

## ITI Limited Partners with Startups to boost the Manufacturing of ICT, IoT and Defence Technology based Solutions at the First ICT-IoT Expo

ITI Limited recently signed agreements with leading startups and original equipment manufacturers (OEMs) covering the manufacturing of a wide range of ICT-IOT based solutions. These include civil and military advanced radar systems, advanced edge router systems, next generation 5G technology products, data storage and networking solutions, digital security solutions, advanced metering solutions, and wi-fi products and solutions. The agreements were signed recently, in the presence of Union Minister of State (Independent

Charge) for Communications and Minister of State for Railways, Mr. Manoj Sinha and Chairman, Telecom Commission & Secretary, Department of Telecommunications, Smt. Aruna Sundararajan on the sidelines of the first edition of ITI's two-day' ICT & IoT Startup Tech Expo' in Bengaluru. ITI Limited has also entered into an agreement with Telecommunication Engineering Center (TEC), New Delhi for establishment of state-of-the-art telecom testing labs at its Bengaluru plant, to facilitate mandatory testing of imported and indigenous telecom equipment in

India. The foundation stone for a set of telecom testing labs— comprising EMI/EMC lab, Specific Absorption Rate (SAR) lab, Safety lab and Security lab – was laid recently by the Minister.
