Sub: Swachhata Hi Seva, Rally at ITI on 22/09/2017 at 10.00 AM

Mahatma Gandhi had once famously said "sanitation is more important than political freedom." This statement underscored the criticality of sanitation in society. Inspired by these words, on August 15, 2014, the Prime Minister gave a clarion call to the Nation from the ramparts of Red Fort to fight filth and open defecation, change old habits and achieve a Swachh Bharat by 2019, to mark the 150th birth anniversary of Mahatma Gandhi. He further said that "women's pride is an important issue in our villages today. The practice of open defecation must be stopped. Toilets must be built and used."

The aim of the Swachh Bharat Mission is to achieve a clean and open defecation free India by October 2, 2019. The Swachh Bharat Mission sought to reform the sanitation sector with the primary focus being on behavioral changes as the fundamental tool for achievement of Open Defecation Free outcomes. Inclusiveness under the Swachh Bharat Mission was achieved by designing public and community toilets keeping in mind the special needs of menstruating women, the elderly, the specially abled and small children.
