67th ANNUAL REPORT
2016-17

Dear Shareholders,

Welcome to the 67th Annual General Meeting of ITI Ltd. The Notice related to this meeting, Director's Report, Audited Annual Accounts together with the Auditor's Report, Comments of the Comptroller and Auditor General of India on the accounts of the Company are already with you and with your permission; I shall take them as read. Further, I am pleased to inform you that the Company has complied with the guidelines on Corporate Governance for CPSEs. On behalf of ITI and the Board of Directors, it is indeed an honour and a privilege to share my thoughts with you through the Annual Report 2016-17.

You will be delighted to note that Financial Year 2016-17 has turned out to be yet another year of robust performance by your company. Your company's performance for the financial year 2016-17 has been phenomenal as the company achieved a turnover of Rs.1611 Crores, which is remarkably the highest turnover in the past six years. I am also very happy to announce that, with the grants from the Government of India, net profit for the period before tax (after exceptional and/or extraordinary items) increased by 21% to Rs.305 Crores for the year ended March 31, 2017 as against 251 Crores for the previous year. As on date ITI has order book of Rs.1600 Crores Further, ITI's losses have drastically come down to Rs.56 Crores in 2016-17 from Rs.243 Crores in 2015-16 without any government grants which is an incomparable organizational achievement for the company. Your company is making efforts to regain its strong leadership position in the country in telecommunications segment. Facts and figures amply demonstrate your Company's excellent performance for the current year. Company has plans to keep this sustainability going on and achieve the complete turnaround with the support of Government of India.

At present, the company has been working on very important projects of National Importance. We are executing GPON order of BBNL with C-DOT technology for Government of India's prestigious project of "BharatNet". We have also received orders for supply and installation of GPON from BSNL and one more order from BBNL. We are discussing "BharatNet" phase II and expect more orders from this mega project. We have deployed 400 teams for Installation and Commissioning of this nationwide network penetrating to the uncovered Gram Panchayats in the hinterland of remote Rural India. This project provides Broadband connectivity to 2.5 Lakhs Gram Panchayats in India. The other important project being executed is the NFS (Network For Spectrum) project for the defence forces of India. ITI has won the order for 2 zones, for deployment of optical fibre for around 13,500 Kms of length. ITI has already completed 70% of the work and should be completing the entire project by this year end.

I am very proud to share with you that components tested at the Palakkad facility were part of the recent rocket launch of the ISRO. Palakkad plant has contributed to the manufacturing of electronic assembly for ISRO's Geosynchronous Satellite Launch Vehicle (GSLV) Mark III, one of the prestigious missions of ISRO which gave a giant leap for India in space programme. The electronic packages fabricated at ITI Palakkad plant were successfully launched on June 5, 2017.

On the defence front, the company has participated in the mega tender of ASCON Phase IV project and we are successful in the technical round now awaiting opening of the commercial bid. ITI has recently won a contract from BSNL for encryption products of the NFS project. We are expecting an order for Rs.90 Crores from the defence for the supply of encryption products. We have also bid for the ASCON encryption tender and hoping to get different orders. In addition, ITI has orders for MIL PCM and other projects for defence.

We are executing telecommunication projects for our major customer BSNL. We have an order for MLLN (Managed Leased Line Network) worth Rs.130 Crores which is under execution. We are also upgrading the SSTP (Standalone Signal Transfer Point) network of BSNL. Other projects under execution are Broadband NMS network and supply of cards for C-DoT AN RAX.

With the support from Government of India, ITI has upgraded the manufacturing infrastructure to world class. We plan to reinforce our business of manufacturing with the inclusion of HDPE pipes, OFC, 3D printing, Li-Ion batteries in addition to the telecom equipment manufacturing. The company has installed 3D Printing facility at Bangalore. The Company has recently established HDPE pipe manufacturing line at Rae Bareli and establishing one in Palakkad also. OFC facilities are planned at Rae Bareli and Bangalore plants. These initiatives along with GPON manufacturing will make us a strong contender for participating in BharatNet phase II project which is expected to be notified shortly.

Infrastructure for Solar Panel manufacturing at Naini unit is up-graded to a capacity of 18 MW. Mankapur plant enhanced the facility to manufacture ONTs with a capacity of 8000 Nos per month and BBWT (Broad Band Wireless Terminal) based on C-DoT technology. Manufacturing of Set Top Box and Mini PCs are being done at Palakkad unit with the new facility. Bangalore plant has established infrastructure for manufacturing of Radio Modems with a capacity of 300 Modems per month and also Antenna for different wireless products.

Dear shareholders, ITI has always been looking at diversified products for new revenue generation. Apart from manufacturing, we would also focus on certain emerging areas of business like Mobile Wallet, IOT, e-Governance, ICT projects, Data Centre, Wi-Fi and service sectors. As part of Digital India initiative, ITI has launched 'TAG-ITI' Wallet, a digital mobile wallet that can be used for cashless transactions & online payments. We are the first manufacturing PSU to have entered into cashless transaction with this "TAG-ITI". By using TAG-ITI Wallet one can make payment for pre and post paid mobile, DTH, landline, internet, data card and electricity bills. We have good number of users and I personally request all shareholders to download this App and use this. ITI also provides AADHAAR based authentication services to various agencies. ITI is also focusing on IoT and ICT projects under Digital India. We have bagged many orders for various services like AADHAAR authentication, e-signature, e-KYC under different projects like e-mitra, e-gram from various State Governments and also banks like NABARD, Cooperative banks. We have tied up with many technology providers for offering various solutions based on IoT, which go into building smart infrastructure for smart cities and also for augmenting the Digital India initiative of Government of India. The Company has established a "Centre of Excellence" for IOT and Skill Development. ITI has entered into teaming agreement with number of IoT companies including some start-ups firms. We plan to showcase the smart solutions from the start-up companies in this facility. We are setting up a Data Centre with a rack space of 24,000 Sq ft and hope to get good orders from Government agencies.

ITI is committed to the Honorable Prime Minister's vision of "Swachh Bharat". In this direction, we are very proud to be associated with the Ministry of Urban Development (MoUD) in realizing the dream of cleaner India. MoUD plans to install feedback devices at the public and private toilets to regularly monitor and maintain cleanliness of toilets. MoUD has been kind enough in issuing directives to 12 State Governments to consider procurement of feedback devices from ITI. ITI is committed to the 'Make in India' initiative of Government of India. In this direction we have upgraded our infrastructure for manufacturing of telecommunication equipment in India. In addition to the projects mentioned above, we are trying to monetize our unutilized land and help build facilities like cinema hall, auditorium, kalyana mantapam, party hall etc. Dear shareholders, we had a dream of revival of ITI. With the support of Government of India and the guidance of DoT, we have started the revival journey. We have taken various initiatives for the turnaround of ITI. To achieve the total turnaround, we are embarking on a 3-point strategy for the next 2 years:

- Business Focus : To reinforce our business on telecom equipment manufacturing and focus equally on other avenues like IOT, E-Governance, ICT projects and Services sector.
- Financial Growth : To break-even in this financial year and make more profits in the coming years.
- Turnaround : To sustain on our own from 2017-18.

ITI Limited is a rich blend of youth and experienced professionals. This wide-ranging ability will further display as we become a larger integrated entity in telecom equipment manufacturing and ICT projects. Our people have a strong sense of emotional ownership of our company and their combined efforts are our most enduring strength. In the years to come, ITI will be able to achieve the collective leadership of the top management, the wise counsel of my colleagues in the board, the guidance from Ministry of Communications and, above all, sustained support from our shareholders will help ITI people achieve the multiple objectives of company's vision. With that, I assure you that ITI shall continue to put its best efforts in sustaining the growth of your company and thereby ensure sustained returns to its stakeholders.

I am grateful to the Government of India, Ministry of Home Affairs, Ministry for Rural Development, Ministry of Defence, Department of Telecommunications, Telecom Commission, BSNL, MTNL, Defence, TCIL, Indian Railways, all departments of Central and State Governments and other valued customers, Depositors, Banks, Financial Institutions, Overseas Collaborators, Auditors, Committee on Public Undertakings [COPU], Standing Committee on Information Technology and Standing Conference of Public Enterprises [SCOPE] for their continued co-operation and support. I also take this opportunity to extend my thanks to all the employees and shareholders for their support and understanding.

With best wishes,

S. Gopu

Board Of Directors' Report

Dear Shareholders,

I am delighted to present, on behalf of the Board of Directors, the 67th Annual Report of your Company along with its Audited Statements of Accounts for the year ended March 31, 2017, together with the Auditors' Report and Comments on the Accounts by the Comptroller and Auditor General (CAG) of India.

PERFORMANCE

The Company has achieved Sales of Rs.1611 Crores during the year 2016-17 against Rs.1253 Crores during the previous year 2015-16. This is remarkably the highest turnover in the past six years. The Company could achieve this turnover in spite of the fact that our major customers BSNL and MTNL have not placed orders like earlier years. With the grants from the Government of India, net profit for the period has increased by 21% to mark Rs.305 Crores for the year 2016-17 as against Rs. 251 Crores for the previous year, which is after considering a grant of Rs.360.71 Crores by the Government during 2016-17 and Rs.494.02 Crores during 2015-16.

After continuous loss for the last 13 years till 2014-15, our Company has achieved its turn around with this profit of Rs. 305 Crores for the second consecutive year taking into account the grant in aid received from the Government of India for revival. While considering profit/loss of the Company without any Government grants, ITI's losses have drastically come down to Rs.56 Crores in 2016-17 from Rs.243 Crores in 2015-16 which is an incomparable organizational achievement.

The contribution (net of material cost) for the year 2016-17 is Rs.298 Crores, which is comparable for that of previous year at Rs.201 Crores. The company is making efforts to regain its strong leadership position in the telecommunications domain in the country. The company has plans to keep this sustainability going on and achieve the complete turnaround with the support of Government of India.

IMPLEMENTATION OF REVIVAL PACKAGE OF ITI LIMITED

The Cabinet Committee on Economic Affairs (CCEA), during February 2014, has approved the Revival plan of ITI by fund infusion of Rs.4156.79 Crores. This package consists of Rs.2264 Crores in the form of equity for financial assistance in all the plants of ITI for implementation of new projects and Rs.1892.79 Crores to be financial assistance as grant-in-aid. Out of Rs.2264 Crores, Government has released Rs. 192 Crores as first phase disbursement to the Company towards capital expenditure during 2014-15 and Rs.80 Crores has been released during 2016-17. Company has already submitted proposals for new projects worth Rs.500 Crores and has been allocated Rs. 200 Crores Capex in Budget estimation of 2017-18. Funds against this allocation are expected to be released shortly from the Government. Beyond this we have put up proposals for implementation of new projects for about Rs. 600 Crores.

For the projects planned under Rs.192 Crores plan the infrastructure up-gradation has been completed in all plants of ITI . Further the projects planned under Rs.80 Crores are in final stages of implementation. This support from the Government has helped ITI to enter into manufacturing of products in different market domains in a big way. We are manufacturing and supplying GPON equipments for providing 2 Mbps high speed Broad band connectivity to Gram panchayats across India under BharatNet project to BBNL & BSNL.

Under Revival plan, several projects have been already implemented at various manufacturing plants of ITI and some projects are under implementation. In addition to telecom products like G-PON (ITI has got orders from BBNL and BSNL for the supply of GPON equipments with C-DoT technology and is expecting orders from Railtel.), MLLN, Broadband equipments etc., Major impetus has been given for the manufacture of encrypted telecommunication equipments required for Defence sector. We have submitted tenders for Encryption equipments for Defence and we are confident of getting orders in the coming months. ITI has also ventured in to diversified products like OFC manufacturing, Smart card manufacturing, Data Centre, Products / solutions under IOT verticals etc. Solar panel manufacturing line for 18MW capacity is being installed at ITI Naini. Our existing Data Center is being expanded further to augment 1200 racks. ITI has already established 3 lines of HDPE manufacturing at Rae Bareli plant. In view of huge requirement, to enhance the capacity, one more line of HDPE pipe manufacturing has been commissioned at Palakkad unit.

ITI is in the process of installing one manufacturing line for Optical Fibre Cable (OFC) at Rae Bareli unit. Further optical fibre drawing and optical fibre cable manufacturing infrastructure is also being planned at Bangalore unit. ITI has taken TOT for manufacture and supply of Li-Ion batteries focussing for Telecom applications, Wi-fi solutions, Low power BTS with C DOT technology, Contract manufacturing activities for VSSC and other PSUs.. A 3-D printing facility has been commissioned at Bangalore unit. Other products identified for manufacture are Antenna, Radio modems, CLIP Phones, Smart Jammers, Anti intrusion systems, Set top box, Hand Held Terminals/devices, Smart energy meters, component screening facility, Mini PC etc.

The revival package provided to ITI has boosted our manufacturing strengths to a new height and we are confident of manufacturing various telecom and allied products to cater for domestic market demands under make in India vision of Government of India.

HIGHLIGHTS

The turnover for the year 2016-17 is mainly constituted from Network For Spectrum (NFS) project, ROs and CCOs Services, AMC for ASCON, Defense Business and it's AMC, MLLN and SSTP Projects and it's AMC, National Population Register (NPR), NGN, AMC for GSM-SZ, GSM-WZ, AMC for OCB, GPON, Data Centre and IT and IOT Solutions.

The Company has been working on very important projects National Importance. ITI has bagged turnkey orders for Supply, Installation, Commissioning and Maintenance of GPON Equipments covering about 38000 villages from BBNL & BSNL. This project will extend the High Speed broad band services on GPON platform to rural masses. Company has bagged purchase orders from BBNL for Rs. 205 Crores and from BSNL for Rs 130 Crores during the year 2016-17.

GPON is a prestigious project of national importance which is being executed by ITI against the "BharatNet Project" under the scheme of "Digital India". ITI is presently executing G-PON order of BBNL with C-DOT technology. The ONT, OLT, Splitters, Accessories and IT equipments are being supplied by ITI Raebareli Plant, ONT being supplied by Mankapur Plant also and Solar Power Equipements are being supplied by ITI Naini Plant. ITI Bangalore plant is also ready to supply GPON equipments and a full-fledged repair centre is being setup at ITI Bangalore for catering the repair services.

ITI has deployed 400 teams for Installation and Commissioning of this nationwide network penetrating to the uncovered Gram Panchayats in the hinterland of remote Rural India. ITI is also discussing on the phase II of "BharatNet Project" and expect more orders from this mega project. This project provides Broadband connectivity to 2.5 Lakhs Grama Panchayats in India.

The other important project being executed is the NFS (Network For Spectrum) project worth Rs. 2985 Crores for the defense forces of India which involves Procurement, Supply, Trenching, Laying, Installation, Testing and Maintenance of Optical Fiber Cable, PLB Duct and accessories for construction of exclusive Optical NLD backbone and Optical access routes on turnkey basis with AMC in the Eastern and North- Eastern region of the country. ITI has won the order for these 2 zones, for deployment of optical fibre for around 13,500 Kms of length. Out of the total of 13500 kms cable laying, nearly 9000 kms have been laid in both F and G Packages. So, ITI has already completed 70% of the work and will be completing the entire project by this year end.

This year ITI have achieved another height as ITI Palakkad plant was part of the recent rocket launch of the ISRO. Palakkad plant has contributed to the manufacturing of electronic assembly for ISRO's Geosynchronous Satellite Launch Vehicle (GSLV) Mark III, one of the prestigious missions of ISRO. The electronic packages fabricated at ITI Palakkad plant were part of the successful launch on June 5, 2017.

On the defense front, the Company has participated in the mega tender of ASCON Phase IV project and awaiting opening of the commercial bid. ITI has recently won a contract from BSNL for encryption products of the NFS project. We are expecting an order for Rs. 90 Crores from the defense for the supply of encryption products. We have also bid for the ASCON encryption tender and hoping to get good orders. In addition, ITI has orders for MIL PCM and other projects for defense.

The overall performance of the Company is as follows:

(Rs. in Crore)

PROJECTS EXECUTED DURING THE YEAR 2016-17

- **Next Generation Network (NGN)**

ITI Bangalore plant successfully executed the purchase order worth Rs.35.86 Crores for NGN products received from BSNL.

- **National Population Registration (NPR) / Aadhaar Seeding and Socio Economic & Caste Census (SECC) projects**

ITI is one among the consortium of three PSUs (other two PSUs being M/s BEL and M/s ECIL) for the execution of prestigious National Population Register (NPR) Project under Ministry of Home Affairs (MHA). The job involves collection of citizen data including biometrics.

The Aadhaar seeding work of Kerala has also been awarded to ITI and the work started in July 2016 ITI has seeded nearly 330 Lakhs Aadhaar Numbers to the NPR data base at 75 Centers in 14 districts of Kerala. The Project was completed in all centers during December 2016. The above consortium is also executing SECC Projects for the Ministry of Rural Development (MORD). ITI Palakkad has executed total purchase orders worth Rs.70.59 Crores during the year.

- **GSM**

ITI has implemented GSM Projects in BSNL West Zone and MTNL-Mumbai in technology alliance with M/s Alcatel-Lucent and in South Zone in technology alliance with M/s Huawei. The Annual Maintenance Contract related works have been carried out in these zones for total value of Rs.159.80 Crores.

- **Defence projects**

ITI is the leader in supplying encryption equipments for the secured communication in the Defence networks. In the year 2016-17, ITI had executed orders worth Rs.76.20 Crores from Defence sector for IP encryptors, NGN (BU), 5C telephone instruments etc.

- **Fiber Cable Laying for Network for Spectrum (NFS)**

ITI Limited is executing the NFS Cable laying Project in Eastern and North Eastern states of the Country. Cable Laying and services worth Rs.395.91 Crores by Raebareli Unit and Rs.304.25 Crores by Mankapur unit have been completed during the year 2016-17.

- **MLLN and SSTP Projects & AMC**

MLLN equipment provides dedicated path between two points which carry voice, data and video and BSNL is providing leased circuits to banks and other organizations using MLLN. Palakkad Plant has received order for Rs.134 Crores during 2016-17. Palakkad has also implemented Hardware upgrade of SSTP equipment to overcome the obsolescence of some cards used in the equipment, Capacity upgrade of Mobile Number Portability functions and Software upgrade to match the global levels for future addition of features. Palakkad Plant has executed the orders received from BSNL for MLLN and SSTP Projects and its AMC for total value of Rs.154.85 Crores during the year.

- **Giga-bit Passive Optical Network (GPON)**

ITI Rae Bareli Plant has executed order worth Rs.14.26 Crores and Naini Plant has executed order for Rs.8.25 Crores during the year.

- **Switch Mode Power Supply (SMPS)**

ITI Rae Bareli Plant is manufacturing SMPS systems and executing the orders from BSNL / MTNL. Order value worth Rs.5.73 Crores has been executed by Raebareli Unit.

- **Data Center & IT Projects**

ITI has already established Tier 3+ state-of- art Datacenter at Bangalore on PPP model. Presently, this Data Center is fully booked for co-location services. ITI is also playing a major role in implementing IT projects.

The Government is pursuing E-Governance projects for taking the benefit of IT to the Village Panchayats and a substantial budget provision has been made by the Government for the same. ITI is aggressively pursuing

this market segment. ITI has executed SWAN (State Wide Area Network) projects of Mizoram. ITI is also executing Accelerated Power Development and Reform Programme (APDRP) of Tamil Nadu state.

- **Maintenance Contracts for ASCON and OCB Projects**

ITI had earlier established the ASCON network for Indian Army. ASCON AMC order worth Rs 105.15 Crores has been executed by NSU. ITI was also the major supplier of fixed line switches to BSNL and MTNL. Currently, ITI has been extending maintenance assistance to BSNL and MTNL for OCB exchanges, OCB order worth Rs.32.86 Crores has been executed during the year.

- **E-Tendering Business, Network Management, CCTV Surveillance Orders**

Regional Offices of ITI have executed various orders viz. E-Tendering Business, Network Management, CCTV Surveillance Orders, Video Audio Infra, WiFi establishment and other miscellaneous orders for total value of Rs.190 Crores during the year.

FINANCE

The performance of the Company for the year 2016-17 as compare to the previous year is as follows

(Rs. in Crs)

SHARE CAPITAL

The Cabinet Committee on Economic Affairs (CCEA), on 24th February 2014 has approved financial assistance, based on the recommendations of Board for Reconstruction of Public Sector Enterprises (BRPSE) to an extent of Rs. 4156.79 Crores for the revival of the Company. The fund infusion will be capital grant of Rs.2264 Crores in the form of equity and the balance amount of Rs.1892.79 Crores in the form of grant-in-aid.

The Company has received Rs.192 Crores during February 2015 and Rs.80 Crores during November 2016 and Rs. 100 Crores during July 2017 from Ministry of Communications and IT for meeting the expenditure towards CAPEX implementation of various projects in its various plants. The Company has allotted 27,20,00,000 equity shares of Rs. 10 each at par to President of India.

Accordingly, the paid up Equity Share Capital as on 31st March 2017 was Rs. 560,00,00,000. Government of India vide letter no. 20-36/2012- FAC-II dated 20-07-2016 has communicated the approval of Cabinet Committee on Economic Affairs to transfer requisite number of shares of President of India to Special National Investment Fund to meet SEBI's 10% Minimum Public Shareholding requirement. Accordingly, 2,72,00,000 equity shares of Rs 10 each are to be transferred from President of India to Special National Investment Fund (SNIF) for maintenance of SEBI's 10% minimum Public shareholding

During the year under review, the Company has not granted stock options or sweat equity. As on 31st March 2017, none of the Directors of the Company hold any shares of the Company.

DIVIDEND

As your Company still have accumulated losses the Directors are not in a position to recommend any dividend for the year 2016-2017.

HIGHLIGHTS OF THE PRODUCTION PLANTS AND SERVICE UNITS

BANGALORE PLANT

Bangalore plant achieved a turnover of Rs.217.60 Crores (with ED & service tax) during the year 2016-17 registering a profit of Rs.6.22 Crores.

Major Projects / Orders completed in FY 2016-17

The supply consisted of NGN supplies worth Rs.35.86 Crores under the Government's prestigious Digital India Initiative. Under services, the unit executed GSM-SZ AMC of Rs.76.25 Crores, Defence AMC of Rs.13.65 Crores and generated revenue of Rs.19.13 Crores from Data Centre Business.

The Unit also supplied Defence Equipments worth Rs.62.55 Crores, ISAT for CRPF – Rs.1.57 Crores, Telephones for Defence and BSNL worth Rs.0.79 Crores; Primary MUX for BSNL for Rs.2.58 Crores, Contract Manufacturing and Reliability Lab services Rs. 0.78 Crores, and Spares Rs.0.01 Crores. Revenue of Rs.10.38 Lakhs earned by way of in-plant Training during the Financial Year.

Under the revival plan Phase I, 6 projects viz Legacy secrecy projects, 1 Gigabit encryptor, Multichannel Encryption Unit, PSU Business, SCADA, MUX, Telephone, Data Centre and IT Projects are implemented. All the manufacturing areas viz. IGI, Component Test Labs, PCB Plant, SMT Line, Central Machine Shop, Coil Winding, Injection Moulding, Inspection and Testing, Material Handling, Reliability Chambers, Air conditioning Plants, Power backups like UPS, DG sets, Safety Equipments, Servers, Desktops, Laptops etc. were upgraded with modern equipments to take care of latest technology in Electronics Manufacturing. Similarly, R&D upgraded the research facilities by inductin latest development tools

for future requirements. R&D took on development of Multi channel Encryption Units (MCEU), Gigabit Encryptor, Optical transport Unit (OTU1 & OTU2), 1G & 10 G Interface for NFS secrecy, etc.

Future Outlook

Under new revival projects, establishment of Data Centres at Bangalore & Naini, Development of Radio Modem, CLIP phones, Antenna Manufacturing, Creation of EMI/EMC Chamber, Poly jet 3D Printer, etc. are under implementation. Demo samples are being validated for offering to TSEC certification to BSNL. ITI is also venturing into new smart city / IOT project.

PMKVY

Bangalore plant has set up a state of art skill development scheme called the Pradhan Mantri Kausal Vikas Yojna (PMKVY) to cater to the skill development for the needy to impart Hands on Training, GE certified course at the Centre of Excellence CoE. 70 students have been trained so far on the OFC splicing technique and it is matter of pride that all the students who attended the online test have cleared the exam.

IoT

Under Centre of Excellence (CoE), Bangalore plant has set up a centre where ITI will develop solutions and showcase of Internet of Things (IoT) namely Smart Environment, Smart Lighting, Smart Home/Office, Smart Health, Intelligent Transport System, SCADA Solutions in Water, Gas & Electricity, RFID Based solutions, Content Filtering Solutions for ISP, Education Sector etc. ITI has entered into teaming agreement with number of IoT companies including some start-ups firms and plan to showcase the smart solutions from these companies in this facility. ITI has tied up with many technology providers for offering various solutions based on IoT, which go into building smart infrastructure for smart cities and also for augmenting the Digital India initiative of Government of India. Exploring business from various Government bodies like MoUD & State Government, Agricultural Board, Pollution Control Board, Water Supply Board, Municipal Authorities etc.

3D printing

3D printing is a revolutionary manufacturing method by which we can create various types of Three Dimensional (Solid) parts using a CAD file with a single machine Bangalore Plant has procured Fortis 450 3D printer and installed.

Data Centre

ITI is setting up a Data Centre with a rack space of 24,000 Sq ft at Bangalore Plant. There are lot of scopes to get good orders from Government agencies. The plan is to set up the Tier III + Data Centre (Uptime 99.982%), at Bangalore with a DR site at Naini and vice versa. ITI Data Center is an endeavor to provide customer-centric services to Government Organizations and Corporate entities. The expected potential customers are Banks, Financial services and Insurance (BFSI) sector, Government organizations / PSUs, Defense Ministry and Defense Organizations, Medium, Small and Micro Scale Enterprises (MSME), Educational Institutions. 1000 racks Data Center at Bangalore and 200 racks Data Center at Naini has been planned. Data Center with First 300 Racks is planned to be put live by October-2017.

TAG – ITI Wallet

This is a cashless secure payment service under Digital India initiative of Government of India “Mera Mobile – Mera Bank”. This is called TAG-ITI MOBILE WALLET which has a huge popularity especially after the Demonetization move. All the transactions are executed and monitored by our Data Centre in Bangalore plant. ITI is the first manufacturing PSU to have entered into cashless transaction with this “TAG-ITI”.

Aadhaar Based Authentication Services on SaaS Model

With the 'Digital India' initiative gaining ground and the increase in demand for Aadhaar based authentication services, ITI has ventured into the business of providing Aadhaar based authentication services based on Software as a Service (SaaS) model to address various segments. Till date, over 98 Crores Aadhaar numbers have been generated by UIDAI and 97% of Adult population has Aadhaar Number.

ITI shall be playing the role of providing ASA (Authentication Service Agency) & KSA (KYC Service Agency) services to the concerned departments of Government of Gujarat who sign up with UIDAI as AUAs (Authentication User Agency) and KUAs (KYC User Agency). Similarly ITI will provide support for the AUA/KUA entities to integrate Aadhaar services in their core platform based on the business requirements. The ITI ASA / KSA solution / platform will be hosted in ITI Data Center in Bangalore.

ITI is also focusing on ICT projects under Digital India. We have bagged many orders for various services like AADHAAR authentication, e-signature, e-KYC under different projects like e-mitra, e-gram from various State Governments and nationalized banks.

PCB Plant

A state of art PCB manufacturing plant has been set up in Bangalore plant and inaugurated by DDG-SU on the 18th January, 2017.

MoUs signed during the year

Bangalore Plant has signed about 4 MoUs for development manufacture and supply of Radio Modem, CLIP phones, Antenna and Ruggedised MUX equipment.

Tender Addressed

GSM 2G, IP Encryptors, BEU, PCM MUX, ETS04, Contract manufacturing for BHEL, CDAC, CDoT, LRDE, BEL, ISRO etc.

Measures taken for energy conservation

Energy Consumption for the year is 2,276,456 units, which is only 10% higher than previous year consumption inspite of the fact that upgradation of infrastructure and installation of various equipments under revival plan are carried out during the year 2016-17.

With the upgraded infrastructure for Electronic Manufacturing in place and Rs.3000 Crores worth of tenders on the anvil, the plant is all set for a historic turn around.

MANKAPUR PLANT

Mankapur Plant including GSM WZ & MTNL has achieved a turnover of Rs.389.45 Crores (including ED & Service Tax) which is highest in the last eleven years.

Projects / Major orders completed during 2016-17

Prestigious NFS project for package F for construction of exclusive optical NLD backbone and optical

access route on turnkey basis for Defense network is being executed by ITI Mankapur. Additional cable colaying work is also started.

Revival Projects

The Plant has upgraded its infrastructure under revival plan during the financial year. The manufacturing for ONT 11 (GPON equipment) has commenced in February 2017 and 4104 nos. of ONT 11 have been produced and delivered to Raebareli unit against BBNL order. During the year, the unit obtained for the first time, orders worth Rs.33.50 Lakhs for contract manufacturing from C-DoT Bangalore.

BBWT (Wi-Fi) PRODUCT

Wi-Fi products are emerging as a good business opportunity in the Indian communication market. Broadband Wireless Terminal (BBWT) of C-DOT is an effective solution to provide broadband services using Wi-Fi technology to rural, urban and semi urban areas. It is an ideal solution for railway stations, schools, warehouses, hotels and other enterprises needing to extend managed wireless LANs outdoors where Ethernet cabling is not possible. It operates in 2.4 Ghz and 5.8 Ghz license free band and supports optical and electrical Ethernet 10/100/1000 Mbps interface for backhaul connectivity. The Plant has installed the equipments for manufacturing of BBWT-WiFi systems.

Low Power BTS

Under USO Fund Low Power BTS of 2W and 5W capacity are to be installed in uncovered rural/ remote areas/ villages across the country, especially in North Eastern part of India. The compact BTS of C-DOT is a potential solution for providing GSM Network in these areas. The equipment for manufacturing of Low Power BTS is planned to be installed in Mankapur by September 2017.

Skill Development Programme

Under the Skill Development Programme, Mankapur Plant has adopted "Government. Industrial Training Institute, Mankapur" in September 2016. and have imparted training to 371 students. Besides this, training for skill up-gradation of Lecturers of Government. Polytechnics and seminar on Management of Waste Electrical, Electronics Equipment (WEEE) was also conducted by unit HREDC during the year.

Hospital Information System (HIS), an application to handle the services of ITI hospital has been developed in house and successfully deployed by ITI Computer Division. HIS includes service modules like OPD, Referrals, Emergency, Common Services and Rostering besides Store management, Indoor management, User management and Master data setup.

Measures taken for energy conservation

- a. Installation of LED street lighting in factory and colony area. – 300 Nos.
- b. Retrofit replacement of LED tube lights in place of conventional FTL's in factory area 300 Nos.
- c. Surrendering contract demand of factory connection by 1300 KVA in August 2015 & another by 1200 KVA in May 2016 and the present contract demand of factory is 2000 KVA.
- d. Close monitoring of daily power consumption of factory and colony.
- e. The energy conservation efforts has resulted in a saving of approx. Rs. 105 lakhs in 2016-17 in comparison with 2015-16.

RAE BARELI PLANT

Rae Bareli Plant achieved a performance of Rs. 435.67 Crores, during the year 2016-17 by execution of NFS Project, GPON equipment supplies, supply of SMPS equipments and GSM Franchise business.

Major Orders received up to 31st March 2017

Out of the purchase orders received from BBNL towards GPON Project for Rs. 205 Crores and from BSNL for Rs 130 Crores during the year 2016-17, Purchase order value of Rs. 114 Crores and Rs 47 Crores respectively are allocated to ITI Raebareli for supply of ONT, OLT, Splitters, accessories and IT equipments.

GPON Project

Giga-bit Passive Optical Network (GPON) is a family of products for high speed broadband communication through fibre backbone. It caters to variety of services, like voice, video, data, internet etc. Active transmission equipment in GPON network consists mainly of Optical Line Termination (OLT) and Optical Network Unit (ONT). ITI Raebareli plant has supplied 7635 ONT and 03 OLT up to 31st March 2017.

PLB HDPE PIPE Project

PLB HDPE (Permanently Lubricated High Density Poly-ethylene) Pipe is used for laying of optical fiber cable (OFC) underground. ITI Raebareli had already set up one line of PLB HDPE Pipe manufacturing and obtained TSEC. Further, two additional lines of PLB HDPE Pipe manufacturing have been installed. The plant has received an educational order of Rs. 48 Lacs from BSNL and obtained BPC.

FUTURE OUTLOOK

Li-Ion Battery Project

Lithium is a good conductor of electricity and can combine with many other metals to form alloys. Lithium ion batteries provide more and more energy in a smaller container. Lithium-ion batteries have many applications like cell phones, FTTX installations, remoteterminals (such as in FTTX installations), access networks, BTS (Base Transceiver Stations for wireless networks, cable networks, central offices, fuel cell powered system cars, artificial pacemakers, PCs, laptops, audio players, clocks, toys, cameras, automobiles etc.

ITI has entered into agreement with M/s EXICOM for implementation of this project for Telecom application. ITI will be fully responsible for marketing, manufacturing, installation and maintenance support.

Optical Fiber Cable(OFC) Project

An optical fiber cable is a cable containing one or more optical fibers that are used to carry light. The optical fiber elements are typically individually coated with plastic layers and contained in a protective tube suitable for the environment where the cable will be deployed. Different types of cable are used for different applications.

Fiber optic cables find many uses in a wide variety of industries and applications. Some uses of fiber optic cables include Medical, Defense/Government, Data Storage, Telecommunications, Networking, Industrial/Commercial, FTT-X technology.

ITI Raebareli has ordered Machines and equipment worth Rs. 40 Crores for implementation of this project. Optical Fiber Cable (OFC) manufacturing plant is under installation and commissioning.

PALAKKAD PLANT

Performance

The Palakkad Unit has achieved a turnover of Rs.231.71 Crores. during the year 2016-17 registering a profit of Rs.131.29 Crores. The Palakkad unit has set an ambitious production target of Rs.307 Crores for the year 2017-18 for which the entire Palakkad team is making all out efforts.

Major Projects / orders completed in Financial Year 2016-17

The unit has completed the prestigious identity projects such as National Population Register (NPR) awarded by Office of RGI and Marine Fishers Identity Project (MFID) from Department of Fisheries. The Unit has also successfully completed the work of Socio Economic Caste Census (SECC) for the Ministry of Rural Department, which helped them to have a unified database which can be used for availing the various benefit schemes. ITI has completed the supplies of Biometric Handheld Terminals to Office of RGI and Fisheries departments for the reading and authentication of Smart Cards supplies against NPR and MFID projects. The unit has also completed the order of NPR Aadhaar seeding project in Kerala for the order value of Rs.11.00 Crores.

ITI Palakkad also executed SSTP Upgrade Project worth Rs.37 Crores for BSNL and received Purchase Order of Rs.134 Crores from BSNL for MLLN Project out of which order worth Rs.75 Crores is executed during 2016-17. AMC orders worth Rs.40 Crores of MLLN and SSTP projects were successfully executed. Excellent technical support had been provided to BSNL and MTNL for MLLN, SSTP and OCB projects.

Defence / Contract Manufacturing

The focused and result oriented efforts in the Defence and Contract manufacturing area had been made during the year 2016-17. A leap in the business activities with VSSC has been made with the facility accreditation of SMT assembly line, Conformal Coating, Testing of some avionics packages and Component Screening. Subsequently accreditation for manufacturing and testing of 21 avionics packages and screening of 2 types of components received from VSSC. Purchase Order are continuously being received and executed within the stipulated delivery schedules.

VSSC, due to their increased launch vehicle requirements, are planning to outsource various activities as an end to end production mode to approved work centres and ITI Palakkad is qualified as one among them. The manpower for space quality work are trained from VSSC to meet the stringent quality standards for space applications. Packages manufactured and tested at ITI Palakkad are successfully flown to space in various launch vehicles (PSLV & GSLV) of ISRO including the recent GSLV Mark III mission which was a major milestone of ISRO. ITI Palakkad is the only approved work centre by VSSC for manufacturing of RMSA (Remote Mount Safe Arm), which is a package used to trigger the launch vehicles in to space. To meet the requirements of Mil and flight grade bare PCBs, the PCB plant is being upgraded with the state of the art machineries and the accreditation process is in progress. Manufacturing orders also increased with the enhancement of customer base with M/s BHEL, M/s CDOT, M/s CDAC and M/s BEL for contact manufacturing and M/s BEML for cable harnessing. Orders received against Defence and Contract manufacturing are worth Rs.2.5 Crores , which is much higher than previous years.

Future Outlook

As part of the revival project, ITI Palakkad is in the process of getting VISA/Master Certification against which the necessary infrastructure setting for Smart card personalization, surveillance requirements as per the VISA/Master specifications etc. is in progress. Once certified, ITI will be the first PSU to venture in the EMV card personalization domain for supplying EMV chip cards for the banking requirements.

The unit has implemented in Phase I, new projects such as Component screening, Smart cards and MLLN. Against the second phase, the projects such as Smart Cards, Component screening, PCB plant upgradation, HDPE pipe, Smart Energy meter, Set top box, setting up of Repair centre, Handheld terminals, Mini PC etc are progressing to address the market requirement.

The installation & commissioning of machines for HDPE pipe is in the final stage of completion and commercial production is scheduled by November 2017.

ITI has entered into an MoU with M/s CDAC, Thiruvananthapuram for the Transfer of Technology (ToT) and manufacturing of Smart Energy Meter. ITI has signed an MoU for the ToT and manufacturing of Aadhaar Authentication Terminals. ITI has also developed Mini PC under the brand name "ITI Smaash" for which the marketing efforts are in progress.

E-governance Project Initiatives

Against e-governance projects, ITI has submitted the proposal to Kerala State Government against the RFP for Fair Price Shop (ARD) automation under end-to-end computerization of Public Distribution System (PDS) and deployment of e-POS devices in Kerala. ITI has also submitted the techno-commercial proposal to Kerala State Road Transport Corporation (KSRTC) for Intelligent Transport Systems along with M/s CDIT, Thiruvananthapuram as the partner.

Additional Skill Acquisition Programme

Kerala Government has selected Palakkad Unit as one of their Training Service Provider of ASAP Scheme (Additional Skill Acquisition Programme) and the Unit has conducted training for one Batch of 29 students for Pick and Place and two batches of around 30 students each for PCB Course. The Unit could generate a revenue of approximately Rs 9 lakhs against this.

QMS/ EMS

The Palakkad Unit is certified with ISO 14001: 2015 for Environment Management System. The certification audit for Quality Management System and Environment Management System with ISO 9001: 2015 standard is completed.

NAINI PLANT

The Plant has achieved a turnover of Rs. 8.25 Crores including ED & ST for the year 2016-17 against supply of Solar equipments for GPON order received from BBNL.

During 2016-17, ITI Naini, being the designated unit for Solar Panel and Transmission equipment, has geared up for addressing Solar Segment and implementation of Revival Plan Project.

Major Orders and Projects

Solar Project

Against the purchase orders received from BBNL and BSNL for GPON Projects, ITI Naini Plant is supplying Solar Power equipment. ONT (Broadband Access equipment), which is part of the GPON equipment will be installed in Gram Panchayats. The Solar Power equipment, which is being produced by ITI Naini will provide seamless power to the ONT.

ITI Naini has successfully received Type Approval Certification (TAC) for Solar Power Equipment from BSNL-QA, Bangalore. The Solar modules (60Wp) offered with the product has been successfully

tested by National Institute of Solar Energy (NISE), Gurugram and Conformity Test Lab, New Delhi as per BSNL QA test Plan.

Out of present BBNL order quantity of 20000 numbers. ITI Naini has dispatched 5012 numbers of Solar Power Equipment till March 2017.

ITI also Participated in Railtel tender for supply, services and AMC for SPV based solar systems required for GPON. ITI Naini expected to get order for SPV system for GPON.

ITI received order of Rs. 65 Lakhs from M/s L&T construction for Supply of System for project & Work order is awaited which will lead to total Purchase Order value of Rs 75 Lakhs for the project. This will open a new window for Grid Connected SPV System for high KW/MW capacity. Efforts are being made to get similar order from other PSUs for Grid connected Rooftop Solar Power plant.

Future Outlook

ITI Naini has initiated various activities of development of solar application based products like Charge Controller, LED Street Lights and other LED based lighting products.

The Plant has geared up for addressing the opportunity in renewable energy sector and will supply Crystalline Solar Modules to various schemes of Ministry of New and Renewable Energy (MNRE). ITI Naini already has 5 MWp installed capacity of Solar Panel Manufacturing

ITI make modules (from 30 Wp to 300 Wp) have been qualified in stringent Test of IEC and has been certified for IEC 61215, 61730, 61701) by M/s UL India, Bangalore.

To meet future requirement, Naini has planned under Revival Plan Phase-II, to augment manufacturing capacity by adding 18 MWp Automatic Solar Panel Manufacturing Line. Procurement & installation of equipment for 18 MWp Manufacturing Line, is in progress. Civil, Plant & other related activities are in a dvanche stage of completion. Moreover, Tabber- Stringer machine has been incorporated in the existing 5 MWp line to enhance automation under Revival Plan Phase-I.

ITI is planning to participate in 1000 MWp tender for Grid connected Roof top Solar Power plant on Government buildings floated by Solar Energy Corporation of India (SECI), a PSU under Ministry of New and Renewable Energy (MNRE). ITI is expecting for 50 MWp capacity in the tender. A consortium agreement has been signed with M/s Cambridge Energy Resources, Gurugram, Haryana, for this project.

Gyansetu project

ITI Naini has signed an agreement with Center for Development of Telematics (CDoT) & Center for Development of Advance Computing (CDAC) Bangalore for Transfer of Technology of GyanSetu Project, Hybrid Solar Charge Controller suitable for Telecom application and On grid Solar Power Conditioning Unit (PCU) of various rating for Solar Rooftop application. The Gyansetu project will extend the services of Digital India Program in rural areas through Common Service Centers (CSC). This project will provide real time information about the Government services to citizen, (PAN Card, AADHAR, Election Card, Passport) Education, Health, Mandi rates, weather forecast, Agriculture information, Land records (Khasra/Khatauni) etc.

Carrier Ethernet

Naini unit is also exploring to address Carrier Ethernet Segment which is used for Metro/Aggregation Network, as a Revival Plan Project.

Data Center

FUTURE OUTLOOK

The following projects are planned for implementation under revival plan.

HDPE Pipe and Optical Fiber Cable Manufacturing

Laying of Optical Fiber Cable (OFC) underground is to be carried out through PLB HDPE (Permanently Lubricated High Density Poly Ethylene) Pipe only. The demand for HDPE Pipes has quickly risen due to several Government projects like, NFS, ASCON, BharatNet etc. As per Government of India initiative for “DIGITAL INDIA” programme, optical fibre network is to be established for high speed internet access across the country. Therefore, there is huge demand of PLB HDPE pipes. Apart from BSNL and BBNL, other service providers are also requiring such type of PLB HDPE pipes for their teleco service. In addition to the existing one manufacturing line for HDPE, two more lines have been commissioned at ITI Raebareli plant. An educational order for 100 KMs HDPE pipe to BSNL has successfully completed by Raebareli unit. The plant is now ready for bulk production. Considering the very huge market available for this product, ITI is in the process of establishing one more line at ITI’s southern unit at Palakkad and will be commissioned shortly. Similar to HDPE pipes, as indicated above there is huge demand for optical fiber cables also. It is expected that the existing old copper cables used for India’s Telecommunication network will be replaced with OFC in future. And also there will be huge demand of OFC for BharatNet phase III. Looking in to OFC demand expected in the country, Company is in the final stages of commissioning one line OFC manufacturing at Raebareli unit. Further optical fibre drawing and optical fibre cable manufacturing infrastructure is also being planned at Bangalore unit.

- **Encryption Products for Defence**

The encryption products for Defence communication networks are being designed by our R&D and manufactured and supplied by ITI for long time. ITI has been the pioneer in this field. The products are evolved in tune with the evolution in the digital communication technology. There are major requirements of encryption products for Defence for their NFS network, ASCON network etc. ITI is expecting good business in this year in encryption portfolio.

- **G-PON Manufacturing**

ITI had participated in GPON turnkey project tenders for BharatNet project and successful in getting orders from the BBNL and BSNL. Company got orders for about Rs.425 Crores for manufacturing and supply of 1500 OLT and 37300 ONTs. Further company is expecting one more GPON order from Railtel shortly. ITI is manufacturing these products at Raebareli and Mankapur plant from component level with C-DOT as the technology provider. The supply, installation and commissioning are in progress across India. In view of huge requirement of OFC deployment for Government of India BharatNet project phase II and III, there would be corresponding requirements of GPON solution also. The Company is geared up for manufacturing using our latest established infrastructure facilities..

- **Manufacture of Smart Cards**

As an extension of National Population Register project, which is under execution by ITI as a consortium partner with BEL and ECIL, ITI is looking at the huge opportunity of manufacturing Smart card based identity cards for the citizens in the Country. In addition, there are opportunities regarding supply of smart cards for unorganized workers, driving licenses, motor vehicle registration etc. ITI is already having smart card manufacturing facility at its Palakkad plant. This is being further augmented to take manufacture of various types of identity cards.

- **Manufacturing of Li-Ion Batteries**

Long life, low maintenance and high energy density back up power solutions using Li-Ion technology have been proved in all fields of consumer electronics like PCs, Mobile phones, Tablet PCs etc. They also make inroads into other applications of Telecom industry like powering GSM towers. ITI has taken TOT for manufacture and supply of Li-Ion batteries with focus on meeting needs of Telecom applications like GSM BTS sites. ITI is planning to take up assembling of Li-Ion batteries in one of its plants, specifically for supplying to the BTS sites.

- **Component Screening Project**

Component Screening is a Project suggested by VSSC (ISRO) for ITI Palakkad to take up for meeting their requirement of approximately 5 Lakh screened components per year. Screened Components are required regularly for VSSC for their space missions. Basic component screening facility has already been established in the plant. Further the infrastructure upgradation is in final stages to cater for new components and also for meeting needs for component screening for defence.

- **Data Center and IT Business**

The Company has planned investment to address the huge growth in the service sector related to Information Technology. Currently ITI has been operating one Data Center in its Bangalore plant in partnership with a private company. Looking into high demand for data Centre business and the expected growth in India, the Company is already in the process of building our own Data Centre under the revival plan. The Company is already providing IT solutions, like E-Banking, Aadhaar based authentication etc. on SaaS basis from the Data Center.

- **Wi-Fi products**

Wi-Fi products have revolutionized the way we communicate. In addition to low power Wi-Fi products in residences, Wi-Fi hot spots are coming up all around the country. Further, Wi-Fi products are also expected to be part of the Digital India programme to connect every citizen to Broadband network and also in setting up of Smart Cities. ITI is planning to address this business opportunity in association with the technology partner.

- **Managed Leased Line Network (MLLN) Equipments**

ITI has been the leader in supplying MLLN equipment for BSNL and MTNL since 2002-03. The existing MLLN networks of these Telecom Service Providers have been set up and maintained by ITI till date. ITI is also getting good revenue for giving maintenance support to the existing networks. Company has bagged one more big order for MLLN turnkey project recently from BSNL. ITI hopes and gearing up to address the future MLLN requirements on IP based technology.

- **Low Power BTS systems for remote villages**

Low power BTS systems have been planned as a means to extend mobile connectivity to cover all the unconnected villages in the country. USOF has planned to fund such programmes so that every village in the country is connected through mobile communication networks. ITI is hoping to get orders for supply of equipments required for such networks.

- **Business with other PSUs/Contract Manufacturing**

Contract manufacturing for PSUs is an existing activity in ITI. ITI is ready executing job works for PSUs

like, BHEL, BEL, VSSC, NPOL etc. With upgradation of infrastructure in ITI, there is more scope for getting new business in the area of contract manufacturing.

• IOT and Smart City

ITI has made foray in to Internet Of Things commonly called as “IOT” which is making big head way in common man’s day to day life across the world. The purpose of the Smart Cities Mission is to drive economic growth and improve the quality of life of people by enabling local area development and harnessing technology, especially technology that leads to Smart outcomes. Application of smart solutions will enable cities to use technology, information and data to improve infrastructure and services. ITI has entered in to teaming agreements with many start-ups who have developed “smart” solutions which are integral part of IOT sector. ITI is planning to offer solutions for smart education, smart health, smart environment, smart transport etc. As of now, 90 cities find a place in the Centre’s programme. ITI is planning to actively participate in smart city tenders to secure business in the days to come.

HUMAN RESOURCE DEVELOPMENT

The world of today, as we know has gone through many revolutionary changes that brought people even more closer than they were in the past. The world that we live and breathe in today, while benefiting ourselves with the endless possibilities that technology has introduced to us, it brought forth a gift unparalleled to any other luxury. This rapidly growing telecom market brings on more challenges. The lack of qualified human resource in both technical and managerial competencies in telecommunication sector make the Government confront with immense constraints in its development project expansion. The Government of India hence attempts to improve the skill sets in the telecommunication industry. The training and development are the

key instruments to build the HR skills and capacity of ITI Limited. The sufficient investment on human capital Training & development will produce moderate and positive impacts on employee productivity improvement and also organizational performance as a whole. The Learning and Development had strong relationship to the company's performance and improvement. The correlation of the training capacity and imparting telecom skills development training is immense. The training activity in the company is a planned process, oriented towards employee productivity development and to enable its employees to remain updated of knowledge and skills surmounting the technological obsolescence and competitive edge in our services. The training is allied with the financial condition of the Company.

Bearing in mind the Company MoU target on HRM-Training for the financial year 2016-17, the HRD initiatives were more oriented towards imparting training to Executives/Non-Executives for knowledge/skill development in Telecom & IT. Training programmes and workshops were organized in IoT, Broadband, OFC, Mobile, NGN, Cyber Security, Communication Technologies, ERP, Cashless transactions, GST, MDP etc., towards digitalization and to improve computer literacy in the company, both basic and advance course in computer skills. Training programmes in Microsoft Office were imparted throughout the company. Training programmes were also organized in-house on Soft Skills, Stress Management, Safety, besides organizing awareness programmes in Health, Environment, Energy Management and Official Language.

ITI Limited takes up Government of India initiatives like 'Skill India', 'Digital India' etc., to fully comply with the directives of the Government of India and in HRD sphere to accelerate skill development training and its implementation. The company has entered into MoUs with NSDC-Telecom Sector Skill Council (TSSC) and Electronics Sector Skill Council of India (ESSCI) for implementation of skill development activities and has taken initiatives. The Company is a NSDC affiliated training provider, to ensure delivery of NOS aligned curriculum. TSSC/ESSCI has accredited for imparting skill development in their QPS/Job Rolls for the students across India, utilizing the infrastructure facilities in the HRD/SD centres of ITI Units. These short-courses are devised to enable students trainees to take up employment immediately enhance the employability, in association with Government authorities and Skill Sector Councils and other Training Partners in all ITI Units. Training of Trainers (ToT) programmes in Optical Fiber Splicer and Optical Fiber Technician have been organized at Bangalore for trainers of Bangalore Plant and Srinagar Plant separately. Trainers have been prepared to start the skill development trained/being trained in various job rolls like Base Station Service Engineer (BSS Engineer), OFS, PCB Fabricator, Circuit Image Operator (PCB), Pick & Place Operator, Solar Module Assembly Technician, Field Trial Computer Peripheral (FTCP) etc.

During the financial year, ITI imparted skill development training to 2480 trainees, out of which 173 in TSSC/ESSCI qualifications packs/job role and 2307 have been trained in ITI modules.

In respect of HRM performance indicators, 59 training programmes have been organized in house/sponsored outside. The company totally trained 1644 Executives / Non-Executives achieving total 2068 mandays. ITI always achieves its targets and in fact overwhelmingly surpasses given targets of MoU with DoT. Additionally, the skill gaps arising out of newer technologies and changed product portfolio among the employees are also continuously monitored and effectively plugged in periodically.

Training, becoming a vital part to help groom the telecom sector of today, ITI Limited has started to take up the stance in emphasizing the need for telecom training and executive coaching to help their employees train better for the present as well as future challenges. Existing in today's ever growing market, the company has to come up with many different things to stay in the competition. Now this involved the managerial level serving their companies to get a better understanding at what they are about the uprising challenges in the telecom industry by imparting telecom training coupled with executive or managerial development in collaboration with Premiere Institutes like IITs, IIMs etc. Training has its importance for the managerial staff as well since they are the ones that are responsible for getting the work done through their team. Executives / Managerial training brings a better understanding to them about what they need

to prepare themselves with while performing better at their job. Leadership development is also taught to people under the training programme so that those with the spark to become a better leader of tomorrow can get a good insight at what they need to gear themselves up with.

**ADDENDUM TO THE BOARD OF DIRECTOR'S REPORT
COMPANY'S REPLIES TO STATUTORY AUDITOR'S OBSERVATION IN
THEIR REPORT**

Point No.	Statutory Auditor's Observations	Company's Remarks
Qualifications Not quantifiable: a)	In view of Company's own production activities having come down substantially and slow movement in the inventory, there is a need for systematic age wise segregation and analysis of the items comprised in the inventory to assess their usefulness/usability in the production & servicing activities, period over which they could be used as also whether the inventory items are capable of being sold /disposed off as standalone items. Pending such an exercise, we are unable to express an opinion as to the adequacy of the provision held towards non-moving and obsolete inventories and the eventual realizable amount in respect of the inventories, as also the possible effect on the financial statements. Aggregate Inventories as at March 31, 2017 were Rs. 17708.46 lakhs against which provision of Rs. 3479.82 lakhs has been made towards non-moving and obsolescence.	Inventory available has been reviewed and provision is made after a review by the technical committee for their usefulness in each unit. The existing provision is found to be adequate
b)	The Company does not have an adequate mechanism in place to review the balances in trade receivables and in our opinion, there is a need for systematic age wise segregation and analysis including timely adjustment of advances received from customers. In the absence of such reviews and systematic age-wise analysis, we are unable to comment on the adequacy of provision held for doubtful debts and also on the shortfall, if any, on the amount that would be ultimately realizable from the customers. Total Trade Receivables as on March 31, 2017 were Rs. 227913.64 lakhs against which a sum of Rs. 4651.61 lakhs has been provided for doubtful debts.	The company is making provision for doubtful debts after review on a case to case basis as per company's accounting policies and the existing provision is found to be adequate. Also efforts are being made to adjust the outstanding advances against the debtors.

c)	<p>No provision for the permanent diminution in the value of the Investment of Rs 40.55 lakhs in the unquoted equity shares of a Joint Venture(JV) Company has been ascertained as required by Accounting Standard 13 on 'Accounting for Investments' read with in the Significant Accounting Policy No.5, in view of the negative net worth and Statutory Auditors of the JV in their Report for the year ended 31.03.2016 have expressed their inability to comment on the going concern concept adopted by the said JV.</p>	<p>The assets of the JV company (Land), which has been revalued by the SBI panel valuer carries a value very much more than the cost of the investment. Hence the investment of Rs.40.55 lakhs has been shown at cost.</p>
d)	<p>Pending approval from the Government of India on the finalization of the lease terms & agreement, rental income on the land leased out to the Bangalore Metropolitan Transport Corporation (BMTC)(to an extent of the 12.15 acres proposed to be leased out to BMTC is already in the possession of BMTC, further based on the information furnished to us, BMTC additionally occupies 1.85 acres), has not been recognised as income. A sum of Rs 285.00 lakhs received earlier from the BMTC under an agreement to sell is held under deposits (Refer Note 40.17);</p>	<p>The case has been referred to DoT to get approval for leasing the property to BMTC, which is yet to be finalized.</p>
e)	<p>Non provisioning of interest payable on royalty due to C-DoT in lieu of arrears of rent from the same agency for the premises taken on lease from the Company which is being more than the royalty amount (Refer Note No. 40.23);</p>	<p>Interest on royalty payable to C-DoT has not been provided in view of substantial dues (which are more than the royalty amount) outstanding for a long time from C-DoT on account of rent payable for the Company's premises leased out to them</p>
f)	<p>Adequacy of the provisions made towards interest and penalty, if any, leviable for non remittance of statutory dues on sales accounted on provisional basis (tax incidence on such sales not recognized) and delayed/ short remittance of other statutory dues including Provident Fund, Employees State Insurance and Tax deducted at source as per the provisions of Income Tax Act, 1961 could not be ascertained;</p>	<p>Where sales are accounted based on provisional prices, differential sales are accounted in the year in which the prices are firmed up and the differential statutory dues are paid/ claimed. Also, all known liabilities have been accounted for and there are no cases of non-deduction of TDS to the best of our knowledge.</p>

g)	Rental income on the land leased out to the Karnataka Power Transmission Corporation Limited (KPTC) (to an extent of the 5 acres proposed to be leased out to KPTC is already in the possession of KPTC), has not been recognised as income pending finalisation of lease agreement. (Refer Note No. 40.19)	Efforts are being made by the company regarding the settlement of KPTC land issues at the earliest.
h)	No impairment assessment has been carried out by the Company by reviewing the carrying amount of assets as at the Balance Sheet date as required by Accounting Standard 28 on 'Impairment of Assets' read with Significant Accounting Policy No. 16 of the Company and hence identification of impairment loss and provision thereof, if any, has not been made.	The Company has done physical verification of fixed assets and is of the opinion that there is no indication of impairment.
i)	Our comments on the non-maintenance of proper fixed assets register and no physical verification of fixed assets has been carried out by the Company in a few units as stated in para i(a) and i(b) in the annexure A to this Report containing a statement on the matters specified in paragraphs 3 and 4 of the Companies (Auditor's Report) Order, 2016.	The management is in the process of building proper fixed assets register. The company is not a position to conduct physical verification of fixed assets in a few units due to shortage of man power.
j)	Refer Note No 3 on inventories under 'Significant Accounting Policies'. Raw materials, components and stores purchased for manufacturing/production activities are valued at lower of cost and net realisable value, after providing for obsolescence, if any. Cost is calculated on weighted average rate as at the end of the year. Total value of inventories at Naini Unit as at March 31, 2017 is Rs. 1258.12 lakhs. Statutory Auditors of the said unit have qualified their report stating that they were unable to comment whether inventories were valued as per the principles laid out in Accounting Standard 2 on "Valuation of Inventories" read with the Company's Accounting Policy as detailed workings were not made available to them for verification.	The inventories are valued as per the above referred Standard and Accounting Policy adopted by the Company.

k)	<p>The Statutory Auditors of the Mankapur Unit have qualified their report stating that sufficient and appropriate audit evidence were not provided with respect to opening and closing balances of bank accounts, trade receivables, claims recoverable, loans and advances, inventories, materials with fabricators, sub-contractors/others, material in transit, deposits, loans and other payables/receivables. Auditors have further stated that opening balances may not be free from misstatement and may have impact on current year financial statements.</p>	<p>Due to the retirement of experienced people in the plant and in finance department and newly recruited persons could not provide necessary evidence due to lack of time</p>
1)	<p>Age wise classification of Short term loans and Advances amounting to Rs.1277.10 lakhs , which are classified as ‘Considered Good’ is not available at the Naini unit so the Statutory Auditors of the said unit were unable to comment on the old outstanding of Such advances and their provisioning in the books of accounts by the unit.</p>	<p>Could not be produced to the auditors at the time of audit by unit finance department.</p>
<p>Qualifications quantifiable: a)</p>	<p>Non provision of Rs.8853.64 lakhs towards claims doubtful of recovery comprising of (i) rent receivable of Rs.5847.90 lakhs on a premises leased out up to the period ended 31.3.2011 and no rental income for the period subsequent to 31.03.2011 for the same premises has been recognised on accrual basis due to uncertainty of realization (Refer Note No.40.23); (ii) Liquidated Damages (LD) of Rs.1049.41 lakhs on a supplier claimed by Bangalore Plant, rejected by the Arbitral Tribunal and the matter is pending before High Court of Delhi. However, in the absence of adequate information to support that the claims are sustainable, we are unable to comment on the carrying value of this claim and the shortfall, if any, on the amount that would be ultimately realized by the Company; (iii) LD claimed by Mankapur Unit from MTNL Delhi and MTNL Mumbai for Rs.183.23 lakhs and Rs.82.90 lakhs respectively; (iv) Amount recoverable to an extent of Rs.1690.20 lakhs from HCL Info Systems Limited by Mankapur Unit towards conditional reimbursement as per the agreement between Company and HCL Info Systems Limited.</p>	<p>The company has been rigorously following on with the DoT for resolving the pending issue of the rent due from C-DoT. Subsequently, DoT has informed ITI to present the subject to ITI Board for perusal for the further course of action. Company is of the view that provision for Rs.5847.90 Lakhs at this juncture is not required till the issue is finally settled. As regards the LD of Rs.1049.41 Lakhs, the matter is in the court. Till then, it is felt that no provision is required to make. With regard to other claims amounting to Rs.1956.33 Lakhs, the company is confident of recovering the same.</p>

REPLY TO OBSERVATIONS OF SECRETARIAL AUDITOR IN HIS REPORT

Secretarial Auditors Observation	Company's reply
Pursuant to Section 149 (4) of the Act every listed public Company shall have at-least one-third of the total number of Directors as Independent Directors. However, the company is having only one Independent Director on its Board for the Financial Period under review.	The Company is a Government Company and as per Articles of Association of the Company, the power to appoint Directors including Independent Directors vests with the President of India. The issue relating to appointment of required number of independent directors is taken up with the Ministry of Communications & IT, Administrative Ministry. The appointment is in process.
The company has constituted the Audit Committee but the composition of the Committee is not in accordance with Section 177 read with Rule 6 of Companies (Meeting of Board and its Power) Rules, 2014 as there is only one Independent Director on the Board of the Committee not forming a majority of Independent Directors in the committee	In the absence of required number of independent directors on Board, the requirements as prescribed could not be complied with. On appointment of required number of Independent Directors on Board, the Committee would be reconstituted as per prescribed regulations.
The company has not consolidated financial statements with its Joint Venture viz., India Satcom Limited. (for the year ended 31st March 2016) in terms of first Proviso to Section 129 (3) of the Companies Act, 2013 read with Rule 5 of Companies (Accounts) Rules, 2014.	The Annual Financial results of India Satcom Limited are not made available to the Company and hence consolidation could not be done.
Non maintenance of proper fixed assets register	Noted for compliance
Composition of Board of Directors of the company is not in accordance with Clause 49 of the Listing Agreement and Regulation 17 of LODR as only one Independent Director is there on the Board.	In the absence of required number of independent directors on Board, the requirements as prescribed could not be complied with. On appointment of required number of Independent Directors on Board, the prescribed regulations will be complied with.

4. NOMINATION AND REMUNERATION COMMITTEE

ITI, being a Public Sector Undertaking, the appointment, tenure and remuneration of directors are decided by the Government of India.

The Nomination and Remuneration Committee consisted of Shri Saday Krishna Kanoria as Chairman, Shri Srikanta Panda and Lt. Gen. Nitin Kohli as Members. Subsequent to the appointment of Shri R M Agarwal in the place of Shri Srikanta Panda, the Committee was reconstituted with Shri Saday Krishna Kanoria as Chairman, Shri R M Agrawal and Lt.Gen. Nitin Kohli as Members on 27.06.2016. Subsequent to the appointment of Lt Gen A R Prasad in the place of Lt Gen Nitin Kohli, the Committee was reconstituted with Shri Saday Krishna Kanoria as Chairman Shri R M Agrawal and Lt Gen A R Prasad as Members on 09.02.2017.

As on 31.03.2017, due to absence of required number of independent directors the Composition is not as per Companies Act, 2013, SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and DPE guidelines. However after the appointment of Smt Asha Kumari Jaswal, the committee now consists of Shri Saday Krishna Kanoria as Chairman, Shri R M Agarwal, Lt Gen A R Prasad and Smt Asha Kumari Jaswal as Members and the constitution is in compliance with the aforesaid regulations.

The Company being Government Company as per the Companies Act, 2013 the terms of reference to the Committee is limited to Senior Management i.e one level below board and as per DPE guidelines for payment of performance related pay. Accordingly the need to meet for the Committee does not arise.

ITI is a Central Public Sector Undertaking, where appointment of Executive directors including Chairman and Managing Director is contractual in nature and their appointment is as per directives of Government of India. The remuneration of Part time Official Nominee directors are governed by their respective rules. Sitting fees are paid to Independent Directors.

As the appointment of all directors (Executive, Non-Executive and Independent) is made by Government of India, the Company has not laid down any criteria for evaluation of performance of Independent and Board of Directors.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

I. Telecom Industry Structure

The Indian telecommunications industry is one of the fastest growing in the world with about 10% growth annually, contributing about 2% of GDP. According to the Telecom Regulatory Authority of India (TRAI), the telephone subscriber base in the country reached 1194.58 million, with overall tele-density of 92.98 % at the end of March 31, 2017. Further, countries broadband subscribers has reached to 276.52 million at the end of March 2017. The figure will see a drastic improvement as The Indian telecoms sector has traditionally been voice driven. Commoditizing voice calls and offering tiered data tariffs would shift the business model from a voice to a data centric one. The average data consumption per user is increasing, with increased adoption of smartphones and availability of content. The industry has witnessed consistent growth during the last year on account of several factors, like, increased use of wireless network for broadband connectivity, launch of 4G networks by operators, growth of e-commerce etc. The market is also abuzz with high speed broadband connectivity to villages on pan India basis to provide e-governance solutions to rural masses. Wireless networks, broadband penetration at all corners, affordable smart phones and single click applications for variety of services, like e-commerce, e-governance, e-education, e-health etc. drive the Indian communication industry to create a “Digital India” in the coming years. In addition, the digital payments ecosystem is growing by leaps and bounds in India. This is largely possible as India is transitioning to a digital economy. Digital wallets witnessed exponential growth in the back of the recent demonetization drive by the Government of India.

The booming domestic telecom market has been attracting huge amounts of investment which is likely to accelerate with the entry of new players and launch of new services. Government’s initiatives to boost indigenous manufacturing through several new policies and “Make in India” will drive electronics manufacturing in the country. The communication industry scenario is very bright for business in Defence sector also. The government’s capex plan for investment in Defence sector in the coming years is huge and there is a significant part earmarked for communication domain.

ITI, being a pioneer as a electronics manufacturing PSU in the telecommunication industry, has the distinctive edge to gain from the opportunities arising out of the boom in electronics and communication market in the country.

II. Opportunities and Threats

As stated above, there is a huge opportunity in electronics manufacturing and communication services. There are many other business opportunities in the field of Defence electronics and communications, Solar power solutions, Energy storage products etc. and ITI has already ventured in to many of these areas, like solar panel manufacturing etc. ITI is also making inroads in IOT and smart city. ITI has tied up with many start-ups to offer various smart solutions required under IOT and smart city. There are huge opportunities in the service sector also. ITI has already been part of the Government projects, like National Population Register, Socio Economic and Caste Census etc. With thrust towards providing Government services through digital means, there are many opportunities to provide e-governance applications and services at central and state government levels. ITI has also launched mobile wallet called “Tag ITI” for offering cashless transactions in the country.

The Government has approved a revival plan for ITI with a funding support of Rs. 4156.79 Crores This package consists of Rs. 2264 Corers as equity towards up-gradation of manufacturing infrastructure in all the plants of ITI for implementation of new projects. Government had already released Rs.192 Corers as first phase disbursement to the Company towards capital expenditure under revival plan and has released Rs.80 Corers for capex for the year 2016-17. Further Government has allocated the Rs.200 Corers for capital expenditure during the year 2017-18 in the budget. The infrastructure up-gradation for implementation of

various projects is completed at different plants of ITI and the projects are under implementation. This support from the Government is helping ITI to go into manufacturing of products in different market domains in a big way.

In the changing environment, the Company has identified the following threats:

- Intense competition due to large number of international players and also domestic players in all market domains.
- Openmarket competition with MNCs, like, ZTE, Huawei, Alcatel-Lucent, Nokia, Ericsson, Siemens etc. in the field of telecommunications
- Non-availability of proper eco-system for electronics manufacturing in the country
- Keeping pace with the rapid change of technologies.

III. Future Outlook

Under revival plan, several projects have been planned for implementation at various manufacturing plants of ITI. In addition to telecom products like G-PON (ITI has won the contracts from BBNL and BSNL for the supply of G-PON equipments with C-DoT technology also expecting orders from RailTel), MLLN, Broadband equipments etc., Major thrust has been given, for the manufacture of encrypted telecommunication equipments required for Defence sector. ITI has also taken up diversified products like Solar panel manufacturing, Smart card manufacturing and Data center. ITI has already established HDPE manufacturing line at its Raebareli plant and Palakkad unit. ITI is in final stages of establishing Manufacturing infrastructure for OFC cables, Li-Ion batteries, Wi-fi solutions, Low power BTS. Also establishment of ITI's own Data center, contract manufacturing activities for VSSC and other PSUs are under progress, The other products identified for manufacture are Antenna, Radio modems, Smart Jammers, Anti intrusion systems, Set top box, Smart energy meters, 3D Printing etc for which the infrastructure being planned in phased manner. ITI has entered in to teaming agreements with many start-ups for smart solutions needed in IOT and smart city applications. There is good scope for getting business smart cities which are being developed in India. In IOT business sector ITI recently got order for installation for feedback solution to e -toilet under swatch Bharat mission of Government of India for which the equipment needed will be manufactured in ITI and supplied.

Risk Management

All business sectors, including Telecom Sector, are witnessing a rapid change both in market and technology fronts. The Company's business, operating results and financials are subject to various risk and uncertainties. Some of them are changes in economy, change in market and technology etc. The Company continues to believe that managing risk is critical for its growth and sustenance. The company is diversifying into many other sectors like IOT, smart city, solar power solutions, service sector so as to improve the top line.

The Company has adopted a Risk Management framework, which covers risk management techniques while conceiving a project or while execution of a project etc. The Company is constantly monitoring and assessing the internal as well as external risk factors associated with its day to day business operations and financial management and thereby effectively mitigating possible risks associated therewith. Financial Statements

SIGNIFICANT ACCOUNTING POLICIES

1.00 Basis of Preparation of Financial Statements

- 1.01 The Financial Statements have been prepared as a going concern, in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention modified by accounting for fixed assets acquired free of cost or by gift, at the market value at the time of such acquisition and revaluation of certain fixed assets, on accrual basis of accounting. GAAP Comprises mandatory Accounting Standards as prescribed under section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). Accounting Policies have been consistently applied except where a newly issued Accounting Standard is initially adopted or a revision to an existing Accounting Standard requires a change in the Accounting Policy hitherto in use.
- 1.02 The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual result could differ from these estimates.

2.00 Fixed Assets

- 2.01 Fixed Assets are stated at cost of acquisition / installation (net of Modvat / Cenvat credit availed), less accumulated depreciation and impairment losses.
- 2.02 Fixed Assets acquired free of cost or gifted to ITI are stated at Market Value which is credited to the Capital Reserve, at the time of acquisition less accumulated depreciation and impairment losses.
- 2.03 Any Capital Grant-in-Aid given for a specific project by any agency is initially credited to Grant-in-Aid (Capital) and this amount is adjusted to the statement of Profit and Loss over the useful life of the assets.
- 2.04 Expenditure on development of leasehold land is capitalised as Land Development Expenditure and is amortized over a period of 5 years, commencing from the year in which such expenditure is incurred.
- 2.05 Capital work in progress is stated at the amount expended up to the date of Balance Sheet.
- 2.06 In the event of revaluation of entire class of fixed assets, if the revalued amount is greater than the carrying amount of the fixed asset, such difference is taken to the revaluation reserve. If the revalued amount is lower than the carrying amount of the fixed asset and if the class of the asset has already been revalued, difference is set off against the amount available under the revaluation reserve for the same class of asset and excess thereof is charged to the statement of Profit and Loss.

3.00 Inventories

- 3.01 Raw materials, components and stores purchased for manufacturing/production activities are valued at lower of cost and net realizable value, after providing for obsolescence, if any. Cost is calculated on weighted average rate as at the end of the year. Where the same items are both purchased and manufactured, manufacturing costs are generally adopted.

3.02 Raw materials and production stores with ancillaries and fabricators are valued at lower of cost at the time of such issue and net realizable value, after providing for obsolescence, if any.

3.03 Manufactured items in Stock and Stock-in-Trade are valued at lower of cost excluding interest charges, administration overheads and sales overheads and at the net realisable value, after providing for obsolescence, if any.

3.04 Work-in-process

(i) Work-in-process (production) is valued on the basis of physically verified quantities at lower of cost excluding interest charges, administration overheads and sales overheads or at the net realisable value, after providing for obsolescence, if any.

(ii) Work-in-process (Installation) is valued at lower of cost as recorded in the Work Orders and net realizable value, after providing for obsolescence, if any.

3.05 Precious metals scrap is valued at net realizable value and brought to books at the year end.

4.00 Tools and Gauges

4.01 Expenditure on special purpose tools and fixtures is initially capitalized at cost and then amortized over production on a systematic basis, based on technical assessment.

4.02 Loose tools are charged to revenue at the time of issue.

5.00 Investments

Current Investments are carried at lower of cost and fair market value. Long term investments are carried at cost and provision for diminution in the value of such long term investments, other than temporary in nature, is made.

6.00 Intangible Assets

6.02 Expenditure on development of new products / technologies, development of software are capitalized individually at cost once their technical feasibility is established in accordance with the requirements of Accounting Standard 26, 'Intangible Asset'.

7.00 Depreciation

7.01 With effect from April 01, 2015, depreciation is charged on Straight Line Method over the useful lives of the assets as prescribed under Part C of Schedule II of the Companies Act, 2013, as against the old estimate as assessed by the Management.

7.02 Depreciation on additions and deletions to fixed assets during a year is provided on pro rata basis as follows:

(a) Depreciation is reckoned in full for the month of addition for the assets commissioned on or before 15th day of a month while no depreciation is reckoned for the month of addition for the assets commissioned after 15th of the month.

(b) In respect of assets sold, discarded, damaged or destroyed on or before 15th day of a month no depreciation is reckoned for the month of deletion while for the assets sold, discarded,

damaged or destroyed after 15th of the month depreciation is reckoned in full for the month of deletion.

- 7.03 Intangible assets are amortized and charged to revenue based on the economic benefits drawn by the company over the useful life not exceeding ten years based on techno commercial assessment.
- 7.04 In the case of depreciable assets which have been revalued, depreciation is calculated on straight line method on the revalued amount. With the adoption of Schedule II, the Company starts recouping additional depreciation on account of revaluation as a credit to General Reserve as against the earlier policy of recouping additional depreciation as a credit to Statement of Profit and Loss.

8.00 Prior period items

Adjustments arising due to errors or omissions in the financial statements of earlier years are accounted under "Prior Period Adjustments", if the amount involved is Rs. 5.00 lakhs or more in each transaction.

9.00 Foreign currency transactions

- 9.01 Foreign currency transactions are recorded at the rates of exchange prevailing on the date of transaction. Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.
- 9.02 Exchange differences arising on the settlement of monetary items or on reporting Company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or expenses in the year in which they arise.

10.00 Revenue Recognition

The Members
M/s. ITI Limited
(CIN: L32202KA1950GOI000640)
ITI Bhavan, Doorvani Nagar,
Bangalore - 560 016

I have conducted the Secretarial Audit of the compliances of applicable statutory provisions and the adherence to good corporate practices by M/s. ITI Limited (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conduct / statutory compliances and expressing my opinion thereon.

Management's Responsibility for Secretarial Compliances:

The Company's Management is responsible for preparation and maintenance of secretarial records and for devising proper systems to ensure compliance with the provisions of applicable laws and regulations.

Auditor's Responsibility:

My responsibility is to express an opinion on the secretarial records, standards and procedures followed by the Company with respect to secretarial compliances.

I believe that audit evidence and information obtained from the Company's management is adequate and appropriate for me to provide a basis for my opinion.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and read with the Statutory Auditors' Report on Financial Statements and Compliance of the conditions of Corporate Governance and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion and to the best of my information, knowledge and belief and according to the explanations given to me, the company has, during the audit period covering the financial year ended on 31st March 2017 (Audit Period) generally complied with the applicable statutory provisions listed hereunder and also that the Company has proper Board - processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by M/s. ITI Limited for the financial year ended on 31st March 2017 according to the provisions of:

1. The Companies Act, 2013 and the Rules made thereunder;
2. The Securities Contracts (Regulation) Act, 1956('SCRA') and the Rules made thereunder;
3. The Depositories Act, 1996 and the Regulations and Bye- laws framed thereunder;
4. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings to the extent applicable to the Company - **As reported to us, there were no FDI, ODI or ECB transaction in the Company during the year under review.**

Having regard to the compliance system prevailing in the Company and on the basis of presentation/certificates made by the heads of the departments and the compliance certificates made by the heads of the departments and submitted to the secretarial department of the Company, we report that the Company has substantially complied with the provisions of other applicable laws relating to maintenance of Labour laws, Environmental Laws, etc. to the extent of their applicability to the Company.

I have also examined compliance with the applicable clauses of the following:

- a. Secretarial Standards with respect to Board and general meetings of The Institute of Company Secretaries of India;
- b. Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review, the company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards etc. mentioned above, Subject to the following observations:

a) Observations / Non Compliances / Adverse Remarks / Qualifications in respect of Companies Act, 2013 and Rules made there under are as follows:

- Pursuant to Section 149 (4) of the Act, every listed public Company shall have at-least one-third of the total number of Directors as Independent Directors. However, the company is having only one Independent Director on its Board for the Financial Period under review.
- The company has constituted the Audit Committee but the composition of the Committee is not in accordance with Section 177 read with Rule 6 of Companies (Meeting of Board and its Power) Rules, 2014 as there is only one Independent Director on the Board of the Committee not forming a majority of Independent Directors in the committee
- The company has not consolidated financial statements with its joint venture viz., India Satcom Ltd. (for the year ended 31st March 2016) in terms of first Proviso to Section 129(3) of the Companies Act, 2013 read with Rule 5 of Companies (Accounts) Rules, 2014.
- Non-Maintenance of proper fixed assets registers.

b) Observations / Non Compliances / Adverse Remarks / Qualifications in respect of Compliance with SEBI (Listing Obligations & Disclosure Requirements) (LODR) Regulations, 2015 are as follows:

- Composition of Board of Directors of the company is not in accordance with Clause 49 of the Listing Agreement and Regulation 17 of LODR as only one Independent Director is there on the Board.

Also, we draw attention that:

- Cumulative Redeemable Preference shares amounting to Rs. 30,000.00 Lakhs, overdue for redemption, shown under share capital since the redemption is part of the BIFR package envisaged for the Company.
- The provisions of Section 42 and Section 62 of the Companies Act, 2013 and Rule 14 of the Companies (Prospectus and Allotment of Securities) Rules, 2014 are not applicable to the Company as the Preferential issue of equity shares is made in terms of Rehabilitation scheme approved by the Board of Industrial and Financial Reconstruction (BIFR) under the sick industrial Companies (Special Provisions) Act, 1985.

I further report that:

- a. The Board of Directors of the Company is duly constituted with proper balance of Executive Directors and Non-Executive Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
- b. Adequate notice was given to all the directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent atleast seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- c. All decisions at Board Meetings are carried out by requisite majority as recorded in the minutes of the meetings of the Board of Directors as the case may be.

- d. If further report that as represented by the Company and relied upon by me there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

Independent Auditor's Report

To the members of ITI limited

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of ITI Limited ('the Company'), which comprise the Balance Sheet as at 31 March 2017, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

The Board of directors amended the accounts approved by them on May 28th, 2017 based on the Comptroller & Auditor General's audit observations during the course of audit under Section 143(6)(a) of the Companies Act, 2013 by amending Note No.40 serial number 9 and amending Note No. 40 serial number 16 and incorporating serial number 31 to Note No 40. This amendment/insertion have no impact on the reported figure in the financial statements. Consequent to amendment of serial No.9 to Note No. 40, our report has been revised by removing the emphasis drawn by us earlier on this matter. The amended accounts have been approved by the Directors in their Board Meeting held on August 22nd , 2017.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the Accounting and Auditing Standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the standalone financial statements.

Basis of Qualified Opinion
Qualifications not quantifiable

- (a) In view of Company's own production activities having come down substantially and slow movement in the inventory, there is a need for systematic age wise segregation and analysis of the items comprised in the inventory to assess their usefulness/usability in the production & servicing activities, period over which they could be used as also whether the inventory items are capable of being sold /disposed off as standalone items. Pending such an exercise, we are unable to express an opinion as to the adequacy of the provision held towards non-moving and obsolete inventories and the eventual realizable amount in respect of the inventories, as also the possible effect on the financial statements. Aggregate Inventories as at March 31, 2017 were Rs. 17708.46 lakhs against which provision of Rs. 3479.82 lakhs has been made towards non-moving and obsolescence.
- (b) The Company does not have an adequate mechanism in place to review the balances in trade receivables and in our opinion, there is a need for systematic age wise segregation and analysis including timely adjustment of advances received from customers. In the absence of such reviews and systematic age-wise analysis, we are unable to comment on the adequacy of provision held for doubtful debts and also on the shortfall, if any, on the amount that would be ultimately realizable from the customers. Total Trade Receivables as on March 31, 2017 were Rs.227913.64 lakhs against which a sum of Rs. 4651.61 lakhs has been provided for doubtful debts.
- (c) No provision for the permanent diminution in the value of the Investment of Rs 40.55 lakhs in the unquoted equity shares of a Joint Venture(JV) Company has been ascertained as required by Accounting Standard 13 on 'Accounting for Investments' read with in the Significant Accounting Policy No.5, in view of the negative net worth and Statutory Auditors of the JV in their Report for the year ended 31.03.2016 have expressed their inability to comment on the going concern concept adopted by the said JV.
- (d) Pending approval from the Government of India on the finalization of the lease terms & agreement, rental income on the land leased out to the Bangalore Metropolitan Transport Corporation (BMTC) (to an extent of the 12.15 acres proposed to be leased out to BMTC is already in the possession of BMTC, further based on the information furnished to us, BMTC additionally occupies 1.85 acres), has not been recognised as income. A sum of Rs 285.00 lakhs received earlier from the BMTC under an agreement to sell is held under deposits (Refer Note 40.17);
- (e) Non provisioning of interest payable on royalty due to C-DoT in lieu of arrears of rent from the same agency for the premises taken on lease from the Company which is being more than the royalty amount (Refer Note No. 40.23);
- (f) Adequacy of the provisions made towards interest and penalty, if any, leviable for non remittance of statutory dues on sales accounted on provisional basis (tax incidence on such sales not recognized) and delayed/short remittance of other statutory dues including Provident Fund, Employees State Insurance and Tax deducted at source as per the provisions of Income Tax Act, 1961 could not be ascertained;
- (g) Rental income on the land leased out to the Karnataka Power Transmission Corporation Limited (KPTC) (to an extent of the 5 acres proposed to be leased out to KPTC is already in the possession of KPTC), has not been recognised as income pending finalisation of lease agreement. (Refer Note No. 40.19)

- (h) No impairment assessment has been carried out by the Company by reviewing the carrying amount of assets as at the Balance Sheet date as required by Accounting Standard 28 on 'Impairment of Assets' read with Significant Accounting Policy No. 16 of the Company and hence identification of impairment loss and provision thereof, if any, has not been made.
- (i) Our comments on the non-maintenance of proper fixed assets register and no physical verification of fixed assets has been carried out by the Company in a few units as stated in para i(a) and i(b) in the annexure A to this Report containing a statement on the matters specified in paragraphs 3 and 4 of the Companies (Auditor's Report) Order, 2016.
- (j) Refer Note No 3 on inventories under 'Significant Accounting Policies'. Raw materials, components and stores purchased for manufacturing/production activities are valued at lower of cost and net realisable value, after providing for obsolescence, if any. Cost is calculated on weighted average rate as at the end of the year. Total value of inventories at Naini Unit as at March 31, 2017 is Rs. 1258.12 lakhs. Statutory Auditors of the said unit have qualified their report stating that they were unable to comment whether inventories were valued as per the principles laid out in Accounting Standard 2 on "Valuation of Inventories" read with the Company's Accounting Policy as detailed workings were not made available to them for verification.
- (k) The Statutory Auditors of the Mankapur Unit have qualified their report stating that sufficient and appropriate audit evidence were not provided with respect to opening and closing balances of bank accounts, trade receivables, claims recoverable, loans and advances, inventories, materials with fabricators, sub-contractors/others, material in transit, deposits, loans and other payables/receivables. Auditors have further stated that opening balances may not be free from misstatement and may have impact on current year financial statements.
- (l) Age wise classification of Short term loans and Advances amounting to Rs 1277.10 lakhs , which are classified as 'Considered Good' is not available at the Naini unit so the Statutory Auditors of the said unit were unable to comment on the old outstanding of Such advances and their provisioning in the books of accounts by the unit.

**Our opinion is modified in respect of these matters.
Qualifications quantifiable**

- (a) Non provision of Rs. 8853.64 lakhs towards claims doubtful of recovery comprising of
 - (i) rent receivable of Rs 5847.90 lakhs on a premises leased out upto the period ended 31.3.2011 and no rental income for the period subsequent to 31.03.2011 for the same premises has been recognised on accrual basis due to uncertainty of realization (Refer Note No.40.23);
 - (ii) Liquidated Damages (LD) of Rs 1049.41 lakhs on a supplier claimed by Bangalore Plant, rejected by the Arbitral Tribunal and the matter is pending before High Court of Delhi. However in the absence of adequate information to support that the claims are sustainable, we are unable to comment on the carrying value of this claim and the shortfall, if any, on the amount that would be ultimately realized by the Company;
 - (iii) LD claimed by Mankapur Unit from MTNL Delhi and MTNL Mumbai for Rs. 183.23 lakhs and Rs. 82.90 lakhs respectively;
 - (iv) Amount recoverable to an extent of Rs. 1690.20 lakhs from HCL Info Systems Limited by Mankapur Unit towards conditional reimbursement as per the agreement between Company and HCL Info Systems Limited.

**Our opinion is modified in respect of these matters.****Opinion**

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the various matters described in the 'Basis of Qualified Opinion' paragraph above, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2017 and its Profit and its cash flows for the year ended on that date

Emphasis of matter

We draw attention to the following matters in the Notes to the Financial Statements:

- (a) Cumulative Redeemable Preference Shares amounting to Rs 30000.00 lakhs overdue for redemption continued to be shown under Share Capital since the redemption is part of the BIFR package envisaged for the Company (Refer Note No. 1);
- (b) Formal conveyance/lease deeds in respect of lands, excepting part of lands at Bangalore and Mankapur, are yet to be executed by the respective State Governments (Refer Note No. 13);
- (c) Necessary accounting adjustments for acquisition of 1.375 acres of land by the National Highway Authority of India (NHAI) for public purposes to be made on receipt of compensation, with proportionate cost of the acquired land having been withdrawn from the fixed assets and held as claims recoverable(Refer Note No. 40.18);
- (d) Balances in the accounts of trade payables, advances from customers, trade receivables, claims recoverable, loans & advances, materials with fabricators, sub contractors/others, material in transit, deposits, loans and other payables/receivables such as Sales Tax, VAT, Excise Duty, CENVAT, Service Tax, TDS etc., being under confirmation/reconciliation. Adjustments, if any will be made on completion of such reconciliation /receipt of confirmation. (Refer Note 40.4);
- (e) The Company is Sick Company as per provisions of Sick Industrial Companies Act (SICA), 1985. CCEA has approved a financial assistance of Rs. 4156.79 Crores in February, 2014, for Revival of ITI under Rehabilitation Scheme (Refer Note No. 40.16)
- (f) No lease agreement has been entered with ESIC for the additional land occupied by the Corporation to an extent of 229 sqmt. (Refer Note 40.20)
- (g) Land measuring 77 Acres have been resumed by the Govt of Kerala and is under adjudication of the Apex Court. The value of land as shown in the balance sheet includes the value of land resumed by the Govt Of Kerala (Refer Note 40.21)
- (h) Validity of Claims recoverable from DoT towards loss incurred by Srinagar Unit. A sum of Rs. 344.00 lakhs and a sum of Rs. 223.49 lakhs is pending from DoT for the loss incurred by the said unit in FY 2015-16 and for FY 2016-17 respectively.
- (i) The Statutory Auditors of Rae Bareli without qualifying their opinion have stated that On random checking of cash vouchers, payment of Rs. 0.86 lakhs was found unsupported. Possibility of more such vouchers could not be ruled out. Such payments prima-facie appears to be embezzlement which needs management attention.

Our opinion is not modified in respect of these matters.

Other Matters

- a) We did not audit the financial statements of five Units whose financial statements reflect total assets of Rs. 489545.54 Lakhs as at March 31, 2017, total revenues of Rs. 116454.88 Lakhs and Loss after tax of Rs. 9087.23 Lakhs for the year ended on that date. These financial statements are audited by the respective Unit Auditors appointed by the Comptroller & Auditor General of India whose reports have been furnished to us and our opinion in so far as it relates to the amounts and disclosures included in respect of these branches, is based solely on the report of such other auditors.
- b) We have relied on the unaudited financial statements of certain Regional Offices whose financial statements reflect total assets of Rs. 49050.79 Lakhs as at March 31, 2017, total revenues of Rs. 18207.39 Lakhs and Profit after tax of Rs. 277.42 Lakhs for the year ended on that date. These unaudited financial statements of ROs have been certified by the Management and furnished to us and our report is based solely on such unaudited financial statements.

Our opinion is not modified in respect of these other matters.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and proper returns adequate for the purpose of our audit have been received from the Units not visited by us.
 - c) The reports on the accounts of those Units of the Company audited under Section 143 (8) of the Act by the Unit auditors have been sent to us and have been properly dealt with by us in preparing this report.
 - d) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account and with the returns received from the units not visited by us.
 - e) Except for matters described in the Basis of Qualified opinion paragraph above, in our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - f) Being a Government Company, Section 164(2) of the Companies Act, 2013 regarding 'whether any director is disqualified from being appointed as a director' is not applicable to the Company in view of Notification No. G S R 463(E) dated June 05, 2015;
 - g) The matters described in the basis of qualified opinion paragraph above, in our opinion, may have an adverse effect on the functioning of the Company.
 - h) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure

B". Our Report expresses a disclaimer of opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting; and

- i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 40.12(b) to the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts required to be transferred to the Investor Education and Protection Fund by the Company
 - iv. The Company has provided requisite disclosures in its financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8 November, 2016 to 30 December, 2016 and these are in accordance with the books of accounts maintained by the Company. However, necessary information was not provided by Naini and Srinagar Units to the Statutory Auditors Concerned and no disclosure was made by the said units in its Financial Statements. However, Management has obtained necessary details and included the same in the Note No referred below. Disclosures pertaining to holdings as well as dealings in Specified Bank Notes by other units and regional offices are based on the report of the Other Auditors and certificate given by the management respectively. Refer Note 40.24 to the financial statements
3. As required by Section 143(5) of the Act, we have considered the directions issued by the Comptroller and Auditor General of India, the action taken thereon and its impact on the accounts and financial statements of the Company – Reference Annexure C attached.

Annexure - A to the Auditor's Report

The Annexure referred to in Independent Auditors' Report to the members of the Company on the standalone financial statements for the year ended 31 March 2017, we report that:

- i.
 - (a) The Company has maintained proper records showing full particulars including quantitative details and location of fixed assets on the basis of available information except for the assets located at Bangalore Plant, Bangalore NS Unit and Corporate Office where the records are to be updated in relation to location and adjust for revaluation and be reconciled with the Books of Account. In case of Rae Bareli Unit, on the basis of the Report of the other auditors, we report that the Fixed Assets Register was not provided for verification to the statutory auditors concerned.
 - (b) According to the information and explanations given to us and on the basis of the Report of the Other Auditors, except for the fixed assets located at the Bangalore Plant (other than plant and machinery), Bangalore NS Unit, Rae Bareli, Palakkad Unit and Corporate Office, fixed assets at all other locations have been physically verified by the management and no material discrepancies were noticed on such verification. Pending physical verification of fixed assets at the above referred locations, discrepancies, if any, cannot be ascertained and accounted for. In case of Naini Unit, on the basis of the Report of the other auditors, we report that the physical verification certificate was not provided for verification to the statutory auditors concerned.
 - (c) We are unable to comment on whether the title deeds of immovable properties are held in the name of the Company as sufficient information and appropriate evidence supporting the same in the units where we have audited are not made available to us and in the absence of the specific comment on the same by the other Auditors in their Report.
- ii. According to the information and explanations given to us, inventories (excluding those with third parties) have been physically verified by the management at reasonable intervals other than at
 - Bangalore Plant where perpetual inventory system verification has been followed. However, documentation does not support the assessment of the reasonableness of the intervals of verification;
 - NSU Unit &
 - Raebareli Unit

According to the information and explanations given to us and based on the Report of the Other Auditors, no material discrepancies were noticed on physical verification of the inventories at the locations where Management had carried out physical verification. However, at Bangalore Plant since documents supporting the comparison of physical stocks with book records are not made available, we are unable to comment on the discrepancies. Further In case of Naini Unit, on the basis of the Report of the other auditors, we report that the physical verification certificate was not provided for verification to the statutory auditors concerned.
- iii. According to the information and explanations given to us, the Company has not granted any | loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013. Therefore paragraph 3 (iii) of the Order is not applicable to the Company.
- iv. The Company has not granted any loans or provided any guarantees or security to the parties covered under Section 185 of the Act. The Company has complied with the provisions of section 186 of the Act in respect of investments made or loans provided to the parties covered under Section 186.

- v. The Company has not accepted deposits from public in accordance with the provisions of sections 73 to 76 of the Act and the rules framed there under.
- vi. We have broadly reviewed the cost records maintained by the Company as specified by the Central Government under section 148(1) of the Act, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- vii. (a) According to the information and explanations given to us and the records of the company examined by us and on the basis of Report of the Other Auditors, in our opinion, the Company is not regular in depositing undisputed statutory dues including Provident Fund employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues to the appropriate authorities and a sum of Rs 761.68 lakhs and Rs. 7681.27 lakhs and Rs 4327.65 lakhs and Rs. 721.49 lakhs pending as arrears pertaining to Provident Fund in the books of Naini, Raebareli, Mankapur and Bangalore Plant units respectively, and further a sum of Rs.1.23 lakhs pending as arrears towards Employees State Insurance pertaining to Bangalore NS Unit and further a sum of Rs. 57.13 lakhs pending as arrears towards U.P Trade Tax on Sales in the books of Raebareli which are not disputed and are outstanding for a period of more than six months from the date they became payable. We have been informed that Sales Tax & Service Tax liabilities on sales set up on provisional basis are not recognised & accounted. Statutory Auditors of Naini have qualified their Report with respect to non-provisioning of service tax liability on the payments made under works contract as a service receiver; hence provisions of Section 68 of the Finance Act, 1994 have not been complied with.
- (b) According to the information and explanations given to us and based on the Report of the Other Auditors, statutory dues that have not been deposited with the appropriate authorities on account of any dispute are as follows:

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We were engaged to audit the internal financial controls over financial reporting of ITI Limited ("the Company") as of 31 March 2017 in conjunction with our audit of the Standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit conducted in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India.

Because of the matter described in Disclaimer of Opinion paragraph below, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to

error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Disclaimer of Opinion

The system of internal financial controls over financial reporting with regard to the Company were not made available to us to enable us to determine if the Company has established adequate internal financial control over financial reporting and whether such internal financial controls were operating effectively as at March 31, 2017

The system of internal financial controls over financial reporting with regard to the Units of the Company have not been audited by the respective statutory auditors of the Units and we are unable to determine if the Units have established adequate internal financial control over financial reporting and whether such internal financial controls were operating effectively as at March 31, 2017

We have considered the disclaimer reported above in determining the nature, timing, and extent of audit tests applied in our audit of the standalone financial statements of the Company, and the disclaimer has affected our opinion on the financial statements of the standalone Company and we have issued a qualified opinion on the financial statements.

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL STATEMENTS OF ITI LIMITED, NEW DELHI FOR THE YEAR ENDED 31 MARCH 2017.

The preparation of financial statements of ITI Limited, for the year ended 31 March 2017 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 is the responsibility of the management of the company. The statutory auditor/auditors appointed by the Comptroller and Auditor General of India under section 139(5) of the Act is/are responsible for expressing opinion on the financial statements under section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated August 22, 2017.

I, on the behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit under section 143(6)(a) of the Act of the financial statements of ITI Limited for the year ended 31 March 2017. This supplementary audit has been carried out independently without access to the working papers of the statutory auditors and is limited primarily to inquiries of the statutory auditors and company personnel and a selective examination of some of the accounting records. In view of the revision(s) made in the financial statements by the management, as a result of my audit observations highlighted during supplementary audit as indicated in the Note No. 40.31 of the financial statements, I have no further comments to offer upon or supplement to the statutory auditors' report under section 143(6)(b) of the Act.
