

ENVIRONMENTAL POLICY

ITI Ltd., Bangalore Plant, engaged in the manufacturing and supply of Telecommunication Products, Terminal Equipments, IT Products and providing Total Telecom Solution, recognise the total impact of our operation on the environment.

We resolve to pursue continual improvement to preserve environment through:

- ❖ Compliance to legal and statutory requirement related to environmental aspects.
- ❖ Commitment to protection of the environment.
- ❖ Prevention of pollution of environment i.e., air, water and soil.
- ❖ Minimising waste and conservation of natural resources.
- ❖ Control of significant impact of our activities on environment.
- ❖ Establishing and reviewing periodically environmental objectives and targets.
- ❖ Promoting environmental awareness among all employees and their participation to improve environment.

This environmental policy is communicated to all employees working for and on behalf of Bangalore Plant.
