ITI bags 4G expansion order worth ₹856 cr.

The Hindu Bureau

BENGALURU

Bengaluru-based ITI Limited, post Independent India's first Public Sector Unit (PSU) and a telecom manufacturing company, on Thursday said it received a work order (Phase IX) for expansion of 4G Mobile Network in West India from Bharat Sanchar Nigam Limited (BSNL) for a total value of ₹856.39 crore.

According to a communique, the scope of work includes planning, engineering, supply, installation, testing and commissioning of 4G Mobile Network on a turnkey basis for 7,613 sites in the West Zone. As part of India's Atmanirbhar telecom initiative, the BSNL is implementing the project of indigenous 4G telecom

equipment to achieve self-reliance in the telecom segment in order to fulfil domestic market needs.

Rajesh Rai, Chairman and Managing Director, ITI Limited, said, "It is a very proud moment for ITI Limited as our prestigious client BSNL continues to repose great trust in ITI Limited's execution capability by awarding work orders to us. The company has steadfastly been executing and has proved to be an able ally in the country's Atmanirbhar telecom initiatives."

Bharatnet Phase III

The central PSU is currently executing Bharatnet Phase III projects worth ₹7,000 crore for BSNL in Himachal Pradesh, West Bengal, Andaman & Nicobar, Arunachal Pradesh, Nagaland, and Manipur.

ITI bags BSNL's 4G network expansion order worth Rs 856 crore

ANI | Last Updated: Jul 16, 2026, 02:28:00 PM IST

Synopsis

State-owned ITI Limited secured a significant Rs 856.39 crore work order from BSNL. This order is for expanding the 4G mobile network across western India. The project involves installing and commissioning the network at 7,613 new sites. This expansion follows ITI's successful completion of a prior Rs 2,640 crore project. ITI Limited is also executing other major BharatNet Phase III projects for BSNL.

State-owned ITI Limited secured a significant Rs 856.39 crore work order from BSNL.

New Delhi: State-owned telecom equipment maker ITI Limited has secured a phase 4 work order worth Rs 856.39 crore from Bharat Sanchar Nigam Limited (BSNL) for the expansion of its 4G mobile network across western India, according to a stock exchange filing by the company.

According to the filing, the order covers the planning, engineering, supply, installation, testing and commissioning of BSNL's 4G mobile network on a turnkey basis at 7,613 sites in the West Zone.

The company said the project is part of BSNL's indigenous 4G rollout under the government's Atmanirbhar Bharat initiative.

"As part of India's Atmanirbhar telecom initiative, BSNL is implementing the prestigious project of indigenous 4G telecom equipment to achieve self-reliance in the telecom segment to fulfil domestic market needs," the company said in its press release.

ITI Limited said the latest order follows the successful execution of an earlier Rs 2,640 crore turnkey project undertaken with consortium partner Tata Consultancy Services (TCS) for BSNL's 4G rollout in the West Zone.

The earlier project covered 23,633 sites across Maharashtra, Goa, Gujarat, Chhattisgarh, Madhya Pradesh and the Mumbai Licensed Service Area (LSA), involving RF planning, engineering, supply, installation, testing, commissioning, integration and annual maintenance of the 4G network, the company said. It added that, following the successful completion of the project, BSNL has now awarded the expansion order for an additional 7,613 sites, taking the value of the new contract to Rs 856.39 crore.

Commenting on the development, ITI Limited Chairman and Managing Director Rajesh Rai said, "It is a very proud moment for ITI Limited as our prestigious client BSNL continues to repose great trust in ITI Limited's execution capability by awarding work order to us. ITI Limited has steadfastly been executing and has proved to be an able ally in the country's Atmanirbhar telecom initiatives."

The company also said it is currently executing BharatNet Phase III projects worth around Rs 7,000 crore for BSNL across Himachal Pradesh, West Bengal, Andaman & Nicobar Islands, Arunachal Pradesh, Nagaland and Manipur.

Shares of state-run telecom equipment maker ITI Ltd, formerly known as Indian Telephone Industries Ltd, jumped as much as 6.17% to ₹302.05 during Thursday's trade after the central public sector undertaking said it had secured a ₹856.39 crore work order from Bharat Sanchar Nigam Ltd (BSNL) for the Phase IX expansion of the telecom operator's 4G mobile network in West India.

As on Jul 16, 2026 3:59 PM

According to the company, the order covers the planning, engineering, supply, installation, testing and commissioning of the 4G mobile network on a turnkey basis across 7,613 sites in the West Zone.

The project is part of the government's Atmanirbhar Bharat initiative, under which BSNL is deploying indigenous 4G telecom equipment to strengthen self-reliance in the telecom sector and meet domestic market requirements.

The latest order follows the successful execution of a ₹2,640 crore turnkey project by ITI Ltd, in consortium with Tata Consultancy Services (TCS), under BSNL's Phase IX.2 rollout, stated the exchange filing. The project covered RF planning, engineering, supply, installation, testing, commissioning, integration and annual maintenance of the 4G mobile network across 23,633 sites in Maharashtra, Goa, Gujarat, Chhattisgarh, Madhya Pradesh and the Mumbai Licensed Service Area (LSA).

Following the completion of the project, BSNL has now awarded ITI Ltd the contract to expand the 4G network, including DBN-funded saturation sites, covering the supply, installation and commissioning of 7,613 additional sites, with the order valued at ₹856.39 crore.

Commenting on the development, Rajesh Rai, Chairman and Managing Director of ITI Ltd, said the latest order reflects BSNL's continued confidence in the company's execution capabilities. "It is a very proud moment for ITI Limited as our prestigious client BSNL continues to repose great trust in ITI Limited's execution capability by awarding work order to us. ITI Limited has steadfastly been executing and has proved to be an able ally in the country's Atmanirbhar telecom initiatives," he said.

ITI Ltd is also executing BharatNet Phase III projects worth around ₹7,000 crore for BSNL across Himachal Pradesh, West Bengal, Andaman & Nicobar Islands, Arunachal Pradesh, Nagaland and Manipur, stated the exchange filing.

ITI Limited को बीएसएनएल से 856.39 करोड़ रुपये का ऑर्डर मिला है, जिसके तहत वह प्रोजेक्ट के नौवें फेज़ में पश्चिम भारत में टेलीकॉम कंपनी के 4जी मोबाइल नेटवर्क के विस्तार में सहायता करेगी. इस ऑर्डर के बाद कंपनी को गुरुवार को तेज़ी देखने को मिली.

यह प्रोजेक्ट सरकार की आत्मनिर्भर भारत पहल का हिस्सा है. इस योजना के तहत, BSNL अपने 4G नेटवर्क के विस्तार के लिए भारत में बने टेलीकॉम इक्विपमेंट का इस्तेमाल कर रही है.

टेलीकॉम सेक्टर की सरकारी कंपनी ITI Ltd के स्टॉक में गुरुवार को 6 प्रतिशत की तेज़ी देखने को मिली. इस तेज़ी की बदौलत स्टॉक ने 302.40 रुपये के इंट्राडे हाई लेवल को टच किया. कंपनी के स्टॉक में यह तेज़ी इसलिए देखने को मिली क्योंकि कंपनी को बीएसएनएल से 856.39 करोड़ रुपये का ऑर्डर मिला है, जिसके तहत वह प्रोजेक्ट के नौवें फेज़ में पश्चिम भारत में टेलीकॉम कंपनी के 4जी मोबाइल नेटवर्क के विस्तार में सहायता करेगी.

कंपनी को मिला ₹856 करोड़ का ऑर्डर

आईटीआई ने बताया कि 856.39 करोड़ रुपये के इस अनुबंध में पश्चिम भारत में बीएसएनएल के 7,613 ठिकानों पर 4जी नेटवर्क की योजना बनाना, डिजाइन करना, इक्विपमेंट सप्लाई करना, स्थापना करना, परीक्षण करना और उसे चालू करना शामिल है. यह प्रोजेक्ट टर्नकी आधार पर पूरा किया जाएगा, जिसका मतलब है कि आईटीआई पूरे प्रोजेक्ट को शुरू से अंत तक संभालेगी.

सरकार की पहल का हिस्सा

यह प्रोजेक्ट सरकार की आत्मनिर्भर भारत पहल का हिस्सा है. इस योजना के तहत, BSNL अपने 4G नेटवर्क के विस्तार के लिए भारत में बने टेलीकॉम इक्विपमेंट का इस्तेमाल कर रही है. इसका मकसद विदेशी टेक्नोलॉजी पर निर्भरता कम करना, भारत के टेलीकॉम इंडस्ट्री को मजबूत करना और लोकल लेवल पर बने इक्विपमेंट का उपयोग करके टेलीकॉम सेवाओं की बढ़ती मांग को पूरा करना है.

कंपनी के चेयरमैन ने क्या कहा?

आईटीआई लिमिटेड के चेयरमैन और मैनेजिंग डायरेक्टर राजेश राय ने कहा कि यह ऑर्डर मिलना कंपनी के लिए गर्व की बात है क्योंकि बीएसएनएल ने एक बार फिर बड़े टेलीकॉम प्रोजेक्ट को सफलतापूर्वक पूरा करने की आईटीआई की क्षमता पर भरोसा जताया है. उन्होंने यह भी कहा कि आईटीआई ने भारत के स्वदेशी टेलीकॉम इंफ्रास्ट्रक्चर के विकास और विस्तार में महत्वपूर्ण भूमिका निभाते हुए सरकार के आत्मनिर्भर भारत मिशन का लगातार सपोर्ट किया है.

कंपनी के स्टॉक का परफॉरमेंस

एनएसई पर मौजूद आंकड़ों के मुताबिक, पिछले एक महीने में स्टॉक में 7 प्रतिशत की गिरावट देखने को मिली है. पिछले एक साल में स्टॉक में 12 प्रतिशत की गिरावट दर्ज की गई है. पिछले 3 साल में स्टॉक 160 प्रतिशत तक चढ़ा है और पिछले 5 साल में स्टॉक ने 105 प्रतिशत की तेज़ी दिखाई है.

ITI Ltd. has secured a Rs 856.39 crore contract from Bharat Sanchar Nigam Ltd. to expand the state-owned telecom operator's 4G mobile network across western India, adding to its existing work on BSNL's indigenous 4G rollout.

The order covers planning, engineering, supply, installation, testing and commissioning of a 4G mobile network on a turnkey basis at 7,613 sites in the West Zone, the company said in a press release filed with exchanges on Thursday.

The announcement lifted ITI stock to an intraday high of Rs 302.40, snapping a two-day losing streak. It was up 2.2% over the past five trading sessions, though it remained down 3% over the last 30 days.

The latest contract comes after ITI, along with Tata Consultancy Services as its consortium partner, completed a Rs 2,640 crore turnkey project for BSNL's Phase IX.2 rollout across Maharashtra, Goa, Gujarat, Chhattisgarh, Madhya Pradesh and the Mumbai Licensed Service Area. That project involved deployment of the 4G network across 23,633 sites.

The new work order covers the expansion of BSNL's 4G network, including saturation sites funded under the Digital Bharat Nidhi programme, with installation and commissioning of equipment at 7,613 additional locations. The project is part of BSNL's indigenous 4G programme aimed at increasing the use of locally developed telecom equipment.

Management Commentary

"It is a very proud moment for ITI Limited as our prestigious client BSNL continues to repose great trust in ITI Limited's execution capability by awarding work order to us," Chairman and Managing Director Rajesh Rai said.

"ITI Limited has steadfastly been executing and has proved to be an able ally in the country's Atmanirbhar telecom initiatives," he added.

ITI also said it is currently executing BharatNet Phase III projects worth about Rs 7,000 crore for BSNL in Himachal Pradesh, West Bengal, Andaman and Nicobar Islands, Arunachal Pradesh, Nagaland and Manipur.

New Delhi: State-run telecom gear maker ITI Limited on Thursday said it has bagged an order worth Rs 856.39 crore to deploy 4G mobile network for BSNL in the West Zone.

ITI Limited has already executed a 4G telecom gear order worth Rs 2,640 crore with TCS as a consortium partner for BSNL West Zone, comprising Maharashtra, Goa, Gujarat, Chhattisgarh, Madhya Pradesh and Mumbai LSA, it added.

"ITI Limited has recently received a work order for the expansion of 4G Mobile Network in West India from Bharat Sanchar Nigam Limited (BSNL) for a total value of Rs 856.39 crore," the company said.

ITI said the scope of work includes planning, engineering, supply,

installation, testing and commissioning of 4G mobile network on a turnkey basis for 7,613 sites in the West Zone.

ITI Limited is currently executing Bharatnet Phase III projects worth Rs 7,000 crore for BSNL in Himachal Pradesh, West Bengal, Andaman & Nicobar, Arunachal Pradesh, Nagaland, and Manipur states, the statement said.

ITI wins Rs 856 crore BSNL 4G expansion order

AGENCIES
NEW DELHI

State-owned telecom equipment maker ITI Limited has secured a phase 4 work order worth Rs 856.39 crore from Bharat Sanchar Nigam Limited (BSNL) for the expansion of its 4G mobile network across western India, according to a stock exchange filing by the company.

According to the filing, the order covers the planning, engineering, supply, installation, testing and commissioning of BSNL's 4G mobile network on a turnkey basis at 7,613 sites

in the West Zone.

The company said the project is part of BSNL's indigenous 4G rollout under the government's Atmanirbhar Bharat initiative.

"As part of India's Atmanirbhar telecom initiative, BSNL is implementing the prestigious project of indigenous 4G telecom equipment to achieve self-reliance in the telecom segment to fulfil domestic market needs," the company said in its press release.

ITI Limited said the latest order follows the successful execution of an earlier Rs 2,640 crore turnkey project undertaken with

Maharashtra, Goa, Gujarat, Chhattisgarh, Madhya Pradesh and the Mumbai Licensed Service Area (LSA), involving RF planning, engineering, supply, installation, testing, commissioning, integration and annual maintenance of the 4G network, the company said. It added that, following the successful completion of the project, BSNL has now awarded the expansion order for an additional 7,613 sites, taking the value of the new contract to Rs 856.39 crore.

Commenting on the development, ITI Limited Chairman and Managing Director Rajesh Rai said,

"It is a very proud moment for ITI Limited as our prestigious client BSNL continues to repose great trust in ITI Limited's execution capability by awarding work order to us. ITI Limited has steadfastly been executing and has proved to be an able ally in the country's Atmanirbhar telecom initiatives."

The company also said it is currently executing BharatNet Phase III projects worth around Rs 7,000 crore for BSNL across Himachal Pradesh, West Bengal, Andaman & Nicobar Islands, Arunachal Pradesh, Nagaland and Manipur.
