## PRESS RELEASE

# **ITI Limited Forays into New Domains - Bags Contracts worth Rs. 64 Crores for Wi-Fi & LAN and Integrated Security System (CCTV)**

**Bengaluru/Kolkata/Mumbai:** ITI Limited, country's first PSU post-independence and premier telecom manufacturing company has forayed into Security Systems and education/ICT domains. The Company has received orders from Sambalpur University in Odisha for Wi-Fi & LAN worth Rs. 35 Crores, and Integrated Security System from Central Railways worth Rs. 29.14 **totaling Rs, 64 Crores** and the details are as given below.

### **Wi-Fi & LAN Contract from Sambalpur University in Odisha worth Rs. 35 Crores**

ITI Limited has received a contract worth more than **Rs. 35 Crores** from **Sambalpur University, Odisha** to establish *Campus Wi-Fi* and *LAN* at **80 locations** in its University campus to meet the need of providing seamless internet and intranet access across the campus. This project includes supply, installation, commissioning along with three years maintenance period. ITI Limited will supply Secure Wireless Controller with additional functionalities like authenticator & restricted unauthorised users, and so on.

### **Integrated Security System from Central Railways worth Rs. 29.14 Crores**

ITI Limited has also received a contract worth **Rs. 29.14 Crores** from Central Railways (Mumbai) for Integrated Security System consisting of IP Based Video surveillance system at six railway stations of Mumbai division.

The scope of work includes supply, installation, testing and commissioning of Integrated Security System consisting of IP based video surveillance system at six railway stations of Mumbai division viz. Chhatrapati Shivaji Maharaj Terminus, Dadar, Kurla, Lokmanya Tilak Terminus, Thane and Kalyan of Central Railways, and AMC for five years after expiry of warranty period of three years. The period of completing the project is 12 months from the receipt of the Letter of Award (LoA). As part of this contract, over 1400 number of cameras will be installed which will provide a line of safety for the passengers of Central Railways.

Speaking on these two new contract wins, **Mr. Rajesh Rai, Chairman and Managing Director**, ITI Limited, said, - *“We are very happy to win these two contracts and though the order value is small, it is strategically important win for us as it opens up potentially lucrative avenues in two new domains. ITI Limited is always excited to provide the whole spectrum of Information and Communications Technology (ICT) services to educational institutes, Railways and any other client. The campus Wi-Fi and LAN services would not only improve the pedagogical experience of the students but will also support the institution’s operational and administrative needs.”*

**Mr. Rai** added - *“Our team is very excited and highly motivated to work on these contracts as always and I am confident that we will deliver them ahead of time. We hope that our work will help in creating a safer presence for the passengers of Central Railways.”*

Recently, ITI Limited won a contract worth around **Rs. 95 Crores** from **Directorate of Geology & Mining, Government of Uttarakhand** for Mining Digital Transformation & Surveillance System (MDTSS) project.
