a high-quality facility suitable for both players and spectators. This project is part of the broader effort to develop world-class sports infrastructure in the remote high-altitude region of Spiti Valley which will complement ongoing initiatives under the High-Altitude Sports Training Centre Scheme. With this investment, local administration aims to boost sports opportunities, promote youth engagement, and develop sports tourism in Lahaul and Spiti district which is situated at high altitude of approximately 12,000 ft.

Speaking on the occasion, Shri Rajesh Rai, Chairman and Managing Director, ITI Limited said, 'I am pleased that ITI Limited will contribute towards improving ice hockey infrastructure and facilities in Himachal Pradesh. As an enabling company, ITI Limited is very excited to be a partner in this inspiring journey in Himachal Pradesh going forward'.

Shri Rajesh Rai further said that, 'Himachal Pradesh is also very close to our heart as ITI Limited has been mandated to lay 20115 kms of cable in 81 blocks covering 3615 Gram Panchayaths of Bharatnet Phase-III project and has to build the State Network Operation Center (SNOC). ITI Limited has laid around 990 kms of OFC cable across the Himachal Pradesh till date'. Shri Rai further commented 'With the improved infrastructure, continued efforts of all the stakeholders, I am confident that Spiti will soon be recognized not only for Ice Hockey but for winter sports as a whole. Ice Hockey began in Spiti in 2019, and though it is still nascent, it has already achieved significant milestones, including winning multiple medals in the national games'.
