69th ANNUAL REPORT 2018-19

TOTAL SOLUTIONS FOR GLOBAL COMMUNICATIONS

Chairman's Message

Dear Shareholders,

I am delighted to welcome you all to the 69th Annual General Meeting of your company and to present you with the achievements of the company during financial year 2018-19. The notice related to this meeting, Directors' Report, Audited Annual Accounts together with the Auditors' Report, comments of the Comptroller and Auditor General of India on the accounts of the company are already with you and with your permission I shall take them as read. Further, I am pleased to inform you that the company has complied with the guidelines on Corporate Governance for Central Public Sector Undertakings. On behalf of ITI and its Board of Directors, it is my proud privilege to share my thoughts with you through the Annual Report for the year 2018-19.

Over the last few years your company has performed exceedingly well. Continuing with this trend, for the Financial year 2018-19, your company has achieved a turnover of Rs 1,894 Crores with a net profit of Rs 111 Crore before tax which is an improvement of 9% over the previous years' performance. Our robust performance in each of the verticals is evident from a strong order book position comprising of Purchase Orders of Rs 7,347 Crore and Advance Purchase Orders of Rs 7,098 Crores as on date. In addition to these stated Purchase Orders, we have been adjudged as L1 vendor for strategically important ASCON Phase IV tender of Ministry of Defence with an approximate value of Rs 7,600 Crores. Your company has fixed an ambitious target of Rs 3,300 Cr for itself in the MoU signed with Govt. of India for the year 2019-20.

Let me highlight some of the significant accomplishments of your company in the last financial year.

In the area of Defence Communication your company has played a pivotal role in the past. Having designed, manufactured and installed the three phases of ASCON, your company continued its maintenance activities besides aggressively negotiating with MoD for conclusion of Phase IV of the project. It continued with laying of cable under the Network for Spectrum (NFS) project for Defence forces in the packages 'G' and 'H' in Eastern and North Eastern region of the country.

During the year the company has emerged as a front runner in providing End to End Optical and Data Networking products and services. The Govt. of India reposed its faith in your company's ability to design and execute turnkey solutions for supply, installation, commissioning of GPON & associated equipment by awarding prestigious MahaNet and GUJNET projects for BharatNet Phase II. A significant progress has been made in both these projects especially the project in the state of Gujarat in which the CAPEX part of the project is likely to be completed in the Financial Year 2019-20 itself. The Rae Bareilly plant of the company is now equipped to manufacture HDPE duct and Optical Fibre Cable (OFC). The Plant has already obtained TSEC for two types of OFC cable and has plan to supply OFC for BharatNet Phase II projects and also upcoming ASCON project.

It has always been your company's endeavor to foray into hosting services along with a suite of IT & software services. In addition to existing Data Centre at its Bangalore Plant, a 1,000 rack with a Tier 3 Certification Data Centre is nearing completion and would soon 'Go Live' offering end-to-end hosting & managed services.

During the year, the Palakkad plant of your company has stepped up the production of Smart Energy meters against the EESL Work Order for supply of 25,00,000 meters. The confidence of our customers in the quality and workmanship of the plant was further reinforced when it was chosen by India's premier space agency Indian Space Research Organisation (ISRO) to carry out component screening of various parts used in its satellites and launch vehicles. The Smart Cards manufactured by the plant have been accredited with Certificate of RuPay Contact cards by National Payment Corporation of India (NPCI) and is the only PSU of the country to have such a certification. The product has certification from Master Card while certification from VISA Card is planned in the current year. In fact, the plant is capable of supplying these cards to support 'One Nation One Card' initiative of the Govt of India.

The Naini plant of your company is making big strides in manufacturing of solar panels. It has already set up infrastructure including TSEC certification for a capacity of 18 MWp for manufacturing of solar panels. It is already in negotiation with EESL for a work order worth Rs 75 Crore for supply of Qty. 40,000 solar powered street lights. The unit has also taken up a project of Solar Energy Corporation of India (SECI) for implementation of rooftop solar equipment to generate 10MW power.

The manufacturing activities in the Mankapur plant is seeing a gradual rise. The unit has been supplying Optical Network Terminals (ONTs) for GujNet project and has developed a 3D printing machine. The plant has also developed a Sanitary Napkin vending machine which is being deployed in some of the colleges and government offices.

Under the aegis of Govt of India, a Skill development training programme was initiated at the Srinagar plant of the company. A total of 235 students are being trained in various skill sets. I am quite hopeful that with the recent turnaround of events in the Jammu & Kashmir, a more vibrant atmosphere would be visible in the coming days.

Our Network Support Unit (NSU) has been instrumental in implementing the GujNet project under BharatNet Phase II. The project execution is being done in a very professional manner keeping in view the defined timelines and we hope to meet the scope of work (Liting of 3925 Gram Panchayats) within the year ending March 2020.

When it comes to telecom technology, your company has always been rated amongst the top few. The recent example being the company's collaborative effort with Telecom Engineering Centre (TEC) of DoT in setting up of testing labs. The company has successfully set up EMI/EMC and safety lab and is vigorously pursuing installation of telecom security lab and SAR lab at its Bangalore plant. There has always been demand from the industry for hand holding the new initiatives. As part of this exercise, a 1000 seater Start up hub has been set up in the Bangalore plant and has witnessed steady increase in its occupancy. The plant is now geared up to manufacture and supply Wi-Fi Access points, Caller ID phones, Radio Modems and Antenna.

Dear shareholders, I would like to highlight that there has been a tactical shift in the project implementation strategy. No longer are we dependent on our back end partners to execute a project. Rather, we have taken a resolve to execute the projects on our own strength, by deploying our own resources and close monitoring at various level. The end result is for all of you to see. As a result of this change in project execution strategy we are now achieving better project execution results, better margins and to top it all we have been able to motivate and convince our personnel of their potential and skill level. We have been able to instill a sense of confidence and competitiveness among our resources that they can do it and do it better than anyone else. The outcome of this change in project implementation strategy would be visible in the times to come.

On this occasion, I would like to mention that, in order to comply with the SEBI guidelines on minimum Public shareholding, Further Public Offer (FPO) of 18 crore will be launched based on the market conditions and advice of Merchant Bankers.

With that, I assure you that the management shall strive to make best efforts in sustaining the growth of your company and thereby ensure sustained returns to its stakeholders.

To conclude I am grateful to the Govt of India, Department of Telecommunications, Ministries of Home Affairs, Defence, Finance and Rural Development for their continued support. I am also thankful to Chairman Digital Communication Commission, DoT PSUs, all department of Central and State Govt, our esteemed customers, depositors, banks, financial institutions, auditors, Committee on Public Undertakings (COPU), Standing Committee on Information Technology, Standing Conference of Public Enterprises (SCOPE) and Department of Public Enterprise for their continued support and co-operation. I also take this opportunity to extend my thanks to all fellow Directors on the Board of ITI, the employees and shareholders for their support and understanding.

With best wishes,

Rakesh Mohan Agarwal
Chairman & Managing Director

Date : 15th November 2019

(S. SHANMUGA PRIYA)
COMPANY SECRETARY

Explanatory statement as required under Section 102 of the Companies Act, 2013

Item No. 3 to 7

In terms of the Articles of Association of the Company, the President of India is vested with the power to appoint the Directors of the Company from time to time and also shall determine the terms of office of such Directors. Accordingly, the following appointments on the Board of your Company were effected as per the directives of the President of India.

Shri Shashi Prakash Gupta

Shri Shashi Prakash Gupta (DIN:08254999), was inducted into the Board as an Additional Director (Director HR) w.e.f. 15.10.2018 in pursuance of Ministry of Communications Letter No. F.No. E-14-1/2018-PSA dated 9th October 2018, and in terms of Section 161 of the Companies Act, 2013, Shri Shashi Prakash Gupta holds office upto the date of ensuing Annual General Meeting (AGM).

Shri Saday Krishna Kanoria

Pursuant to Ministry of Communication Order No.F.No.14-1/2013-PSA dated 24th November, 2015 Shri Saday Krishna Kanoria (DIN 00623266) was inducted into the Board as Non-official Independent Director for a period of three years or until further orders, whichever is earlier. The Members at the 66th AGM held on 21st September 2016, approved the appointment of Shri Saday Krishna Kanoria as Independent Director of the Company for a period of 3 years w.e.f. 24th November 2015. Pursuant to Ministry of Communications Order No.E-5-7/2018-PSA dated 22nd November, 2018, Shri Saday Krishna Kanoria was re-appointed as Non-Official Independent Director of the Company for a period of 1 year w.e.f 24th November 2018 or until further orders whichever is earlier.

Lt Gen Rajeev Sabherwal, AVSM, VSM, Signal Officer-in Chief, Ministry of Defence

The Ministry of Communications vide order No. F. No. E-5-1/ 2016-PSA dated 03rd April 2019 has appointed Lt Gen Rajeev Sabherwal, AVSM, VSM, Signal Officer-in Chief, Ministry of Defence (DIN: 08420761) as Government Nominee Director with effect from the date of order for a period of three years or till the date of his superannuation or until further orders whichever is earliest. However, appointment of Lt Gen Rajeev Sabherwal, AVSM, VSM, Signal Officer-in Chief has taken effect from 12th April 2019 i.e. the date of obtaining Director Identification Number.

Shri Rakesh Mohan Agarwal

Shri Rakesh Mohan Agarwal (DIN: 07333145), former Government Nominee Director on the Board of the Company, was appointed as Director- Marketing with effect from 27th April 2018 (A/N). Consequent to the superannuation of Shri K Alagesan as Director Production/ Additional Charge Chairman and Managing Director on 30th September 2019, Shri Rakesh Mohan Agarwal was entrusted with additional charge of the post of Chairman and Managing Director w.e.f. 01st October 2019. Thereafter, the Government of India vide order no. F.No. E-14-3/2018-PSA dated 14th October 2019, appointed Shri Rakesh Mohan Agarwal as Chairman and Managing Director w.e.f. 14th October 2019 till the date of his superannuation i.e. 30th June 2022 or until further orders whichever is earlier.

Shri D Venkateswarlu

Shri D Venkateswarlu (DIN: 08605954) was inducted to the Board as an Additional Director (Director Production) w.e.f. 07th November 2019 in pursuance of Ministry of Communications order No. E-14-3/2019- PSA dated 05th November 2019 till 31st August 2022 i.e. the date of his superannuation or until further orders, whichever is earlier. In terms of Section 161 of the Companies Act, 2013, Shri D Venkateswarlu holds office upto the date of ensuing AGM.

Notice has been received under Section 160 of the Companies Act, 2013 from the Members signifying their intention to propose the re-appointment of Shri Saday Krishna Kanoria and appointment of Shri Shashi Prakash Gupta, Lt Gen Rajeev Sabherwal, Shri Rakesh Mohan Agarwal and Shri D Venkateswarlu as Directors of the Company at the ensuing AGM.

The Nomination and Remuneration Committee at its meeting held on 07th August 2019 have recommended to the Members' for appointment/re-appointment of Shri Saday Krishna Kanoria, Shri Shashi Prakash Gupta and Lt Gen Rajeev Sabherwal. The Nomination and Remuneration Committee vide Circular Resolution dated 15th November 2019, recommended appointment of Shri Rakesh Mohan Agarwal as Chairman and Managing Director and Shri D Venkateswarlu as Director Production of the Company.

In terms of Section 152 of the Companies Act, 2013, every Director shall be appointed by the Company in general meeting. Accordingly, necessary resolutions have been placed before the Annual General Meeting for Members' approval.

Shri Saday Krishna Kanoria, has given a declaration that he meets the criteria of Independence as provided in Section 149(6) of the Companies Act, 2013 and Regulation 16 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Further, in the opinion of the Board, Shri Saday Krishna Kanoria fulfills the condition for appointment as Independent Director as mentioned in the Companies Act, 2013.

Since, the re-appointment of Shri Saday Krishna Kanoria has been made by the Government of India, performance evaluation for re-appointment has not been furnished by the Company.

Shri Shashi Prakash Gupta, Shri Saday Krishna Kanoria, Lt Gen Rajeev Sabherwal, Shri Rakesh Mohan Agarwal and Shri D Venkateswarlu are deemed to be interested in the proposed resolution to the extent of their appointment/re-appointment as Directors.

None of the other Directors or Key Managerial Personnel of the Company or their relatives is concerned or interested, in the resolution set out at item no. 3 to 7 of the notice.

Shri Shashi Prakash Gupta, Shri Saday Krishna Kanoria, Lt Gen Rajeev Sabherwal, Shri Rakesh Mohan Agarwal and Shri D Venkateswarlu do not hold any share in the Company, either in their individual capacity or on a beneficial basis for any other person.

Your directors recommend the ordinary resolutions for Shri Shashi Prakash Gupta, Lt Gen Rajeev Sabherwal, Shri Rakesh Mohan Agarwal and Shri D Venkateswarlu and Special Resolution for re-appointment of Shri Saday Krishna Kanoria as proposed in the notice for approval.

A brief profile of Shri Shashi Prakash Gupta, Shri Saday Krishna Kanoria, Lt Gen Rajeev Sabherwal, Shri Rakesh Mohan Agarwal and Shri D Venkateswarlu are provided in **Annexure B** of this Notice.

Item No. 8

Rule 14 of the Companies (Audit and Auditors) Rules, 2014 requires ratification by the members for the remuneration fixed for the Cost Auditor of the Company appointed under Section 148(3) of the Companies Act, 2013.

Accordingly, necessary resolution seeking ratification for fixation of remuneration of Rs 3.16 lakhs (inclusive applicable taxes) and out of pocket expenses and conveyance expenses at actuals for the Cost Auditor appointed for the year 2019-20 is placed before the Member for their approval.

None of the Directors or Key Managerial Personnel of the Company or their relatives is interested in the resolution.

Your directors recommend the ordinary resolution as proposed in the notice for Members' approval.

ANNEXURE C – INSTRUCTIONS FOR E-VOTING

The instructions for e-voting electronically are as under:

(A) In case of members receiving e-mail:

- (i) Log on to the e-voting website www.evotingindia.com
- (ii) Click on “Shareholders/Members” tab.
- (iii) Now Enter your User ID
 - a. For CDSL: 16 digits beneficiary ID,
 - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
 - c. Members holding shares in Physical Form should enter Folio Number registered with the Company.
- (iv) Next enter the Image Verification as displayed and Click on Login.
- (v) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier voting of any company, then your existing password is to be used.
- (vi) If you are a first time user follow the steps given below:

For Members holding shares in Demat Form and Physical Form

PAN	Enter your 10 digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders) <ul style="list-style-type: none"> • Members who have not updated their PAN with the Company/Depository Participant are requested to use the first two letters of their name and the last 8 digits of the demat account/folio number in the PAN field. • In case the folio number is less than 8 digits enter the applicable number of 0's before the number after the first two characters of the name in CAPITAL letters. Eg. If your name is Ramesh Kumar with folio number 100 then enter RA00000100 in the PAN field.
DOB	Enter the Date of Birth as recorded in your demat account or in the Company records for the said demat account or folio in dd/mm/yyyy format.
Dividend Bank Details	Enter the Dividend Bank Details as recorded in your demat account or in the company records for the said demat account or folio. <ul style="list-style-type: none"> • Please enter the DOB or Dividend Bank Details in order to login. If the details are not recorded with the depository or company please enter the number of shares held by you as on the cutoff date in the Dividend Bank details field.

- (vii) After entering these details appropriately, click on “SUBMIT” tab.
- (viii) Members holding shares in physical form will then reach directly the Company selection screen. However, members holding shares in demat form will now reach ‘Password Creation’ menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (ix) For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- (x) Click on the EVSN for the relevant <Company Name> on which you choose to vote.
- (xi) On the voting page, you will see “RESOLUTION DESCRIPTION” and against the same the option “YES/NO” for voting. Select the option YES or NO as desired the option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (xii) Click on the “RESOLUTIONS FILE LINK” if you wish to view the entire Resolution details.
- (xiii) After selecting the resolution you have decided to vote on, click on “SUBMIT”. A confirmation box will be displayed. If you wish to confirm

your vote, click on “OK”, else to change your vote, click on “CANCEL” and accordingly modify your vote.

- (xiv) Once you “CONFIRM” your vote on the resolution, you will not be allowed to modify your vote.
- (xv) You can also take out print of the voting done by you by clicking on “Click here to print” option on the voting page.
- (xvi) If Demat account holder has forgotten the changed password then enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- (xvii) Shareholders can also cast their vote using CDSL’s mobile app m-Voting available for android based mobiles. The m-Voting app can be downloaded from Google Play Store. Apple and Windows phone users can download the app from the App Store and the Windows Phone Store respectively. Please follow the instructions as prompted by the mobile app while voting on your mobile.
- (xviii) Note for Non – Individual Shareholders and Custodians

- Institutional shareholders (i.e. other than Individuals, HUF, NRI etc.) are required to log on to <https://www.evotingindia.com> and register themselves as Corporate.
- They should submit a scanned copy of the Registration Form bearing the stamp and sign of the entity to helpdesk.evoting@cdslindia.com.
- After receiving the login details they have to create a user who would be able to link the account(s) which they wish to vote on.
- The list of accounts should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.
- They should upload a scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, in PDF format in the system for the scrutinizer to verify the same.

(B) In case of members receiving the physical copy:

- (i) Please follow all steps from sl. no. (i) to sl. no. (xviii) above to cast vote.
- (C) The voting period begins on 23.12.2019 at 10.00 am and ends on 26.12.2019 at 5.00 PM. During this period shareholders’ of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of 20.12.2019, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (D) In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions (“FAQs”) and e-voting manual available at www.evotingindia.co.in under help section or write an email to helpdesk.evoting@cdslindia.com.
- (E) Shri D Venkateswarlu, Practicing Company Secretary, Bengaluru, has been appointed as Scrutinizer to Scrutinize the remote e-voting and voting at general meeting in a fair and transparent manner.
- (F) The scrutinizer shall within a period of not exceeding two working days from the conclusion of the e-voting period unblock the votes in the presence of at least two witnesses not in employment of the Company and make a scrutinizer’s report of the votes cast in favour or against, if any, forth with to the Chairman of the Company.
- (G) The results of the e-voting along with the scrutinizer’s report shall be placed in the Company’s website www.itilt-d-india.com and on the website of CDSL within two days of passing of the resolution at the AGM of the Company. The results will also be communicated to the stock exchanges where the shares of the Company are listed.

Directors' Report

Dear Shareholders,

The Board of Directors have pleasure to present the 69th Directors' Report on the business operations of the Company together with its Audited Financial Statements for the financial year (FY) ended March 31, 2019.

FINANCIAL PERFORMANCE

The performance of the Company (Standalone basis) for the year 2018-19 as compared to the previous year 2017-18 is as follows :

Rs. in Crores

S.No.	Particulars	2018-19	2017-18
1	Sales including services	1894	1703
2	Value of Production	1905	1691
3	Loss/Profit after tax	93	230
4	Other Comprehensive Income	18	5
5	Total Comprehensive Income	111	235
6	Financing Expenses	106	153
7	Depreciation	37	25
8	Capital Employed (Net Fixed Assets + working capital)	2197	1978
9	R&D Expenditure	22	15

OPERATIONAL PERFORMANCE

The Company has achieved Sales of Rs. 1894 Crores during the FY 2018-19 against Rs. 1703 Crores during the previous FY 2017-18. This is remarkably the highest turnover in the past eight years. Net profit after tax for the FY ended March 31, 2019 is Rs 93 Crores.

IMPLEMENTATION OF REVIVAL PACKAGE OF ITI LIMITED

Revival plan for the company by fund infusion of Rs. 4156.79 Crores (Rs. 2264 Crores in the form of equity and Rs. 1892.79 Crores as grant-in-aid) was approved by the Cabinet Committee on Economic Affairs (CCEA) in February 2014.

The Company received Rs 664.00 Crores till Financial year 2018-19 as Capex Fund in the form of equity. Capex Fund amounting to Rs 55 Crores has been received during FY 2018-19. Rs 105 Crores has been allocated in budget as Capex funds for FY 2019-20.

The Capex Funds has been invested for upgrading the manufacturing infrastructure at various Units of ITI to cater the need of emerging technologies in Telecom industry. Under Revival plan, several projects have been implemented at various manufacturing plants of ITI and some projects are under implementation. These projects have helped ITI to regain its manufacturing strength.

The state of the art infrastructure established under revival package funds provided to ITI by Government of India has boosted the manufacturing strengths to a new high paving way for manufacturing various telecom and allied products to cater for domestic market demands under make in India mission of Government of India.

MAJOR HIGHLIGHTS

The turnover for the FY 2018-19 is mainly constituted from supply of GPON Equipments under BharatNet Phase I Project, Network For Spectrum (NFS) project, business generated by Corporate Marketing & Marketing Services & Projects (MSP) Offices, Business from Defence Sector viz ASCON AMC, Defense Product supplies & it's AMC, Business from BSNL & MTNL dealing with products of MLLN and SSTP Projects & it's AMC, CDOT AN RAX, NGN AMC, Supply of NGN, CPAN & WiFi Hotspots, AMC for GSM-SZ & GSM-WZ, AMC for OCB, Execution of BharatNet Phase II Projects viz. MahaNet & GujNet orders, Business from Data Centre and supply of Smart Energy Meter to M/s Energy Efficiency Services Limited (EESL).

The Company has been implementing projects of National Importance such as BharatNet Phase – I & Phase II Projects. ITI has bagged turnkey orders for Supply, Installation, Commissioning and Maintenance of GPON Equipment covering about 47400 Gram panchayats (GP) from BBNL & BSNL. This project will extend High Speed broad band services on GPON platform to rural masses. The Company has bagged purchase orders to the total value of Rs. 566.12 Crores during the year 2016-17, 2017-18 & 2018-19 from BBNL/BSNL under "BharatNet Phase I Project". Out of these orders worth Rs. 382.51 Crores have already been executed. In FY 2018-19, ITI has supplied 300 nos of GPON OLT and 7100 nos of ONT. With this, ITI has successfully manufactured, supplied & commissioned 1850 nos of GPON OLT and 47444 nos of ONT against BharatNet phase I project. This will enable broadband provisioning to 47444 Gram panchayats (GP) across India.

ITI has deployed 400 teams for Installation and Commissioning of nationwide network of BharatNet connecting uncovered Gram Panchayats in the remote Rural Parts of India.

ITI has also participated in the tenders of "BharatNet phase II Project". This project provides Broadband connectivity to 1.5 lakhs Gram Panchayats in India. ITI has won three tenders viz MahaNet, GujNet and West Bengal under BharatNet Phase II Project. Against these tenders, order worth Rs. 3134 Crores is received for MahaNet from Maharashtra State and order worth Rs. 426.19 Crores is executed during FY 2018-19; Order worth Rs. 1417 Crores received for GujNet from Gujarat State against which order value worth Rs. 17 Crores is executed during FY 2018-19. Further, advance purchase order worth Rs. 233 Crores is received from West Bengal state.

ITI also has received orders worth Rs. 18 Crores for providing Third Party Audit Services (TPA) for implementation of BharatNet Phase II project in the states of Odisha and Jharkhand. Further, ITI has won L1 position in the tenders of TPA for BBNL Tier- II and BSNL Satellites tenders for 13 states. Orders worth Rs. 45 Crores are expected from these tenders.

The other important project being executed is the NFS (Network For Spectrum) project worth Rs.2985 Crores for the defense forces of India which involves, Supply, trenching, laying, Installation, testing and maintenance of Optical Fiber Cable, PLB Duct and accessories for construction of exclusive Optical NLD backbone and Optical access routes on turnkey basis with AMC in the Eastern and North- Eastern region of the country. ITI has won the order for these 2 zones, for deployment of optical fibre for around 13,500 Kms of length. Out of the total of 13500 kms cable laying, nearly 11,275 kms have been laid in both F and G Packages. So, ITI has already completed 83.6% of the work and will be completing the entire project by the FY 2019-20.

On the defense front, the company is L1 in a mega tender of Army Static Switched Communication Network (ASCON) Phase IV project and expect an order worth Rs. 7600 Crores from the Ministry of Defense to deploy and maintain Phase IV of the Army's modern communication network across India. The project includes civil works for the infrastructure and laying of optical fiber network, installation, commissioning and maintenance of equipment such as IP MPLS routers, Microwave Radio, Satellite terminals, NMS and Mobile Nodes.

Major focus has been given for the design and manufacture of secrecy equipments required for Defence sector. ITI has also received purchase order for value of Rs. 86 Crores from Defense for Design, development, manufacture, supply and AMC of Multi-Channel Encryption Units (MCEU) under NFS project to Defence and project is under execution. In addition, ITI has orders for Secrecy Products for other projects for defense. ITI is bidding for more tenders for Secrecy equipment's and confident of getting additional orders.

ITI has also bagged huge order worth Rs. 840 Crores from Energy Efficiency Services Limited (EESL) for supply of Smart Energy Meters and the order is under execution. Further, ITI also received orders to the total value of Rs. 473 Crores from BSNL for supply, installation and AMC of Phase I Broadband Network Gateway (BNG), Distributed Denial of Services (DDoS), Radio Modem and WiFi Hotspot. The

supply, I&C of BNG and DDoS are already completed during FY 2018-19, whereas the supply of Radio Modem & Wifi hot spots completed during FY 2018-19 but installation under progress which will be completed during FY 2019-20. ITI has got outstanding advance purchase order worth Rs. 211 Crores for supply, I&C and AMC of BNG Phase II & III equipment and firm order is expected to be received against this APO during the FY 2019-20.

In addition to above ITI received orders worth Rs. 19.20 Crores from railways for conducting online RPF exam and completed the order during FY 2018-20. ITI also received order worth Rs. 63.45 Crores from EESL for supply, installation, commissioning and AMC of Centralized Control Monitoring System of LED street lights in the villages of Andhra Pradesh. ITI has already supplied items worth Rs. 20 Crores during FY 2018-19 and the balance order will be executed during FY 2019-20.

ITI has also obtained an advance purchase order worth Rs. 6633 Crores for Operation & Maintenance activities of GSM Passive Infrastructure from BSNL. This order is to be executed in 10 years.

ITI has also ventured in to diversified products/services/solutions like OFC /HDPE pipe manufacturing, Smart card manufacturing, Radio modem, Antenna, Data Centre services (SaaS, Aadhaar based authentication Services etc.), Digital Mobile wallet TAG-ITI for cashless transaction, Products / solutions under IOT verticals, Component screening, manufacturing and supply of avionics modules for ISRO, Set top box, Hand Held Terminals, Mini PC, Smart energy meter manufacturing etc. Solar panel manufacturing line for 18 MWp capacity is installed at ITI Naini. One line of HDPE pipe manufacturing has been commissioned at Palakkad unit and 3 lines of HDPE manufacturing are commissioned at Rae Bareilly plant (pilot production has been done and supply made to BSNL), to enhance the capacity in view of huge requirement. ITI has installed manufacturing line for Optical Fiber Cable (OFC) at Rae Bareilly unit.

ITI's order book position is very strong and is expected to reach to a historic mark of Rs. 20,000 Crores during 2019-20. ITI is pursuing many more tenders in the defense sector mainly for NFS project etc and also other tenders such as Smart City Projects, WiFi Access Points, OFC laying, Supply of ONT/OLT, IP CCTV RailTel tender, Karnataka FiberNet Project etc.

The overall performance of the Company is as follows:

OPERATIONAL PERFORMANCE OF PRODUCTION PLANTS AND SERVICE UNITS

BANGALORE PLANT

I. PERFORMANCE

Bangalore Plant has achieved a turnover of Rs. 834.62 Crores during the financial year 2018-19. The turnover consists of supplies and services provided to the customers.

- Under supplies head - Centralized Control and Monitoring System (CCMS) for LED Street Lights worth Rs. 19.94 Crores; NGN equipment worth Rs.131.25 Crores; CPAN(Comprehensive Passive Access Network) project equipment worth Rs. 106.15 Crores; BSNL WiFi Hotspots worth Rs. 37.04 Crores; CDOT AN RAX cards worth Rs. 7.40 Crores have been supplied by the Plant.
- Under services head - The unit has executed part of MahaNet project worth Rs.426.19 Crores; Online exams for RPF worth Rs. 19.20 Crores; GSM-SZ AMC worth Rs. 46.08 Crores; Defense AMC worth Rs 8.9 Crores; NGN Equipment AMC worth Rs 3.54 Crores; Data Centre services worth Rs. 19.28 Crores; Contract Manufacturing, Reliability Lab and 3D Printing services worth Rs. 7.94 Crores.

II. PROJECTS EXECUTED DURING THE YEAR 2018-19

MahaNet (BharatNet-Phase II) project at Maharashtra:

Maharashtra Information Technology Corporation Ltd, has come out with a Request for Proposal for Selection of Project Implementation Agency (PIA) for MahaNet-I (BharatNet-II) Project in Maharashtra. ITI has participated in Package A & C and stood 'L1' in both the packages.

Total Order value received is Rs. 3134 Crores. The Plant has executed order worth Rs. 426.19 Crores during the FY 2018-19.

The Scope of work involves Optical Fibre Cable (OFC underground and aerial) site survey, planning, procurement, design, implementation of Taluka, GP network, horizontal connectivity to Government premises, schools and Public Health Centers (PHC) (this also includes radio connectivity for Gram Panchayats that cannot be connected through fibre), Access electronics implementation, Central electronics implementation, Wi-Fi implementation and Operations & Maintenance - NOC/ DR, DC/ Cloud, NMS & BSS,

Package A : Underground Route KMs = 11,078; Aerial Route KMs = 5,079

Package C: Mixed Route KMs = 10,927; Aerial Route KMs = 7,255

Wi-fi Hotspots Project:

ITI has received orders worth Rs. 69.20 Crores for Supply, installation, Commissioning, Operation and Maintenance of 4206 nos of Public Wi-Fi Hotspots on BSNL's rural exchanges of BSNL on turnkey basis. The Plant has supplied equipments worth Rs. 37.04 Crores during FY 2018-19 and the balance order is under execution.

Data Centre Services:

ITI's state-of-the-art Tier 3+ Data Center is currently spread over more than 2, 00,000 Sq. ft. with world class facilities. It has the capability to house thousands of IT Infrastructure equipment and is designed to offer a wide spectrum of core hosting services with best suite of value added services under highly secure and stable environment. The company is providing Aadhar authentication services, e-KYC services, core banking applications, mobile wallet application etc. The turn over achieved during the year with Data Centre Services is Rs.19.28 Crores.

Next Generation Network (NGN):

ITI Bangalore plant has supplied NGN equipment worth Rs. 128.71 Crores on contract manufacturing basis to M/s UTSTAR, for supplying to BSNL.

Also the Plant has supplied to BSNL the NGN Equipment and rendered AMC services for these equipment to the total value of Rs 6.98 Crores during the year 2018-19.

Comprehensive Packet Access Network (CPAN):

The plant has supplied CPAN equipment worth Rs. 106.15 Crores. to M/s UTSTAR on contract manufacturing basis, for supplying to BSNL.

CDOT AN RAX:

The Plant has manufactured and supplied CDOT AN RAX equipment worth Rs. 7.40 Crores to BSNL during the FY 2018-19.

Defence projects:

ITI is the leader in supplying Secrecy equipment for the secured communication in the Defence networks. In the year 2018-19, ITI had executed orders worth Rs. 8.98 Crore for Defence sector through supply of Secrecy Encryptors and AMC of equipment supplied to Defence.

Centralized Control and Monitoring System (CCMS)

Supply & Installation of CCMS Units in villages of Andhra Pradesh:

ITI has received Letter of Award from EESL against the Tender of "Design, Manufacture Supply, Installation, Commissioning, Testing and Maintenance of Lighting Control (CCMS) for Installed LED Streetlight in all Gram Panchayats of Andhra Pradesh for a quantity of 22500 nos.

Implementation of the project is being done in multiple small batches based on the supply scheduled and same set of processes for each batches.

- Supply of 17500 nos CCMS boxes has been completed during FY 2018-19.
- Remaining 5000 nos will be supplied in by August 2019

To Conduct Online Test Examination for Recruitment of Constables in RPF/RPSF (Railway Protection Force/Railway Protection Special Force):

The Plant received order worth Rs. 19.20 Crores during 2018-19 for conducting online RPF exam and the order is completed during 2018-19.

The scope of work includes:

- Registration of the candidates on recruitment portal
- Finalizing the test centres for all registered candidates across India
- Uploading of E-Admit card.
- To provide secured encrypted/VPN protected downloading of the question paper
- To conduct online test across the country and provide security arrangements, CCTV feed storage on servers etc. at all centres during online examination
- To finalize the result on the basis of scores and merit list.

Project Details:

- No. of candidates registered : Approx. 9.1 Lakh
- Exam duration : 27th march to 05th April 2019
- No. of Centres allocated : 136 (Across India)
- Total turnover achieved : Rs. 19.20 Crores.

Internet of Things (IoT):

Under Centre of Excellence (COE), a centre has been set up to develop solutions for the Internet of Things (IoT), namely Smart Environment, Smart Lighting, Smart Home/office, Smart Health, Intelligent Transport System, SCADA Solutions, Water, Gas, & Electricity, RFID Based solutions, Education Sector, etc.

IoT has been actively pursuing Smart city project opportunities and is in the process of participating in the upcoming major smart city tenders for the role of Master System Integrator.

IoT Bangalore plant has entered into a MOU with CDAC Bangalore in the field of ICT Technology. Currently working on the following Initiatives:

1. Actively working for pilot implementation of Smart Post Box for Dept. of Post Karnataka circle.
2. Actively working with Dept. of Agriculture, Karnataka circle for pilot implementation of smart agriculture project for Proactive measures for pest attacks & irrigation schedules for crops like Paddy, Ground Nut.

3D printing:

3D printing is a revolutionary manufacturing method by which we can create various types of Three Dimensional (Solid) parts and a revenue of 1.17 Crores generated for the FY 2018-19.

TAG – ITI Wallet:

TAG-ITI MOBILE WALLET is a cashless secure payment service under Digital India initiative of government of India “Mera Mobile – Mera Bank” which has a huge popularity especially after the Demonetisation move of GOI. All the transactions are executed and monitored by ITI’s Data Centre in Bangalore plant.

Skill development:

A state of the art skill development centre has been set up under Pradhan Mantri Kausal Vikas Yojna (PMKVY) to cater to the skill development need and to impart Hands on Training of GE certified course at the Centre of Excellence CoE.

Two batches totaling 71 students were trained on the OFC splicing technique and it is matter of pride that all the students who attended the online test have cleared the exam.

MoU signed during the year:

Bangalore plant has signed MoUs for development of Radio Modem with M/s Logic Fruit, CLIP phones with M/s Avyaya for non-Defence model & M/s Arbutus for Defence model, Antenna with M/s Telemart.

MANKAPUR PLANT

I. PERFORMANCE

Mankapur Plant has achieved a turnover of Rs. 129.60 Crores during the financial year 2018-19 which includes turn over reported by GSM West Zone Project against execution GSM WZ AMC orders. The turnover consists of supplies and services provided to the customers, which is as follows:

- Under supplies head - Rs 1.36 Crores worth Titli ONTs and Banking Products; (Mankapur has manufactured & supplied 8746 nos of ONTs to Raebareli against GPON and GujNet orders on SSU basis and the turnover of this supply is booked by Raebareli Plant)
- Under services head - Rs 100.63 Crores worth NFS Project has been executed by the Plant.

II. PROJECTS EXECUTED DURING THE YEAR 2018-19

Network For Spectrum Project:

Prestigious NFS project for package F for construction of exclusive optical NLD backbone and optical access route on turnkey basis for Defense network allocated to ITI Mankapur is worth Rs. 843.83 Crores excluding AMC. Out of this, cable laying and services work worth Rs. 100.63 Crores have been completed in FY 2018-19.

GPON:

Plant has manufactured and supplied a total of 8746 nos ONT 11 (GPON equipment) to Raebareli against BSNL and BBNL Add on II orders and GujNet order during the year.

TITLI Optical Network Terminal:

Plant has executed order worth Rs. 0.46 Crores of ONT Titli, a CPE against BSNL, Kerala and other miscellaneous orders.

Note Counting Machine:

ITI Mankapur is doing business in Diversified Products also. Plant is manufacturing Note Counting machine (NCM) for the last 17 years. Besides note counting, to counterfeit detection, Unit has developed a new model by adding extra feature of UV Fake Note Detector in it. The Plant has supplied Banking products worth Rs. 0.90 Crores during the year 2018-19.

Supply of Sanitary Napkin Vending Machines:

Installing Napkin Vending machines at all workplaces, as more women are joining the workforce in both organized and informal sectors in India, schools and colleges can be that small step which can prove to be a giant leap for womankind. Keeping in view the necessity of Napkin Vending Machines, Plant has contributed in its own way by developing and supplying a new Product – “**Flora–Sanitary Napkin Vending Machine**”- A step towards Women Health & Hygiene.

Skill Development:

ITI Mankapur is organizing “Finishing School” for the engineering under graduates pursuing higher studies or skill development. Under Finishing School project towards the knowledge based activities, ITI Mankapur earned revenue of approx.

Rs. 0.16 Crs while imparting training on technical innovation and skill up gradation to the engineering students from various reputed Engg. Colleges and Polytechnics of the country, for their better career opportunities.

MoU Signed:

ITI Ltd. Mankapur signed MoU with NIELIT Gorakhpur. The broad objectives of this MoU is to develop Human Resource at various levels including Certificate, Diploma, M. Tech., M.Sc. (Electronics) and Research Professionals with adequate competence levels to conduct skill development programme for National Skills Qualifications Framework (NSQF) approved courses in Electronics and IT Sector. This will mutually help in Self-employment, Entrepreneurship and revenue generation.

ITI Ltd. Mankapur has also signed MoU with different Govt. Polytechnics. The main objective is to impart skill development training to their students which in turn will generate revenue.

RAE BARELI PLANT
I. PERFORMANCE

In the financial year 2018-19, Raebareli Plant has recorded a turnover of Rs. 233 Crores. The turnover consists of supplies and services provided to the customers.

- ❑ Under supplies head – The Plant has supplied GPON equipment worth Rs. 42.92 Crores against GPON order received from BSNL and Gujarat State; SMPS equipment worth Rs. 11.55 Crores to BSNL.
- ❑ Under services head -. Rs. 100.63 Crores worth NFS Project has been executed by the Plant.

II. PROJECTS EXECUTED DURING THE YEAR 2018-19
Network For Spectrum Project:

The plant has achieved a turnover of Rs. 174.31 Crores towards NFS Cable laying for Package G for construction of exclusive optical NLD backbone and optical access route on turnkey basis for Defense network.

GPON Project:

The Plant has also achieved turnover of Rs. 42.92 Crores towards supply of GPON 300 nos OLT and 8746 nos ONT for BSNL Add-On II order and GujNet order.

SMPS:

Further, the Plant has made turnover of Rs. 11.55 Crores through supply of SMPS and Rs. 4.22 Crores towards miscellaneous services.

PALAKKAD PLANT
I. PERFORMANCE

Palakkad Plant has achieved a turnover of Rs. 121.84 Crores during the financial year 2018-19. The turnover consists of supplies and services provided to the customers.

- ❑ Under supplies head – The plant has supplied MLLN equipments worth Rs. 21.13 Crores to BSNL; SSTP equipment worth Rs. 4.59 Crores to BSNL; Smart Energy Meter worth Rs. 30.84 Crores to EESL; Mini PC worth Rs. 5.75 Crores and also Contract manufacturing products worth Rs. 12.13 Crores
- ❑ Under services head -. The plant has executed AMC services worth Rs. 46.76 Crores for MLLN & SSTP equipment supplied to BSNL & MTNL. Orders worth Rs. 0.64 Crores has been executed by the plant for Component screening to VSSC.

II. PROJECTS EXECUTED DURING THE YEAR 2018-19
MLLN / SSTP Project:

ITI Palakkad has been awarded an order for Rs. 21.13 Crores from BSNL for the supply, installation & commissioning of MLLN modems and Rs. 4.59 Crores towards SSTP equipment.

AMC orders worth Rs. 46.76 Crores of MLLN and SSTP projects were successfully executed. 24 x 7 technical support had been provided to BSNL and MTNL for MLLN, SSTP and OCB projects.

Smart Energy Meter:

Smart energy meter allows two way communications between energy distributors and consumers and has features like remote load connect / disconnect, anti-tampering, demand management, gathering real time information, remote firmware upgrade etc. The product conforms to the technical specifications outlined for Advance Metering Infrastructure (AMI) and is compatible with Smart Grid Communication technologies and supports distributed generation and can be used in single/three phase connections.

ITI has been awarded with the letter of award (LoA) from Energy Efficiency Services Limited (EESL) for the manufacturing, supply and maintenance of 25 Lakhs GPRS based Smart energy meters complying to IS 16444 technical specifications. The order value is Rs. 840 Crores to be executed within 3 years. ITI Palakkad has received type approval and BIS certification for Smart Energy meters complying to IS 16444 technical specifications. Facilities and infrastructures already set up in the plant for bulk manufacturing, testing and supply of Smart Energy Meters. The Plant has reported the turnover of Rs. 30.84 Crores during the year 2018-19.

Mini PC:

ITI Palakkad has started assembly and marketing of Mini PC, which is having unique features such as no moving parts, low power consumption, sleek design, high performance computing with built-in features, Wi-Fi, Bluetooth, Ultra HD 4K graphics, dual display and operating in a silent environment. The product is now registered in GeM portal as “Micro PC”.

Trade mark is registered and BIS, CE, FCC, ROHS, and Energy Star Certifications have been received. The product is also customized with add on features such as Smart Power Station with dual power input as grid and solar and 3 hour backup, Smart lock for Physical Security etc.

PoC for the product was successfully demonstrated at LIC, KSEB, E Health, Supplyco, Treasury, IT Mission, Finance dept, NIFT, and other various Kerala Govt. depts. We are also making efforts to sign a MoU with Common Service Centre (CSC) so as to deploy almost 2.5 Lakhs of Mini PCs in various CSCs across India. The target market is Central / State Govt departments, Universities, Hospitals, Research organizations, Public / Private corporations, Banks, educational institutions etc.

ITI had executed business worth Rs. 5.75 Crores. towards the supply of Mini PCs to various government departments/institutions.

Business with VSSC and other Space Research Organizations:

ITI Palakkad is having business association with VSSC (Vikram Sarabhai Space Centre) and LPSC (Liquid Propulsion System Centre) which are the two units of ISRO located at Trivandrum. Both of these units are engaged in the Manufacturing, Testing and Integration of all Launch Vehicles - PSLV, GSLV etc. – of various space missions of ISRO.

This business comprises of two different streams of operations.

1. Assembly & Testing of various flight packages:

The plant has an exclusive Space Electronic Fabrication Centre to manufacture Space and Military grade assemblies. The facility is accredited by VSSC, for all the activities connected with realization of electronic assemblies in launch vehicles (PSLV, GSLV and GSLV Mark III). Officials engaged in these activities are trained and

certified by VSSC solder school. All the required components are being provided by VSSC, as free issue materials (FIMs). As on today, 46 Types of assemblies are already approved for production at ITI Palakkad, against which purchase orders are received and supplies in progress. This includes 3 types of RF assemblies also, for which ITI Palakkad is the first industry partner to VSSC accredited for Assembly & Testing of RF packages of launch vehicles. Developmental works for more assemblies are in progress.

2. Component Screening Lab:

An exclusive facility with fully air conditioned ESD protected area of 7000sq. feet with the state of art equipments is established at ITI Palakkad during 2017, for Screening and Burn-in of electronic components, assemblies and sub-assemblies used in launch vehicles.

As on now, ITI screening facility is accredited by VSSC, Trivandrum for screening of 20 types of Active and Passive electronic components, 35 types of sub-assemblies and 2 types of stacks. Test setups are being developed for more types of components and assemblies.

During the FY 2018-19 orders worth Rs. 0.64 Crores was executed by the Plant. Total order value on hand against VSSC business for the FY: 2019-20 is Rs. 11.55 Crores.

The business with VSSC is being expanded with entry into new business opportunity named as GOCO (Government Owned, Company Operated) mode. In GOCO mode, VSSC will establish all the infrastructure and facility required to execute the work at their premises by the selected industry partners. Assembly & Testing of Remote Mount Safe Arm (RMSA) is the first GOCO mode job at VSSC and ITI Limited, Palakkad is their first industry GOCO partner. More business opportunities with VSSC in this mode are expected in the current year.

The screened components and more than 1000 electronic assemblies manufactured and tested at ITI Palakkad are used for various space missions of ISRO. India's heaviest rocket GSLV Mk III- D2 launched on 14-11-2018, PSLV-C43/ HySIS mission on 29-11-2018, PSLV C44 for Military communication on 24-01-2019, PSLV Emisat mission on 01-04-2019 and PSLV C46 RISAT 2B are few among them.

Contract Manufacturing:

ITI Palakkad has state of the art facility for undertaking contract manufacturing for the Electronic Manufacturing services (EMS) , PCB manufacturing, Integration of sub assemblies etc. The unit executed contract manufacturing business worth Rs 12.13 Crores during the financial year 2018-19.

IoT Product – Smart Parcel Delivery System:

ITI Palakkad has developed an innovative product - Smart Parcel Delivery System (SPDS) for Department of Post to overcome the parcel delivery challenges and to improve the efficiency of Last Mile Delivery process. SPDS is a smart, electronic, automated, secured locker system for the timely delivery & pickup of articles. It enables the parcel recipients to receive their orders 24/7 as per their convenience and can be installed in public places including Post Offices, guided community centres, shopping malls, grocery outlets, and railway stations, apartments etc. The SPDS system is being operated through Mobile application using a secured access protocol. With Department of Post entering e-commerce space, SPDS is an efficient and novel technology for Parcel delivery. Proof of Concept being planned within one month time.

Skill Development:

ITI Palakkad has introduced an innovative solution for skill development titled as "Interview Max Software". It is an artificial intelligence based interview simulator which has the capability to do two things simultaneously - a Professional Interview Simulator and an Interactive Interview Trainer. This can be deployed in professional colleges, government/private skill development center across the country.

Kerala Government has selected ITI as one of the Training Service Provider of ASAP Scheme (Additional Skill Acquisition Programme) for providing training on PCB manufacturing, Computer Hardware and Pick& Place (SMT) Machine .

NAINI PLANT

I. PERFORMANCE

Naini Plant has achieved a turnover of Rs 11.82 Crores during the financial year 2018-19 against supply Solar Photovoltaic Equipment towards GPON order received from BSNL.

II. PROJECTS EXECUTED DURING THE YEAR 2018-19

Solar Photovoltaic Equipment:

ITI Naini Plant has supplied 6693 Nos. Solar Photovoltaic Equipment (SPE) and 409 nos. of spare to BSNL to the value Rs. 11.82 Crores. in FY 2018-19. ITI Naini unit has received TSEC of Hybrid SPV System with indigenous Solar Module of ITI Ltd Naini. For First time, ITI have manufactured and supplied 5000 Nos. SPV System with indigenous Solar Module to BBNL and BSNL projects during FY 2018-19.

Further, the Plant has received LOI from EESL for supply and installation of the offgrid solar street lights worth Rs. 75 Crores to Uttarakhand and Chhattisgarh states.

Skill Development :

Vocational/Summer training programs conducted for 337 Degree/Diploma/MBA students. In-house training programs organized on ERP in 3 batches for total 387 training man-days. In-plant training for 225 trainees conducted in 7 batches. 25 trade apprentices were engaged for one year trade apprentice.

Naini Unit has signed a MoU with Telecom Sector Skill Council (TSSC) for setting up a Telecom Skill Development Centre at Naini Plant. ITI Naini has also signed MoUs with Industrial Training Institutes for imparting In-Plant Training.

MoU Signed:

ITI Naini is implementing 10 MW Grid connected Solar Project in Naini plant in Open Access (OA) Model. A MoU was signed between ITI and M/s CER RT (Cambridge Energy Resources Renewtech) on 18.01.2019 for implementation of the project.

SRINAGAR PLANT

I. PERFORMANCE

In the financial year 2018-19, Srinagar Plant has recorded a turnover of Rs. 3.18 Crore. The turnover consists of supplies and services provided to the customers.

II. PROJECTS EXECUTED DURING THE YEAR 2018-19

- Printing Panchayati, Municipal, Assembly Electoral Rolls of Kashmir Region.
- Installation of CCTV Cameras for Municipality Jammu under Jan Suraksha Yojana.
- Networking System Integration.
- Supply of Computer Hardware & Other Equipment.
- Digitization of Labour Records of Backlog Data for J&K EPF Department and
- Supply of Lab Equipment for Skill Development Centre.

NETWORK SYSTEMS UNIT (NSU)

I. PERFORMANCE

In the financial year 2018-19, NSU has recorded a turnover of Rs. 146.07 Crores. The turnover consists of supplies and services provided to the customers.

- Under supplies head - The Unit has supplied equipment worth Rs. 13.31 Crores to GFGNL against GujNet project during the year 2018-19.
- Under services head - The Unit has executed AMC orders worth Rs. 20.23 Crores for OCB equipment supplied to BSNL & MTNL; ASCON AMC order worth Rs. 112.53 Crores also has been executed for Defence by the Unit.

II. PROJECTS EXECUTED DURING THE YEAR 2018-19
ASCON – AMC:

The turnkey project implementation and services unit of ITI Ltd is having its core strength in execution of Turn key Projects of communication networks and Annual Maintenance Contract (AMC). It has track record of steady growth and continuous profitability. The plant has executed AMC order worth Rs. 112.53 Crores during FY 2018-19.

OCB – AMC:

ITI was also the major supplier of fixed line switches to BSNL and MTNL. Currently, ITI has been extending maintenance assistance to BSNL and MTNL for OCB exchanges. OCB order worth Rs. 20.23 Crore has been executed during the year 2018-19.

GUJNET:

ITI has received order worth Rs. 1417.71 Crores from Gujarat Fibre Grid Network Limited (GFGNL) for implementation of turnkey project for Broad band connectivity to Gram panchayats of Gujarat state under BharatNet Phase II Project. The projects includes laying of optic fiber cables ("OFC"), supply of access equipment and other related products as well as maintenance services. The Unit has clocked with turnover of Rs. 13.31 Crore in the FY 2018-19.

The unit has also got order worth Rs. 7.03 Crores against BSNL GPON order, for installation and services of GPON and it currently under implementation. The unit has successfully migrated to ISO 9001-2015 quality standard.

Marketing Services And Projects ("MSP")

MSP Offices, the marketing arms of Corporate Marketing Unit, are exploring, addressing and executing the business opportunities emerging out in their allocated business geographical areas viz., Delhi, Mumbai, Bengaluru, Chennai, Lucknow, Kolkata, Hyderabad and Bhubaneswar. Most of the addressed business opportunities are from non ITI products & services and are bagged & executed in association with backend business partners.

I. PERFORMANCE

- ❑ In the financial year 2018-19, MSP has recorded a turnover of Rs. 413.90 Crores. The turnover consists of supplies and services provided to the customers.

II. MAJOR PROJECTS EXECUTED BY MSP OFFICES DURING THE YEAR 2018-19
MSP Delhi:

- ❑ Implementation of Anti-DDoS Project of BSNL of approximate value of Rs. 48.30 Crores.
- ❑ Establishment of Data Centre of SICOM worth Rs. 17.00 Crores & executed to the tune of Rs. 8.83 Crores during the year.
- ❑ Establishment of Phonetics & Archiving Lab. of Guru Ghasidas University, Bilaspur worth Rs. 2.10 Crores.
- ❑ Geo-fencing project worth Rs. 8.99 Crores and IoT-Smart Bin Project worth Rs. 1.27 Crores of Gaziabad Nagar Nigam is under execution.
- ❑ Geo-fencing project worth Rs. 2.48 Crores Project of Panchkula Municipal Corporation is under execution.
- ❑ Supply and Installation of CCTV Projects of Delhi Police worth Rs. 3.85 Crores are under execution.
- ❑ Supply and Installation of CCTV in SUPVA, Hisar worth Rs. 3.18 Crores.
- ❑ Vehicle Tracking project of Lucknow Nagar Nigam worth Rs. 2.34 Crores
- ❑ eAuction /eTendering Solutions to various Govt Depts/Institutions/PSUs worth Rs. 28 Crores.

MSP Lucknow:

- ❑ Lucknow office bagged a very prestigious order worth Rs. 22 Crores from UP Minority Welfare Department for the provisioning of 'Smart Class Room' Infrastructure at 881 nos of Schools in three districts. Besides hardware and software, ITI provided educational contents also.
- ❑ It secured an order from UP Government for implementation of CCTV/Wi-Fi equipment at 4 tourist places. The value of this order is Rs. 10 Crores. Lucknow office also augmented CCTV and Audio-Video infrastructure of UP Vidhan Sabha and Vidhan Parishad. This resulted into a business of Rs. 7 Crores.
- ❑ MSP office Lucknow secured an order worth Rs. 8 Crores from Uttarakhand Jal Vidhyut Nigam for the implementation of their Corporate Wide Computer Network.
- ❑ Lucknow Office was chosen by Uttarakhand Labour Department for the supply of Solar Lanterns and Solar Street Lights. The value of these orders is more than Rs. 24 Crores. This Department also nominated ITI to supply Sewing Machines and other utility items to them for their registered laborers. This resulted into an additional business of Rs. 36 Crores.
- ❑ ITI Lucknow was selected by U.P. Govt to conduct GIS based Survey at Meerut, Kanpur, Jhansi and Gorakhpur Urban Local Bodies for the assessment of the Property Tax. The action would translate in to a business of Rs. 17 Crores.

MSP Mumbai:

MSP Mumbai bagged a prestigious order worth approx. Rs. 88 Crores from Maharashtra Building and Other Construction Worker's Welfare Board for providing services for implementation, operation & maintenance of Integrated Welfare Board Management System. They also secured Geo Fencing & Manpower tracking system orders from Navi Mumbai Municipal Corporation and Thane Municipal Corporation of value approx. Rs. 16 Crores & Rs. 10 Crores respectively.

MSP Offices have bagged cumulative orders worth Rs. 567.92 Crores for the FY 2019-20. Further, MSP office has won L1 position in the tender of PIA for Odisha Government Projects and order worth Rs. 600 Crores is expected. Firm order is expected during 2019-20 against the APO worth Rs. 211 Crores received from BSNL for supply of BNG Phase II & III. MSP offices are also addressing various tenders worth Rs. 380 Crores viz. Integrated command control system for Surat Municipal Corporation, supply of Bicycle and implementation of Cycle distribution system through Smart cards for MHBOWC (Maharashtra Building & other Construction workers Welfare Board), CCTV for M/s IOC, Dial 100 Project, Supply of Smart Cards for RTO MH etc.

- ❑ MSP Offices are putting efforts to explore, address and grab new business opportunities in the field of IoT, Smart City, Smart Cards, Smart lighting / Smart Buildings, e Market Place, Geo Fencing & Manpower Tracking / Vehicle Tracking etc.
- ❑ Integrated Command & Control Centres for Smart City components
- ❑ GIS Survey / GIS mapping & GPS based solutions for Govt Depts/ Institutions/ Local Bodies etc.
- ❑ CCTV Surveillance, ICT Infrastructure, e Governance, Data Centers, ERP Solutions, Solar Power Plants etc.

RATING IN MEMORANDUM OF UNDERSTANDING ('MoU')

The company's rating for the year 2017-18 is "Good" with a composite score of 60.59. MOU rating for the FY 2018-19 is yet to be finalized by DPE. The Company has signed MoU with the Administrative Ministry for sales turnover of Rs. 3300 Crores (at Excellent Level) for the year 2019-20.

FUTURE OUTLOOK

The Company has undertaken many initiatives/ projects so as to boost the turnover and implement the Revival plan.

□ G-PON Products Manufacturing:

ITI had participated in GPON turnkey project tenders for BharatNet Phase I project for providing high speed Broad band connectivity to 1 lakh Gram Panchayats across the country and was successful in securing orders from BBNL and BSNL. ITI successfully manufactured, supplied, installed and commissioned about 1850 OLT units and 47444 ONT's till March 2019. ITI is manufacturing these products at Rae Bareilly and Mankapur plant from component level with C-DOT technology. In view of huge requirement of OFC deployment for Govt of India under BharatNet Phase II project, there would be corresponding requirements of GPON products and solutions. For all the projects of BharatNet Ph II (GujNet, West Bengal and other upcoming projects) wherever ITI is executing the requirement of GPON solution, will be met by ITI by its own manufacturing. Bangalore plant is also geared up for manufacturing GPON products to meet the expected additional requirements.

□ HDPE pipe and Optical fibre cable manufacturing:

Laying of optical fibre cable (OFC) underground is to be carried out through PLB HDPE (Permanently lubricated high density Poly ethylene) Pipe only. The demand for HDPE Pipes has risen due to several Government projects like BharatNet, Fiberization of Towers catering for 4G/5G deployments etc. Also there is huge requirement of OFC /HDPE in ASCON project. As per Govt. of India initiative for "DIGITAL INDIA" programme, optical fibre network is to be established for high speed internet access across the country. Hence, there is huge demand of PLB HDPE pipes. Apart from BSNL and BBNL, other service providers are also requiring such type of PLB HDPE pipes for their telecom service. ITI has established 3 lines of HDPE manufacturing at Rae Bareilly unit and one manufacturing line at Palakkad unit. One manufacturing line of OFC has been commissioned at Rae Bareilly unit. The Plant has also achieved completion of TSEC of 24F ADSS OFC & TSEC of 24F NZDS OFC. The capacity installed will be used to meet the requirements of ASCON and BharatNet Ph II orders on ITI.

□ Secrecy Products for Defence:

The Secrecy products for Defence communication networks are being designed by our R&D and manufactured, supplied & maintained by ITI for long time. ITI has been the pioneer in this field. The products have evolved over the years in tune with the evolution in the digital communication technology. There are major requirements of encryption products for Defence for their NFS network, ASCON network etc. Company has received a purchase orders for design, manufacturing and supply of Multi-Channel encryption Unit (MCEU) under NFS project valued about Rs.86 Crores. Company is participating in tenders for defence and expected to get more business.

□ BharatNet Phase II project:

Under BharatNet Phase II project for providing high speed Broad band connectivity to 1.5 lakh Gram panchayats across the country, ITI is addressing tenders from BSNL, BBNL and other state Government for securing business. ITI is having all the products for end to end connectivity required like GPON (OLT & ONT), Solar Panels, OFC, HDPE pipe, Wi-Fi & radio solution. All these products are manufactured and supplied by ITI. ITI has secured the turnkey project under BharatNet Ph II viz. MahaNet (about Rs. 3134 Crores), GujNet (about Rs. 1417.71 Crores), which are under execution, and awaiting orders for West Bengal Project (Rs. 233 Crores). ITI is also bidding for many other BharatNet Ph II tenders through which we expect additional business.

□ Solar panel manufacturing.

Looking into requirement of solar panels as a part of powering the equipment's with solar power supply, ITI has established 18 MW solar panel manufacturing facility at Naini unit. In FY 2018-19, ITI has supplied about 5000 solar panels under BharatNet Ph II project. Further we expect huge demand of solar panels in the country under

National solar mission of GOI wherein the Government has decided to establish solar capacity to 100 GW in the country by 2020. ITI would like to utilise this business opportunity.

□ Manufacture of smart Energy Meters:

As a part of diversification, ITI has entered into IoT and Smart City business. In this regard, ITI has tied up with many start-ups and Companies for Smart business verticals of IoT and Smart City for addressing the business opportunities in this sector. One of the Smart solutions is Smart Energy Meters wherein the legacy energy meters will be replaced by smart energy meters. These meters records energy consumption and has a facility to store the data and reproduce whenever required. These meters enable a two-way communication between the meter and the central system. The meters have a feature of monitoring the quality of power also.

ITI is executing contract for supply of GPRS energy meters to M/s. Energy Efficiency Services Limited (EESL), a Public Sector Undertaking under Ministry of Power, Government of India. ITI is manufacturing these meters and supplying. There is huge requirement of such meters in the country. This project is a stepping stone for ITI for taking up for other projects in IoT/ smart city projects. ITI Palakkad has started the delivery of meters to the customers. In order to increase the supplies, manufacturing at Bangalore plant is also in process of being augmented. ITI is also pursuing business with Electricity distribution companies for offering smart energy meters solutions known as Advance Metering Infrastructure (AMI solutions).

□ Manufacture of Smart Cards:

With experience of executing the National Population Register (NPR) project, ITI is looking at the huge opportunity of manufacturing Smart card-based services/ solutions in the country. There are opportunities regarding supply of identity cards for citizen, smart cards for unorganized workers, driving licenses, motor vehicle registration etc. ITI Palakkad plant is having state of the art infrastructure in line with technical specifications for Payment Card Industry (PCI). ITI got accreditation for Rupay chip card personalization from NPCI and Mastercard certification from Mastercard. The infrastructure includes modern manufacturing equipment for Smart Card Assembly and customization for milling & embedding, personalization etc. We are pursuing business with Public Sector banks and other customers for getting orders. In view of Govt of India Digital India mission, smart cards assumes significant role in cash less transactions across the country in every sector and there will be huge demand for the same.

□ Li-Ion Batteries:

Long life, low maintenance & High energy density back up power solutions using Li-Ion technology have been proven in all fields of consumer electronics products. They also make inroads into other applications of Telecom industry like powering GSM towers. ITI has entered into TOT for assembly & supply of Li-Ion batteries with focus on meeting needs of Telecom applications like GSM BTS sites. Further there is a huge requirement of such batteries in E-Vehicle sector in the country. The Indian automobile industry is one of the largest growing markets of the world and contributes highly in the country's manufacturing facilities. There is a growing demand for Li-Ion batteries in the country. Envisaging on this growing trend, ITI and CECRI-CSIR has signed a MOU for the exploring manufacture of Li-Ion cells in its Bangalore plant.

□ Component Screening Project:

Component Screening is a Project suggested by VSSC (ISRO) for ITI Palakkad to take up for meeting their requirement of approximately 5 Lakhs screened components per year. Screened Components are required regularly for VSSC for their space missions. Basic component screening facility has already been established in the plant. Further the Component Screening infrastructure has been upgraded to cater for new components and also for meeting needs of Component Screening for defence requirement. As on now, this facility is accredited by VSSC, Trivandrum for screening of 20 types of Active and Passive electronic components, 35 types of sub- assemblies and 2 types of stacks. Test setups are being developed for more types of components and assemblies. The business with VSSC is being expanded with entry into new business opportunities.

□ Data Centre and IT Business:

ITI Limited has been operating a Tier III compliant Data Centre at its Bangalore Unit since 2008 under PPP model. Company is already providing IT solutions like e-Banking, Aadhaar based authentication etc. on SaaS basis from the Data Centre. Looking into high demand for data Centre business and the expected growth in India, under the revival plan, a new Data Centre is being established with 1000 Racks capacity at Bangalore Unit having level of Tier III plus certification. The same is under final stages of completion. ITI Data Centre is one of ITI's endeavors to provide customer-centric services to Government organizations, Financial institutions, corporates and Start-Ups etc .

□ Wi-Fi products:

Wi-Fi products have revolutionized the way we communicate. In addition to low power Wi-Fi products in residences, Wi-Fi hot spots are coming up all around the country. Further, Wi-Fi products are also expected to be part of the Digital India programme to connect every citizen to Broadband network and also in setting up of Smart Cities. ITI is addressing the business opportunity in Wi-Fi solutions for various customers. Wi-Fi networks act as connectivity tools for smart city projects in India for sensor-enabled connected devices and Internet of Things (IoT) enabling smart energy management, traffic management, waste disposal & water management systems etc. Govt of India has an ambitious plan for setting up of 10 million Wi-Fi hotspots by 2020 and also BBNL is planning to deploy Wi Fi hotspots under BharatNet Ph II project across India. In view of expected demand, with a vision to contribute for country's Broadband Network infrastructure, ITI has entered into technology transfer collaboration with reputed technology partner to manufacture Wi-Fi Access point. Another TOT is also planned to be completed for manufacture of point to point Radio equipment which is required as a part of Wi Fi deployment.

□ Managed Leased Line Network (MLLN) Equipments:

ITI has been the leader in supplying MLLN products and services, including turnkey solutions for supply, installation, integration, commissioning, operation and maintenance of Network Equipment to BSNL since 2002-03. The existing MLLN networks has been installed and maintained by ITI till date. Currently, ITI has signed agreements for supply of IP based MLLN technology.

□ Business with other PSUs/Contract Manufacturing:

Contract manufacturing for PSUs is an existing activity in ITI. ITI is already executing job works for PSUs like, BHEL, BEL, VSSC, NPOL etc. With upgradation of infrastructure in ITI, there is more scope for getting new business in the area of contract manufacturing which is being pursued.

□ IoT and Smart City:

ITI has made foray in to Internet of Things commonly called as "IoT" which is making big headway in common man's day to day life across the world. The purpose of the Smart Cities Mission is to drive economic growth and improve the quality of life of people by enabling local area development. Application of smart solutions will enable cities to use technology, information and data to improve infrastructure and services. ITI has entered in to teaming agreements with many start-ups who have developed "smart" solutions which are integral part of IoT sector. ITI is planning to offer solutions for smart education, smart health, smart environment, smart transport etc. ITI is actively participating in smart city tenders to secure business.

□ Telecom testing Lab:

As per the guidelines issued by DoT for Mandatory Testing and Certification of Telecom Equipment (MTCTE), all telecom equipment must undergo mandatory testing and certification prior to sale, import of use in India. In this regard ITI, in collaboration with DOT and TEC, is under process of establishment of 4 testing labs like EMI/EMC, Safety, SAR and Security Labs for testing various parameters at ITI Bangalore plant. EMI/EMC lab and safety labs is already commissioned. Establishment of other two labs are in progress.

□ Start-up and Manufacturing hub:

ITI has always be the front runner in the nation building and implementation of Government of India policies. With a vision to contribute for Start-up India mission of Govt. of India, ITI is in the process of establishing 1000 seater Start-up hub in phased manner at ITI Bangalore plant for encouraging start-ups in the country. 50 seater start-up hub along with Amenities like dedicated corporate hub meeting room, demo room, highly secure Wi-Fi connectivity is functional. Start-up hub customers can also utilize our manufacturing facilities like PCB, SMT and 3D printing plants to enhance their operations from this facility. Coordination with various Start-ups to occupy these space and additional manufacturing spaces are in process. Site for setting up of a manufacturing hub has been identified and implementation process is underway.

INDUSTRIAL RELATIONS

ITI has glorious tradition of building and maintaining a conducive employee-employer relations environment. The Industrial Relations scenario in the Company was cordial throughout the year. Employees' Union and Officers' Association extended their co-operation and support in ensuring smooth work flow and helped to meet the Company's objective. Apex Committee meeting having members from union and officers association officer bearers of all the units of ITI and the Top Management of ITI, held in the month of December'18 was the part of ensuring workers' participation and maintain a peaceful IR climate.

PREVENTION OF SEXUAL HARASSMENT AT WORKPLACE

In terms of the provisions of the Sexual Harassment of Women at Workplace (Prevention, Prohibition & Redressal) Act, 2013("Act") and Rules made there under, Company has constituted Internal Complaints Committees (ICC) to redress complaints received regarding Sexual Harassment at all Units. All employees (permanent, Contractual, Temporary, trainees) are covered under this policy. The Company has complied with the provisions relating to the constitution of ICC and during the year no cases/complaints have been filed under the Act.

DEVELOPING EMPLOYEES CAPABILITIES & COMPETENCIES

Your company believes that employees development and preparing them for tomorrow is the key in taking up the challenges effectively.

1.1 Training & Development:

It is vital for the company to build the skills necessary due to rapid change in technology. There is an intense focus on acquiring skill sets to suit and meet and cope up the present-day challenges. Skilled personnel are essential for success of an organization. Skill and Knowledge are driving forces of growth and sustainability of the Company. The shortage of skilled manpower in the Company is a real challenge at present, which is the resultant of attrition of qualified and experienced personnel. The shortage of skill sets to greater extent is augmented through a careful and a planned training and developmental initiatives. ITI Limited has adopted a strategy that directs skill development and capacity building training through a systematic and need based planning process through identification of training needs, designing and customizing the training programmes etc.

To adopt the latest trends in Telecom Technologies, the Company has been committed to organize HR learning interventions and development activities by the Plants' Human Resources Employee Centre, with the focus on Company's business objectives, employee-centered Technological, Managerial & Skill Development with emphasis on Quality and Customer Relations.

Making use of training infrastructure available with telecom PSUs for skill development/enhancement – As a part of creating synergy amongst Telecom PSUs, ITI is availing the expert/faculty support from Telecom Engineering Centre (TEC) through DoT for organising training programme in New Technology. The first programme on "IoT and 5G" has been arranged at Bengaluru, wherein 80 persons have been trained.

The details of training programmes organised during the FY 2018-19 is as follows:

Details	Training			Total trained
	In-house	External	IIM's	
No. of programmes	60	36	5	101
No. trained	1507	70	125	1706
Trg. Mandays achieved	2477	183.5	625	3286
% Trained				49.1%
Male employees trained	1234	56	102	1396
Female employees trained	276	14	23	313
SC/ST employees trained	233	16	36	285

Talent Development: To develop, ability to manage the change, drive for innovative ideas & approaches, to enhance critical thinking, analytical, Interpersonal and Leadership Skills and also to develop positive attitude for building a high-performance work culture, Corporate Management has decided to train Executives of ITI in batches at various premier Institutes like IIMs to groom and developing their attitude, skills and knowledge.

ITI management has identified some good senior and middle level managers who are high performers and have potential to be groomed to rise to higher positions and assume Leadership roles. As a part of our succession plan, to elevate these officers into a management role, we wanted these officers surely be superior at managing others in order to assume higher responsibilities, leading change from

front, and manage business activities effectively. The Company organised Five Management Development Programmes at IIM's wherein 125 managers across the company have been trained during FY 2018-19 as against 50 trained during FY 2017-18. In addition to the above, 70 officials have been nominated for external training programmes/workshops organised by various agencies including Premier Institutions like IITs/ IIMs, ICAI, NIFM, etc., in the most important areas.

The Company has excelled on the MoU commitment with respect to HRD System and consecutively secured 'Excellent Rating' for the year 2018-19 also.

1.2 Skill Development and Capacity Building:

The Company not only develops the skill sets of its own employees through imparting training through its HR-Employee Development Centers located at Plants but also train and educate the young minds in vocational trades through summer placement, internship projects. Your Company has also ventured to provide theoretical and practical training to engineering, management students as an endeavor to bridge the institution- industry skill gaps. The Finishing Schools at company's plants are doing yeoman services to the students' community in the country.

ITI is actively involved in imparting the skill development training in various modules. Telecom Skill Sector Counsel (TSSC)/ Electronic Skill Sector Counsel of India (ESSCI) Job roles and ITI Modules for various categories of students. As a part of 'Skill India' Flagship programme, ITI started imparting Skill Development and Capacity Building training at various plants of ITI to youth/trainees/students thereby enhancing their employability and increase their employment opportunities and entrepreneurship.

The following are some of the Job Roles, ITI has imparted in skill development training: - Optical Fiber Technician; Optical Fiber Splicer; Solar Module Assembly Technician; PCB Fabricator; Circuit Image Operator (PCB Manufacturing); Field Technician-Computing & Peripherals; Pick-and-Place Assembly Operator; Through-Hole-Assembly Operator and BSS Support Engineer. Further we are exploring/ planning for imparting skill development to the youth in SMT Technician and other ESDM Job Roles. In addition to the above, ITI is also engaging and imparting training to Graduate Engineer, Diploma (Technicians) and Trade Apprentices in various trades under the Apprentices' Act/ National Apprentices Promotion Scheme (NAPS). Also, as a part of CSR and capacity building, the Company is imparting training to the students of Engineering/ Management to carry out their Internship and Project.

Course-wise number of participants imparted skill development training during the FY 2018-19:

SI	Name of Skill Development Scheme	No. of participants
1	Optical Fibre Splicer - TSSC QP	64

8	Finishing School (ITIL module)	119
9	Special Industrial Training to Adopted ITI (ITIL module)	269
TOTAL		2566

ITI Limited has entered into MoU with TSSC, ESSCI etc., to propel the skill development training.

IMPLEMENTATION OF OFFICIAL LANGUAGE ACT, 1963

All Units/Marketing Services and Projects ("MSP") have established "Check-Points" in their departments to make effective implementation of the Official Language policy. Monitoring is being done by the respective Official Language Implementation Committee constituted in every Unit/ MSP.

The Progress of Implementation of Official Language in corporate office as well as in all subordinate Units/MSP is being periodically reviewed by the OLIC of Corporate office.

Units/MSP at Naini, Rae Bareli, Mankapur, New Delhi, Mumbai, Lucknow & Corporate Office have been notified in the Gazette of Government of India under the OL Rules 10(2) & (4), 1976 after more than eighty percent (80%) of the staff working knowledge of Hindi in these Units/MSP.

ITI Limited, Corporate Office is regularly sending the Quarterly Progressive Report to the Ministry as well as Dy. Director (Implementation), Regional Implementation office, Bengaluru. Corporate Office at Bengaluru has been awarded third prize for "Best performance" in the Official Language implementation by TOLIC, Bengaluru.

In order to enhance working knowledge of Official Language of employees, internal training programs are conducted with support of internal/ external faculties. Besides, employees are also encouraged to take part in Hindi Prabodh, Praveen & Pragya examinations for which financial incentives are given to qualified employees.

"Hindi Fortnight" was organized in the year 2018-19 in all the Units and various events were organized during this fortnight. Employees of Units/MSP also participated in their respective TOLIC and won different awards. Bilingual (i.e. English and Hindi) website of the company is being regularly updated.

VIGILANCE

Vigilance Department worked persistently on the preventive vigilance activities during the year 2018-19 in order to bring more transparency and efficiency in the organization. Vigilance department has followed guidelines issued by CVC and Government time to time.

Corporate vigilance advised periodically to the Management for improvement regarding implementation of Integrity Pact, implementation of Rotational Transfers of Executives in Sensitive Areas, periodical review for ensuring probity and efficacy among employees, publishing of NITs and 'Contracts concluded' in the company website.

In order to ensure transparency, equity and competitiveness in public procurement, our Company has introduced Integrity Pact. To address the grievances of intending bidders the issue of appointment of Independent External Monitor (IEM) was taken up by Corporate Vigilance with the management and Company facilitated the appointment of Shri Venugopal K Nair, IPS (Retd) as IEM.

For leveraging technology, Company had already deployed Online Vigilance Clearance System in the company. Also online file tracking system has been deployed in the company for electronically tracing the current location of the file. And very recently, Company has introduced Online Annual Property Return [APR] submission system.

Several System Improvement Measures in the field of Inward Goods Inspection, procurement process, etc. have also been suggested to Management as a part of preventive vigilance.

Our Company celebrated Vigilance Awareness Week from 29th October 2018 to 3rd November 2018 in all manufacturing units, business establishments and corporate office. A talk by Former Hon'ble Justice of Supreme Court & Former Lokayukta of Karnataka, Shri N. Santosh Hegde on 'Integrity & Good Governance in PSU' was arranged in the R&D Conference Hall in Bangalore Plant. In his speech, Hon'ble Justice cited several instances of social and political corruptions in our country and urged the youth of our country to come forward to build corruption free India.

As an outreach activity, a Vigilance Awareness Rally called 'Vigithon' was conducted by more than 200 students of ITI Central School & Vidyamandir School, Bengaluru. Poster competition & Essay competition held at ITI Central School & ITI Vidyamandir School and more than 450 students & 40 Teachers participated in this event. Lecture and Integrity pledge & speech competition was organized at Lucknow Public School, Rae Bareli & at Kendriya Vidyalaya, Rae Bareli on 02.11.2018. A talk on vigilance was organized in the Hindi hall of EDC in Raebareli Unit Pledge administered in the Purva Madhyamik Primary school, Naini by Naini Unit vigilance team and teachers and 200 students participated in pledge taking ceremony. Banners / posters pertaining to VAW 2018 were displayed in school campus. The Observance covered Pledge taking ceremony, holding Essay / Quiz/ Slogan Competitions, arranging Valedictory Function on the Concluding Day of the Vigilance Observance Week.

During the year 2018-19, vigilance department received 20 complaints and 19 were disposed off. Out of 19 complaints disposed, 5 were anonymous / Pseudonymous, 5 have been sent for administrative action of the respective units and investigation was done for 9 complaints by vigilance department and disposed off.

COMPLIANCE UNDER RIGHT TO INFORMATION ACT, 2005 (RTI)

During the FY 2018-19, 269 applications under RTI have been received. The Company has formulated a Policy on Related Party Transactions which is also available on Company's website at http://www.itild-india.com/investor_information. All Related Party Transactions entered during the year were in Ordinary Course of the Business and on Arm's Length basis. No Material Related Party Transactions, i.e. transactions exceeding ten percent of the annual consolidated turnover as per the last audited financial statements, were entered during the year by the Company. Accordingly, the disclosure of Related Party Transactions as required under Section 134(3) (h) of the Companies Act, 2013 in Form AOC 2 is not applicable. Members may refer to note no. 32 to the financial statement which sets out related party disclosures pursuant to IND AS 24.

MATERIAL CHANGES AFFECTING FINANCIAL POSITION OCCURRING BETWEEN THE END DATE OF FINANCIAL YEAR AND DATE OF THE REPORT- NIL

DIRECTORS RESPONSIBILITY STATEMENT

The Directors confirm that

- (a) In the preparation of the annual accounts for the financial year ended 31st March 2019, the applicable accounting standards had been followed along with proper explanation relating to material departures;

- (b) Such accounting policies have been selected and applied consistently and judgments and estimates have been made that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company at 31st March 2019 and of the profit of the company at that date;
- (c) Proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of Companies Act, 2013 for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;
- (d) The annual financial statements have been prepared on a going concern basis;
- (e) Proper internal financial controls were in place and that the financial controls were adequate and were operating effectively; and
- (f) That systems to ensure compliance with the provisions of all applicable laws were in place and that such systems were adequate and operating effectively.

PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS

Details of Loans, Guarantees and Investments covered under the provisions of Section 186 of the Companies Act, 2013 are given in the notes to the Financial Statements.

ENTERTAINMENT EXPENDITURE AND FOREIGN TRAVEL

The expenditure on entertainment was Rs. 0.36 lakhs. Expenditure on official travel abroad by the officials of the Company amounted to Rs. 7.29 lakhs during the year.

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO

Particulars with respect to Conservation of Energy, Technology Absorption and Foreign Exchange Earnings and Outgo, required to be disclosed under the Section 134 of the Companies Act, 2013 read with Rule 8 of Companies (Accounts) Rules, 2014 is appended as **Annexure 7**.

EXTENSION FOR HOLDING 69TH ANNUAL GENERAL MEETING

In terms of the provisions of the Companies Act, 2013, the CAG report on financial statements is mandatorily required to be placed with the Statutory Audit report. In light of observations arising from the audit by the office of Principal Director of Audit, Post & Telecommunications, the Statutory Auditors had submitted revised Statutory Audit Report for financial year 2018-19 to Comptroller and Auditor General of India (CAG). Accordingly, the Company could not receive the CAG report on time i.e. before 30th September 2019. Accordingly, the Company has sought extension of time from convening the Annual General Meeting from Registrar of Companies (ROC), Bengaluru. The ROC Bengaluru has granted extension of time to the Company for convening of AGM beyond 2 months from 30th September 2019 i.e. on or before 30th November 2019, which was further extended by 30 days i.e. on or before 30th December 2019.

Based on revised Statutory Audit Report on financial statement for 2018-19, the CAG has issued its report on 14th November 2019. It may kindly be noted that the said amendment in the Statutory Audit Report has no impact on the reported figure in the financial statements for the year 2018-19.

ACKNOWLEDGEMENT

The Board of Directors are extremely grateful for the continued patronage and support received from Ministry of Communications, Ministry of Defence and various other agencies & regulatory authorities in Central and State Governments, the Comptroller & Auditor General of India, Statutory Auditors, Secretarial Auditors, Cost Auditors, Internal Auditors, Suppliers, Sub-contractors, Company's Bankers and our valued customers including BSNL, BBNL, MTNL, EESL, etc.

The Board also places on record its appreciation for the contribution and support extended by all employees of ITI Ltd towards the success of your Company. Your Directors express their appreciation and gratitude to all the shareholders, investors, for the trust and confidence reposed in the Company and look forward to their continued cooperation and support in sustaining the growth of the Company in the coming years.

For and on behalf of the Board of Directors

(Rakesh Mohan Agarwal)

ADDENDUM TO THE DIRECTORS' REPORT COMPANY'S REPLIES TO STATUTORY AUDITOR'S OBSERVATION IN THEIR REPORT

Point No.	Statutory Auditor's Observations	Company's Remarks
Qualifications Not quantifiable:		
a)	Pending approval from the Government of India on the finalization of the lease terms & agreement, rental income on the land leased out to the Bangalore Metropolitan Transport Corporation (BMTC) to an extent of the 12.15 acres proposed to be leased out to BMTC is already in the possession of BMTC, further based on the information furnished to us, BMTC additionally occupies 1.85 acres, has not been recognised as income. A sum of Rs 285.00 lakhs received earlier from the BMTC under an agreement to sell is held under deposits (Refer Note 31.16);	The case has been referred to DoT to get approval for leasing the property to BMTC, which is yet to be finalized.
b)	Rental income on the land leased out to the Karnataka Power Transmission Corporation Limited (KPTC) (to an extent of the 5 acres proposed to be leased out to KPTC is already in the possession of KPTC), has not been recognised as income pending finalisation of lease agreement. (Refer Note No. 31.18)	Efforts are being made by the company regarding the settlement of KPTC land issues at the earliest.
Qualifications quantifiable:		
a)	Non-provision of Rs 5847.90 lakhs towards claims doubtful of recovery, being rent receivable from premises leased out to C-DOT upto the period ended 31.3.2011 and no rental income for the period subsequent to 31.03.2011 for the same premises has been recognised on accrual basis due to uncertainty of realization (Refer Note No.31.22);	The company has been rigorously following on with the DoT for resolving the pending issue of the rent due from C-DoT. Subsequently, DoT has informed ITI to present the subject matter to ITI Board for perusal for the further course of action. Company is of the view that provision for Rs.5847.90 Lakhs at this juncture is not required till the issue is finally settled.

REPLY TO OBSERVATIONS OF SECRETARIAL AUDITOR

Secretarial Auditor's Observations	Company's explanation
The company has not complied with the requirements of Section 149 (4) of the Act having at-least one-third of the total number of Directors as Independent Directors at the beginning of the year, however, the same have been complied with as on 31 st March 2019.	Five Independent directors were inducted into the Board vide Government of India order dated 17.07.2018. Accordingly, as on 31.03.2019, the composition of Board of Directors is in compliance with Section 149 (4) of the Companies Act.
The company has not complied with the provisions of Regulation 17 of LODR with respect to Composition of Board of Directors of the company {having proper balance of independent and non-independent directors} at the beginning of the year, however, the same have been complied with as on 31 st March 2019.	Five Independent directors were inducted into the Board vide Government of India order dated 17.07.2018. Accordingly, as on 31.03.2019, the composition of Board of Directors is in compliance with Regulation 17 of LODR.
The company has not complied with the requirement of minimum public shareholding pursuant to Regulation 38 of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015. However, SEBI has condoned the requirement of minimum public shareholding vide their Letter No. SEBI / HO / CFD / DIL1 / OW / P / 28212 / 2018 dated 08 th October 2018.	<p>The Company had made preferential allotment of equity shares to President of India on 11.08.2016, 09.02.2017, 13.09.2017, 14.12.2017 and 19.05.2018. The Company has received listing and trading approval from both BSE and National Stock Exchange of India Limited ("NSE") for allotments made on 11.08.2016 and 09.02.2017.</p> <p>However NSE informed that there was non-compliance of meeting erstwhile Minimum Public Shareholding requirement for preferential allotments made on 13.09.2017, 14.12.2017 and 19.05.2018 and advised to seek exemption / condonation of delay from SEBI</p> <p>The Company approached SEBI stating that non-compliance of MPS was due to lock in of shares of Promoter for compliance with certain SEBI regulations and accordingly sought condonation of delay in meeting erstwhile MPS requirement. SEBI acceded to the request vide its letter No. SEBI/HO / CFD /DIL/OW/P/28212/2018 dated 08.10.2018.</p> <p>Accordingly, the company has now received listing and trading approval for all the preferential allotments dated 13.09.2017, 14.12.2017 and 19.05.2018.</p>
The submission of audited financial results for the year ended 31 st March 2018 as per provisions of Regulation 33 of LODR with BSE Limited was incomplete due to technical glitch. However, BSE Limited has waived off the penalty of Rs. 67,02,400/- levied, vide its letter No. LIST / COMP / 523610 / waiver of fine / 803 / 2018-19 dated 03 rd September 2018.	<p>The financial results for the year ended 31.03.2018 were approved by the Board in its meeting held on 19.05.2018 and the same were submitted with BSE Limited and National Stock Exchange of India Limited ("NSE") within the prescribed time period</p> <p>The submission was in full and intact with NSE. But however due to technical problems, only partial documents were submitted to BSE Limited.</p> <p>The Company made representation to BSE Limited. Since the submission to NSE was in order and the other related compliance of publication of Financial results were properly done, BSE waived the fine imposed vide its letter No. LIST/COMP/523610/Waiver of fine/ 803/2018-19 dated 03.09.2018.</p>

Annexure to Directors' Report
Form No. MR-3

Secretarial Audit Report for the financial year ended 31st March 2019

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To
The Members
M/s. ITI Limited
(CIN: L32202KA1950GOI000640)
ITI Bhavan, Doorvani Nagar,
Bengaluru - 560 016

I have conducted the Secretarial Audit of the compliances of applicable statutory provisions and the adherence to good corporate practices by M/s. ITI Limited (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conduct / statutory compliances and expressing my opinion thereon.

Management's Responsibility for Secretarial Compliances:

The Company's Management is responsible for preparation and maintenance of secretarial records and for devising proper systems to ensure compliance with the provisions of applicable laws and regulations.

Auditor's Responsibility:

My responsibility is to express an opinion on the secretarial records, standards and procedures followed by the Company with respect to secretarial compliances.

I believe that audit evidence and information obtained from the Company's management is adequate and appropriate for me to provide a basis for my opinion.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and read with the Statutory Auditors' Report on Financial Statements and Compliance of the conditions of Corporate Governance and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion and to the best of my information, knowledge and belief and according to the explanations given to me, the company has, during the audit period covering the financial year ended on 31st March 2019 (Audit Period) generally complied with the applicable statutory provisions listed hereunder and also that the Company has proper Board - processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by M/s. ITI Limited for the financial year ended on 31st March 2019 according to the provisions of:

1. The Companies Act, 2013 and the Rules made thereunder;
2. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made thereunder;
3. The Depositories Act, 1996 and the Regulations and Bye- laws framed thereunder;
4. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings to the extent applicable to the company - **As reported to us, there were no FDI, ODI or ECB transaction in the company during the year under review.**
5. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') to the extent applicable to the company:-
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure requirements) Regulations, 2018;
 - d. The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 - **No instances were reported during the year.**
 - e. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 - **No instances were reported during the year.**
 - f. The Securities and Exchange Board of India (Registrars to an issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client - **The Company has appointed a SEBI authorised Category I Registrar and Share Transfer Agent.**
 - g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; - **No de-listing was done during the year**
 - h. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; - **No buy - back was done during the year.**
 - i. Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

6. Other laws as may be applicable specifically to the Company are:
- Department of Public Enterprises (DPE) Guidelines on Corporate Governance
 - The Telecom Regulatory Authority of India Act, 1997
 - The Information Technology Act, 2000

Having regard to the compliance system prevailing in the Company and on the basis of presentation/certificates made by the heads of the departments and the compliance certificates made by the heads of the departments and submitted to the secretarial department of the Company, we report that the Company has substantially complied with the provisions of other applicable laws relating to maintenance of Labour laws, Environmental Laws, etc. to the extent of their applicability to the Company.

I have also examined compliance with the applicable clauses of Secretarial Standards with respect to Board and general meetings of The Institute of Company Secretaries of India; I report that during the year under review, the company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards etc. mentioned above

I further report that, the compliance by the Company of applicable financial laws such as direct and indirect tax laws and maintenance of financial records and books of accounts have not been reviewed in this audit since the same have been subject to review by the statutory financial auditors, tax auditors and other designated professionals.

a) Observations / Non Compliances / Adverse Remarks / Qualifications in respect of Companies Act, 2013 and Rules made there under are as follows:

- *the company has not complied with the requirements of Section 149 (4) of the Act having at-least one-third of the total number of Directors as Independent Directors at the beginning of the year, however, the same have been complied with as on 31st March 2019.*

b) Observations / Non Compliances / Adverse Remarks / Qualifications in respect of Compliance with SEBI (Listing Obligations & Disclosure Requirements) (LODR) Regulations, 2015 are as follows:

- *the company has not complied with the provisions of Regulation 17 of LODR with respect to Composition of Board of Directors of the company {having proper balance of independent and non-independent directors} at the beginning of the year, however, the same have been complied with as on 31st March 2019.*
- *the company has not complied with the requirement of minimum public shareholding pursuant to Regulation 38 of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015. However, SEBI has condoned the requirement of minimum public shareholding vide their Letter No. SEBI / HO / CFD / DIL1 / OW / P / 28212 / 2018 dated 08th October 2018.*
- *The submission of audited financial results for the year ended 31st March 2018 as per provisions of Regulation 33 of LODR with BSE Limited was incomplete due to technical glitch. However, BSE Limited has waived off the penalty of Rs. 67,02,400/- levied, vide its letter No. LIST / COMP / 523610 / waiver of fine / 803 / 2018-19 dated 03rd September 2018.*

Also, we draw attention that:

- I report that during the year under review, the Securities and Exchange Board of India has condoned the delay in filing the listing application with BSE due to technical glitch for the preferential allotment dated 19th May 2018 vide their letter No. SEBI / HO / CFD / DIL1 / OW / P / 25330 / 2018 dated 07th September 2018 (pursuant to Regulation 108 of the SEBI (Issue of capital and disclosure requirements) Regulations, 2009).
- Cumulative Redeemable Preference shares amounting to Rs. 30,000.00 Lakhs, overdue for redemption has been removed from the share capital and classified as current financial liability. Interest / Dividend has not been provided in the books of accounts.
- The provisions of Section 42 and Section 62 of the Companies Act, 2013 and Rule 14 of the Companies (Prospectus and Allotment of Securities) Rules, 2014 are not applicable to the Company as the Preferential issue of equity shares is made in terms of Rehabilitation scheme approved by the Board of Industrial and Financial Reconstruction (BIFR) under the sick industrial Companies (Special Provisions) Act, 1985.

I further report that:

- a. The Board of Directors of the Company is duly constituted with proper balance of Executive Directors and Non-Executive Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
- b. Adequate notice was given to all the directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent atleast seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- c. All decisions at Board Meetings are carried out by requisite majority as recorded in the minutes of the meetings of the Board of Directors as the case may be.
- d. I further report that as represented by the Company and relied upon by me there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.
- e. I further report that during the audit period, the company has filed draft Red Herring Prospectus (DRHP) with Securities and Exchange Board of India for Follow-On Public Offer (FPO) and obtained their observations vide their Letter No. CFD/DIL-1/AR/OW/2754/2019 dated 25th January 2019 wherein the proposed issue can open for subscription within a period of 12 months from the date of issuance of the said observance letter.

5.	E-mail id	cosecy_crp@itilt.co.in
6.	Financial Year reported	2018-19
7.	Sector(s) that the Company is engaged in (industrial activity code-wise)	Telecommunication Technology, Turnkey project execution, manufacturing & supplying of communication systems & products
8.	List three key products/services that the Company manufactures/provides (as in balance sheet)	(a) manufacturing, supply and maintenance of GPON & associated equipments (b) Design , manufacturing, supply & maintenance of encryption products for Indian Defence (c) Turnkey projects like execution of BharatNet project for deployment of optical communication network (supply and installation of telecom equipment, OFC and HDPE duct, Solar, laying of fiber and maintenance of network)
9.	Total number of locations where business activity is undertaken by the Company a. Number of International Locations (Provide details of major 5) b. Number of National Locations	Nil Manufacturing Units at: Bengaluru (Karnataka), Palakkad (Kerala), Rae Bareilly, Mankapur, Naini (Uttar Pradesh), Srinagar (Jammu & Kashmir) Network System Unit (Installation and Maintenance Services): Bengaluru Marketing Services and Project at : Bengaluru, Mumbai, New Delhi, Chennai, Kolkata, Bhubaneswar, Lucknow and Hyderabad Local/Area Marketing Offices at: Thiruvananthapuram, Kochi, Pune, Nagpur, Ahmedabad, Ranchi, Dimapur, Raipur, Guwahati, Jaipur, Chandigarh, Bhopal, Trichy, Madurai, Coimbatore, Patna, Dehradun
10.	Markets served by the Company Local/State/ National/International	National

Section B: Financial Details of the Company

1.	Paid up Capital	Rs. 897,00,00,000
2.	Total Turnover	Rs. 1,894 crores
3.	Total profit after taxes	Rs. 93 crores
4.	Total spending on Corporate Social Responsibility (CSR) as percentage of profit after tax (%)	Rs. 64.12 lakh
5.	List of activities in which expenditure in 4 above has been incurred:-	As per Board approved CSR Policy, CSR projects are undertaken in various thrust areas viz., Education, Sanitation, Health care, Environment protection etc. The details are mentioned under Corporate Social Responsibility Report.

Section C: Other Details

1.	Does the Company have any Subsidiary Company/ Companies?	No
2.	Do the Subsidiary Company/ Companies participate in the BR initiatives of parent company? If yes, then indicate the number of such subsidiary company(s)	Not Applicable
3.	Do any other entity/ entities (e.g., suppliers, distributors etc.) that the Company does business with, participate in the BR initiatives of the Company? If yes, then indicate the percentage of such entity/ entities? [Less than 30%, 30-60%, More than 60%]	No. The Company does not mandate that suppliers and partners to participate in the Company's BR initiatives. However, they are encouraged to do so. Certain activities of the Company under the BR mandate Company's business partners also to follow.

Section D: BR Information

1. Details of Director/Directors responsible for BR	
(a) Details of the Director/ Directors responsible for implementation of the BR policy/ policies	DIN : 07333145 Name : Shri Rakesh Mohan Agarwal (w.e.f 14 th October 2019) Designation : Chairman and Managing Director Email ID : cmd@itilt.co.in
1. DIN	
2. Name	
3. Designation	
(b) Details of the BR head	The Board has not assigned responsibilities specifically to any Director to function as the BR head.

2. Principle-wise (asper NVGs) BR Policy/policies (Reply in Y/N)

The 9 principles outlined in the National Voluntary Guidelines are as follows:

P1	Businesses should conduct and govern themselves with Ethics, Transparency and Accountability.
P2	Businesses should provide goods and services that are safe and contribute to sustainability throughout their life cycle.
P3	Businesses should promote the well-being of all employees.
P4	Businesses should respect the interests of and be responsive towards all stakeholders, especially those who are disadvantaged, vulnerable and marginalized.
P5	Businesses should respect and promote human rights.
P6	Businesses should respect, protect and make efforts to restore the environment.
P7	Businesses when engaged in influencing public and regulatory policy, should do so in a responsible manner.
P8	Businesses should support inclusive growth and equitable development.
P9	Businesses should engage with and provide value to their customers and consumers in a responsible manner.

Sl. No.	Questions	P1	P2	P3	P4	P5	P6	P7	P8	P9
1	Do you have a policy/ policies for...	Y	Y	Y	Y	Y	Y	-	Y	Y
2	Has the policy being formulated in consultation with the relevant stakeholders?	Y	Y	Y	Y	Y	Y	-	Y	Y
		The policies has been formulated in consultation with functional heads								
3	Does the policy conform to any national / international standards? If yes, specify? (50 words)	Y	Y	Y	Y	Y	Y	-	Y	Y
		Various policies conform to different applicable statutes/ guidelines/ rules etc. issued by GoI and other Regulatory authorities, and updated from time to time. Industry practices, national/ international standards are kept in view while formulating policies.								
4	Has the policy being approved by the Board? If yes, has it been signed by MD/ owner/ CEO/ appropriate Board Director?	Y	Y	Y	Y	Y	Y	-	Y	Y
		Different policies are approved by the Board/Competent Authorities as per delegation of power.								
5	Does the company have a specified committee of the Board/ Director/ Official to oversee the implementation of the policy?	Y	Y	Y	Y	Y	Y	-	Y	Y
		Chairman & Managing Director								
6	Indicate the link for the policy to be viewed online?	The policies are available on Company's website: http://www.itilt-india.com/investor_information								
7	Has the policy been formally communicated to all relevant internal and external stakeholders?	Yes. The policies have been communicated to the stakeholders by uploading on the Company's website mentioned at sl.no. 6.								
8	Does the company have in-house structure to implement the policy/ policies.	Yes								
9	Does the Company have a grievance redressal mechanism related to the policy/ policies to address stakeholders' grievances related to the policy/ policies?	Yes								
10	Has the company carried out independent audit/ evaluation of the working of this policy by an internal or external agency?	The Company is subject to various audits such as Statutory Audit by firm of Chartered Accountants appointed by the Comptroller & Auditor General, C&AG Audit, Cost Audit, Internal Audit, Secretarial Audit, Energy Audit, Safety Audit, Quality Audit, Environmental management system audit etc. These audits ensure compliance to various internal and external policies.								

ITI does not advocate influencing the public & regulatory policies for its gain, hence no policy is proposed. If required, the Company may approach the appropriate authorities through Trade and Industry Chambers and Association and other such collective platforms.

3. Governance related to BR

- (a) **Indicate the frequency with which the Board of Directors, Committee of the Board or CEO to assess the BR performance of the Company. Within 3 months, 3-6 months, Annually, More than 1 year**

Chairman and Managing Director to review the BRR annually.

- (b) **Does the Company publish a BR or a Sustainability Report? What is the hyper link for viewing this report? How frequently it is published?**

Yes. The Company publishes BR Report annually as part of its annual report. The same can be viewed at http://www.ititd-india.com/investor_information

Section E: Principle-Wise Performance

Principle 1: Businesses should conduct and govern themselves with Ethics, Transparency and Accountability

1. **Does the policy relating to ethics, bribery and corruption cover only the company? Yes/No. Does it extend to the Group/Joint Ventures/ Suppliers/ Contractors/NGOs/Others?**

No, the policies implemented by ITI, in these regards cover employees of the Company as well as suppliers / contractors / bidders, etc. As a responsible corporate citizen, ITI not only seeks to conduct its business in the most ethical manner, it also motivates and encourages its employees to maintain the same ethical standards and carry forward the influence among the surrounding communities. The Company has put in place Conduct, Discipline and Appeal (CDA) Rules which prescribe the code of conduct as applicable mostly to the executives of the Company whereas the non-executive workmen are covered under the code of conduct / misconduct as mentioned in the Standing Orders. The Company implemented Integrity Pact for all contracts / procurements valuing Rs 25 Lakhs and above. It has been envisaged in The Integrity Pact that appropriate action shall be taken against the signatories of Integrity Pact, if they are found involved in unethical practices including corruption and bribery.

2. **How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management?**

Total 2 number investor complaints have been received by the Company through SEBI SCORES Platform, NSE and BSE and Registrar & Transfer Agent. All these complaints were attended to and resolved on priority basis. Vigilance Department of the Company received 10 complaints and 9 are resolved. Out of that, 9 complaints (90%) have been disposed off. (the anonymous/Pseudonymous and administrative action not considered)

Principle 2: Businesses should provide goods and services that are safe and contribute to sustainability throughout their lifecycle

1. **List up to 3 of your products or services whose design has incorporated social or environmental concerns, risks and/or opportunities.**

- (i) ITI has installed GPON Fiber network and equipment throughout the country for providing high speed broadband connectivity to rural geographies in the country. This will improved the digital information access to the rural masses in the country

ITI has established solar panel manufacturing infrastructure to produce solar panels which is an environmental friendly energy source.

- (ii) ITI is executing a service project in which the cleanliness in public toilets installed in various municipalities is monitored wirelessly thus enabling the municipal agencies to improve the sanitation services in public places. This is a project under Swachh Bharat mission of Government of India.

- (iii) ITI has established a Data Centre and is offering Software services, like Core banking solutions, Aadhaar authentication services etc. under Government of India's Digital India Mission, the whole objective of these projects being creation of paperless, cash less society and digitally empowers the citizens of the country, reduce the digital divide, these projects also address environmental issues.

2. **For each such product, provide the following details in respect of resource use (energy, water, raw material etc.) per unit of product (optional):**

- (a) **Reduction during sourcing / production / distribution achieved since the previous year throughout the value chain?**

- (b) **Reduction during usage by consumers (energy, water) has been achieved since the previous year?**

The solar plant established by ITI is new and its commercialization is expected to begin in this financial year. The manufacturing uses very minimal water in the process. The panels are used by customers to generate power using sun light have a life of above 25 years, thus contributing significantly for environmental friendly process of power generation.

The project for monitoring of cleanliness of public toilets in Municipalities Swachh Bharat mission requires very less power for the small equipment installed in the public toilets to give a feedback on the cleanliness of the toilets. The project is very much helpful in maintaining health and hygiene of public at large.

Affordable Digital storage through Data centres has enabled organizations with the capability for replacing their physical storage needs resulting in huge saving of papers, scarce energy resources and in turn environment.

3. **Does the Company have procedures in place for sustainable sourcing (including transportation)? If yes, what percentage of your inputs was sourced sustainably?**

The Company has been following approved criteria for the selection of vendors to ensure sustainable sourcing which inter alia includes vendors having ISO 9000 certification, vendors approved by regulatory bodies, various authorized dealers of the manufacturer, ability to provide materials as per laid down specification and other requirements, ability to supply materials as per stipulated delivery period, annual evaluation of the orders placed on a vendor is completed to decide the average performance, a vendor is removed/suspended from approved vendor list based on his average performance over the period of evaluation, vendors list is reviewed and updated once in a year.

- (i) **Has the Company taken any steps to procure goods and services from local and small producers, including communities surrounding their place of work? If yes, what steps have been taken to improve their capacity and capability of local and small vendors?**

The Company complies with the Public Procurement Policy of the Government in procurement of goods from Micro, Small & Medium Enterprises (MSME)s. Company is also using GEM portal where Local and small producers are registered sellers.

- (ii) **Does the Company have a mechanism to recycle products and waste? If yes, what is the percentage of recycling of products and waste (separately as <5%, 5-10%, >10%)?**

Due to the nature of the products of the company and the waste generated, mechanism to recycle is not available. The integration and

testing facility does not produce any hazardous waste. However, in specific areas of production, like production printed circuit boards, Company has suitable treatment plants so that polluted liquid with chemicals are treated as per Pollution Control Board specifications before letting out the waste liquid. Similarly, all ITI plants have treatment plants for the waste water drained out from wash rooms, kitchen etc.

Principle 3: Businesses should promote the well being of all employees

1. Total number of employees: 2938 (permanent employees)
2. Total number of employees hired on temporary / contractual basis: 582
3. The number of permanent women employees: 348
4. The number of permanent employees with disabilities: 43
5. Do you have an employee association that is recognized by management?: Yes
6. What percentage of your permanent employees is members of this recognized employee association?: 100%
7. Number of complaints relating to child labour, forced labour, involuntary labour, sexual harassment in the last financial year and pending, as on the end of the year

Sl. No.	Category	No of complaints filed during the financial year	No of complaints pending as at end of the financial year
1.	Child Labour / forced Labour/ involuntary labour	NIL	NIL
2.	Sexual harassment	NIL	NIL
3.	Discriminatory employment	NIL	NIL

8. What percentage of your undermentioned employees were given safety and skill upgradation training in the last year.

Permanent Employees :	2004
Permanent Women Employees :	303
Casual/Temporary/Contractual Employees :	NIL
Employees with Disabilities :	NIL

Principle 4: Businesses should respect the interests of, and be responsive towards all stakeholders, especially those who are disadvantaged, vulnerable and marginalized.

1. **Has the Company mapped its internal and external stakeholders?**
Yes.
2. **Out of the above, has the Company identified the disadvantaged, vulnerable and marginalized stakeholders.**
Yes. The Company has identified the SC/ST employees, Employees with disabilities as disadvantaged, vulnerable and marginalised stakeholders for employment purpose.
3. **Are there any special initiatives taken by the Company to engage with the disadvantaged, vulnerable and marginalized stakeholders. If so, provide details there of, in about 50 words or so.**

The Company follows the reservation policy for SC/ST at the time of their appointment and promotion. The company has provided building/ infrastructure for housing SC/ST Welfare Association Offices. Scholarship are awarded by the Company for the Children of SC/ST employees. The Company periodically organizes appreciation programmes on Presidential

Directives on Reservations. To sensitize the SC/ST employees about the various Government scheme /facilities available, sensitization programme are conducted by the Company HRD centres

Principle 5: Businesses should respect and promote human rights

1. Does the policy of the Company on human rights cover only the Company or extend to the Group/Joint Ventures/Suppliers/Contractors/NGOs/Others?

The Human resource policies of the Company cover all aspects of human rights of its employees. No complaints have been received in the past financial year on human rights. The Company does not employ child labour and does not permit forced or compulsory labour.

2. How many stakeholder complaints have been received in the past financial year and what percent was satisfactorily resolved by the management?

No stakeholder complaint was received during the year with regard to human rights.

Principle 6: Business should respect, protect, and make efforts to restore the environment

1. Does the policy related to Principle 6 cover only the Company or extends to the Group/Joint Ventures/ Suppliers/Contractors/NGOs/others.

The environment policy of the Company covers only the company.

2. Does the Company have strategies/ initiatives to address global environmental issues such as climate change, global warming etc? If yes, please give hyper link for web page etc.

The Company does not have separate policy to address global issues such as climate change, global warming etc. However, the Company has a detailed manual which describe the common procedures to be established for the effective implementation of the environmental management system meeting the requirements of the international standards ISO14001:2004.

3. Does the Company identify and assess potential environmental risks?

Yes

4. Does the Company have any project related to Clean Development Mechanism? If so, provide details thereof, in about 50 words or so. Also, if yes, whether any environmental compliance report is filed?

ITI complies with the requirements of ISO 14001 environmental standards and meet all the statutory & regulatory requirements of environmental aspects in its manufacturing processes. Further, as mentioned under Principle 1 and 2, ITI is executing a project for centralized collection of details regarding cleanliness in public toilets in municipalities wirelessly which is part of Swachh Bharat mission.

5. Has the Company undertaken any other initiatives on – clean technology, energy efficiency, renewable energy, etc. If yes, please give hyper link for web page etc.

As mentioned under Principle 1 and 2, ITI has installed a solar panel manufacturing plant in one of its units. Company is already following ISO 14000 specifications with respect to its manufacturing processes. Further, ITI has implemented various energy conservation measure, electrification of new buildings with LED lights, replacement of conventional discharge lamp street lights with LED lights etc.

6. Are the Emissions/Waste generated by the Company within the permissible limits given by CPCB/SPCB for the financial year being reported?

Yes. The manufacturing plants have certificates from Pollution Control Boards.

7. Number of show cause/ legal notices received from CPCB/SPCB which are pending (i.e. not resolved to satisfaction) as on end of Financial Year.

In financial year 2018-19, there are no pending CPCB/ SPCB show cause/ legal notices.

Principle 7: Businesses, when engaged in influencing public and regulatory policy, should do so in a responsible manner.

1. Is your Company a member of any trade and chamber or association? If Yes, Name only those major ones that your business deals with:

- (a) Standing Conference of Public Enterprises (SCOPE)
- (b) Confederation of Indian Industry(CII)
- (c) Associated Chambers of Commerce and Industry of India (ASSOCHAM)
- (d) Electronic Industries Association of India (ELCINA)
- (e) Federation of Karnataka Chambers of Commerce & Industry (FKCCI)
- (f) Telecom Equipment & Services Exports Promotion Council (TEPC)
- (g) India Electronics & Semiconductor Association (IESA)
- (h) Telecommunications Standards Development Society, India (TSDSI)

2. Have you advocated/lobbied through above associations for the advancement or improvement of public good? Yes/No; if yes specify the broad areas (drop box: Governance and Administration, Economic Reforms, Inclusive Development Policies, Energy security, Water, Food Security, Sustainable Business Principles, Others)

ITI is collaborating & interacting with all the above institutions for contributing by proactively involving in various policy initiatives, programmes, events etc.

Principle 8: Businesses should support inclusive growth and equitable development

1. Does the Company have specified programmes/ initiatives/projects in pursuit of the policy related to Principle 8? If yes details thereof.

The Company has adopted a CSR policy for Social welfare of the society. The projects mentioned therein are in line with Schedule VII of Companies Act 2013 and are attempting for inclusive growth & equitable development.

2. Are the programmes/projects undertaken through in-house team/own foundation/external NGO/ government structures/any other organization?

The Company has undertaken CSR project through in-house teams.

3. Have you done any impact assessment of your initiative?

Yes. Impact assessment is crucial to view the effect of the activity conducted. ITI conducts impact assessment as a part of the project for the majority of projects.

4. What is your Company's direct contribution to community development projects- Amount in INR and the details of the projects undertaken.

The Company is not engaged in Community development projects as one of its business activities. However, such projects are being planned under CSR activities. The expenditure for the year 2018-19 is Rs. 64.12 lakh.

5. Have you taken steps to ensure that this community development initiative is successfully adopted by the community? Please explain in 50 words, or so.

As explained above under Principle 8, the Company is not obliged to spend in community development projects, as part of CSR activities. However, as part of CSR activities, engagement of the community is paramount for sustaining any community development program on ground. We ensure engagement of the community at the very planning stage and thereafter induct them at the implementation level. This not only ensures acceptance of the programme on ground but also its continuity and sustainability.

Principle 9: Businesses should engage with and provide value to their customers and consumers in a responsible manner

1. What percentage of customer complaints/consumer cases are pending as on the end of financial year.

The Company's is in Back to Back business and is resolving customer complaints as per the timelines mentioned in the contract.

2. Does the Company display product information on the product label, over and above what is mandated as per local laws? Yes/No/N.A. /Remarks (additional information)

The Company displays product information relevant to our customers to identify the product. We do not sell products for general public.

3. Is there any case filed by any stake holder against the Company regarding unfair trade practices, irresponsible advertising and/or anti-competitive behaviour during the last five years and pending as on end of financial year? If so, provide details there of, in about 50 words or so.

No cases have been filed by any stakeholders against the Company regarding unfair trade practices during the year under review.

4. Did your Company carry out any consumer survey/ consumer satisfaction trends?

No. The Company, however, ensures that complaints, if any, received from any stakeholders are promptly attended to.

For and on behalf of the Board of Directors

(Rakesh Mohan Agarwal)

Chairman and Managing Director

Place: Bengaluru

Date : 15th November 2019

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

I. Telecom Industry Structure

The Indian telecommunications industry is second largest telecom industry in the world in terms of number of Telecommunications subscription & internet subscribers. It is well known fact that telecommunications industry, with robust growth rate, is contributing significantly to GDP of the country. According to the Telecom Regulatory Authority of India (TRAI), the telephone subscriber base in the country reached 1183.51 million, with overall Teledensity of 90.11 % at the end of March 2019. Further, country's Broadband subscribers base has reached 563.31 million at the end of March 2019. The Indian telecom sector which was traditionally voice driven has significantly switched over to data driven market. The average data consumption per user is increasing, with increased adoption of smart phones and availability of contents the business model is changing from voice to data centric one. The industry has witnessed consistent growth over the years on account of several factors, like, increased use of wireless network for broadband connectivity, launch of 4G networks by operators, growth of e-commerce etc. The market is expanding with implementation of high speed broadband connectivity to villages on pan India basis to provide e-governance solutions, other services to rural masses under BharatNet project of Govt. of India. In addition to this, private players are also contributing significantly for growth of Broadband connectivity in the country. Wireless networks, broadband penetration at all corners, affordable smart phones and single click applications for variety of services, like e-commerce, e-governance, e-education, e-health etc. are going to drive the Indian communication industry to create a strong "Digital India" platform in the coming years. In addition, the digital payments ecosystem is growing by leaps and bounds in India. This is largely possible as India is transitioning to a digital economy. Digital wallets and other cashless transactions witnessed exponential growth in the back of the demonetization drive by the Government of India.

The expanding domestic telecom market has been attracting huge amounts of investment which is likely to accelerate with the entry of new players and launch of new services. Government's initiatives to boost indigenous manufacturing through several new policies, such as "Make in India" & PPP-MII policy, will drive and boost Telecom, Electronics and allied products manufacturing in the country.

The communication industry scenario is very bright for business in Defence sector also. The Government's CAPEX plan for investment in Defence sector in the coming years is huge and there is a significant part earmarked for communication domain. ITI, being a pioneer as an electronics manufacturing PSU in the telecommunication industry, has the distinctive edge to gain from the opportunities arising out in electronics and communication market in the country.

II. Opportunities and Threats

With an accelerated push from the policies proposed/issued (as "Digital India", "Make in India", NDCP2018, & PPP-MII policy) by the Government, manufacturing in India is likely to get a boost. There is a huge business opportunity in electronics manufacturing, communication products manufacturing, and services as well as in IoT, Smart City products/solutions in the country. There are many other business opportunities in the field of Defence electronics and communications, Solar power solutions, Energy storage products etc. ITI has already entered in to many of these areas, like OFC, HDPE, Wi-Fi, Smart cards, Solar panel manufacturing, 4GLTE, IoT, Smart city solutions, Radio etc. ITI is also working for manufacture of Wi-Fi access points, Radio products and offering AMI solutions to utilities. ITI has tied up with many start-ups; reputed technology partners to manufacture

various telecom products. There are huge opportunities in the service sector like data centre also for which ITI is offering various services/solutions. With thrust towards providing Government services through digital means, there are many opportunities to provide e-governance applications, solutions and services at central and state government levels. ITI's mobile wallet called "TAG_ITI" is offering cashless transactions in the country.

The New Digital Communication Policy 2018 emphasizes on enhancing local manufacturing and aims at introduction of Phased Manufacturing Program for identified product segments in Digital Communication Technologies. ITI will make efforts to manufacture some of the innovative products. The new initiatives of ITI in partnership with start-ups shall now focus on creating Indian IPRs in the communication sector which will help achieving visions of NDCP.

Department of Industrial Policy & Promotion (DIPP, now renamed as DPITT, Department for Promotion of Industry and Internal Trade) in its 2018 notification has directed Department of Telecommunications to adhere to Public Procurement (Preference to Make in India) guidelines in the procurement of Telecommunications related product and services. This policy and guideline will unfold many opportunity areas and boost local manufacturing in the telecom product and service sectors.

In the changing business environment, the Company has identified the following threats:

- Fast changing Technology & products.
- Eco-system for electronics manufacturing in the country is a challenge for keeping pace with technological advancement
- Intense competition in the telecom sector
- Major business is concentrated with limited number of clients & projects.

III. Strengths and Weakness

Strengths

1. ITI continues to be among the leading Communication equipment manufacturer.
2. Seven decades of rich experience in Telecom equipment manufacturing and providing telecom turnkey solutions to national network.
3. Have diverse product and services range.
4. Electronic manufacturing services (EMS) expertise and skilled manpower
5. Latest state of the art infrastructure for manufacturing of complete range of telecom/electronic products.
6. C strategic telecom network infrastructure to Defence and providing maintenance services.
7. Telecom test lab facilities for testing of Telecom equipments under MTCTE (Mandatory testing and certification of telecom equipments) guidelines of DoT.
8. Pan-India presence (6 Manufacturing units at Bengaluru, Palakkad, Raebareli, Mankapur, Naini and Srinagar) as well strong marketing presence through country wide 8 MSP offices at Bengaluru, Chennai, Hyderabad, Delhi, Mumbai, Kolkata, Lucknow and Bhubaneshwar and many associated Area offices.

9. Expertise in development of Telecom products as well as Encryption and security products for defence communication.
10. Company has diversified in manufacturing of new products such as HDPE Ducts, OFC cable, Solar Panel, Smart Energy meters, WiFi Product, Smart cards/payment cards, Component screening services for VSSC, ISRO. Further company has diversified in to new business area Smart city solution, IoT, 3D printing etc.
11. Company has setup a Startup Hub at its Bengaluru Plant for nurturing budding entrepreneurs.
12. Provision of reservation quota (RQ) in procurement of BSNL, MTNL and BBNL.

Weakness

1. Dependence on Technology Partners for key technical inputs.
2. Lack of in house developed technologies to meet the current market demand.
3. Under utilised production line and manpower.
4. Gap in the technical manpower and lack of young talents.
5. High manpower cost and relatively low manpower productivity

IV Product - wise Performance

Relevant information in this regard is disclosed in the Directors' Report.

V. Future Outlook

The order book of ITI is about Rs. 6569 Crs as on 01.04.2019. In addition to this ITI has an advance purchase order worth Rs. 7099 Crs for Operation and maintenance of GSM BTS for BSNL. The Company has planned a turnover of Rs. 3300 Crs for FY 2019-20. About Rs. 7600 Crs order is in pipeline for ASCON Ph IV project from Defence wherein ITI was L1 and order is expected shortly. ITI is focusing on manufacturing in big way and also planning to take up turnkey projects as SI (System Integrator) to increase the value addition. Marketing group has been strengthened and restructured as MSP organisation, with a view to improve the market penetration and increase the turnover in the days to come.

The infrastructure up-gradation is completed at different plants of ITI and more projects are under implementation. The support from the Government is helping ITI for manufacturing of products in different market domains in a big way.

Company is now manufacturing many new telecom products like G-PON. ITI has won the contracts from BBNL and BSNL for the supply of G-PON equipment with C-DoT technology, further expecting orders from BharatNet Ph II , MLLN /IP MLLN, Broadband equipments, Smart energy meters, solar panels etc.. In addition to this, major focus has been given by the company for the manufacture of encrypted telecommunication equipment required for Defence sector. ITI has also taken up diversified products/services like Solar panel manufacturing, Smart card manufacturing and Data Centre services. ITI has already established OFC manufacturing lines, HDPE pipe manufacturing line at its Rae Bareli plant and Palakkad unit. Also company is in the process of expanding its existing Data Centre. Contract manufacturing activities for Vikram Sarabhai Space Centre(VSSC) and other PSUs are under progress. ITI is associated with the prestigious space program of India of ISRO/VSSC for manufacturing of Avionic modules. The other products identified for manufacturing are Antenna, Radio modems, Smart Jammers, Anti intrusion systems, Set top box, Smart energy meters, 3D Printing etc. for which the infrastructure is being established. ITI has entered in to teaming agreements with many start-ups for smart solutions needed in IOT and smart city applications. There is good scope for getting business

for smart cities which are being developed in India. ITI is diversifying in new business areas and has signed MOU with CSIR-CECRI Lithium Ion Battery and ToT with SAC-ISRO for IRNSS receivers. ITI is also collaborating with leading Technology partners for manufacturing of Wi-Fi products like Wi-Fi Hotspots and Radios to cater to the huge requirement in the country.

VI. Risk Management

ITI has adopted a Risk Management framework, which covers risk management techniques while conceiving a project or while execution of a project etc. The Company is constantly monitoring and assessing the internal as well as external risk factors associated with its day to day business operations and financial management and thereby effectively mitigating possible risks associated therewith.

Like any other business sectors, Indian Telecom Sector has been witnessing a rapid change both in market and technology fronts. The Company's business, operating results and financials are subject to various risk and uncertainties. Some of them are changes in economy, change in market and technology etc. The Company believes that managing risk is critical for its growth and sustenance in the dynamic telecom sector environment. The company while consolidating its core strength of manufacturing as Telecom OEM, is also diversifying into many other sectors like IOT, Smart city, Solar power solutions, Service Sector and manufacturing of other allied Telecom / Electronics related products, solutions so as to improve the top line and bottom line.

As an added measure towards effective management of projects, the Company has brought out a Project Management Manual which will guide the project managers or the project execution teams to implement projects or execute orders in an effective manner. Company is also implementing PMMM (Project Management Maturity Model) and PCMM (People Capability Maturity Model) for better management of projects and resources. To keep ourselves abreast of latest and upcoming technology, company is actively participating in many international and domestic exhibitions, seminars.

VII. Human Resources

As on 31st March 2019, your Company had a total employee strength of 3,520 as compared to 3,576 at the end of the previous year. The detailed information on material developments in Human Resources/ Industrial front is given in Directors' Report.

VIII. Internal Control Measures

The Company has Internal Audit Department at Corporate office and Units, which reviews compliance with the Company's procedures & policies. The department coordinates with the Unit/Divisions of the Company for ensuring coverage of all major areas of operations in order to bring transparency in the affairs of the Company.

The Company is having adequate Internal Control Systems. The consultant appointed as per the advice of the Audit committee have submitted their suggestions & recommendation on Internal Control over Financial Reporting, which are implemented by the Management and are adequate as per Statutory Audit report as at 31st March 2019.

IX. Financial Performance

Your Company has achieved a sales turnover of Rs 1894 crore for the year ended 31st March 2019, as compared to Rs 1703 crore in the previous year. The detailed information on financial performance with respect to operational performance is given in Directors' Report.

X Details of Significant changes in Key Financial Ratios

S. No.	Particulars	FY 2018-19	FY 2017-18	Reasons for variations
1.	Debtors Turnover	0.58	0.54	Turnover of 2018-19 has increased mainly on account of execution of new projects/ Products. Average Debtors balance has increased slightly from previous period mainly due to delay in realization/liquidation/ adjustment of debtors with a corresponding increase in the revenue from operations has resulted in increase in debtors Turnover ratio.
2.	Inventory Turnover	11.90	9.48	Considering of Net movement in regulatory deferral account balance in cost of sale has resulted in increase in cost of sale for the current year by Rs. 398.94 crore. Average inventory has been increased by Rs. 3.24 crore because increase in inventory balance from previous period. Hence impacting increment in inventory turnover ratio by 2.42.
3.	Interest Coverage Ratio	1.94	1.71	Increase in borrowings towards working capital due to delay in realization of debtors and to meet general operational expenses. Decrease in profit in the current period mainly on account of lower margins in sales. The interest expenses has come down as compared to previous FY, so there is an improvement in Interest coverage ratio by 0.23
4.	Current Ratio	0.89	0.87	Decrease in current assets by Rs. 134.29 crore and reduction in the regulatory liability by Rs. 279.11 crore despite of increase in borrowings by Rs. 32.39 crore. Hence impacting increment in current ratio by 0.02.
5.	Debt Equity Ratio	(2.88)	(2.15)	Total debt has been increased from Rs. 1526 crore in FY 2017-18 to Rs. 1559 crore in FY 2018-19 mainly towards working capital requirements. But during the current financial year, Equity & reserves has improved from Rs. (711) crore in FY 2017-18 to (541) crore due to allotment of "share application money of Rs. 55 crores to GOI" and profit of Rs. 92.54 crores and Rs. 18 crores addition to Reserves & Surplus.

6.	Operating Ratio Margin (%)	1.00%	(3.25)%	Net Revenue from operations has increased by Rs. 238.08 crore. Operating expenses has decreased mainly on account of: (i) Employee expenses reduced due to superannuation in Apr-June 18 and reduction in the actuarial valuation expenses. (ii) Reduction in the finance cost. (iii) Reduction in Other Expenses. This has resulted in improvement in operating profit margin as compared to Previous year.
7.	Net Profit Margin (%) Or sector specific equivalent ratios, as applicable	5.55%	6.82%	Reduction in profit for the period as explained above has resulted in reduction of Net Profit margin.

Details of any change in Return on Net Worth as compared to the immediately previous financial year along with a detailed explanation thereof.

The reason for fall in the Return on Net Worth is mainly because of decrease in Net Profit from Rs. 97.58 crore (without Grant in Aid of Rs. 132.98 crore) to Rs. 92.54 crore (Without Grant in Aid) by Rs. 5.04 crore. The fall in the profit for the period is due to decrease in the margins of the products mix, however the same is compensated to the extent of Rs. 9.02 crore because of increase in other income.

Though there is an improvement in the Net Worth of the company from Rs. (711) crore to Rs. (541) crore.

XI Environmental Protection and Conservation, Technological conservation, Renewable energy developments, Foreign Exchange conservation:

Relevant information in this regard is disclosed in the Directors' Report.

XII. Cautionary Statement

Statements made in the Management Discussion and Analysis about your Company's objectives, estimates and expectations may be "forward looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's performance include economic conditions affecting demand/ supply and price conditions in the domestic market in which your Company operates, changes in Government regulations, tax laws, statutes and other incidental/related matters.

FORM NO. MGT 9

EXTRACT OF ANNUAL RETURN

As on financial year ended on 31.03.2019

**Pursuant to Section 92 (3) of the Companies Act, 2013 and rule 12 (1) of the Company
(Management & Administration) Rules, 2014.**

I. REGISTRATION & OTHER DETAILS

1.	CIN	L32202KA1950GoI000640
2.	Registration Date	25.01.1950
3.	Name of the Company	ITI Limited
4.	Category/Sub-category of the Company	Public Limited Company / Government Company Company Limited by Shares
5.	Address of the Registered office & contact details	ITI Bhavan, Doorvani Nagar, Bengaluru -560 016 Ph: 080-25614466, Fax : 080-25617525 Email : cosecy_crp@itilt.co.in Website : www.itilt-india.com
6.	Whether listed Company	Yes
7.	Name, Address & contact details of the Registrar & Transfer Agent, if any.	Integrated Registry Management Services Private Limited 30, Ramana Residency, 4 th Cross, Sampige Road, Malleswaram, Bengaluru – 560 003 Ph: 080-23460815-818. Fax: 080-23460819 Email: irg@integratedindia.in

II. PRINCIPAL BUSINESS ACTIVITIES OF THE COMPANY (All the business activities contributing 10 % or more of the total turnover of the company shall be stated)

Sl. No.	Name and Description of main products / services	NIC Code of the Product/service	% to total turnover of the company
1	Telephone communication services	7520	100%

III. PARTICULARS OF HOLDING, SUBSIDIARY AND ASSOCIATE COMPANIES

Sl. No.	Name and Address of the Company	CIN/GLN	Holding/ Subsidiary /Associate	% of Shares Held	Applicable Section
1	India Satcom Limited	U85110KA1987PLC008639	Joint Venture	49%	2(6)

The Board of Directors of the Company has laid down a Code of Conduct for all Board Members, Key Managerial Personnel and Senior Management of the Company as per Listing Regulations and DPE Guidelines. The said code has been placed on the Company's website http://www.itilt-d-india.com/investor_information. All Board Members and Senior Management Personnel have affirmed compliance with the Code of Conduct as on 31st March 2019. A declaration to that effect signed by the Chairman and Managing Director is enclosed as **Annexure-b** to this report.

11. CODE FOR PREVENTION OF INSIDER TRADING

In accordance with SEBI (Prohibition of Insider Trading) Regulations, 2015, the Company has put in place as "Code of Conduct to Regulate, Monitor and Report trading by Insiders and Code of Practices and Procedures for Fair Disclosure of Price Sensitive Information" (Insider Trading Code) for dealing in securities of ITI Limited. The objective of the Insider Trading Code is to prevent purchase/sale of shares of the Company based on Unpublished Price Sensitive Information (UPS).

During the year under review, the Board of Directors of the Company had amended the Insider Trading Code to align the provisions of the Code with the SEBI (Prevention of Insider Trading) (Amendment) Regulations, 2018 effective from 1st April 2019. Under the Insider Trading Code, an Insider (connected person or a person in possession of UPS) either on his own behalf or on behalf of any other person is prohibited to deal in the Company's shares when in possession of UPS. Further the designated persons are also not allowed to trade in the securities of the Company during the closure of trading window period under the notice of Compliance Officer. To deal in securities of the Company beyond the specified limit, permission of Compliance Officer shall be required. All designated persons are required to disclose related information periodically as defined in the Insider Trading Code. The Insider Trading Code of the Company is available on the website of the Company at http://www.itilt-d-india.com/investor_information.

12. WHISTLE BLOWER POLICY

ITI has "Whistle Blower Policy" for reporting to management any instances of unethical behaviors, actual or suspected fraud or violation of the Company's code of conduct. ITI has provided opportunities to encourage its employees to become whistle blowers, to report to competent authorities, details of any violation of rules, regulations and unethical conduct. The Directors and Senior Management are bound to maintain confidentiality of such reporting and ensure that the whistle blowers are afforded protection against harassment and not subjected to any discriminatory practices. It is hereby affirmed that no personnel has been denied access to the Audit Committee. The Whistle Blower Policy is available on the website of the Company at <http://www.itilt-d-india.com/vigilance>

Additionally, the Company has an independent Vigilance Department, headed by a Chief Vigilance Officer. Drop Boxes' have been kept at various places in the Company, where in employees and others could report to the Vigilance Branch, concerns, if any, about unethical behavior, actual or suspected fraud etc., and the complaints so lodged are reviewed by Vigilance Branch and necessary action as deemed fit is taken, while protecting the identity of the complainants. The Company has adopted Whistle Blower policy, as part of vigil mechanism for reporting to the management instances of unethical behavior, actual or suspected, fraud, or violation of the matters concerning the Company.

13. DIVIDEND DISTRIBUTION POLICY

In terms of the provisions of Regulations 43A of Listing Regulations, the Board of Directors has approved the Dividend Distribution Policy of the Company, which contains the parameters and circumstances in determining the distribution of dividend to its shareholders and/or retaining profit earned by the Company. The said policy is available on the website of the Company at http://www.itilt-d-india.com/investor_information

14. DISCLOSURES

(a) During the year under review the Company did not enter into any contracts, arrangements and transactions with any related party which are not at arm's length basis and ordinary course of business. No materially significant related party transactions are entered into that may have potential conflict with the interest of the Company at large. The policy on Related Party Transaction is available on the website of the Company at http://www.itilt-d-india.com/investor_information

(b) (i) The financial results for the year ended 31.03.2018 were approved by the Board in its meeting held on 19.05.2018 and the same were submitted with BSE Limited and National Stock Exchange of India Limited ("NSE") within the prescribed time period

The submission was in full and intact with NSE. However, due to technical problems, only partial documents were submitted to BSE Limited. BSE Limited imposed penalty of Rs. 67,02,400/-. The Company made representation to BSE Limited. Since the submission to NSE was in order and the other related compliance of publication of Financial results were properly done, BSE waived the fine imposed vide its letter No. LIST/COMP/523610/Waiver of fine/ 803/2018-19 dated 03.09.2018.

(ii) The Company made preferential allotment of 13,70,00,000 equity shares to President of India and the same was approved by Board of Directors in its meeting held on 19.05.2018.

The Company made listing application to BSE Limited and NSE along with prescribed listing fees within stipulated time period. Due to technical glitch, the application has not been transferred from draft mode to submission mode in BSE online portal.

The Company made representation to BSE /SEBI to condone delay in filing listing application. SEBI took note of timely submission of documents with NSE, timely payment of listing fees and also the draft documents in BSE portal. Accordingly, SEBI condoned the delay in filing of listing application.

(iii) The Company had made preferential allotment of equity shares to President of India on 11.08.2016, 09.02.2017, 13.09.2017, 14.12.2017 and 19.05.2018. The Company has received listing and trading approval from both BSE and NSE for allotments made on 11.08.2016 and 09.02.2017.

However, NSE informed that there was non-compliance of meeting erstwhile Minimum Public Shareholding (MPS) requirement for preferential allotments made on 13.09.2017, 14.12.2017 and 19.05.2018 and advised to seek exemption / condonation of delay from SEBI.

The Company approached SEBI stating that non-compliance of MPS was due to lock in of shares of Promoter for compliance with certain SEBI regulations and accordingly sought condonation of delay in meeting erstwhile MPS requirement. SEBI acceded to the request vide its letter No. SEBI/HO/CFD/DILI/OW/P/28212/2018 dated 08.10.2018.

Accordingly, there were no cases of non-compliance by the Company and no penalties/strictures were imposed by the Stock Exchange or SEBI or any other Statutory Authorities on any matter related to the capital markets, during the last three years.

15. GENERAL BODY MEETINGS

The dates, time and venue of the previous Annual / *Extra-Ordinary General Meetings during the last three years are given below:

CERTIFICATE ON CORPORATE GOVERNANCE

To
The Members of ITI Limited

I, D Venkateswarlu, Secretarial Auditor of ITI Limited ('the Company'), have examined the compliance of conditions of Corporate Governance by the Company, for the year ended March 31, 2019, as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and paragraph C, D and E of the schedule V of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations')

Managements' responsibility:

The compliance of conditions of Corporate Governance is the responsibility of the Company's management. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of the Corporate Governance in the SEBI Listing Regulations.

Auditors' Responsibility:

My responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

I have carried out examination of relevant records of the company in accordance with the Guidance Note on Certification of Corporate Governance, issued by the Institute of Company Secretaries of India.

Opinion:

Based on my examination of the relevant records and according to the information and explanations provided to me and the representation made by the directors and management of the Company, I certify that the company has complied with the conditions of Corporate Governance as stipulated in regulations 17-27, clauses (b) to (i) of regulation 46(2) and paragraph C, D and E of the schedule V of the Listing Regulations during the year ended March 31, 2019 subject to the following:

- the company has not complied with the provisions of Regulation 17 of LODR with respect to Composition of Board of Directors of the company {having proper balance of independent and non-independent directors} at the beginning of the year, however, the same have been complied with as on 31st March 2019.

I further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

STANDALONE FINANCIAL STATEMENTS

SIGNIFICANT ACCOUNTING POLICIES

Corporate Information

India's first Public Sector Unit (PSU) - ITI Ltd was established in 1948. Ever since, as a pioneering venture in the field of telecommunications, it has contributed to 50% of the present national telecom network. With state-of-the-art manufacturing facilities spread across six locations and a countrywide network of marketing/service outlets, the company offers a complete range of telecom products and total solutions covering the whole spectrum of Switching, Transmission, Access and Subscriber Premises equipment.

ITI joined the league of world class vendors of Global System for Mobile (GSM) technology with the inauguration of mobile equipment manufacturing facilities at its Mankapur and Rae Bareilly Plants in 2005-06. This ushered in a new era of indigenous mobile equipment production in the country. These two facilities supply more than nine million lines per annum to both domestic as well as export markets.

1) Basis of Preparation

The financial statements are prepared and presented in accordance with Generally Accepted Accounting Principles in India (GAAP), on accrual basis of accounting, except as stated herein. GAAP comprises the mandatory Accounting Standards (IND -AS) [as notified under section 133 of the Companies Act, 2013 read Rule 4 of the Companies (Indian Accounting Standards) Rules, 2015] to the extent applicable, provisions of the Companies Act, 2013, which have been consistently applied except where a new Accounting Standard is initially adopted or revision to an existing Accounting Standard requires a change in the Accounting Policy hitherto in use.

Basis of Measurement:

The financial statements have been prepared on a historical cost basis, except for the following assets and liabilities which are measured at fair value:

- a. Derivative financial instruments, if any
- b. Financial assets and liabilities that are qualified to be measured at fair value
- c. Defined benefit asset/(liability) recognised at the present value of defined benefit obligation less fair value of plan assets.

2) Use of Estimates

The preparation of the financial statements in conformity with the IndAS requires that the management make estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, revenue, expenses and disclosure of contingent liabilities as at the date of financial statements and the reported amounts of revenue and expenses during the reporting period. Although such estimates are made on a reasonable and prudent basis taking into account all the available information, actual results could differ from the estimates and such differences are recognised in the period in which the results are ascertained.

3) Functional and presentation currency

Financial statements are presented in Indian Rupee (INR) which is the functional and presentation currency of the Company and the currency of the primary economic environment in which the entity operates. All financial information presented in Indian rupees has been rounded to the nearest lakhs except share and per share data.

4) Revenue Recognition

a. Sale of goods

Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns, trade discounts and volume rebates. Revenue is recognized when significant risks and reward of ownership have been transferred to the customer as per the terms of

sale agreement, neither continuing management involvement nor effective control over the goods is retained, recovery of the consideration is probable, and the amount of cost incurred and the revenue can be measured reliably. Timing of transfer of risks and rewards is evaluated based on Inco-terms of the sales agreement.

b. Ex- Works Contract

When specified goods are unconditionally appropriated to the contract after prior inspection and acceptance, if required.

c. FOR Contracts

In the case of FOR contracts, sale is recognised when goods are handed over to the carrier for transmission to the buyer after prior inspection and acceptance, if stipulated, and in the case of FOR destination contracts, if there is a reasonable expectation of the goods reaching destination within the accounting period. Revenue is recognised even if goods are retained with the Company at the request of the customer.

d. Bill and Hold Sales

For bill-and-hold transactions, revenue is recognised when the customer takes title, provided that:

- i. it is probable that delivery will be made;
- ii. the item is on hand, identified and ready for delivery to the buyer at the time when the sale is recognised;
- iii. the buyer specifically acknowledges the deferred delivery instructions; the usual payment terms apply

e. Construction contracts

Contract revenue includes initial amount agreed in the contract and any variations in the contract work, claims and incentive payments, to the extent it is probable that they will result in revenue and can be measured reliably.

Contract revenue is recognised in proportion to the stage of completion of the contract. Stage of completion is assessed based on the ratio of actual costs incurred on the contract up to the reporting date to the estimated total costs expected to complete the contract.

If the outcome cannot be estimated reliably and where it is probable that the costs will be recovered, revenue is recognized to the extent of costs incurred.

When it is probable that contract costs at completion will exceed total contract revenue, the expected loss at completion is recognised immediately as an expense.

f. Price escalations

In case of contracts where additional consideration is to be determined and approved by the customers, such additional revenue is recognised on receipt of confirmation from the customer(s).

Where break up prices of sub units sold are not provided for, the same are estimated.

g. Bundled contracts

In case of a Bundled contract, where separate fee for installation and commissioning or any other separately identifiable component is not stipulated, the Company applies recognition criteria to separately identifiable

components (sale of goods, installation, commissioning, etc.) of the transaction and allocates revenue to those separate components based on their relative fair value.

h. Multiple elements

In cases where the installation and commissioning or any other separately identifiable component is stipulated and price for the same agreed separately, the Company applies the recognition criteria to separately identified components (sale of goods and installation and commissioning, etc.) of the transaction, allocates the revenue to those separate components based on the contract.

i. Sales exclude Sales Tax / Value Added Tax (VAT)/Goods and Service Tax (GST)/Service Tax.

Export Sales are treated as sales on issue of Bill of Lading

Provision is made separately for likely disallowance by customers including Liquidated Damages for contracts executed during the year.

j. Supply of services

Revenue from annual maintenance contracts relating to the year is recognised when the contracts are entered into on time proportion basis. Revenue is recognized at the time of rendering services.

For other fixed-price contracts (including sale of software related services), revenue is recognised in proportion to the stage of completion of the transaction at the reporting date. The stage of completion is assessed by reference to the work performed. No revenue is recognised if there is significant uncertainty regarding recovery of the consideration due or if the costs incurred or to be incurred cannot be measured reliably.

k. Interest income

Interest income is recognized using the effective interest rate method.

l. Dividend

Dividend income is recognised when the Company's right to receive dividend is established

m. Rental income

Rental income arising from operating leases is accounted for on a straight-line basis over the lease term unless increases in rentals are in line with the expected inflation or otherwise justified (Fair Value).

n. Duty Drawbacks

Duty drawback claims on exports are accounted on preferring the claims.

o. Other Income

Other Income not specifically stated above is recognised on accrual basis.

5) Property, plant and equipment, Capital Work-in progress

Property, plant and equipment is stated at historical cost less accumulated depreciation and impairment losses if any. Cost comprises of the purchase price and any attributable cost of bringing the PPE to its working condition for its intended use. Borrowing and other attributable costs relating to acquisition of the PPE which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such PPE are ready to be put to use. PPE are eliminated from the financial statements, either on disposal or when retired from such use. When significant parts of Plant and Equipment are required to be replaced at intervals, the same is recognised as a separate component.

Assets acquired free of cost or received as gift are stated at fair value which is credited to Other Equity at the time of acquisition or receipt less accumulated depreciation and impairment losses.

Capital work-in-progress

Assets under installation or under construction as at the Balance Sheet date are shown as Capital Work-In-Progress.

Income pertaining to construction period such as interest on advance to contractors, sale of tender documents etc., is set off against expenditure during construction.

Expenditure on development of leasehold land is capitalised as Land Development Expenditure and amortised over the lease period or useful, life whichever is lower.

In the event of revaluation of entire class of PPE, if the revalued amount is greater than the carrying amount of the PPE, such difference is taken to the Revaluation Reserve. If the revalued amount is lower than the carrying amount of the PPE and if the class of PPE has already been revalued, difference is set off against the amount available under the Revaluation Reserve for the same class of PPE and excess thereof, life any, is charged to the statement of Profit and Loss.

6) Intangible Assets, Intangible Asset under Development

- a. Cost of software (which is not an integral part of the related hardware) acquired for internal use and resulting in significant future economic benefits, is recognised as an intangible asset when the same is ready for use. Intangible Assets not yet ready for their intended use as at the Balance Sheet date are classified as "Intangible Assets under Development"
- b. Cost of developmental work which is completed, wherever eligible, is recognized as an Intangible Asset.
- c. Cost of developmental work under progress, wherever eligible, is classified as "Intangible Assets under Development".
- d. Carrying amount includes amount funded by the Company to external agencies towards developmental project(s) and expenditure incurred by the Company towards material cost, employee cost and other direct expenditure.

7) Research and development expenses:

Research expenditure is charged to the Statement of Profit and Loss. Development costs of products are also charged to the Statement of Profit and Loss unless a product's technical feasibility has been established, in which case such expenditure is capitalized. Tangible assets used in research and development are capitalized.

Expenditure incurred towards other development activity where the research results or other knowledge is applied for developing new or improved products or processes, are recognised as an Intangible Asset if the recognition criteria specified in Ind AS 38 are met and when the product or process developed is expected to be technically and commercially usable, the company has sufficient resources to complete development and subsequently use or sell the intangible asset, and the product or process is likely to generate future economic benefits.

8) Impairment of Non-financial assets

At the end of each Balance Sheet date, carrying amount of assets are reviewed, if there is any indication of impairment based on internal/external factors. If the estimated recoverable amount is found to be lower than the carrying amount, then the impairment loss is recognised and assets are written down to the recoverable amount.

9) Depreciation /Amortisation

Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets.

Depreciation on additions and deletions to fixed assets during the year is provided on pro-rata basis as under:

- a. Depreciation is reckoned in full for the month of addition for the assets commissioned on or before 15th day of a month while no depreciation is reckoned for the month of addition for the assets commissioned after 15th of the month.

- b. In respect of assets sold, discarded, damaged or destroyed on or before 15th day of a month no depreciation is reckoned for the month of deletion while for the assets sold, discarded, damaged or destroyed after 15th of the month depreciation is reckoned in full for the month of deletion.
- c. Where cost of a part of the asset is significant to the total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part is determined separately and depreciated on straight line method over its estimated useful life.
- d. The Residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Amortization

Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use. Amortization methods and useful lives are reviewed periodically at each financial year end.

In the case of depreciable assets which have been revalued, depreciation is calculated on straight line method on the revalued amount. Incremental depreciation on account of Revaluation is recouped as a credit to the general Reserve, as per the Schedule II of the Companies Act 2013.

Disposal of property, plant and equipment

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of Profit and Loss when the asset is derecognised.

Particulars		(Years)
A.	(a) Building (other than factory buildings)	60
	(b) Factory building	30
	(c) Purely temporary erections	3
	(d) Building with dwelling units each with plinth area not exceeding 80 sqm.	30
B.	Furniture & Fittings	10
C.	Plant & Machinery	
	(a) General Rate (on double shift basis)	15
	(b) Special Rate: - Servers & Networks	6
	(c) Data Processing Machines including Computers	3
D.	Roads and compound Walls	10
E.	Office Machinery and Equipment	5
F.	Vehicles	8
G.	Assets costing less than ₹5,000/- are depreciated @ 100%	
	However, in respect of assets having original cost of ₹50,000/- and above, a residual balance of ₹5/- has been retained in the books.	

10) Leases

A lease is classified at the inception date as a finance lease or an operating lease.

Company as a Lessee

Finance leases are capitalised at lower of fair value and the present value of the minimum lease payments on commencement of the lease. Finance charges are recognised as Finance Costs in the Statement of Profit and Loss. A leased asset is depreciated over the useful life of the asset or lease term, whichever is lower.

Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term, except when the lease payments escalate in accordance general inflation or are otherwise justified.

Company as a lessor

Operating lease income is recognised over the lease term on straight line basis, except when the escalations are due to general inflation or otherwise justified. Contingent rents, if any, are recognised as revenue in the period in which they are earned.

In case of a finance lease, amounts due from lessees are recorded as receivables as the Company's net investment in the leases. Finance lease income is recognised in the Statement of Profit and Loss.

11) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale is capitalised as part of the cost of the asset.

General borrowing costs are capitalised to qualifying assets by applying a capitalisation rate, which is the weighted average of the borrowing costs applicable to the general borrowings outstanding, other than specific borrowings, to the expenditure on that asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds, as also exchange differences to the extent regarded as an adjustment to the borrowing costs.

12) Government Grants

Grants from Government are measured at fair value and initially recognized as Deferred Income.

Amount lying under Deferred Income on account of acquisition of Fixed Assets is transferred to the credit of the Statement of Profit and Loss in proportion to the depreciation charged on the respective assets to the extent attributable to Government Grants utilised for the acquisition.

Amount lying under Deferred Income on account of revenue expenses is transferred to the credit of the Statement of Profit and Loss to the extent of expenditure incurred in the ratio of the funding to the total sanctioned cost, limited to the grant received.

13) Investments in joint venture and associates

Company accounts for its interests in associates and joint ventures at cost or in accordance with Ind AS 109 in the standalone financial statements but in the consolidated Financial statements under equity method.

14) Inventories

Raw materials, components and stores purchased for manufacturing/production activities are valued at lower of cost and net realizable value, after providing for obsolescence, if any. Cost is calculated on weighted average rate as at the end of the year. Where same items are purchased as also manufactured, manufacturing costs are generally adopted.

Raw materials and production stores with ancillaries and fabricators are valued at lower of cost at the time of such issue and net realizable value, after providing for obsolescence, if any.

Manufactured items in stock and stock-in-trade are valued at lower of cost excluding interest charges, administration overheads & sales overheads and at the net realisable value, after providing for obsolescence, if any.

Precious metals scrap is brought to books at the year end at net realizable value.

15) Work-in-process

- a. Work-in-process (production) is valued on the basis of physically verified quantities at lower of cost excluding interest charges, administration & sales overheads and at the net realisable value, after providing for obsolescence, if any.

- b. Work-in-process (Installation) is valued at lower of cost as recorded in the work orders and net realizable value, after providing for obsolescence, if any.

16) Tools and Gauges

Expenditure on special purpose tools and fixtures is initially capitalized at cost and then amortized over production on a systematic basis, based on technical assessment.

Loose tools are charged to revenue at the time of issue.

17) Financial assets (Trade Receivables & Other receivables)

Receivables are initially recognized at fair value, which in most cases approximates the nominal value. If there is any subsequent indication that the assets may be impaired, same is reviewed for impairment.

18) Errors and Estimates

The Company revises its accounting policies, if the change is required due to a change in the Ind AS or if the change provides more relevant and reliable information to the users of the financial statements. Changes in accounting policies are applied prospectively.

A change in an accounting estimate that results in changes in the carrying amounts of recognised assets or liabilities or to statement of Profit or Loss is applied prospectively in the period(s) of change.

Discovery of errors and results in revisions retrospectively by restating the comparative amounts of assets, liabilities and equity of the earliest prior period in which the error is discovered. Opening balances of the earliest period presented are also restated.

19) Income taxes

Income tax comprises of current and deferred income tax

Current income tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. Tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date. Current tax relating to items recognised directly in equity is recognised in equity and not in the Statement of Profit and Loss.

Deferred tax

Deferred tax is provided using the Balance sheet method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences can be utilised.

Carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised.

20) Warranty Liability

Warranty liability for contractual obligation in respect of equipment sold to customers is accounted for the basis of an annual technical assessment.

21) Foreign currencies

Transactions in foreign currencies are initially recorded by the Company at their respective currency exchange rates at the date the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency exchange rate at the reporting date.

Differences arising on settlement or translation of monetary items are recognised in the Statement of Profit and Loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the functional currency exchange rate at the dates of the initial transactions.

22) Employee benefits

a. Short-term employee benefits are recognised as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the related service is rendered.

b. Post-employment benefit viz. gratuity and other long-term employee benefits viz. Privilege Leave, Sick Leave and LLTC are recognised as an expense in the Statement of Profit and Loss of the year in which the employee has rendered services. Expense is recognised at the present value of the amounts payable determined using actuarial valuation techniques.

c. Actuarial gains and losses and the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised immediately in Other Comprehensive Income (OCI). Net interest expense (income) on the net defined liability (assets) is computed by applying the discount rate, used to measure the net defined liability (asset), to the net defined liability (asset) at the start of the financial year after taking into account any changes as a result of contribution and benefit payments during the year. Net interest expense and other expenses related to defined benefit plans are recognised in the Statement of Profit and Loss.

d. Expenditure related to voluntary retirement scheme (VRS) is written off in the year of incidence.

23) Provision & Contingent Liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. Expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities and contingent assets are not recognised in the financial statements but are disclosed in the notes.

Onerous Contracts

A provision for onerous contracts other than construction contracts is recognized when the expected benefits to be derived by the Company from a contract are lower than the unavoidable cost of meeting its obligations under the contract.

Provision is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract.

Before a provision is established, the Company recognizes any impairment loss on the assets associated with that contract.

24) Fair value measurement

The Company measures certain financial instruments, such as derivatives and other items in its financial statements at fair value at each balance sheet date.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 – Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

For purposes of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy.

25) Investment property

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

26) Financial Instruments

a. Initial recognition and measurement

All financial assets are recognised initially at fair value. In the case of financial assets not recorded at fair value through the Statement of Profit and Loss, transaction costs that are attributable to the acquisition of the financial asset are included in the cost of the asset.

b. Subsequent measurement

c. For purposes of subsequent measurement, financial assets are classified in four categories:

- i. Debt instruments at amortised cost,
- ii. Debt instruments at fair value through other comprehensive income (FVTOCI),
- iii. Debt instruments, derivatives and equity instruments at fair value through Profit or Loss (FVTPL),
- iv. Equity instruments measured at fair value through other comprehensive income (FVTOCI).

Derecognition

A financial asset or part of a financial asset is derecognised when • The rights to receive cash flows from the asset has expired

Embedded derivative

Embedded derivative, if required, is separated from host contract and measured at fair value.

27) Forward Contracts

The Company uses derivative financial instruments such as forward currency contracts to hedge its foreign currency risks. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently remeasured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

28) Cash and cash equivalents

Cash comprises of cash on hand and demand deposits. Cash equivalents are short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash, which are subject to an insignificant risk of change in value.

Bank overdrafts, if any, are shown within borrowings in current liabilities on the balance sheet.

29) Impairment of financial assets

In accordance with Ind AS 109, the Company applies the expected credit loss (ECL) model for measurement and recognition of impairment loss on financial assets with credit risk exposure.

- a. Time barred dues from the Government / Government Departments / Government Companies are generally not considered as increase in credit risk of such financial asset.
- b. Where dues are disputed in legal proceedings, provision is made if any decision is given against the Company even if the same is taken up on appeal to higher authorities / courts.
- c. In case of dues outstanding for a significant period of time, on a case to case basis

ECL impairment loss allowance (or reversal) recognized during the period is recognized as expense/ (income) in the Statement of Profit and Loss. This amount is reflected in a separate line in Profit and Loss Statement as an impairment gain or loss.

30) Financial Liabilities

a. Initial recognition and measurement

Financial liabilities are classified, at initial recognition, at fair value through Profit and Loss as loans, borrowings, payables, or derivatives, as appropriate.

Loans, borrowings and payables, are stated net of transaction costs that are directly attributable.

b. Subsequent measurement

Measurement of financial liabilities depends on their classification, as described below:

- i. Financial liabilities at fair value through profit or loss.
- ii. Financial liabilities at fair value through Profit or Loss include financial liabilities designated upon initial recognition as at fair value through profit or loss. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by IndAS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

c. Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

d. Trade and other payables

Liabilities are recognised for amounts to be paid in future for goods or services received, whether billed by the supplier or not.

31) Reclassification of Financial Instruments

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. If the Company reclassifies financial assets, it applies the reclassification prospectively.

32) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

33) Cash dividend and non-cash distribution to equity shareholders

The Company recognises a liability to make cash or non-cash distributions to equity holders when the distribution is authorised and the distribution is no longer at the discretion of the Company.

34) Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period

attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

35) Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue.

Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the reporting date are not accounted but disclosed.

36) New standards and interpretations not yet effective:

A number of new standards, amendments to standards and interpretations are not yet effective for the yearended 31 March 2019 and have not been applied in preparing these financial statements. The effect of the same is being evaluated by the Company.

As per Ind AS 109, the receivables in the Company should be put to impairment test using the expected credit loss model. Ind AS 109 allows the use of practical expedients when measuring expected credit loss on trade receivables, and states that a provision matrix is a example of such an expedient. Majority of trade receivables originate from Government owned entities, which are not exposed to high risk, the Company is making specific provisions based on case to case reviews and approved by Board. Whereas, for other customers, provision is determined using expected credit loss model on case to case basis

- 14 Accretion/Decretion to stock-in-trade is arrived at after considering due adjustment to difference in excise duty element in respect of opening stock.
- 15 The Company is a Sick Company as per provisions of Sick Industrial Companies Act (SICA), 1985. CCEA has approved a financial assistance of ₹4156.79 Crores in February, 2014, for revival of ITI under Rehabilitation Scheme. As a part of the approved financial assistance, a sum of ₹192 crores has been received towards share application money as Capital Grant during the financial year 2014-15 and shares allotted during financial year 2016-17 and additionally ₹80 crores received as share capital in financial year 2016-17. During the year 2017-18 ₹337 crores has been received towards Capital Grant in Aid, out of this ₹200 crores allotted during 2017-18 and balance ₹137 crores during 2018-19. The Company also received Rs.55 crores which is lying in share application money for pending allotment. The company has received ₹15500 lakhs towards VRS expenditure, out of which ₹3658.19 lakhs has been spent towards VRS during FY 2016-17 and 2017-18 and ₹3350 lakhs have been transferred to units/Ros for meeting the expenditure during 2016-17 and the balance ₹308.18 lakhs has been transferred during FY 2018-19. During FY 2018-19 the company has not paid VRS expenditure, the balance amount is lying in the account.
- 16 Land proposed to be leased to Bangalore Metropolitan Transport Corporation, BMTC (which has not been revalued), measuring 12.15 acres is in possession of the BMTC. Pending Government of India approval for the lease, lease terms and agreement yet to be finalised. Lease rental will be recognised on finalisation of the terms. An amount of ₹285 lakhs received earlier from the BMTC under an agreement to sell is held under deposits.
- 17 National Highways Authority of India (NHAI) has acquired 1.375 acres of land in 2007-08 for public purpose on a compensation of ₹146 lakhs, which is yet to be received pending submission of certain records by the unit. Proportionate cost of the acquired land aggregating ₹5.81 lakhs has been withdrawn from Freehold Land under fixed assets and held as Claims Recoverable. On receipt of the compensation from the NHAI, necessary accounting entries will be booked for recognising the profit on sale of land.
- 18 Karnataka Power Transmission Corporation Limited is using 5 Acres of Land (which has not been revalued) and no lease agreement has been entered for the same.
- 19 Lease agreement with ESIC has expired in the month of July 2016 and renewal lease agreement has not been entered, as the revised lease rent is not settled with ESIC.
- 20 Land Measuring 77 Acres valuing ₹194.70 Crores (Market value) have been resumed by the Govt of Kerala and under adjudication of the Apex Court. The value of Land as shown in the Balance Sheet includes the value of Land resumed by the Govt of Kerala pending decision by the Apex court.

Revised Independent Auditor's Report

TO THE MEMBERS OF ITI LIMITED

Revised Report on the Audit of the Standalone Financial Statements

On completion of audit of accounts of ITI Limited ("the Company") for the year 2018-19, we had rendered our audit report dated 29th May 2019. Subsequent to our report, in light of the observations arising from the audit by office of the Principal Director of Audit, Post & Telecommunications the Comptroller & Audit General of India, vide letter Rep.FA/F208/208-19/425 dated 1st October 2019. with respect to the reliance placed by us on unaudited financial statements of Regional Offices of the company as reported under para (b) of "Other matters" of our audit report dated 29th May 2019, the said report has been revised. This supersedes our previous independent audit report dated 29th May 2019. This amendment has no impact on the reported figure in the financial statements. Consequent to amendment of para (b) of Other Matters, our report has been revised and placed at the Board Meeting of the company held on 11th October 2019.

Opinion

We have audited the accompanying standalone financial statements of ITI Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Basis of Qualified Opinion

Qualifications not quantifiable

- a) Pending approval from the Government of India on the finalization of the lease terms & agreement, rental income on the land leased out to the Bangalore Metropolitan Transport Corporation (BMTCL) to an extent of the 12.15 acres proposed to be leased out to BMTCL is already in the possession of BMTCL, further based on the information furnished to us, BMTCL additionally occupies 1.85 acres, has not been recognised as income. A sum of Rs 285.00 lakhs received earlier from the BMTCL under an agreement to sell is held under deposits (Refer Note 31.16.);
- b) Rental income on the land leased out to the Karnataka Power Transmission Corporation Limited (KPTCL) (to an extent of the 5 acres proposed to be leased out to KPTCL is already in the possession of KPTCL), has not been recognised as income pending finalisation of lease agreement. (Refer Note No.31.18)

Our opinion is modified in respect of these matters.

Qualifications quantifiable

- a) Non-provision of Rs 5847.90 lakhs towards claims doubtful of recovery, being rent receivable from premises leased out to C-DOT up-to the period ended 31.03.2011 and no rental income for the period subsequent to 31.03.2011 for the same premises has been recognised on accrual basis due to uncertainty of realization (Refer Note No.31.22);

Our opinion is modified in respect of these matters.

Emphasis of matter

We draw the attention to the following matters in the Notes to the financial statements :

- i) The profit for the year has been arrived at after making adjustments for the following items -'
 - a. Other Income of Rs 33647.30 lacs for the year includes Rs 29851.75 lacs representing the Write back of liabilities of earlier years. (Refer Note. 23)
 - b. Rs 1622 lacs being GST collected in a contract remained unpaid as on 31st March 2019 in a back to back contract.
 - c. Finance Costs of Rs 10647.11 lacs are after adjusting an amount of Rs 1356.20 lacs being nominal interest at 1% provided on the Govt of India . loan of Rs 30000 lacs, which in the opinion of the company is no longer required. (Refer Note.28)
 - d. Revenue from operations of Rs 166836.84 lacs includes Rs 44504.74 lacs representing "Unbilled Revenue" recognised on the basis of percentage of completion of certain contracts. (Refer Note. 22)
- ii) Formal conveyance/lease deeds in respect of lands, excepting part of lands at Bangalore and Mankapur, are yet to be executed by the respective State Governments - (Refer Note No 1)
- iii) Necessary accounting adjustments for acquisition of 1.375 acres of land by the National Highway Authority of India (NHAI) for public purposes to be made on receipt of compensation, with proportionate cost of the acquired land having been withdrawn from the fixed assets and held as claims recoverable – (Refer Note No.31.17);
- iv) Balances in the accounts of trade payables, advances from customers, trade receivables, claims recoverable, loans & advances, sub-contractors/ others, deposits, loans and other payables/receivables such as Sales Tax, VAT, Excise Duty, CENVAT, Service Tax, Income Tax, GST, TDS, etc., being under confirmation/reconciliation. Adjustments, if any will be made on completion of such reconciliation /receipt of confirmation and we are unable to comment on the impact of the same on the accounts of the company (Refer Note 31.4);
- v) The Company is a Sick Company as per provisions of Sick Industrial Companies Act (SICA), 1985. CCEA has approved a financial assistance of Rs. 4156.79 Crores in February, 2014, for Revival of ITI under Rehabilitation Scheme (Refer Note No 31.15)
- vi) Lease agreement with ESIC has expired in the month of July 2016 and renewal lease agreement has not been entered. (Refer Note 31.19)
- vii) Land measuring 77 Acres have been resumed by the Govt of Kerala and is under adjudication of the Apex Court. The value of land as shown in the balance sheet includes the value of land resumed by the Govt Of Kerala (Refer Note 31.20)

Our opinion is not modified in respect of these matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S.No	Key Audit Matters	Auditor's Response
	<p>The company has adopted Ind AS 115, Revenue from Contracts with Customers ('Ind AS 115') which is the new revenue accounting standard. The application and transition to this accounting standard is complex and is an area of focus in the audit. The revenue standard establishes a comprehensive framework for determining whether, how much and when revenue is recognized. This involves certain key judgments relating to identification of distinct performance obligations, the appropriateness of the basis used to measure the revenue recognized over a period. The Company adopted Ind AS 115 and applied the available exemption provided therein, not to restate the comparative periods</p> <p>Refer Notes 22 to the Standalone Financial Statements</p>	<p><u>Principal Audit Procedures</u> We assessed the Company's process to identify the impact of adoption of the new revenue accounting standard. Our audit approach consisted, testing of the design and operating effectiveness of the internal controls and substantive testing as follows: Selected a sample of continuing and new contracts and performed the following procedures: -Read, analysed the documents viz., Work Order and RFPs, POs and the Certificates furnished by the company for the stage of completion of various activities of the project.</p> <p>-Discussed with appropriate senior management and evaluated management's underlying key assumptions in estimating the Unbilled Revenue recognised as income in the books of account duly certified by the concerned project/ unit and finance heads</p> <p>-Compared these performance obligations with that identified and recorded by the Company.</p> <p>-Considered the terms of the contracts to determine the transaction price including any variable consideration to verify the transaction price used to compute revenue and to test the basis of estimation of the variable consideration.</p> <p>-In respect of samples BhartNet- II projects, progress towards satisfaction of performance obligation used to compute recorded revenue was verified with actual cost incurred up to that stage with estimation. We also tested the access and change management controls relating to these systems.</p> <p>-Performed analytical procedures for reasonableness of revenues disclosed by type and service offerings.</p>
	<p>Recoverability and assessment of Trade Receivables, advances, balances with government departments. The Company has Trade receivable (Note No 7.) of Rs. 265740 lakhs and Loan & Advances balances (Note No. 9.) of Rs 77669.39 lakhs and Deposit with Government departments, taxes and duties of Rs 6738.02 lacs (Note No 10), Trade receivables, advances, balances with government departments of the company comprise mainly receivables in relation to the manufacturing and sale of products, advance to Vendors and Duties and taxes etc.</p> <p>These balances are recognised at their anticipated realisable value, which is the original invoiced amount/payments less provision (estimated for) for non-realizable value.</p> <p>Valuation of trade receivables, advances, and balances with government departments is a key audit matter in the audit due to the size of its holding and the high level of management judgement used in determining the impairment provision.</p>	<p><u>Principal Audit Procedures</u> We have performed the following procedures in relation to the recoverability of trade receivables: -Tested the accuracy of aging of trade receivables, advances, balances with government departments at year end on a sample basis. -Obtained a list of outstanding receivables and identified any debtors wherever there is delay in payment over the terms agreed. -Assessed the recoverability of the unsettled receivables on a sample basis through our evaluation of management's assessment with reference to the credit profile of the customers, historical payment pattern of customers and latest correspondence with customers and to consider, if any additional provision should be made; -Tested subsequent settlement of trade and receivables after the balance sheet date on a sample basis, if any. -We found the key judgements and assumptions used by management in the recoverability assessment of trade receivables to be supportable based on the available evidence.</p>
	<p>Disputes and potential litigations: (Refer to Note 31.11) in the standalone financial statements :-</p> <p>The Company is involved in legal proceedings on disputed tax demands. The company/s management has assessed that the probability of success of the demand is Remote and accordingly has not provided for the disputed demands. Management judgement is involved in assessing the accounting for demands, and in particular in considering the probability of a demand being successful and we have accordingly designated this as a focus area of the audit. The risk related to the claims is mainly associated with the completeness of the disclosure, and the completeness of the provisions in the financial statements.</p>	<p>In response to the risk of completeness of the disclosures and the completeness of the provisions in the financial statements, we discussed the cases with management, and reviewed correspondence and other documents exchanged between company and advocates/legal practitioners parties involved in the disputes.</p> <p>We tested provisions recorded in the accounting records and reviewed the disclosures for completeness based on our procedures detailed above.</p>

Information Other than the Standalone Financial Statements and Auditor's report Thereon

The Company's Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements

and our auditor's report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

Other Matters

- a) We did not audit the financial statements of five Units whose financial statements reflect total assets of Rs. 487336.84 Lakhs as at March 31, 2019, total revenues of Rs.55157.12 Lakhs and Profit after tax of Rs.2964.96 Lakhs for the year ended on that date. These financial statements are audited by the respective Unit Auditors appointed by the Comptroller & Auditor General of India whose reports have been furnished to us and our opinion in so far as it relates to the amounts and disclosures included in respect of these branches, is based solely on the report of such other auditors.
- b) The Company is having 8 Regional Offices located at Bangalore, Chennai, Hyderabad, New Delhi, Lucknow, Kolkata, Mumbai and Bhubaneswar. Out of the 8 Regional Offices, we have audited the financial statements of Regional Offices located at Bangalore and Chennai, whose financial statements reflect total assets of Rs 32345.95 Lakhs as at March 31, 2019, total revenues of Rs 11986.82 Lakhs and Profit after tax of Rs 1147.77 Lakhs for the year ended on that date. With respect to remaining 6 Regional Offices, whose financial statements reflect total assets of Rs 40722.67 Lakhs as at March 31, 2019, total revenues of Rs 31925.52 Lakhs and Profit after tax of Rs 1682.93 Lakhs for the year ended on that date, we have relied on the financial statements certified by the Management and furnished to us. Based on the information and explanations provided by the management we are of the opinion the assurance level of the reliability and accuracy of the financial statements of the 6 Regional Offices certified by the managements is reliable.
- c) We draw attention to Note No 31.5 regarding disclosure of segment information as required under Ind AS 108.

Our opinion is not modified in respect of these other matters.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the

Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements. (Refer Note No 31.11 of standalone financial statements)
 - ii. The Company did not have any derivative contracts but have provided, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts.
 - iii. There were no amounts, which were required to be transferred, to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.
 3. As required by Section 143(5) of the Act, we have considered the directions issued by the Comptroller and Auditor General of India, the action taken thereon and its impact on the accounts and financial statements of the Company – Reference Annexure C attached

ANNEXURE “A” TO THE REVISED INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’
section of our report to the Members of ITI Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of ITI LIMITED (“the Company”) as of March 31, 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE 'B' TO THE REVISED INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of ITI Limited of even date)

The Annexure referred to in Independent Auditors' Report to the members of the Company on the standalone financial statements for the year ended 31 March 2019, we report that:

- i)
 - a) The Company has maintained proper records showing full particulars including quantitative details and location of fixed assets on the basis of available information.
 - b) According to the information and explanations given to us and on the basis of the Report of the Other Auditors, fixed assets at all other locations have been physically verified by the management periodically in a phased manner and no material discrepancies were noticed on such verification.
- ii) According to the information and explanations given to us, inventories have been physically verified by the management every year. According to the information and explanations given to us and based on the Report of the Other Auditors, no material discrepancies were noticed on physical verification of the inventories at the locations where Management had carried out physical verification.
- iii) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013. Therefore paragraph 3(iii) of the Order is not applicable to the Company.
- iv) The Company has not granted any loans or provided any guarantees or security to the parties covered under Section 185 of the Act. The Company has complied with the provisions of section 186 of the Act in respect of investments made or loans provided to the parties covered under Section 186.
- v) The Company has not accepted deposits from public in accordance with the provisions of sections 73 to 76 of the Act and the rules framed there under.
- vi) We have broadly reviewed the cost records maintained by the Company as specified by the Central Government under section 148(1) of the Act, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete
- vii)
 - (a) According to the information and explanations given to us and the records of the company examined by us and on the basis of Report of the Other Auditors, in our opinion, the Company is not regular in depositing undisputed statutory dues including Provident Fund employees' state insurance, TDS, sales-tax, service tax, duty of customs duty, excise duty, GST, value added tax, cess and any other statutory dues to the appropriate authorities and a sum of Rs 24371 lakhs pending as arrears pertaining to Provident Fund in the books of the company. Further a sum of Rs 57.13 lacs being arrears towards UP Trade Tax, which are not disputed and are outstanding for a period of more than six months from the date they became payable.
 - (b) According to the information and explanations given to us and based on the Report of the Other Auditors, statutory dues that have not been deposited with the appropriate authorities on account of any dispute are as follows:

Consolidated Financial Statements

SIGNIFICANT ACCOUNTING POLICIES

Corporate Information

India's first Public Sector Unit (PSU) - ITI Ltd was established in 1948. Ever since, as a pioneering venture in the field of telecommunications, it has contributed to 50% of the present national telecom network. With state-of-the-art manufacturing facilities spread across six locations and a countrywide network of marketing/service outlets, the company offers a complete range of telecom products and total solutions covering the whole spectrum of Switching, Transmission, Access and Subscriber Premises equipment.

ITI joined the league of world class vendors of Global System for Mobile (GSM) technology with the inauguration of mobile equipment manufacturing facilities at its Mankapur and Rae Bareilly Plants in 2005-06. This ushered in a new era of indigenous mobile equipment production in the country. These two facilities supply more than nine million lines per annum to both domestic as well as export markets.

1) Basis of Preparation

The financial statements are prepared and presented in accordance with Generally Accepted Accounting Principles in India (GAAP), on accrual basis of accounting, except as stated herein. GAAP comprises the mandatory Accounting Standards (IND -AS) [as notified under section 133 of the Companies Act, 2013 read Rule 4 of the Companies (Indian Accounting Standards) Rules, 2015] to the extent applicable, provisions of the Companies Act, 2013, which have been consistently applied except where a new Accounting Standard is initially adopted or revision to an existing Accounting Standard requires a change in the Accounting Policy hitherto in use.

Basis of Measurement

The financial statements have been prepared on a historical cost basis, except for the following assets and liabilities which are measured at fair value:

- a. Derivative financial instruments, if any
- b. Financial assets and liabilities that are qualified to be measured at fair value
- c. Defined benefit asset/(liability) recognised at the present value of defined benefit obligation less fair value of plan assets.

2) Use of Estimates

The preparation of the financial statements in conformity with the Ind AS requires that the management make estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, revenue, expenses and disclosure of contingent liabilities as at the date of financial statements and the reported amounts of revenue and expenses during the reporting period. Although such estimates are made on a reasonable and prudent basis taking into account all the available information, actual results could differ from the estimates and such differences are recognised in the period in which the results are ascertained.

3) Functional and presentation currency

Financial statements are presented in Indian Rupee (INR) which is the functional and presentation currency of the Company and the currency of the primary economic environment in which the entity operates. All financial information presented in Indian rupees has been rounded to the nearest lakhs except share and per share data.

4) Revenue Recognition

a. Sale of goods

Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns, trade discounts and volume rebates. Revenue is recognized when significant risks and reward of ownership have been transferred to the customer as per the terms of sale agreement, neither continuing management involvement nor effective control over the goods is retained, recovery of the consideration is probable, and the amount of cost incurred and the revenue can be measured reliably. Timing of transfer of risks and rewards is evaluated based on Inco-terms of the sales agreement.

b. Ex- Works Contract

When specified goods are unconditionally appropriated to the contract after prior inspection and acceptance, if required.

c. FOR Contracts

In the case of FOR contracts, sale is recognised when goods are handed over to the carrier for transmission to the buyer after prior inspection and acceptance, if stipulated, and in the case of FOR destination contracts, if there is a reasonable expectation of the goods reaching destination within the accounting period. Revenue is recognised even if goods are retained with the Company at the request of the customer.

d. Bill and Hold Sales

For bill-and-hold transactions, revenue is recognised when the customer takes title, provided that:

- i. it is probable that delivery will be made;
- ii. the item is on hand, identified and ready for delivery to the buyer at the time when the sale is recognised;
- iii. the buyer specifically acknowledges the deferred delivery instructions; the usual payment terms apply

e. Construction contracts

Contract revenue includes initial amount agreed in the contract and any variations in the contract work, claims and incentive payments, to the extent it is probable that they will result in revenue and can be measured reliably.

Contract revenue is recognised in proportion to the stage of completion of the contract. Stage of completion is assessed based on the ratio of actual costs incurred on the contract up to the reporting date to the estimated total costs expected to complete the contract.

If the outcome cannot be estimated reliably and where it is probable that the costs will be recovered, revenue is recognized to the extent of costs incurred.

When it is probable that contract costs at completion will exceed total contract revenue, the expected loss at completion is recognised immediately as an expense.

f. Price escalations

In case of contracts where additional consideration is to be determined and approved by the customers, such additional revenue is recognised on receipt of confirmation from the customer(s).

Where break up prices of sub units sold are not provided for, the same are estimated.

g. Bundled contracts

In case of a Bundled contract, where separate fee for installation and commissioning or any other separately identifiable component is not stipulated, the Company applies recognition criteria to separately identifiable components (sale of goods, installation, commissioning, etc.) of the transaction and allocates revenue to those separate components based on their relative fair value.

h. Multiple elements

In cases where the installation and commissioning or any other separately identifiable component is stipulated and price for the same agreed separately, the Company applies the recognition criteria to separately identified components (sale of goods and installation and commissioning, etc.) of the transaction, allocates the revenue to those separate components based on the contract.

i. Sales exclude Sales Tax / Value Added Tax (VAT)/Goods and Service Tax (GST)/Service Tax.

Export Sales are treated as sales on issue of Bill of Lading Provision is made separately for likely disallowance by customers including Liquidated Damages for contracts executed during the year.

j. Supply of services

Revenue from annual maintenance contracts relating to the year is recognised when the contracts are entered into on time proportion basis. Revenue is recognized at the time of rendering services.

For other fixed-price contracts (including sale of software related services), revenue is recognised in proportion to the stage of completion of the transaction at the reporting date. The stage of completion is assessed by reference to the work performed. No revenue is recognised if there is significant uncertainty regarding recovery of the consideration due or if the costs incurred or to be incurred cannot be measured reliably.

k. Interest income

Interest income is recognized using the effective interest rate method.

l. Dividend

Dividend income is recognised when the Company's right to receive dividend is established

m. Rental income

Rental income arising from operating leases is accounted for on a straight-line basis over the lease term unless increases in rentals are in line with the expected inflation or otherwise justified (Fair Value).

n. Duty Drawbacks

Duty drawback claims on exports are accounted on preferring the claims.

o. Other Income

Other Income not specifically stated above is recognised on accrual basis.

5) Property, plant and equipment, Capital Work-in progress

Property, plant and equipment is stated at historical cost less accumulated depreciation and impairment losses if any. Cost comprises of the purchase price and any attributable cost of bringing the PPE to its working condition for its intended use. Borrowing and other attributable costs relating to acquisition of the PPE which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such PPE are ready to be put to use. PPE are eliminated from the financial statements, either on disposal or when retired from such use. When significant parts of Plant and Equipment are required to be replaced at intervals, the same is recognised as a separate component.

Assets acquired free of cost or received as gift are stated at fair value which is credited to Other Equity at the time of acquisition or receipt less accumulated depreciation and impairment losses.

Capital work-in-progress

Assets under installation or under construction as at the Balance Sheet date are shown as Capital Work-In-Progress.

Income pertaining to construction period such as interest on advance to contractors, sale of tender documents etc., is set off against expenditure during construction.

Expenditure on development of leasehold land is capitalised as Land Development Expenditure and amortised over the lease period or useful, life whichever is lower.

In the event of revaluation of entire class of PPE, if the revalued amount is greater than the carrying amount of the PPE, such difference is taken to the Revaluation Reserve. If the revalued amount is lower than the carrying amount of the PPE and if the class of PPE has already been revalued, difference is set off against the amount available under the Revaluation Reserve for the same class of PPE and excess thereof, life any, is charged to the statement of Profit and Loss.

6) Intangible Assets, Intangible Asset under Development

- a. Cost of software (which is not an integral part of the related hardware) acquired for internal use and resulting in significant future economic benefits, is recognised as an intangible asset when the same is ready for use. Intangible Assets not yet ready for their intended use as at the Balance Sheet date are classified as "Intangible Assets under Development"
- b. Cost of developmental work which is completed, wherever eligible, is recognized as an Intangible Asset.

- c. Cost of developmental work under progress, wherever eligible, is classified as "Intangible Assets under Development".

- d. Carrying amount includes amount funded by the Company to external agencies towards developmental project(s) and expenditure incurred by the Company towards material cost, employee cost and other direct expenditure.

7) Research and development expenses:

Research expenditure is charged to the Statement of Profit and Loss. Development costs of products are also charged to the Statement of Profit and Loss unless a product's technical feasibility has been established, in which case such expenditure is capitalized. Tangible assets used in research and development are capitalized.

Expenditure incurred towards other development activity where the research results or other knowledge is applied for developing new or improved products or processes, are recognised as an Intangible Asset if the recognition criteria specified in Ind AS 38 are met and when the product or process developed is expected to be technically and commercially usable, the company has sufficient resources to complete development and subsequently use or sell the intangible asset, and the product or process is likely to generate future economic benefits.

8) Impairment of Non-financial assets

At the end of each Balance Sheet date, carrying amount of assets are reviewed, if there is any indication of impairment based on internal/external factors. If the estimated recoverable amount is found to be lower than the carrying amount, then the impairment loss is recognised and assets are written down to the recoverable amount.

9) Depreciation /Amortisation

Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets.

Depreciation on additions and deletions to fixed assets during the year is provided on pro-rata basis as under:

- a. Depreciation is reckoned in full for the month of addition for the assets commissioned on or before 15th day of a month while no depreciation is reckoned for the month of addition for the assets commissioned after 15th of the month.
- b. In respect of assets sold, discarded, damaged or destroyed on or before 15th day of a month no depreciation is reckoned for the month of deletion while for the assets sold, discarded, damaged or destroyed after 15th of the month depreciation is reckoned in full for the month of deletion.
- c. Where cost of a part of the asset is significant to the total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part is determined separately and depreciated on straight line method over its estimated useful life.
- d. The Residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Amortization

Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use. Amortization methods and useful lives are reviewed periodically at each financial year end.

In the case of depreciable assets which have been revalued, depreciation is calculated on straight line method on the revalued amount. Incremental depreciation on account of Revaluation is recouped as a credit to the general Reserve, as per the Schedule II of the Companies Act 2013.

Disposal of property, plant and equipment

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of Profit and Loss when the asset is derecognised.

Particulars		(Years)
A.	(a) Building (other than factory buildings)	60
	(b) Factory building	30
	(c) Purely temporary erections	3
	(d) Building with dwelling units each with plinth area not exceeding 80 sqm.	30
B.	Furniture & Fittings	10
C.	Plant & Machinery	
	(a) General Rate (on double shift basis)	15
	(b) Special Rate: - Servers & Networks	6
	(c) Data Processing Machines including Computers	3
D.	Roads and compound Walls	10
E.	Office Machinery and Equipment	5
F.	Vehicles	8
G.	Assets costing less than ₹5,000/- are depreciated @ 100%	
However, in respect of assets having original cost of ₹50,000/- and above, a residual balance of ₹5/- has been retained in the books.		

10) Leases

A lease is classified at the inception date as a finance lease or an operating lease.

Company as a Lessee

Finance leases are capitalised at lower of fair value and the present value of the minimum lease payments on commencement of the lease. Finance charges are recognised as Finance Costs in the Statement of Profit and Loss. A leased asset is depreciated over the useful life of the asset or lease term, whichever is lower.

Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term, except when the lease payments escalate in accordance general inflation or are otherwise justified

Company as a lessor

Operating lease income is recognised over the lease term on straight line basis, except when the escalations are due to general inflation or otherwise justified. Contingent rents, if any, are recognised as revenue in the period in which they are earned.

In case of a finance lease, amounts due from lessees are recorded as receivables as the Company's net investment in the leases. Finance lease income is recognised in the Statement of Profit and Loss.

11) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale is capitalised as part of the cost of the asset.

General borrowing costs are capitalised to qualifying assets by applying a capitalisation rate, which is the weighted average of the borrowing costs applicable to the general borrowings outstanding, other than specific borrowings, to the expenditure on that asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds, as also exchange differences to the extent regarded as an adjustment to the borrowing costs.

12) Government Grants

Grants from Government are measured at fair value and initially recognized as Deferred Income.

Amount lying under Deferred Income on account of acquisition of Fixed Assets is transferred to the credit of the Statement of Profit and Loss in proportion to the depreciation charged on the respective assets to the extent attributable to Government Grants utilised for the acquisition.

Amount lying under Deferred Income on account of revenue expenses is transferred to the credit of the Statement of Profit and Loss to the extent of expenditure incurred in the ratio of the funding to the total sanctioned cost, limited to the grant received.

13) Investments in joint venture and associates

Company accounts for its interests in associates and joint ventures at cost or in accordance with Ind AS 109 in the standalone financial statements but in the consolidated Financial statements under equity method.

14) Inventories

Raw materials, components and stores purchased for manufacturing/ production activities are valued at lower of cost and net realizable value, after providing for obsolescence, if any. Cost is calculated on weighted average rate as at the end of the year. Where same items are purchased as also manufactured, manufacturing costs are generally adopted.

Raw materials and production stores with ancillaries and fabricators are valued at lower of cost at the time of such issue and net realizable value, after providing for obsolescence, if any.

Manufactured items in stock and stock-in-trade are valued at lower of cost excluding interest charges, administration overheads & sales overheads and at the net realisable value, after providing for obsolescence, if any.

Precious metals scrap is brought to books at the year end at net realizable value.

15) Work-in-process

a. Work-in-process (production) is valued on the basis of physically verified quantities at lower of cost excluding interest charges, administration & sales overheads and at the net realisable value, after providing for obsolescence, if any.

b. Work-in-process (Installation) is valued at lower of cost as recorded in the work orders and net realizable value, after providing for obsolescence, if any.

16) Tools and Gauges

Expenditure on special purpose tools and fixtures is initially capitalized at cost and then amortized over production on a systematic basis, based on technical assessment.

Loose tools are charged to revenue at the time of issue.

17) Financial assets (Trade Receivables & Other receivables)

Receivables are initially recognized at fair value, which in most cases approximates the nominal value. If there is any subsequent indication that the assets may be impaired, same is reviewed for impairment.

18) Errors and Estimates

The Company revises its accounting policies, if the change is required due to a change in the Ind AS or if the change provides more relevant and reliable information to the users of the financial statements. Changes in accounting policies are applied prospectively.

A change in an accounting estimate that results in changes in the carrying amounts of recognised assets or liabilities or to statement of Profit or Loss is applied prospectively in the period(s) of change.

Discovery of errors and results in revisions retrospectively by restating the comparative amounts of assets, liabilities and equity of the earliest prior period in which the error is discovered. Opening balances of the earliest period presented are also restated.

19) Income taxes

Income tax comprises of current and deferred income tax

Current income tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. Tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date. Current tax relating to items recognised directly in equity is recognised in equity and not in the Statement of Profit and Loss.

Deferred tax

Deferred tax is provided using the Balance sheet method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences can be utilised.

Carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised.

20) Warranty Liability

Warranty liability for contractual obligation in respect of equipment sold to customers is accounted for the basis of an annual technical assessment.

21) Foreign currencies

Transactions in foreign currencies are initially recorded by the Company at their respective currency exchange rates at the date the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency exchange rate at the reporting date.

Differences arising on settlement or translation of monetary items are recognised in the Statement of Profit and Loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the functional currency exchange rate at the dates of the initial transactions.

22) Employee benefits

- a. Short-term employee benefits are recognised as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the related service is rendered.
- b. Post-employment benefit viz. gratuity and other long-term employee benefits viz. Privilege Leave, Sick Leave and LLTC are recognised as an expense in the Statement of Profit and Loss of the year in which the employee has rendered services. Expense is recognised at the present value of the amounts payable determined using actuarial valuation techniques.
- c. Actuarial gains and losses and the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised immediately in Other Comprehensive Income (OCI). Net interest expense (income) on the net defined liability (assets) is computed by applying the discount rate, used to measure the net defined liability (asset), to the net defined liability (asset) at the start of the financial year after taking into account any changes as a result of contribution and benefit payments during the year. Net interest expense and other expenses related to defined benefit plans are recognised in the Statement of Profit and Loss.
- d. Expenditure related to voluntary retirement scheme (VRS) is written off in the year of incidence.

23) Provision & Contingent Liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. Expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities and contingent assets are not recognised in the financial statements but are disclosed in the notes.

Onerous Contracts

A provision for onerous contracts other than construction contracts is recognized when the expected benefits to be derived by the Company from a contract are lower than the unavoidable cost of meeting its obligations under the contract.

Provision is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract.

Before a provision is established, the Company recognizes any impairment loss on the assets associated with that contract.

24) Fair value measurement

The Company measures certain financial instruments, such as derivatives and other items in its financial statements at fair value at each balance sheet date.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 – Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

For purposes of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy.

25) Investment property

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

26) Financial Instruments

a. Initial recognition and measurement

All financial assets are recognised initially at fair value. In the case of financial assets not recorded at fair value through the Statement of Profit and Loss, transaction costs that are attributable to the acquisition of the financial asset are included in the cost of the asset.

b. Subsequent measurement

- c. For purposes of subsequent measurement, financial assets are classified in four categories:
 - i. Debt instruments at amortised cost,
 - ii. Debt instruments at fair value through other comprehensive income (FVTOCI),
 - iii. Debt instruments, derivatives and equity instruments at fair value through Profit or Loss (FVTPL),
 - iv. Equity instruments measured at fair value through other comprehensive income (FVTOCI).

Derecognition

A financial asset or part of a financial asset is derecognised when • The rights to receive cash flows from the asset has expired

Embedded derivative

Embedded derivative, if required, is separated from host contract and measured at fair value.

27) Forward Contracts

The Company uses derivative financial instruments such as forward currency contracts to hedge its foreign currency risks. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently remeasured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

28) Cash and cash equivalents

Cash comprises of cash on hand and demand deposits. Cash equivalents are short-term highly liquid investments with original maturities of three

months or less that are readily convertible to known amounts of cash, which are subject to an insignificant risk of change in value.

Bank overdrafts, if any, are shown within borrowings in current liabilities on the balance sheet.

29) Impairment of financial assets

In accordance with Ind AS 109, the Company applies the expected credit loss (ECL) model for measurement and recognition of impairment loss on financial assets with credit risk exposure.

- a. Time barred dues from the Government / Government Departments / Government Companies are generally not considered as increase in credit risk of such financial asset.
- b. Where dues are disputed in legal proceedings, provision is made if any decision is given against the Company even if the same is taken up on appeal to higher authorities / courts.
- c. In case of dues outstanding for a significant period of time, on a case to case basis

ECL impairment loss allowance (or reversal) recognized during the period is recognized as expense/ (income) in the Statement of Profit and Loss. This amount is reflected in a separate line in Profit and Loss Statement as an impairment gain or loss.

30) Financial Liabilities

a. Initial recognition and measurement

Financial liabilities are classified, at initial recognition, at fair value through Profit and Loss as loans, borrowings, payables, or derivatives, as appropriate.

Loans, borrowings and payables, are stated net of transaction costs that are directly attributable.

b. Subsequent measurement

Measurement of financial liabilities depends on their classification, as described below:

- i. Financial liabilities at fair value through profit or loss.
- ii. Financial liabilities at fair value through Profit or Loss include financial liabilities designated upon initial recognition as at fair value through profit or loss. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by IndAS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

c. Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

d. Trade and other payables

Liabilities are recognised for amounts to be paid in future for goods or services received, whether billed by the supplier or not.

31) Reclassification of Financial Instruments

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. If the Company reclassifies financial assets, it applies the reclassification prospectively.

32) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

33) Cash dividend and non-cash distribution to equity shareholders

The Company recognises a liability to make cash or non-cash distributions to equity holders when the distribution is authorised, and the distribution is no longer at the discretion of the Company.

34) Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

35) Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue.

Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the reporting date are not accounted but disclosed.

36) New standards and interpretations not yet effective:

A number of new standards, amendments to standards and interpretations are not yet effective for the year ended 31 March 2019 and have not been applied in preparing these financial statements. The effect of the same is being evaluated by the Company.

37) Consolidation

ITI has invested in 49% of Equity Share Capital of its Joint Venture "India Satcom Limited" for the cost of ₹40.55lakhs.

According to Ind AS 28, the consolidation of interest in joint ventures can be done by using "Equity Method", wherein the share of investor in the net worth of investee can be directly taken as value of investment in the books of investor and the difference between old value and new value will be credited/debited to Other Comprehensive income as the investment in equity shares has been classified as "Equity Instruments through Other Comprehensive Income".

As per Ind AS 109, the receivables in the Company should be put to impairment test using the expected credit loss model. Ind AS 109 allows the use of practical expedients when measuring expected credit loss on trade receivables, and states that a provision matrix is a example of such an expedient. Majority of trade receivables originate from Government owned entities, which are not exposed to high risk, the Company is making specific provisions based on case to case reviews and approved by Board. Whereas, for other customers, provision is determined using expected credit loss model on case to case basis.

- 16 Land proposed to be leased to Bangalore Metropolitan Transport Corporation, BMTC (which has not been revalued), measuring 12.15 acres is in possession of the BMTC. Pending Government of India approval for the lease, lease terms and agreement yet to be finalised. Lease rental will be recognised on finalisation of the terms. An amount of ₹285 lakhs received earlier from the BMTC under an agreement to sell is held under deposits.
- 17 National Highways Authority of India (NHAI) has acquired 1.375 acres of land in 2007-08 for public purpose on a compensation of ₹146 lakhs, which is yet to be received pending submission of certain records by the unit. Proportionate cost of the acquired land aggregating ₹5.81 lakhs has been withdrawn from Freehold Land under fixed assets and held as Claims Recoverable. On receipt of the compensation from the NHAI, necessary accounting entries will be booked for recognising the profit on sale of land.
- 18 Karnataka Power Transmission Corporation Limited is using 5 Acres of Land (which has not been revalued) and no lease agreement has been entered for the same.
- 19 Lease agreement with ESIC has expired in the month of July 2016 and renewal lease agreement has not been entered, as the revised lease rent is not settled with ESIC.
- 20 Land Measuring 77 Acres valuing ₹194.70 Crores (Market value) have been resumed by the Govt of Kerala and under adjudication of the Apex Court. The value of Land as shown in the Balance Sheet includes the value of Land resumed by the Govt of Kerala pending decision by the Apex court.

- 21 Value of Imports on CIF basis

Raw Materials and Production Stores	7894.78	18940.10
Components and Spare Parts	0.00	0.09
Material in transit	0.00	3653.79
Capital Goods	3163.57	6521.79
TOTAL	11058.35	29115.77

- 22 Rent from C-DoT, Government of India aggregating ₹ 5847.90 lakhs has not been realised for the years 2005-06 to 2010-11. Due to uncertainty of realisation, recognition of gross rental revenue aggregating ₹8179.92 lakhs for the financial years 2011-12,2012-13,2013-14,2014-15,2015-16, 2016-17, 2017-18 & 2018-19 on accrual basis is deferred, which is in conformity with Ind AS-18.

- 23 Liquidated Damages (LD) of ₹1049.41 lakhs on a supplier claimed by Bangalore Plant, rejected by the Arbitral Tribunal and the matter is pending before High Court of Delhi.

REVISED INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF ITI LIMITED

Revised Report on the Audit of the Consolidated Financial Statements

On completion of audit of consolidated accounts of ITI Limited ("the Company") for the year 2018-19, we had rendered our audit report dated 29th May 2019. Subsequent to our report, in light of the observations arising from the audit by office of the Principal Director of Audit, Post & Telecommunications the Comptroller & Audit General of India, vide letter Rep.FA/F208/208-19/425 dated 1st October 2019. with respect to the reliance placed by us on unaudited financial statements of Regional Offices of the company as reported under para (b) of "Other matters" of our audit report dated 29th May 2019, the said report has been revised. This supersedes our previous independent audit report dated 29th May 2019. This amendment has no impact on the reported figure in the financial statements. Consequent to amendment of para (b) of Other Matters, our report has been revised and placed at the Board Meeting of the company held on 11th October 2019.

Opinion

We have audited the accompanying consolidated Ind AS financial statements of ITI LIMITED its joint venture INDIA SATCOM LIMITED (together referred to as "the Company") and comprising of the consolidated Balance Sheet as at 31 March, 2019, the consolidated Statement of Profit and Loss (including other comprehensive income), the consolidated Cash Flow Statement and the consolidated Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 read with the Companies (Indian Accounting Standards) Rules, 2015 as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the company as at March 31, 2019 and its consolidated PROFIT, consolidated changes in equity and its consolidated cash flows for the year ended on that date

Basis for Opinion

We conducted our audit of the Consolidated financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated financial statements.

Basis of Qualified Opinion

Qualifications not quantifiable

- a) Pending approval from the Government of India on the finalization of the lease terms & agreement, rental income on the land leased out to the Bangalore Metropolitan Transport Corporation (BMTC) to an extent of the 12.15 acres proposed to be leased out to BMTC is already in the possession of BMTC, further based on the information furnished to us, BMTC additionally occupies 1.85 acres, has not been recognised as income. A sum of Rs 285.00 lakhs received earlier from the BMTC under an agreement to sell is held under deposits (Refer Note 31.16);
- b) Rental income on the land leased out to the Karnataka Power Transmission Corporation Limited (KPTC) (to an extent of the 5 acres proposed to be leased out to KPTC is already in the possession of KPTC), has not been recognised as income pending finalisation of lease agreement. (Refer Note No.31.18.)

Our opinion is modified in respect of these matters.

Qualifications quantifiable

- a) Non-provision of Rs 5847.90 lakhs towards claims doubtful of recovery, being rent receivable from premises leased out to C-DOT up-to the period ended 31.03.2011 and no rental income for the period subsequent to 31.03.2011 for the same premises has been recognised on accrual basis due to uncertainty of realization (Refer Note No.31.22);

Our opinion is modified in respect of these matters.

Emphasis of matter

We draw the attention to the following matters in the Notes to the financial statements :

- i) The profit for the year has been arrived at after making adjustments for the following items -'
 - a. Other Income of Rs 33647.30 lacs for the year includes Rs 29851.75 lacs representing the Write back of liabilities of earlier years. (Refer Note . 23)
 - b. Rs 1622 lacs being GST collected in a contract remained unpaid as on 31st March 2019 in a back to back contract.
 - c. Finance Costs of Rs 10647.11 lacs are after adjusting an amount of Rs 1356.20 lacs being nominal interest at 1% provided on the Govt of India. loan of Rs 30000 lacs, which in the opinion of the company is no longer required. (Refer Note.28)
 - d. Revenue from operations of Rs 166836.84 lacs includes Rs 44504.74 lacs representing "Unbilled Revenue" recognised on the basis of percentage of completion of certain contracts. (Refer Note. 22)
- ii) Formal conveyance/lease deeds in respect of lands, excepting part of lands at Bangalore and Mankapur, are yet to be executed by the respective State Governments - (Refer Note No 1)
- iii) Necessary accounting adjustments for acquisition of 1.375 acres of land by the National Highway Authority of India (NHAI) for public purposes to be made on receipt of compensation, with proportionate cost of the acquired land having been withdrawn from the fixed assets and held as claims recoverable – (Refer Note No.31.17);
- iv) Balances in the accounts of trade payables, advances from customers, trade receivables, claims recoverable, loans & advances, sub-contractors/ others, deposits, loans and other payables/receivables such as Sales Tax, VAT, Excise Duty, CENVAT, Service Tax, Income Tax, GST, TDS, etc., being under confirmation/reconciliation. Adjustments, if any will be made on completion of such reconciliation /receipt of confirmation and we are unable to comment on the impact of the same on the accounts of the company (Refer Note 31.4);
- v) The Company is a Sick Company as per provisions of Sick Industrial Companies Act (SICA), 1985. CCEA has approved a financial assistance of Rs. 4156.79 Crores in February, 2014, for Revival of ITI under Rehabilitation Scheme (Refer Note No 31.15)
- vi) Lease agreement with ESIC has expired in the month of July 2016 and renewal lease agreement has not been entered. (Refer Note 31.19)
- vii) Land measuring 77 Acres have been resumed by the Govt of Kerala and is under adjudication of the Apex Court. The value of land as shown in the balance sheet includes the value of land resumed by the Govt Of Kerala (Refer Note 31.20)

Our opinion is not modified in respect of these matters.

Key Audit Matters

S.No	Key Audit Matters	Auditor's Response
	<p>The company has adopted Ind AS 115, Revenue from Contracts with Customers ('Ind AS 115') which is the new revenue accounting standard. The application and transition to this accounting standard is complex and is an area of focus in the audit. The revenue standard establishes a comprehensive framework for determining whether, how much and when revenue is recognized. This involves certain key judgments relating to identification of distinct performance obligations, the appropriateness of the basis used to measure the revenue recognized over a period. The Company adopted Ind AS 115 and applied the available exemption provided therein, not to restate the comparative periods</p> <p>Refer Notes 22 to the Consolidated Financial Statements</p>	<p>Principal Audit Procedures</p> <p>We assessed the Company's process to identify the impact of adoption of the new revenue accounting standard. Our audit approach consisted, testing of the design and operating effectiveness of the internal controls and substantive testing as follows:</p> <p>Selected a sample of continuing and new contracts and performed the following procedures:</p> <ul style="list-style-type: none"> -Read, analysed the documents viz., Work Order and RFPs , POs and the Certificates furnished by the company for the stage of completion of various activities of the project. -Discussed with appropriate senior management and evaluated management's underlying key assumptions in estimating the Unbilled Revenue recognised as income in the books of account duly certified by the concerned project/ unit and finance heads -Compared these performance obligations with that identified and recorded by the Company. -Considered the terms of the contracts to determine the transaction price including any variable consideration to verify the transaction price used to compute revenue and to test the basis of estimation of the variable consideration. -In respect of samples BhartNet- II projects, progress towards satisfaction of performance obligation used to compute recorded revenue was verified with actual cost incurred up to that stage with estimation. We also tested the access and change management controls relating to these systems. -Performed analytical procedures for reasonableness of revenues disclosed by type and service offerings.
	<p>Recoverability and assessment of Trade Receivables, advances, balances with government departments. The Company has Trade receivable (Note No 7.) of Rs. 265740 lakhs and Loan & Advances balances (Note No. 9.) of Rs. 77669.39 lakhs and Deposit with Government departments, taxes and duties of Rs 6738.02 lacs (Note No 10), Trade receivables, advances, balances with government departments of the company comprise mainly receivables in relation to the manufacturing and sale of products, advance to Vendors and Duties and taxes etc.</p> <p>These balances are recognised at their anticipated realisable value, which is the original invoiced amount/payments less provision (estimated for) for non-realizable value.</p> <p>Valuation of trade receivables, advances, and balances with government departments is a key audit matter in the audit due to the size of its holding and the high level of management judgement used in determining the impairment provision.</p>	<p>Principal Audit Procedures</p> <p>We have performed the following procedures in relation to the recoverability of trade receivables:</p> <ul style="list-style-type: none"> -Tested the accuracy of aging of trade receivables, advances, balances with government departments at year end on a sample basis. -Obtained a list of outstanding receivables and identified any debtors wherever there is delay in payment over the terms agreed. -Assessed the recoverability of the unsettled receivables on a sample basis through our evaluation of management's assessment with reference to the credit profile of the customers, historical payment pattern of customers and latest correspondence with customers and to consider, if any additional provision should be made; -Tested subsequent settlement of trade and receivables after the balance sheet date on a sample basis, if any. -We found the key judgements and assumptions used by management in the recoverability assessment of trade receivables to be supportable based on the available evidence.
	<p>Disputes and potential litigations: (Refer to Note 31.11) in the consolidated financial statements :-</p> <p>The Company is involved in legal proceedings on disputed tax demands. The company/s management has assessed that the probability of success of the demand is Remote and accordingly has not provided for the disputed demands. Management judgement is involved in assessing the accounting for demands, and in particular in considering the probability of a demand being successful and we have accordingly designated this as a focus area of the audit. The risk related to the claims is mainly associated with the completeness of the disclosure, and the completeness of the provisions in the financial statements.</p>	<p>In response to the risk of completeness of the disclosures and the completeness of the provisions in the financial statements, we discussed the cases with management, and reviewed correspondence and other documents exchanged between company and advocates/legal practitioners parties involved in the disputes.</p> <p>We tested provisions recorded in the accounting records and reviewed the disclosures for completeness based on our procedures detailed above.</p>

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated financial statements and our auditor's report thereon. Our opinion on the Consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the preparation of these consolidated Ind AS financial statements in terms of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Company is in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued there under.

The respective Board of Directors of the companies included in the Company are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Company, as aforesaid. The respective Board of Directors of the Company are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial statements.

Other Matters

The financial information of its joint venture viz., INDIA SATCOM LIMITED for the year ended 31 March 2019 included in these consolidated Ind AS financial statements, are prepared in accordance with Ind AS have been audited by other auditors and have been relied upon by us.

The consolidated Ind AS financial statements reflects assets of the joint venture viz., INDIA SATCOM LIMITED of Rs 3976.12 lakhs as "Investment under Equity Method" and includes its joint venture's share of net profit (including Other Comprehensive Income) of Rs 208.76 lakhs, whose financial statements have not been audited by us.

These Ind AS financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of the joint venture and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid joint venture is based solely on the reports of the other auditors.

We consider only Land and Cash & Cash Equivalents of INDIA SATCOM LIMITED as reliable assets for calculation of Net Worth in conservative basis.

Other Matters

- a) We did not audit the financial statements of five Units whose financial statements reflect total assets of Rs. 487336.84 Lakhs as at March 31, 2019, total revenues of Rs. 55157.12 Lakhs and Profit after tax of Rs. 2964.96 Lakhs for the year ended on that date. These financial statements are audited by the respective Unit Auditors appointed by the Comptroller & Auditor General of India whose reports have been furnished to us and our opinion in so far as it relates to the amounts and disclosures included in respect of these branches, is based solely on the report of such other auditors.
- b) The Company is having 8 Regional Offices located at Bangalore, Chennai, Hyderabad, New Delhi, Lucknow, Kolkata, Mumbai and Bhubaneswar. Out of the 8 Regional Offices, we have audited the financial statements of Regional Offices located at Bangalore and Chennai, whose financial statements reflect total assets of Rs. 32345.95 Lakhs as at March 31, 2019, total revenues of Rs 11986.82 Lakhs and Profit after tax of Rs 1147.77 Lakhs for the year ended on that date. With respect to remaining 6 Regional Offices, whose financial statements reflect total assets of Rs 40722.67 Lakhs as at March 31, 2019, total revenues of Rs 31925.52 Lakhs and Profit after tax of Rs 1682.93 Lakhs for the year ended on that date, we have relied on the financial statements certified by the Management and furnished to us. Based on the information and explanations provided by the management we are of the opinion the assurance level of the reliability and accuracy of the financial statements of the 6 Regional Offices certified by the managements is reliable.
- c) We draw attention to (Note No 31.5) regarding disclosure of segment information as required under Ind AS 108.

Our opinion is not modified in respect of these other matters.
Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report to the extent applicable based on our audit that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.

- d) In our opinion, the aforesaid Consolidated financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its Consolidated financial statements. (Refer Note No 31.11 of Consolidated financial statements)
- ii. The Company did not have any derivative contracts but have provided, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts.
- iii. There were no amounts ,which were required to be transferred, to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.
3. As required by Section 143(5) of the Act, we have considered the directions issued by the Comptroller and Auditor General of India, the action taken thereon and its impact on the accounts and financial statements of the Company – Reference Annexure C attached

ANNEXURE “A” TO THE REVISED INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of ITI Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated Ind AS financial statements of the Company as of and for the year ended 31 March 2019, we have audited the internal financial controls over financial reporting of ITI LIMITED and its joint venture INDIA SATCOM LIMITED, which are companies incorporated in India, as of that date (together called the Company)

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE 'B' TO THE REVISED INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of ITI Limited of even date)

The Annexure referred to in Independent Auditors' Report to the members of the Company on the Consolidated financial statements for the year ended 31 March 2019, we report that:

- i) a) The Company has maintained proper records showing full particulars including quantitative details and location of fixed assets on the basis of available information.
- b) According to the information and explanations given to us and on the basis of the Report of the Other Auditors, fixed assets at all other locations have been physically verified by the management periodically in a phased manner and no material discrepancies were noticed on such verification.
- ii) According to the information and explanations given to us, inventories have been physically verified by the management every year. According to the information and explanations given to us and based on the Report of the Other Auditors, no material discrepancies were noticed on physical verification of the inventories at the locations where Management had carried out physical verification.
- iii) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013. Therefore paragraph 3(iii) of the Order is not applicable to the Company.
- iv) The Company has not granted any loans or provided any guarantees or security to the parties covered under Section 185 of the Act. The Company has complied with the provisions of section 186 of the Act in respect of investments made or loans provided to the parties covered under Section 186.
- v) The Company has not accepted deposits from public in accordance with the provisions of sections 73 to 76 of the Act and the rules framed there under.
- vi) We have broadly reviewed the cost records maintained by the Company as specified by the Central Government under section 148(1) of the Act, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete
- vii) (a) According to the information and explanations given to us and the records of the company examined by us and on the basis of Report of the Other Auditors, in our opinion, the Company is not regular in depositing undisputed statutory dues including Provident Fund employees' state insurance, TDS, sales-tax, service tax, duty of customs duty, excise duty, GST, value added tax, cess and any other statutory dues to the appropriate authorities and a sum of Rs 24371 lakhs pending as arrears pertaining to Provident Fund in the books of the company. Further a sum of Rs 57.13 lacs being arrears towards UP Trade Tax, which are not disputed and are outstanding for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us and based on the Report of the Other Auditors, statutory dues that have not been deposited with the appropriate authorities on account of any dispute are as follows:

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(B) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL STATEMENTS OF ITI LIMITED (STANDALONE) FOR THE YEAR ENDED 31 MARCH 2019

The preparation of Financial Statements of ITI Limited for the year ended 31st March, 2019 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the Management of the Company. The Statutory Auditors appointed by the Comptroller and Auditor General of India under Section 139(5) of the Act is responsible for expressing opinion on the financial statements under Section 143 of the Act based on independent audit in accordance with the Standards on Auditing prescribed under Section 143(10) of the Act. This is stated to have been done by them vide their Revised Audit Report dated 11.10.2019 which supersedes their earlier Audit Report dated 29.05. 2019.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the financial statements of ITI Ltd. for the year ended 31st March 2019 under section 143(6)(a) of the Act. This supplementary audit has been carried out independently without access to the working papers of the Statutory Auditors and is limited primarily to inquiries of the Statutory Auditors and Company personnel, and a selective examination of some of the accounting records. The Audit Report has been revised by the statutory auditor to give effect to some of my audit observations raised during supplementary audit.

In addition, I would like to highlight the following significant matters under section 143(6)(b) of the Act which have come to my attention, and which in my view are necessary for enabling a better understanding of the financial statements and the related audit report:

1. Balance Sheet

Liabilities-Non-current Liabilities-

Others (Note no.15) ₹7,033.42 lakh

The above head is understated by ₹1,356.20 lakh due to non-inclusion of interest on loan from Government of India. The company has considered Loan from Government of India as Grant-In-Aid Revenue without receiving any response from the Government of India to its proposal. This has also resulted in understatement of cost of finance and overstatement of profits by the same amount.

2. Statement of Profit & Loss Accounts

Expenses

Depreciation and Amortisation expense (Note-29) - ₹ 3,709.16 lakh.

The above head is understated by ₹179.55 lakh due to the wrong classification of data processing assets (having useful life of 6 years) as plant and machinery (having useful life of 15 years). This has also resulted in overstatement of profits by the same amount.

3. General Comment

Non-reconciliation of receivables and payables between ITI and BSNL

ITI Ltd is showing ₹ 2900 lakh as trade receivable from BSNL as on 31.3.2019 whereas as per the books of BSNL, no amount is payable to ITI Ltd as on that date. Instead, it is showing ₹ 42.11 lakh as receivable from ITI Ltd. Hence, there is non-reconciliation between the accounts of ITI and BSNL.

4. Comment on Statutory Auditor

Non-performance of duties by the Statutory Auditor

The Statutory Auditor of ITI Ltd. M/s. Sankaran & Krishnan, appointed by CAG of India vide letter of appointment dated 14.08.2018, was entrusted with conducting the audit of the Corporate Office, consolidation of accounts and six ROs. However, the Statutory Auditor failed to carry out the audit of all the Regional Offices of ITI Ltd as required under the terms of appointment, to arrive at his conclusion at point no (b) Other Matters. The Statutory Auditor has instead relied upon the unaudited financial statements furnished by the Management in case of six ROs. The Statutory Auditor was able to provide sufficient documentation in respect of Chennai and Bangaluru ROs only. The details provided in respect of other ROs left unaudited do not provide sufficient assurance. Thus, he failed to carry out the responsibilities entrusted to him in terms of his appointment under Section 139 of the Companies Act 2013 for the financial year 2018-19.

As a result of the comments of the Comptroller and Auditor General of India under section 143(6) (b) of the companies act, 2013 on the financial statements of ITI Limited for the year ended 31 March 2019, there is overstatement of profit by ₹1,535.75 Lakh.

For and on the behalf of the
Comptroller and Auditor General of India

(Manish Kumar)
Principal Director of Audit (P&T)

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(B) READ WITH SECTION 129 (4) OF THE COMPANIES' ACT 2013, ON THE CONSOLIDATED FINANCIAL STATEMENTS OF ITI LIMITED FOR THE YEAR ENDED 31 MARCH 2019.

The preparation of Consolidated Financial Statements of ITI Limited for the year ended 31st March, 2019 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the Management of the Company. The Statutory Auditors appointed by the Comptroller and Auditor General of India under Section 139(5) read with Section 129 (4) of the Act is responsible for expressing opinion on the financial statements under Section 143 read with Section 129 (4) of the Act based on independent audit in accordance with the Standards on Auditing prescribed under Section 143(10) of the Act. This is stated to have been done by them vide their Revised Audit Report dated 11.10.2019 which supersedes their earlier Audit Report dated 29.05.2019.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the Consolidated Financial Statements of ITI Ltd. for the year ended 31st March 2019 under section 143(6)(a) read with section 129(4) of the Act. We conducted a supplementary audit of the financial statement of ITI Ltd., but did not conduct supplementary audit of the financial statements of India Satcom Limited (jointly controlled entities) for the year on that date. **Further, section 139(5) and 143 (6) (a) of the Act are not applicable to India Satcom Limited being a private entity, under the respective laws for appointment of their Statutory Auditor and for conduct of supplementary audit. Accordingly, Comptroller and Auditor General of India has neither appointed the Statutory Auditors nor conducted the supplementary audit of this Company.** This supplementary audit has been carried out independently without access to the working papers of the Statutory Auditors and is limited primarily to inquiries of the Statutory Auditors and Company personnel, and a selective examination of some of the accounting records. The Audit Report has been revised by the statutory auditor to give effect to some of my audit observations raised during supplementary audit.

In addition, I would like to highlight the following significant matters under section 143(6)(b) read with section 129(4) of the Act which have come to my attention and which in my view are necessary for enabling a better understanding of the financial statements and the related audit report:

1. Balance Sheet

Comments of C & AG

1. Balance Sheet

Liabilities-Non-Current liabilities-

Others (Note no. 15) Rs.7,033.42 Lakhs

The above head is under stated by Rs.1356.20 Lakhs due to non-inclusion of interest on loan from Government of India. The company has considered loan from Government of India as Grant in Aid Revenue without receiving any response from the Government of India to its proposal. This has also resulted in understatement of cost of finance and overstatement of profits by the same amount.

Company's Reply

As per Order of DoT the loan received from DoT was repayable in 5 years after the company starts earning profits with a moratorium period of two years with interest of 1% p.a. The company was making provision for interest payment from 2014-15 onwards. However, the company made actual Net Profit of Rs. 98 crores & Rs. 93 crores without Grant-in-Aid during FY 2017-18 & FY 2018-19 respectively as per IndAS. The moratorium period of 2 years ends as on 31.03.2019. The loan repayment will start from FY 2019-20 onwards along with 1% interest. Accordingly, the provision for interest made during the previous years was reversed during 2018-19 and the same is in order.

In view of the above the query may please be dropped.

Comments of C & AG

2. Statement of Profit and Loss Accounts Expenses

Depreciation and Amortization expense (Note No-29)-Rs.3709.16 Lakh

The above head is understated by Rs.179.55 Lakh due to the wrong classification of data processing assets (having useful life of 6 years) as plant and machinery (having useful life of 15 years). This has also resulted in overstatement of profits by the same amount.

Company's Reply

We wish to state that as per Schedule II of Companies Act, 2013 the useful life of the assets viz "computers & Data processing Units" (Servers & Network) is 6 years.

These data processing Units are classified under HSN code 8471 "Automatic Data Processing Machines and Units".) whereas the Assets purchased for Data Centre are for Industrial applications and are falling under category HSN Code Viz 8517 "Electrical Machinery" like Chillers, Static Converters/UPS, Network Components for Data Centre –Others and Parts of Other Electric Power Machinery Hence we would like to reiterate that the classification of the assets is in order.

In view of the above the query may please be dropped.

Comments of C & AG

3. General Comment

Non-reconciliation of receivables and payables between ITI and BSNL

ITI Ltd is showing Rs. 2900 Lakh as trade receivables from BSNL as on 31.03.2019 whereas as per the books of BSNL, no amount is payable to ITI Ltd as on that date. Instead, it is showing Rs. 42.11 lakh as receivable from ITI Ltd. Hence, there is non –reconciliation between the accounts of ITI and BSNL.

Company's Reply

ITI has provided details of Rs. 1546 crs, circle wise receivable from BSNL to P & T Audit on 01.10.2019. Subsequently letter has been written to BSNL –CMD by ITI-

CMD providing invoice wise, year wise and circle wise details. The reconciliation of the receivables and payable between ITI and BSNL was discussed in length in the P & T Audit meeting held on 01.10.2019. Based on the details given by ITI the circle wise P & T Audit Offices will be informed and BSNL records will be pursued based on the data provided by ITI.

In view of the above the query may please be dropped.

Comments of C & AG

4. Comment on Statutory Auditor

Non-Performance of duties by the Statutory Auditor

The Statutory Auditor of ITI Ltd. M/s. Sankaran & Krishnan, appointed by CAG of India vide letter of appointment dated 14-08-2018, was entrusted with conducting the audit of the Corporate Office, consolidation of accounts and six ROs. However, the Statutory Auditor failed to carry out the audit of all the Regional Offices of ITI Ltd as required under the terms of appointment, to arrive at his conclusion at point no (b) Other Matters. The Statutory Auditor has instead relied upon the unaudited financial statements furnished by the Management in case of six ROs. The Statutory Auditor was able to provide sufficient documentation in respect of Chennai and Bengaluru ROs only, The details provided in respect of other ROs left unaudited do not provide sufficient assurance. Thus, he failed to carry out the responsibilities entrusted to him in terms of his appointment under Section 139 of the Companies Act 2013 for the financial Year 2018-19.

Company's Reply

M/s. Sankaran & Krishnan, Statutory Auditors of ITI Limited conducted the Audit for the year ended 31.03.2019 of Bangalore Plant, Network Systems (NS) Unit, Corporate Office, and Consolidation of accounts. The reports from the Branch Auditors of the units viz., Rae Bareli, Naini, Mankapur and Srinagar were considered in finalizing the accounts. As regards 8 ROs, we confirm that there are well placed internal controls and internal audit at regional offices and the financial statements are thoroughly checked at both regional and corporate level. The Statutory auditors have audited the accounts of two Regional Offices viz., Chennai and Bangalore. As regards the other 6 ROs, viz., Hyderabad, Delhi, Lucknow, Mumbai, Kolkata and Bhubaneswar, the financial statements were scrutinized by the Statutory Auditors by verifying the high value sales & purchase transactions, review of major heads of accounts, bank reconciliation, statutory compliances, contingent liabilities etc., and the auditor's observations were discussed with the Management and deliberated by Audit Committee, before finalizing their Report. Hence, we hereby confirm that the assurance level of the reliability and accuracy of the financial statements of the 6 Regional Offices certified by the Management is sufficient and reliable. Please refer to the para (b) of "Other matters" of auditors' report for the auditors' comments.

We wish to add that with respect to the accounts of Regional Offices this practice of reliance on the annual financial statements certified by the Management has been consistently followed by the Statutory Auditors in the earlier years also.

In this background, we are of the opinion that, the Statutory Auditors have performed their duties with reference to the Audit of Regional Offices of ITI for the year ended 31.03.2019.

We wish to add that, from the year ended 31.03.2020 onwards, the Statutory Auditors will audit the accounts of all the Regional Offices before finalizing the accounts for the Company."

ADDENDUM TO THE DIRECTOR'S REPORT (Consolidated)

Comments of C & AG

1. Balance Sheet

Liabilities-Non-Current liabilities-

Others (Note no. 15) Rs.7,033.42 Lakhs

The above head is under stated by Rs.1356.20 Lakhs due to non-inclusion of interest on loan from Government of India. The company has considered loan from Government of India as Grant in Aid Revenue without receiving any response from the Government of India to its proposal. This has also resulted in understatement of cost of finance and overstatement of profits by the same amount.

Company's Reply

As per Order of DoT the loan received from DoT was repayable in 5 years after the company starts earning profits with a moratorium period of two years with interest of 1% p.a. The company was making provision for interest payment from 2014-15 onwards. However, the company made actual Net Profit of Rs. 98 crores & Rs. 93 crores without Grant-in-Aid during FY 2017-18 & FY 2018-19 respectively as per IndAS. The moratorium period of 2 years ends as on 31.03.2019. The loan repayment will start from FY 2019-20 onwards along with 1% interest. Accordingly, the provision for interest made during the previous years was reversed during 2018-19 and the same is in order.

In view of the above the query may please be dropped.

Comments of C & AG

2. Statement of Profit and Loss Accounts/Expenses

Depreciation and Amortization expense (Note No-29)-Rs.3709.16 Lakh

The above head is understated by Rs.179.55 Lakh due to the wrong classification of data processing assets (having useful life of 6 years) as plant and machinery (having useful life of 15 years). This has also resulted in overstatement of profits by the same amount.

Company's Reply

We wish to state that as per Schedule II of Companies Act, 2013 the useful life of the assets viz "computers & Data processing Units" (Servers & Network) is 6 years.

These data processing Units are classified under HSN code 8471 "Automatic Data Processing Machines and Units".) whereas the Assets purchased for Data Centre are for Industrial applications and are falling under category HSN Code Viz 8517 "Electrical Machinery" like Chillers, Static Converters/UPS, Network Components for Data Centre -Others and Parts of Other Electric Power Machinery Hence we would like to reiterate that the classification of the assets is in order.

In view of the above the query may please be dropped.

3. General Comment

Non-reconciliation of receivables and payables between ITI and BSNL

ITI Ltd is showing Rs. 2900 Lakh as trade receivables from BSNL as on 31.03.2019 whereas as per the books of BSNL, no amount is payable to ITI Ltd as on that date. Instead, it is showing Rs. 42.11 lakh as receivable from ITI Ltd. Hence, there is non-reconciliation between the accounts of ITI and BSNL.

Company's Reply

ITI has provided details of Rs. 1546 crs, circle wise receivable from BSNL to P & T Audit on 01.10.2019. Subsequently letter has been written to BSNL -CMD by ITI-

CMD providing invoice wise, year wise and circle wise details. The reconciliation of the receivables and payable between ITI and BSNL was discussed in length in the P & T Audit meeting held on 01.10.2019. Based on the details given by ITI the circle wise P & T Audit Offices will be informed and BSNL records will be pursued based on the data provided by ITI.

In view of the above the query may please be dropped.

4. Comment on Statutory Auditor

Non-Performance of duties by the Statutory Auditor

The Statutory Auditor of ITI Ltd. M/s. Sankaran & Krishnan, appointed by CAG of India vide letter of appointment dated 14-08-2018, was entrusted with conducting the audit of the Corporate Office, consolidation of accounts and six ROs. However, the Statutory Auditor failed to carry out the audit of all the Regional Offices of ITI Ltd as required under the terms of appointment, to arrive at his conclusion at point no (b) Other Matters. The Statutory Auditor has instead relied upon the unaudited financial statements furnished by the Management in case of six ROs. The Statutory Auditor was able to provide sufficient documentation in respect of Chennai and Bengaluru ROs only, The details provided in respect of other ROs left unaudited do not provide sufficient assurance. Thus, he failed to carry out the responsibilities entrusted to him in terms of his appointment under Section 139 of the Companies Act 2013 for the financial Year 2018-19.

Company's Reply

M/s. Sankaran & Krishnan, Statutory Auditors of ITI Limited conducted the Audit for the year ended 31.03.2019 of Bangalore Plant, Network Systems (NS) Unit, Corporate Office, and Consolidation of accounts. The reports from the Branch Auditors of the units viz., Rae Bareli, Naini, Mankapur and Srinagar were considered in finalizing the accounts. As regards 8 ROs, we confirm that there are well placed internal controls and internal audit at regional offices and the financial statements are thoroughly checked at both regional and corporate level. The Statutory auditors have audited the accounts of two Regional Offices viz., Chennai and Bangalore. As regards the other 6 ROs, viz., Hyderabad, Delhi, Lucknow, Mumbai, Kolkata and Bhubaneswar, the financial statements were scrutinized by the Statutory Auditors by verifying the high value sales & purchase transactions, review of major heads of accounts, bank reconciliation, statutory compliances, contingent liabilities etc., and the auditor's observations were discussed with the Management and deliberated by Audit Committee, before finalizing their Report. Hence, we hereby confirm that the assurance level of the reliability and accuracy of the financial statements of the 6 Regional Offices certified by the Management is sufficient and reliable. Please refer to the para (b) of "Other matters" of auditors' report for the auditors' comments.

We wish to add that with respect to the accounts of Regional Offices this practice of reliance on the annual financial statements certified by the Management has been consistently followed by the Statutory Auditors in the earlier years also.

In this background, we are of the opinion that, the Statutory Auditors have performed their duties with reference to the Audit of Regional Offices of ITI for the year ended 31.03.2019.

We wish to add that, from the year ended 31.03.2020 onwards, the Statutory Auditors will audit the accounts of all the Regional Offices before finalizing the accounts for the Company."
