## **ITI Limited bags ₹167 crore E-Governance contract in Maharashtra**

Updated - January 22, 2025 at 01:50 PM.

The contract involves setting up and operating ASSK centers in Gram Panchayats across Chatrapathi Sambhaji Nagar, Nagpur, and Amaravati regions, the scope includes system maintenance for one year and deployment of technical manpower at these centers

By BL Mumbai Bureau

State-owned telecom equipment manufacturer ITI Limited has secured a ₹167 crore contract from Maharashtra's Rural Development Department to implement the Aaple Sarkar Seva Kendra (ASSK) project across multiple regions in the state, the company announced today.

The shares of ITI Limited were trading at ₹352 down by ₹14.45 or 3.94 per cent on the NSE today at 1.33 pm.

The contract involves setting up and operating ASSK centers in Gram Panchayats across Chatrapathi Sambhaji Nagar, Nagpur, and Amaravati regions. The scope includes system maintenance for one year and deployment of technical manpower at these centers.

ITI's Chairman and Managing Director Rajesh Rai said the project would help strengthen the Panchayati Raj System by enabling digital citizen services in rural areas. The initiative aims to enhance transparency, efficiency, and accessibility in e-governance services.

ITI Limited, India's first post-independence PSU in the telecom sector, operates six manufacturing facilities across India with an R&D center in Bengaluru. The company has

diversified beyond its traditional telecom equipment manufacturing into defense, railways, solar equipment, and IT services. It currently runs a data center in Bengaluru, serving government institutions and banks.

The project marks a significant step in Maharashtra's digital governance initiatives at the grassroots level, while also strengthening ITI's position in the e-governance sector.

## आईटीआई लि. को महाराष्ट्र में आपले सरकार सेवा केंद्र के लिए 167 करोड़ रु. का अनुबंध मिला

बेंगलूरु/दक्षिण भारत। प्रमुख दूरसंचार विनिर्माण कंपनी आईटीआई लिमिटेड ने महाराष्ट्र सरकार के ग्रामीण विकास विभाग से एक बड़ा अनुबंध हासिल किया है। इसमें महाराष्ट्र के छत्रपति संभाजी नगर क्षेत्र, नागपुर क्षेत्र और अमरावती क्षेत्र की ग्राम पंचायतों (एएसएसके-जीपी) में आपले सरकार सेवा केंद्र (एएसएसके) की स्थापना, संचालन, रोलआउट और कार्यान्वयन की निगरानी शामिल है।

इस अनुबंध में एक वर्ष के लिए सिस्टम के मेंटेनेंस को भी शामिल किया गया है। प्रोजेक्ट की लागत लगभग 167 करोड़ रुपए है, जिसमें एएसएसके-जीपी में टेक्निकल मैनुअल की तैनाती की लागत और प्रोजेक्ट

मैनेजमेंट खर्च भी हैं। इस अनुबंध पर आईटीआई लि. के अध्यक्ष एवं प्रबंध निदेशक राजेश राय ने कहा, 'हमें महाराष्ट्र सरकार से यह नया ऑर्डर पाकर बहुत खुशी हो रही है, जिसके तहत हम डिजिटल माध्यम से कुशल नागरिक सेवाएं उपलब्ध कराने में सरकार की मदद करेंगे। इससे पंचायती राज प्रणाली को मजबूत करके राज्य के समग्र ग्रामीण विकास को सक्षम बनाया जा सकेगा।' राय ने कहा, 'आपले सरकार सेवा केंद्र जैसे

ई-गवर्नेंस प्लेटफॉर्मों के जरिए नागरिकों को डिजिटल टेक्नोलॉजी के उपयोग के माध्यम से सेवाओं की पेशकश से फायदा पहुंचाया जा सकता है। इससे ई-गवर्नेंस सेवाओं में पारदर्शिता, दक्षता और पहुंच प्राप्त हो सकती है। आईटीआई अन्य राज्यों में भी ऐसे प्रोजेक्ट की खोज करेगी, जहां वह राज्य सरकारों को नागरिक-केंद्रित सेवाएं उपलब्ध कराने में अपनी आईटी विशेषज्ञता का इस्तेमाल कर सके।'

## ITI Share Price in Focus; Wins ₹167 Crore Contract in Maharashtra

Written by: Neha Dubey | Updated on: Jan 23, 2025, 5:54 PM IST

*ITI Limited share price remained in focus as it secured ₹167 crore contract to set up and maintain Aaple Sarkar Seva Kendra in Maharashtra.*

## **Topics covered**

- Contract Details
- Empowering Rural Development
- Recent Business Development
- ITI Share Price Performance

ITI Limited wins a ₹167 crore contract from the Maharashtra government to establish, operate, and maintain Aaple Sarkar Seva Kendra across various regions. The project aims to enhance digital services and governance, the company said in a press release on the stock exchange.

### **Contract Details**

ITI Limited, India's first PSU post-independence, has won a ₹167 crore contract from the Rural Development Department of Maharashtra.

The project involves setting up, operationalizing, and monitoring Aaple Sarkar Seva Kendras (ASSK) in the Gram Panchayats across Chatrapathi Sambhaji Nagar, Nagpur, and Amaravati regions. It also includes a one-year maintenance plan.

### **Empowering Rural Development**

Rajesh Rai, Chairman and Managing Director of ITI Limited, expressed his enthusiasm, stating that the project will assist the government in providing efficient and transparent citizen services, fostering rural development.

By deploying e-governance platforms like Aaple Sarkar Seva Kendras, ITI aims to offer accessible and efficient services to citizens, ensuring greater transparency in governance. ITI is also exploring opportunities for similar projects across other states to further leverage its IT expertise in driving digital governance.

### **Recent Business Development**

ITI Limited, India's first PSU post-independence, has ventured into the Security Systems and Education/ICT sectors with two significant contract wins. The company secured a ₹35 crore contract from Sambalpur University in Odisha for the installation of Wi-Fi and LAN at 80 locations across the university campus. This project will provide seamless internet and intranet access, along with three years of maintenance services. Additionally, ITI Limited has won a ₹29.14 crore contract from Central Railways in Mumbai to install an integrated security system, including an IP-based video surveillance system at six railway stations. These contracts reflect ITI's growing expertise and expansion into new domains.

### **ITI Share Price Performance**

ITI share price dropped by 3.88%, trading at ₹352.25 at 4:05 PM on the NSE. The stock opened lower at ₹365.85 compared to the previous close of ₹366.45. This marks the second consecutive day of losses, following a 4.4% decline yesterday.

## **ITI Limited Secures ₹167 Crore E-Governance Contract in Maharashtra**

State-owned telecom equipment manufacturer ITI Limited has been awarded a ₹167 crore contract by Maharashtra's Rural Development Department to implement the Aaple Sarkar Seva Kendra (ASSK) project. The contract, announced today, involves setting up and operating ASSK centers in Gram Panchayats across the Chatrapathi Sambhaji Nagar, Nagpur, and Amaravati regions.

As part of the agreement, ITI will also provide system maintenance for one year and deploy technical manpower at these centers to ensure smooth operations. The project aims to enhance digital citizen services, improving transparency, efficiency, and accessibility of e-governance services in rural areas.

Rajesh Rai, Chairman and Managing Director of ITI Limited, emphasized that the initiative would play a pivotal role in strengthening the Panchayati Raj System by facilitating digital access to government services in remote regions.

Founded as India's first post-independence PSU in the telecom sector, ITI Limited operates six manufacturing facilities across the country, alongside an R&D center in Bengaluru. The company has diversified its operations to include defense, railways, solar equipment, and IT services, and also runs a data center in Bengaluru serving government institutions and banks. This contract further solidifies ITI's role in Maharashtra's digital governance efforts and strengthens its position within the e-governance sector.

## President of India-Backed Telecom Company Wins Aaple Sarkar Seva Kendra Order worth Rs 167 Crore in Maharashtra

Kiran Shroff / 22-Jan, 2025 / Categories: Trending, Mindshare

The stock is up by 74 per cent from its 52-week low of Rs 210.20 per share.

ITI Limited, Bengaluru, India's first public sector undertaking (PSU) post-independence and a leading telecom manufacturing company, has secured a significant contract from the Rural Development Department, Government of Maharashtra. The contract involves the establishment, operation, and maintenance of Aaple Sarkar Seva Kendra (ASSK) in Gram Panchayats (ASSK-GP) across the Chatrapathi Sambhaji Nagar, Nagpur, and Amaravati regions of Maharashtra.

The project, valued at approximately Rs. 167 Crores, encompasses the deployment of technical manpower at the ASSK-GP locations and associated project management expenses. This contract signifies ITI Limited's expansion into new service domains and its commitment to supporting government initiatives for rural development.

Earlier, contracts worth Rs 64 crore for Wi-Fi & LAN infrastructure and integrated security systems demonstrate this diversification. Key projects include a Rs 35 crore Wi-Fi and LAN network for Sambalpur University in Odisha and a Rs 29.14 crore integrated security system for six major Mumbai railway stations. These projects showcase ITI Limited's ability to adapt and thrive in evolving markets.

ITI Ltd, a telecommunications company owned by the Indian government, manufactures and sells telecom equipment (including telephones and energy meters), offers services like manufacturing for other companies and equipment testing, and also tackles large-scale projects for internet access, defence communication and more.

The company has a market cap of over Rs 35,000 crore. As of September 2024, the promoters (President of India & Government of Karnataka) own a 90 per cent stake, FIIs own 0.06 per cent, DIIs own 0.04 per cent, Government own 7.90 per cent and the public owns a 2 per cent stake. The stock is up by 74 per cent from its 52-week low of Rs 210.20 per share. Investors should keep an eye on this mid-cap telecom stock.
